Indigenous Knowledge

Indigenous Knowledge

5.15.3

Members have responsibilities relating to items A), B) and C) and are expected to participate actively in items A), B) and C), although not necessarily in all three (3) in any one (1) given year. A Member's responsibilities related to item A) shall consist of those teaching or library duties which are assigned by the Dean/University Librarian as per Article 5.40 – Academic Workload. A Member's responsibilities related to items B) and C) are inherent in a Member's status as an academic and thus flow naturally therefrom. Certain specific duties related to item B) and C) may also be assigned by the Dean/University Librarian on an *ad hoc* basis in order to ensure a good and proper functioning of the University. A Member's responsibilities relating to item D), E) and F) are undertaken voluntarily by the Member.

The parties recognize that acknowledging Indigenous knowledge and ways of knowing requires applying the following definition of Indigenous knowledge for the application of rights, duties, responsibilities and assessment of members.

Indigenous knowledge, in accordance with the 2018 Tri-Council Policy Statement, is rarely acquired through written documents, but is, rather, a worldview adopted through living, listening and learning in the ancestral languages and within the contexts of living on the land. Engagement with Elders and other knowledge holders is acknowledged as valued and vital to knowledge transmission within the context of Indigenous Peoples living in place. Both Indigenous knowledge content and processes of knowledge transmission are, thus, embedded in the performance of living, including storytelling, ceremonies, living on the land, the use of natural resources and medicine plants, arts and crafts, singing and dancing, as well as engagement with the more than human world.

5.15.22

Scholarly activity may involve, although not necessarily be limited to, activities of the type set out in the following list. It is understood that this list does not imply an order of priority. It is also understood that the following forms of scholarly activity are not necessarily to be given equal weight and application for each discipline when a Member is being evaluated for an annual increment, merit increment, tenure or promotion. In each case the Member must demonstrate that the activity is of good quality and is consistent with the contribution to knowledge described in Article 5.15.20 above.

- (a) The writing or editing and publication of books, textbooks, journals and of Articles, which may be externally reviewed.
- (b) The earning of additional appropriate academic and/or professional qualifications.
- (c) Research carried out on research contracts.
- (d) The writing and/or publication of case studies.

- (e) The development of teaching/library materials, of an innovative sort which have a wider application than the Member's own teaching/library activities.
- (f) The compilation and publication of scholarly bibliographies, or literary work.
- (g) The translation and publication of scholarly or literary work.
- (h) Literary and artistic works, including recordings and public performances.
- (i) Demonstrated leadership in the area of professional education, including workshops.
- (j) Creative application of existing knowledge through such activities as consulting or workshops.
- (k) Research carried out using traditional/Indigenous knowledge and the practical applications or dissemination of such research generally, or specifically through engagement with Indigenous communities.
- (l) Development and publication of new teaching strategies.
- (m) Attending and/or presenting at conferences.
- (n) Production of images including but not limited to photography and architectural works.

(o) Indigenous Scholarship

Indigenous Scholarship, in accordance with the 2018 Tri-Council Policy Statement, is defined as research in any field or discipline that is conducted by, grounded in, or engaged with, First Nations, Inuit, Métis or other Indigenous nations, communities, societies or individuals, and their wisdom, cultures, experiences or knowledge systems, as expressed in their dynamic forms, past and present. Indigenous research can embrace the intellectual, physical, emotional and/or spiritual dimensions of knowledge in creative and interconnected relationships with people, places and the natural environment.

Whatever the methodologies or perspectives that apply in a given context, researchers who conduct Indigenous research, whether they are Indigenous or non-Indigenous themselves, commit to respectful relationships with all Indigenous peoples and communities.

Research by and with Indigenous peoples and communities emphasizes and values their existing strengths, assets and knowledge systems.

In addition to those activities listed above (a-n), Indigenous Scholarship is recognized as a primary category of scholarly contribution and includes but is not limited to:

- (i) Development and sharing of Indigenous knowledge and languages.

- (ii) Engagement with culturally appropriate research and publication venues.
- (iii) Lived experiences within Aboriginal communities.
- (iv) Incorporation of Indigenous knowledge systems.

Thus, the grievor shall first attempt to get the matter under question resolved by informal means within thirty (30) working days of the date upon which the grievor had notice of the event or decision giving rise to the grievance. This would normally involve contacting the Dean/University Librarian concerned before bringing the matter to the Vice-President, Academic and Provost. Pension Term Sheet

See attached agreement.

