WILLIAM THE FOURTH, by the Grace of GOD, of the United Kingdom of Great Britain and Ireland King, Defender of the Faith, &c. &c. &c.

To our beloved and faithful Legislative Councillors of our Province of Upper Canada, and to our Knights, Citizens and Burgesses of our said Province, to our Provincial Parliament at our City of Toronto, on the twenty-second day of December instant, to be commenced, held, called and elected, and to every of you:—

B., Lieutenant Governor of our said Province, and Major General commanding our Forces therein, at our City of Toronto, this Ninth day of December, in the year of our Lord one thousand eight hundred and thirty-four, and in the Fifth year of our Reign.

EXECUTIVE COUNCIL OFFICE,
York 24th May, 1832.

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from this date; but that no Patent shall be permitted to issue to individuals who may receive Location Tickets, till it shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. It is, however, to be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

By order of His Excellency the Lieutenant Governor in Council.

JOHN BEIKIE,
Acting C. E. C.

EXECUTIVE COUNCIL OFFICE,
Toronto, 27th November, 1834.

NOTICE is hereby given, by order of HIS EXCELLENCY the LIEUTENANT GOVERNOR IN COUNCIL, that unless Peter Crisler, or his Heirs, do make good any claim they may have to Lot number Twelve, and the East half of Lot number Thirteen, in the Thirteenth Concession of the Township of Burford, in the District of London, within six months from this date, the same will be otherwise disposed of.

JOHN BEIKIE,
29 Clerk, Executive Council.

EXECUTIVE COUNCIL OFFICE,
Toronto, 27th November, 1834.

NOTICE is hereby given, by order of HIS EXCELLENCY the LIEUTENANT GOVERNOR IN COUNCIL, that unless Constantine O'Neil, or his Heirs, do make good any claim they may have to the South half of Lot number Twenty-four, in the Ninth Concession of the Township of Burford, in the District of London, within three months from this date, the said half Lot will be otherwise disposed of.

JOHN BEIKIE,
29 Clerk Executive Council.

EXECUTIVE COUNCIL OFFICE,
York, 7th December 1833.

BY direction of HIS EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE,
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility

of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from HIS EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

WILLIAM THE FOURTH, by the Grace of GOD, of the United Kingdom of Great Britain and Ireland King, Defender of the Faith, &c. &c. &c.

To our beloved and faithful Legislative Councillors of our Province of Upper Canada, and to our Knights, Citizens and Burgesses of our said Province, to our Provincial Parliament at our City of Toronto, on the twenty-second day of December instant, to be commenced, held, called and elected, and to every of you:—

GREETING:

WHEREAS by our Proclamation bearing date the Seventeenth day of November, last, We thought fit to prorogue our Provincial Parliament to the Twenty-second day of December, instant, at which time, at our City of Toronto, you were held and constrained to appear.

NOW KNOW YE, that We taking into our Royal consideration the ease and convenience of our loving Subjects, have thought fit, by and with the advice of our Executive Council, to relieve you and each of you of your attendance at the time aforesaid, hereby convoking, and by these presents enjoining you and each of you, that on Thursday the Fifteenth day of January, now next ensuing, you meet us in our Provincial Parliament, at our City of Toronto, FOR THE ACTUAL DESPATCH OF PUBLIC BUSINESS, there to take into consideration the state and welfare of our said Province of Upper Canada, and therein to do as may seem necessary, and herein fail not.

IN TESTIMONY WHEREOF, We have caused these our Letters to be made Patent, and the Great Seal of our said Province to be hereunto affixed.—WITNESS, our trusty and well beloved SIR JOHN COLBORNE, K. C. PROCLAMATION.

UPPER CANADA.

By His EXCELLENCY SIR JOHN COLBORNE, K.C.B. Lieutenant Governor of the Province of Upper Canada, and Major General Commanding His Majesty's Forces therein, &c. &c. &c.

To all to whom these presents shall come,

GREETING:

WHEREAS strong suspicions are entertained that a short time since one PATRICK COYNE, a Pedler, was inhumanly robbed and Murdered, on his way from Chatham to Baldoon, in the Western District, by a person now in custody, and who acted as his guide; and it is also conjectured that the body of the said Patrick Coyne now lies buried or secreted somewhere between the said villages of Chatham and Baldoon, the discovery of which is essential to convict the murderer of the crime where with he stands charged.

