Subject: FOR REVIEW: Downsview Park correspondence re: CTC tower

Good morning,

Please provide comments regarding the attached letter.

I drafted it in response to the comments received from Downsview Park concerning the replacement of the existing CTC tower on the Barrie corridor.

The draft incorporates edits from Mark Austin, Ken Henderson and Terry O'Shell.

This is the only correspondence we received following the publication of the newspaper ad and mailing of notifications to the surrounding businesses.

I am also attaching scanned copies of the original letter from Downsview Park.

Tom suggested that since the original correspondence came from a Senior V.P., our reply should go out either from Daryl or from Mike Wolczyk. Any suggestions as to who it should be?

Thank you kindly,

Robert Pasiak
