Subject: Schedule 6 of Bill 229

Please remove Schedule 6 of Bill 229, and bring it back as a stand alone bill on amending the Conservation Authority Act and the Planning Act, so that it goes through a full public process!

We must start taking steps NOW to prevent more destruction of our wonderful countryside and environment. Allowing more unchecked urban sprawl is not the answer to our housing situation and I insist that you look at taking responsible management of Ontario's water, land and natural habitats.

Thank you,

Martha Pagel
