Subject: 2013 Ridership Forecast Update

Hi Mike and Darren,

Further to Friday's ACT meeting, the final SDG ridership forecast report and data tables for 2013 are available here:

<G:\Airport Rail Link\PLANNING & POLICY\RIDERSHIP\REPORTS\SDG 2013>

The analysis includes a set of updated assumptions, and the results are very consistent with previous forecasts. Note that there are some adjustments in the hourly distribution of passengers based on updated information from the GTAA.
