Camp is where kids build confidence. Camp is where kids learn REAL social skills. Camp is where kids meet their life long best friends. Camp is where kids discover who they are, and how to be a leader. Many camps' survival is now threatened. Not many businesses can survive 12-24 months with no income. Some of us have insurance but it may not be enough to last that long. Camp means so much to so many (please see www.thankstocamp.ca) to remove camp from the lives of kids would be devastating to the social fabric of Canada. Kids need Camp. Canada needs Camp. We need our government to provide the financial aid for camps to survive. We need our Health Units to open those camps who can pivot to responsibly serve other sectors. we need everybody to do their part to eliminate Covid-19