NOW KNOW YE, that a Reward of

FIFTY POUNDS,

will be paid to any person or persons who shall actually discover and convey the body of the said Patrick Coyne, if dead, to a place of security, to the intent that proceedings may be had thereon according to law.

Given under my Hand and Seal of Office, at the City of Toronto, in the Province aforesaid, this sixth day of January, in the year of our Lord one thousand eight hundred and thirty-five, and in the fifth year of His Majesty's Reign.

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from this date; but that no Patent shall be permitted to issue to individuals who may receive Location Tickets, till it shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. It is, however, to be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

By order of His Excellency the Lieutenant Governor in Council.

NOTICE is hereby given, by order of His EXCELLENCY the LIEUTENANT GOVERNOR IN COUNCIL, that unless Peter Crisler, or his Heirs, do make good any claim they may have to Lot number Twelve, and the East half of Lot number Thirteen, in the Thirteenth Concession of the Township of Burford, in the District of London, within six months from this date, the same will be otherwise disposed of.

NOTICE is hereby given, by order of His EXCELLENCY the LIEUTENANT GOVERNOR IN COUNCIL, that unless Constantine O'Neil, or his Heirs, do make good any claim they may have to the South half of Lot number Twenty-four, in the Ninth Concession of the Township of Burford, in the District of London, within three months from this date, the said half Lot will be otherwise disposed of.

JOHN BEIKIE,
29 Clerk Executive Council.

EXECUTIVE COUNCIL OFFICE,
York, 7th December 1833.

BY direction of His EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE,
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar manificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the conditino of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from His EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

HIS MAJESTY'S RECEIVER GENERAL, gives notice to the holders of the following Government Debentures, to present the same at His Office for redemption agreeably to the terms specified in the acts of the Provincial Legislature under which the same were issued, viz:—

Debentures Nos. 106 to 192. inclusive, dated the 11th May, 1830. issued under an act passed in the 2nd Session 10th Parliament, Chap. 11th.

WILLIAM THE FOURTH, by the Grace of GOD, of the United Kingdom of Great Britain and Ireland King, Defender of the Faith, &c. &c. &c.

To our beloved and faithful Legislative Councillors of our Province of Upper Canada, and to our Knights, Citizens and Burgesses of our said Province, to our Provincial Parliament at our City of Toronto, on the twenty-second day of December instant, to be commenced, held, called and elected, and to every of you:—

GREETING:

WHEREAS by our Proclamation bearing date the Seventeenth day of November, last, We thought fit to prorogue our Provincial Parliament to the Twenty-second day of December, instant, at which time, at our City of Toronto, you were held and constrained to appear.

NOW KNOW YE, that We taking into our Royal consideration the ease and convenience of our loving Subjects, have thought fit, by and with the advice of our Executive Council, to relieve you and each of you of your attendance at the time aforesaid, hereby convoking, and by these presents enjoining you and each of you, that on Thursday the Fifteenth day of January, now next ensuing, you meet us in our Provincial Parliament, at our City of Toronto, FOR THE ACTUAL DESPATCH OF PUBLIC BUSINESS, there to take into consideration the state and welfare of our said Province of Upper Canada, and therein to do as may seem necessary, and herein fail not.

PROCLAMATION.

UPPER CANADA.

By His EXCELLENCY SIR JOHN COLBORNE, K.C.B. Lieutenant Governor of the Province of Upper Canada, and Major General Commanding His Majesty's Forces therein, &c. &c. &c.

To all to whom these presents shall come,

GREETING:

WHEREAS strong suspicions are entertained that a short time since one PATRICK COYNE, a Pedler, was inhumanly robbed and Murdered, on his way from Chatham to Baldoon, in the Western District, by a person now in custody, and who acted as his guide; and it is also conjectured that the body of the said Patrick Coyne now lies buried or secreted somewhere between the said villages of Chatham and Baldoon, the discovery of which is essential to convict the murderer of the crime wherewith he stands charged.

NOW KNOW YE, that a Reward of

FIFTY POUNDS,

will be paid to any person or persons who shall actually discover and convey the body of the said Patrick Coyne, if dead, to a place of security, to the intent that proceedings may be had thereon according to law.

Given under my Hand and Seal of Office, at the City of Toronto, in the Province aforesaid, this sixth day of January, in the year of our Lord one thousand eight hundred and thirty-five, and in the fifth year of His Majesty's Reign.

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from this date; but that no Patent shall be permitted to issue to individuals who may receive Location Tickets, till it shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. It is, however, to be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

By order of His Excellency the Lieutenant Governor in Council.

