Hello,

I'm writing to express my support for the recommendations set out by the Income Security Advocacy Centre for Ontario's 2020 budget.

I am a home owner and a tax-payer and I believe that income security is vital to a healthy, safe, and prosperous Ontario.

Ontarians should not be forced into desperate and unsafe living or working conditions when they are living with disability or other difficult circumstances. Leaving such people vulnerable increases instability in our communities as a whole, and has far-reaching social and economic costs that should not be ignored.

Please recognize the seriousness of ISAC's recommendations.
