Hi Franca,

I'm familiar with the December 6th date for the east EA amendment. I've mocked up the ad, but we need to confirm the availability of the Ontario Science Centre for the date/time. Can you confirm?

I can get started on the newspaper ad for the west EA amendment meeting. Will you help identify a location?

Thanks,
Trina

Hi David,
Jamie is at City Council today as they debate the Master Agreement.
Trina are you available or are you at City Hall today too?

We are working toward December 5 (West) and December 6 (East) dates.
I know there was some discussion at the station charrette yesterday-

Is this still accurate?

Franca

Jamie –

I would like to talk about preparing for the Open Houses tomorrow (Wednesday). Let me know what time is good for you for a conference call. Thanks.
