Standing Committee On Finance And Economic Affairs

While I have many concerns and ideas I consider the following of upmost importance:regarding social assistance reform.

1. Maintain the current definition of a "person with a disability" for the purposes of eligibility for the Ontario Disability Support Program (ODSP). The proposed change to align with federal program definitions would disentitle persons with disabilities in need
2. Reverse the cuts to Legal Aid Ontario and make significant investments in access to justice for Ontario's workers and social assistance recipients
3. Maintain the 50% ."calwback" on earned income.

Sincerely,
Myron Daniel Steinman
