I'm fine with it. Just working on both ads at the same time right now and want to make sure I get the right map in the right place ☺

That's the idea-any objections anyone? There is not a lot of other flexibility in this week.

Thanks Franca.

Excellent news. So, east alignment meeting is December 11th at the Ontario Science Centre, yes?

Trina

David,

Excellent news from Denise this morning. The Telus Room at the Science Centre is available **Tuesday December 11**. We will book it. Trina-the map is back! For the open house flyer.