NOTICE is hereby given, by order of His EXCELLENCY the LIEUTENANT GOVERNOR IN COUNCIL, that unless Peter Crisler, or his Heirs, do make good any claim they may have to Lot number Twelve, and the East half of Lot number Thirteen, in the Thirteenth Concession of the Township of Burford, in the District of London, within six months from this date, the same will be otherwise disposed of.

NOTICE is hereby given, by order of HIS EXCELLENCY the LIEUTENANT GOVERNOR IN COUNCIL, that unless Constantine O'Neil, or his Heirs, do make good any claim they may have to the South half of Lot number Twenty-four, in the Ninth Concession of the Township of Burford, in the District of London, within three months from this date, the said half Lot will be otherwise disposed of.

JOHN BEIKIE,
29 Clerk Executive Council.

EXECUTIVE COUNCIL OFFICE, }
York, 7th December 1833. }

BY direction of HIS EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE,
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the conditino of actual settlement by the parties [illegible]nd entitled, nor any Deed issued unless [illegible]y have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from HIS EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

HIS MAJESTY'S RECEIVER GENERAL, gives notice to the holders of the following Government Debentures, to present the same at His Office for redemption agreeably to the terms specified in the acts of the Provincial Legislature under which the same were issued, viz :—

Debentures Nos. 106 to 192. inclusive, dated the 11th May, 1830. issued under an act passed in the 2nd Session 10th Parliament, Chap. 11th.

UPPER CANADA.

By His EXCELLENCY SIR JOHN COLBORNE, K.C.B. Lieutenant Governor of the Province of Upper Canada, and Major General Commanding His Majesty's Forces therein, &c. &c. &c.

To all to whom these presents shall come, GREETING:

WHEREAS strong suspicions are entertained that a short time since one PATRICK COYNE, a Pedler, was inhumanly robbed and Murdered, on his way from Chatham to Baldoon, in the Western District, by a person now in custody, and who acted as his guide; and it is also conjectured that the body of the said Patrick Coyne now lies buried or secreted somewhere between the said villages of Chatham and Baldoon, the discovery of which is essential to convict the murderer of the crime wherewith he stands charged.

NOW KNOW YE, that a Reward of

FIFTY POUNDS.

will be paid to any person or persons who shall actually discover and convey the body of the said Patrick Coyne, if dead, to a place of security, to the intent that proceedings may be had thereon according to law.

Given under my Hand and Seal of Office, at the City of Toronto, in the Province aforesaid, this sixth day of January, in the year of our Lord one thousand eight hundred and thirty-five, and in the fifth year of His Majesty's Reign.

EXECUTIVE COUNCIL OFFICE, *York 24th May*, 1832.

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from this date; but that no Patent shall be permitted to issue to individuals who may receive Location Tickets, till it shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. It is, however, to be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

By order of His Excellency the Lieutenant Governor in Council.

JOHN BEIKIE,
Acting C. E. C.

EXECUTIVE COUNCIL OFFICE, Toronto, 27th November, 1834.

NOTICE is hereby given, by order of His EXCELLENCY the LIEUTENANT GOVERNOR IN COUNCIL, that unless Peter Crisler, or his Heirs, do make good any claim they may have to Lot number Twelve, and the East half of Lot number Thirteen, in the Thirteenth Concession of the Township of Burford, in the District of London, within six months from this date, the same will be otherwise disposed of.

NOTICE is hereby given, by order of His EXCELLENCY the LIEUTENANT GOVERNOR IN COUNCIL, that unless Constantine O'Neil, or his Heirs, do make good any claim they may have to the South half of Lot number Twenty-four, in the Ninth Concession of the Township of Burford, in the District of London, within three months from this date, the said half Lot will be otherwise disposed of.

JOHN BEIKIE,
29 Clerk Executive Council.

EXECUTIVE COUNCIL OFFICE, York, 7th December 1833.

BY direction of His EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE,
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless

they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from His EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

A DESPATCH,

From His Majesty's Secretary of State, of which the following is a copy, has been received by His Excellency the Lieutenant Governor, by the last Mail.

Downing Street,
1*st December*, 1834.

Sir,

It is with infinite concern that I communicate to you the intelligence of the decease of His Royal Highness the Duke of Gloucester, which melancholy event took place at *Bagshot Park*, after an illness of fifteen days, yesterday evening, about seven o'clock.

I have the honor to be, &c.

WELLINGTON.

