Subject: RE: Proposal for Ridership Update

Hi Daniel:

The scope looks OK to me and is in line with the discussions Phil and I had with Jim Richards.

Let me know how you want to proceed.

Thanks

Stef

Subject: Proposal for Ridership Update

Daniel

Please see attached a proposal that sets out our approach to undertaking a review of the ridership forecasts as per the requirements set out in your email of 13th February.

Please let me know if this proposal addresses the issues so that we can proceed with the work immediately after the Easter break on 2nd April. I am available to discuss any issues arising between now and 28th March inclusive.

Kind regards

Jim
