Subject: Re: Pearson Seat Volumes Analysis

Thanks Alex. This is good. Is it possible to overlay the SDG graph for passenger volumes onto this to get a visual understanding of how this would compare?

Subject: Pearson Seat Volumes Analysis

Stephan, Mike, Judi and Phil:

Please find attached an analysis of seat volumes at Pearson for both arriving and departing passengers, based on time of day and season. Note that these are estimates for 2013, based on planned flights and aircraft size.

Let me know if you have any questions.

Sincerely,

Alex de Lorimier MCIP