Government House,
20th January, 1835.

His Excellency the Lieutenant Governor has been pleased to authorise John Nelson, and Neil McLean, Gentlemen, to practice the Art of Land Surveying, in this Province.

Government House,
28th January, 1835.

His Excellency the Lieutenant Governor has been pleased to appoint James Ingersoll, Esquire, to be Registrar of the County of Oxford, in the London District, by commission dated the 12th November 1834, vice Charles Ingersoll, Esquire deceased.

To His Excellency Sir John Colborne, *Knight, Commander of the Most Honorable Military Order of the Bath, Lieutenant Governor of the Province of Upper Canada, and Major General Commanding His Majesty's Forces therein, &c. &c. &c.*

May it please Your Excellency:

We, His Majesty's dutiful and loyal Subjects, the Legislative Council of Upper Canada, in Provincial Parliament assembled, return our most respectful thanks for Your Excellency's speech from the throne.

In being convened to take into consideration the welfare of the people, we have the satisfaction of feeling assured, from the activity with which every description of improvement proceeds throughout the Province, that the general interests of the Colony are greatly prospering.

We concur with Your Excellency in thinking that the advantages arising from the flow of Emigration to the Province, and from the useful Public Works which have been directed and completed by the Parent State, and the Legislature of this Country, are to be obviously seen in the exertion, perseverance, and spirit of enterprise in each District, and in the independence and comfort which the more industrious portion of the population have speedily obtained.

In deciding on the means that can prudently be applied to encourage the present ardour for improvement, and to carry into effect the undertakings which have been projected to connect more extensively the navigable waters of the most flourishing Districts, these considerations will engage much of our attention.

We are gratified to learn from Your Excellency, that the internal commerce carried on by the Welland Canal increases, and will be extended by the improved communications in progress on the Grand River; and also, that the completion of the Gronville Canal, and of other public works on the River Ottawa, have brought the Rideau navigation fully into operation.

We shall not fail to give our attention to the laws which are about to expire, and to the recommendation of His Majesty's Government, suggested by the several Acts passed by the Provincial Legislature, to protect the interest of individuals in cases in which the local tribunals could not interpose, from which it has appeared to them expedient that such a revision should be made of our legal institutions as will prevent a delay in the administration of justice in similar cases which may constantly occur. We shall feel obliged by any communication from Your Excellency by which we can ascertain the views of His Majesty's Government on this subject, and relative to the arrangements proposed for the re-organization of the Post Office in these Colonies.

We learn with much satisfaction that His Majesty has been graciously pleased to declare that he has received, with high gratification, the assurances of the devoted attachment of the people of this Province to their Sovereign, and of their sincere and earnest desire to maintain and perpetuate their connection with the great Empire of which they form an important part.

It is worthy of consideration, that these assurances were not contained in addresses merely congratulatory, transmitted upon any such occasion as the ordinary current of affairs naturally presents—but were called for by the public disclosure of a treasonable correspondence carried on with an inhabitant of this Province by a Member of the Imperial Parliament, representing the metropolitan County of England. In this correspondence the person referred to, disregarding his duty of allegiance, and the obligations peculiarly incumbent upon him in his responsible public station, avows his satisfaction in the conviction, that the inhabitants of Upper Canada are fast approaching to that crisis when they will deliver themselves from what he traitorously calls "the baneful domination of the Mother Country"; and in language which can neither be misapprehended nor explained away, he encourages the people of this Province to throw off their allegiance to their Sovereign.

It is not surprising that His Majesty's subjects in this Colony, than whom none are more faithfully and affectionately attached to his Crown, have deeply resented this insult; and we are convinced, that the numerous addresses spontaneously transmitted to be laid at the foot of the Throne, and which His Majesty has been pleased graciously to notice, speak the sincere sentiments of a people eager to deliver themselves from the reproach of the basest ingratitude, and from the suspicion of participating in the feelings and projects of any individual who can exhibit so unnatural an hostility to his country.

(Signed) JNO. B. ROBINSON,
Speaker.

Legislative Council Chamber,
Twenty-first day of January, 1835.

REPLY.

Honorable Gentlemen,

I thank you for this Address; and I assure you that I learn with great satisfaction, that your views of the state of the Province coincide with those which I communicated to you at the opening of the Session.