LAURENTIAN UNIVERSITY FACULTY ASSOCIATION (“**LUFA**”) and LAURENTIAN
UNIVERSITY STAFF UNION (“**LUSU**”)
PENSION TERM SHEET

This document describes the terms for proposed support agreements from each of LUFA and LUSU in respect of the Retirement Plan of Laurentian University of Sudbury and its Federated and Affiliated Universities, Registration No. 0267013 (the “**Registered Pension Plan**”).

The contents of the LUFA and LUSU Pension Term Sheet are intended to be summary only and remain subject to definitive documentation to be agreed among LUFA, LUSU and Laurentian University as contemplated herein. Agreement on the Registered Pension Plan is a necessary component of a larger set of agreements between Laurentian University and LUFA and LUSU, respectively, and is dependent on agreement on all other matters currently under negotiation between the parties.

The confidentiality provisions applicable to the parties pursuant to the confidential mediation taking place in connection with Laurentian’s proceeding under the *Companies’ Creditors Arrangement Act* apply to the LUFA and LUSU Pension Term Sheet.

A. Registered Pension Plan Design Changes

Each of the changes outlined below is proposed to be made effective July 1, 2021, unless otherwise noted.

1. Limit Portability as of May 1, 2021

Remove the right to a commuted value payment in lieu of a monthly pension payable from the Registered Pension Plan for any active member who leaves employment after having reached their early retirement date (the first day of July coincident with or next following the member’s 55th birthday).

Provide notice and one final window of opportunity for former members to elect a commuted value payment in lieu of a monthly pension payable from the Registered Pension Plan.

For those faculty members who have chosen to retire pursuant to the Retirement Incentives communicated by the University on March 28, 2021, the deadline to elect to receive a commuted value payment will be extended to May 15, 2021.

2. Modify Early Retirement Provisions

For members who have not attained age 62 as of July 1, 2021:

- Remove subsidized early retirement reductions for all members on all service (actuarially adjusted from normal retirement date for LUFA members and Senior Leadership members and from age 62 for LUSU members and other members except LUFA members and Senior Leadership members);
- Eliminate unreduced early retirement (prior to normal retirement date) for LUFA members and Senior Leadership members.

For purposes of the foregoing, Senior Leadership are leaders who are excluded from a bargaining unit and serve above the Director level, in positions such as: Assistant Vice-President, Associate Dean, Associate Vice-President (AVP), Chief Advancement Officer,

Chief of Staff, Dean, Executive Director, President and Vice-Chancellor, Registrar and Secretary of Senate, University Secretary and General Counsel or Vice-President.

3. Limit Receipt of Pension While Employed

Remove ability of members to draw a pension while remaining in continuous employment after age 65, except for members already in receipt of a pension as of July 1, 2021 or who must commence receipt of their pension under income tax law.

4. Freeze Best Average Pensionable Earnings

Best Average Pensionable Earnings would be frozen at the rate in effect on June 30, 2021. This figure will be communicated to members at that time.

Improvements to pre-July 1, 2021 Best Average Pensionable Earnings through pre-retirement indexation to be granted in accordance with the Benefits and Funding Policy.

5. Future Service Reduced Career Average Earnings Lifetime Benefit Formula Integrated with Enhanced CPP

For service on and after July 1, 2021, members will make contributions toward and earn pension benefits at the 1.3% rate on the portion of their earnings below the Year's Additional Maximum Pensionable Earnings ("YAMPE") and at the 2% rate on the portion of earnings above the YAMPE. For this purpose, YAMPE=114% of YMPE. The benefit formula for service on and after July 1, 2021 will be based on pensionable earnings in each year (career average earnings formula), not on a final average earnings formula.

Improvements to career average earnings formula through pre-retirement indexation to be granted in accordance with the Benefits and Funding Policy.

6. Indexation

For service on and after July 1, 2021 indexation, which is not guaranteed, to be granted in accordance with the Benefits and Funding Policy.

B. Registered Pension Plan Contribution Changes

Laurentian will contribute a minimum of 8% of pensionable earnings, inclusive of employer current service contributions, special payments and administrative expenses.

Members will also contribute 8% of pensionable earnings in aggregate based on a rate to be set that reflects a lower rate on earnings up to the YAMPE and a higher rate on earnings in excess of the YAMPE, with the objective of achieving an equitable relationship between contributions and benefits above and below the YAMPE. The preliminary member contribution rates as of July 1, 2021 are:

Earnings up to YAMPE: 6.7%

Earnings above YAMPE: 10.4%

The rate of member contributions up to and above the YAMPE will be determined following the filing of a July 1, 2021 valuation, to be confirmed by an independent actuary selected by LUFA and LUSU and to become effective on a date to be agreed by Laurentian, LUFA and LUSU.

