Please remove article 6 and maintain the vital role of the conservation authority It is your responsibility to do what is best for the health and safety of the community. Protecting nature and the water shed must be a priority

if you intend to fulfill your role. If this pandemic has taught us anything it is the connectivity our actions on nature have on us all. What is good for nature is good for us and we must never loosen or disregard it's and, therefore, our protection. We should be strengthening these protections.
