Shyvonne,

Yesterday, during the UP SMT meeting, Kathy and Stephan debriefed about items coming out of Kathy's 1:1 with Bruce.

As she mentioned in our weekly meeting, we need to move forward with setting up a combined briefing for Bruce, Robert Siddall, Judy P on the 2013 UP Express Ridership Forecast. Could you work with their EA's to find a joint time? This is not a rush item given summer vacation schedules. Stephan indicated that if the date falls during his vacation, he has full faith in Phil stepping in. We could also look to the Week of August 12th.

Stephan/Phil will hold the pen on preparing a deck as Kathy asked for additional scenarios re: non-fare revenue

Thank you for working on this.