C. Pension Committee Terms of Reference

The Pension Committee Terms of Reference are amended as set out in Appendix “A”.

D. Registered Pension Plan Benefits and Funding Policy

A Benefits and Funding Policy to govern the financial management of the Registered Pension Plan shall be established based on the key terms set out in Appendix “B”.

The Benefits and Funding Policy shall, subject to review and amendment in accordance with its terms, bind the stakeholders and govern their future discussions, proposals, and negotiations in relation to the Registered Pension Plan.

E. Collective Agreement Proposals Relating to Pensions and Retiree Benefits

The LUFA-Laurentian and LUSU-Laurentian collective agreements will be revised to give effect to the above in accordance with the proposed amendments set out in Appendix “C”.

F. Joint Committee on the Benefits and Funding Policy and Long-Term Pension Sustainability:

1. A joint committee will be established prior to April 30, 2021 whose mandate will be to monitor and advise on the administration and implementation of the Benefits and Funding Policy. The joint committee will also review and report on the pros and cons of all possible long term sustainability options for the Registered Pension Plan, including the available JSPP options (at least CAAT DBPlus and the University Pension Plan), with the objective of making a recommendation to the Stakeholders (LUFA, LUSU and Laurentian) for adoption not later than December 31, 2021, or an alternative date set by the joint committee.
2. The joint committee will be comprised of four (4) Laurentian representatives, two (2) LUFA representatives and two (2) LUSU representatives.
3. Terms of Reference and Rules of Procedure for the joint committee are to be determined by April 30, 2021 by LUFA, LUSU and Laurentian, to be subject to binding mediation/arbitration by Eli Gedalof or William Kaplan absent a decision by April 20, 2021.

Rules of Procedure

The Pension Committee's Rules of Procedure are to be developed consistent with these Terms of Reference.

Revised: April 30, 2021

Appendix “B”**Key Terms****Registered Pension Plan Benefits and Funding Policy (“Funding Policy”)**

Laurentian University, LUFA, and LUSU have agreed to reduce pension benefits in the context of Laurentian University’s proceeding under the *Companies’ Creditors Arrangement Act*. As a consequence, the aggregate 16% contribution rate for the Plan has been developed to exceed the current service cost of the plan design on and after July 1, 2021.

This Funding Policy’s purpose is to ensure that excess contributions will be used to (i) build reserves and (ii) grant benefit improvements.

The following criteria must be met in order for benefit improvements to be granted:

- The Plan must be 95% funded on a solvency basis;
- The Plan must be 105% funded on a going concern basis, including Provision for Adverse Deviations;
- The cost of any benefit improvement maintains a low risk of special payments in the five years following the benefit improvement. For this purpose, a benefit improvement must result in the solvency ratio of the Plan remaining at no less than 90% and the going concern funded status of the Plan, including Provision for Adverse Deviation, remaining at no less than 103% following the granting of the improvement; and
- The contributions to the Plan have a low risk of exceeding 16% of pensionable earnings.

The priority of benefit improvements and building of reserves is to be set out in the Benefits and Funding Policy to be established by Laurentian University, LUFA and LUSU and shall reflect the key terms set out herein. Agreement on the Benefits and Funding Policy shall be reached by April 30, 2021, to be subject to binding mediation/arbitration by Eli Gedalof or William Kaplan, absent a decision by April 20, 2021.

The criteria for granting benefit improvements will be assessed against robust actuarial analysis prepared annually. The actuarial assumptions and methodologies used will be the same as those used in the latest filed actuarial valuation for the Plan. Actuarial assumptions and methodologies are to be based on best estimates.

The Joint Committee on the Benefits and Funding Policy and Long-Term Pension Sustainability (the “**Joint Committee**”) comprised of representatives of Laurentian, LUFA and LUSU, pursuant to the LUFA/LUSU Pension Term Sheet will be notified by the Pension Committee and given the opportunity to comment prior to changes to the actuarial assumptions for filed valuations.

The Joint Committee will be notified by the Pension Committee of any proposed changes to the Statement of Investment Policy and given the opportunity to comment prior to the implementation of any changes.

The Joint Committee will monitor the administration of the Benefits and Funding Policy to ensure that Plan amendments to give effect to improvements to benefits and establishment of reserves are implemented pursuant to the criteria and priority described therein.

