Standing Committee on Finance and Economic Affairs

99 Wellesley St. West Room1405,

Whitney Block Queen's Park

Toronto, ON M7A 1A2

Mr. Amarjot Sandhu, MPP, Chair,

I want to protest in the strongest terms my objection to Schedule 6 and 8 of Bill 229. I expect your government to protect the environment and fragile wetlands, not to open it up for development. These measures have no place in an omnibus bill designed to deal with recovery from COVID 19.

Besides the damage to the environment this bill would allow, I object on the grounds that there has been inadequate consultation with the general public and with the Indigenous peoples whose lands you are appropriating. for development.

I respectfully ask this Standing Committee to completely withdraw both Schedule 6 and Schedule 8 from Bill 229.

Thank you for your attention to this matter.

Sincerely,

Nancy Lee
