Hello,

My name is Brady Nash. I am a constituent within the Hamilton west, Ancaster, Dundas region of Ontario.

I am writing to ask you to remove Schedule 6 from Bill 229 (Ontario budget bill) and protect Ontario's wetlands and forests.

Schedule 6 only benefits developers.

Protecting Ontario's wetlands and forests are critically important in order to protect biodiversity, mitigate climate change, mitigate flooding risks within the local community and beyond, and to provide areas for people to get out exercise, and enjoy the fresh air. The importance of this was highlighted further by the pandemic as the conservation areas provided families the opportunity to enjoy themselves while socially distancing.

Thank you,
Brady Nash