No benefit improvements will be considered prior to July 1, 2025, unless prior to that time the surplus in the Plan exceeds the *Income Tax Act* (“ITA”) maximums, in order to build reserves.

Strictly Confidential – Subject to Provisions of Appointment of Mediator Order dated February 5, 2021

Employer contribution holidays and reductions in employer contribution rates are prohibited.

Contributions to the Plan are subject to the *Pension Benefits Act* and ITA.

This policy is subject to review by Laurentian University, LUFA and LUSU no later than July 1, 2025.

Agreement on the Registered Pension Plan is a necessary component of a larger set of agreements between Laurentian University and LUFA and LUSU, respectively, and is dependent on agreement on all other matters currently under negotiation between the parties.

The confidentiality provisions applicable to the parties pursuant to the confidential mediation taking place in connection with Laurentian’s proceeding under the *Companies’ Creditors Arrangement Act* apply to the LUFA and LUSU Pension Term Sheet.

A. Registered Pension Plan Design Changes

Each of the changes outlined below is proposed to be made effective July 1, 2021, unless otherwise noted.

The preliminary member contribution rates as of July 1, 2021 are:

Earnings up to YAMPE: 6.7%

Earnings above YAMPE: 10.4%

The rate of member contributions up to and above the YAMPE will be determined following the filing of a July 1, 2021 valuation, to be confirmed by an independent actuary selected by LUFA and LUSU and to become effective on a date to be agreed by Laurentian, LUFA and LUSU.

Revised: April 30, 2021

Appendix “B”**Key Terms****Registered Pension Plan Benefits and Funding Policy (“Funding Policy”)**

Laurentian University, LUFA, and LUSU have agreed to reduce pension benefits in the context of Laurentian University’s proceeding under the *Companies’ Creditors Arrangement Act*. As a consequence, the aggregate 16% contribution rate for the Plan has been developed to exceed the current service cost of the plan design on and after July 1, 2021.

This Funding Policy’s purpose is to ensure that excess contributions will be used to (i) build reserves and (ii) grant benefit improvements.

The following criteria must be met in order for benefit improvements to be granted:

- The Plan must be 95% funded on a solvency basis;
- The Plan must be 105% funded on a going concern basis, including Provision for Adverse Deviations;
- The cost of any benefit improvement maintains a low risk of special payments in the five years following the benefit improvement. For this purpose, a benefit improvement must result in the solvency ratio of the Plan remaining at no less than 90% and the going concern funded status of the Plan, including Provision for Adverse Deviation, remaining at no less than 103% following the granting of the improvement; and
- The contributions to the Plan have a low risk of exceeding 16% of pensionable earnings.

The priority of benefit improvements and building of reserves is to be set out in the Benefits and Funding Policy to be established by Laurentian University, LUFA and LUSU and shall reflect the key terms set out herein. Agreement on the Benefits and Funding Policy shall be reached by April 30, 2021, to be subject to binding mediation/arbitration by Eli Gedalof or William Kaplan, absent a decision by April 20, 2021.

The criteria for granting benefit improvements will be assessed against robust actuarial analysis prepared annually. The actuarial assumptions and methodologies used will be the same as those used in the latest filed actuarial valuation for the Plan. Actuarial assumptions and methodologies are to be based on best estimates.

The Joint Committee on the Benefits and Funding Policy and Long-Term Pension Sustainability (the “**Joint Committee**”) comprised of representatives of Laurentian, LUFA and LUSU, pursuant to the LUFA/LUSU Pension Term Sheet will be notified by the Pension Committee and given the opportunity to comment prior to changes to the actuarial assumptions for filed valuations.

The Joint Committee will be notified by the Pension Committee of any proposed changes to the Statement of Investment Policy and given the opportunity to comment prior to the implementation of any changes.

The Joint Committee will monitor the administration of the Benefits and Funding Policy to ensure that Plan amendments to give effect to improvements to benefits and establishment of reserves are implemented pursuant to the criteria and priority described therein.

No benefit improvements will be considered prior to July 1, 2025, unless prior to that time the surplus in the Plan exceeds the *Income Tax Act* (“ITA”) maximums, in order to build reserves.

Employer contribution holidays and reductions in employer contribution rates are prohibited.

Contributions to the Plan are subject to the *Pension Benefits Act* and ITA.

This policy is subject to review by Laurentian University, LUFA and LUSU no later than July 1, 2025.
