I have appreciated the Conservative Government's leadership during the COVID crisis but am very concerned they may be about to mishandle some environmental issues. Protection of our green space is vital and our Conservation Authorities must not be weakened or diminished. I strongly recommend that Schedule 6 (proposed changes to the Conservation Authorities Act and consequential amendments) and Schedule 8

(proposed changes to the Crown Forest Sustainability Act, 1994) be withdrawn in their entirety from Bill 229.
Thank you, Robert Robotham
