Subject: FW: GO Transit Agency Billings for 2009/2010

Hi Mary

Here, FYI, is Jan Kelley billings for 2009 and 2010 to give you a rough idea of work and costs. I asked Chantel to isolate GO-related expenses.

I will be in touch with you later today or sometime with respect to status of the ARB brief, timing, and process. Thanks for your patience.

Subject: GO Transit Agency Billings for 2009/2010

Hi Marilyn -

Attached is a breakdown of the agency billing for the last two years that we worked on the GO Transit business (2009 and 2010).

It is a simple breakdown by docket and I've included only work that was completed under the GO Transit budget. Please also note that it does not include media as that is purchased directly from Zenith Optimedia. Let me know if you also need Metrolinx work.

Let me know if this is useful or if you need more.

Thanks, Chantel
