John: By way of this email, I'm asking Lilian to find you + me a few minutes for a phone call.

I'd like to propose that we have a couple of meetings, the first at your premises, and the second at ours (probably incorporating a tour).

I have a proposed agenda in mind for the first meeting "chez vous" that I'd like to discuss with you.

In the meantime, we'll also begin to send materials your way as necessary background material.

Marilyn + I are looking forward to working with you, Helen and the team.

Thanks very much.

Mary

Subject: GO Transit Assignment

Hi Mary, great to meet you today. We are thrilled to have been awarded the GO Transit assignment and are looking forward to working with you and your team. Suffice to say that my daily commute will take on whole new meaning. Perhaps we should set up some time next week to get further acquainted and get our efforts underway. With the exception of Friday, my schedule is pretty good.
Best

John
