Hi Eve, Dina and Angela:

As you will see from the attached agenda, there are no issues (that we are aware of) requiring immediate resolution during tomorrow's group meeting.

There are a number of updates that can be written up if you would prefer that we not meet tomorrow. Please advise. I will be taking part in the meeting by phone and Silvan and Sarah are not able to attend, unless things have changed. I will do Sarah's update if she is absent.

Thanks to Jeff for the material he prepared for the meeting.

Thanks,

Lisa D. Jones
