Subject: Metro News P.O.

Hi Jamie,

Susan Sperling at the TTC referred me to you. Metrolinx c/o TTC has a purchase order with Metro news that Susan was originally our contact for but I understand that she is no longer involved so I was hoping you could help me out. The contract was for the 2011-2013 period and the reference # is P14TD11630. It's my understanding that the advertising volume that was originally projected for 2011 and the first part of 2012 will now be fulfilled in the latter half of the contract term. Are you able to provide any insight on this?

Any help would be appreciated. Thanks!

Regards,
Linda
