Antoine / Leslie,

Please find enclosed your budget material for the 2013-14 Multi-year Business Planning and Budget process.

We ask that you complete the budget template and send it back to me by September 7, 2012 as we plan to present to SMT a preliminary budget position by September 18, 2012.

Please let me know if you have any questions and/or would like us to walk your group through the budget template sometime next week.

Thanks in advance for your valuable input.