To His Excellency Sir John Colborne, *Knight, Commander of the Most Honorable Military Order of the Bath, Lieutenant Governor of the Province of Upper Canada, and Major General Commanding His Majesty's Forces therein, &c. &c. &c.*

May it please Your Excellency:

We, His Majesty's dutiful and loyal Subjects, the Commons of Upper Canada, in Provincial Parliament assembled, hum-

bly thank your Excellency for the gracious Speech with which your Excellency was pleased to open the present Session of the Legislature. We assure your Excellency that we learn with unfeigned satisfaction, that the welfare and general interest of the Colony are in a prosperous condition, and that our early attention and consideration shall be directed to the best means that can be prudently applied for the promotion of public improvements. Your Excellency may rest assured, that we will be most ready and happy to afford every encouragement to a laudable spirit of independence and enterprise, among the industrious inhabitants of the Province, (arising from whatever cause it may,) and we feel it to be our duty to express to your Excellency our full conviction, that no one step of the Legislature can more tend to afford encouragement to the industrious and enterprising agriculturist, (who must always be considered the most important class in the Colony,) than the imposition of a suitable and proper protecting duty on various articles coming from the United States of America, which now are admitted duty free; and we also assure your Excellency, that we cannot but regard the subject of general Education, as one of the most vital importance to the future peace and welfare of the Province.

We are gratified to be informed, that the Rideau navigation is in full operation; and that the commerce by the Welland Canal is on the increase.

Our early attention shall be bestowed on the public accounts and estimates, when sent down; but we feel it to be our duty, at once, to express to your Excellency our most anxious desire, that your Excellency will not fail to lay before us a full, complete, and detailed account, of the whole receipts and expenditure of, what is generally termed, the casual and territorial revenue, agreeably to the despatch of Lord Goderich of the eighth November, 1832, on that subject, and to the addresses of this House to your Excellency in its last two sessions of Parliament.

The disbursements made to the different Boards of Health to mitigate the distress, and counteract, as far as possible, the fatal disease which afflicted the Province again, last season, shall meet with our early attention, and we will not fail to make such provisions as may appear to be just and expedient, to make good the same.

Our attention shall be applied to the laws which are about to expire.

We beg to assure Your Excellency, that we will be happy to receive any communications from Your Excellency, having a tendency to prevent delay in the administration of justice, or touching the re-organization and better establishment of the Post Office department in these Colonies, (a subject which has long engaged our most serious attention) or any other message or messages that Your Excellency may be pleased to communicate to this House, relating to the public affairs of the Province.

It is gratifying to learn that His Majesty has received, through Your Excellency, from the people of this Province, fresh proofs of their devoted loyalty, and of their sincere and earnest desire to maintain and perpetuate the connexion with the Great Empire, of which they form so important a part. These fresh demonstrations, welcomed, as they are, by His Majesty, will serve to correct any interested misrepresentations intended to impress His Majesty with the belief, that those, who desire to reform many public abuses in the Province, are not well affected to His Majesty's Person and Government.

In a country possessing free institutions and an educated population, capable of estimating the fidelity with which their local affairs are conducted, it is inevitable that differences of opinion will arise; but we deprecate the spirit with which these differences have been applied, by some in office, to impeach the loyalty, integrity and patriotism of those who conscientiously dissent from them on questions of public policy and expenditure—thereby creating divisions and dissensions, destructive of the peace, welfare, and good government of the country, and calculated to impair the confidence of the people in the disposition of His Majesty's advisers, to give to them their proper balance of constitutional power; and we feel that we should be wanting in candour were we to withhold from Your Excellency, our firm belief, that nothing would serve more effectually to alienate the affections of His Majesty's loyal people, and render them dissatisfied with the administration, than the exciting such feelings; while, on the contrary, should the Government be administered agreeably to the intent, meaning and spirit, of our glorious Constitution, the just wishes and constitutional rights of the people duly respected, the favors and patronage of His Majesty indiscriminately bestowed on persons of worth and talent, who enjoy the confidence of the people, without regard to their political or religious opinions, and Your Excellency's Councils filled with moderate, wise and discreet individuals, who are understood to respect, and to be influenced by the public voice, we have not the slightest apprehension but the connexion between this Province and the Parent State would long continue to exist, and be a blessing mutually advantageous to both.

MARSHALL S. BIDWELL,
SPEAKER.

Commons House of Assembly,
23rd *January*, 1835.

REPLY.

GENTLEMEN,

I thank you for the assurances in this Address that you will direct your early attention to the objects which I have recommended to your consideration.

The difficulties which the Province encounters, from a small population being dispersed over an extensive territory, may, I am persuaded, be gradually removed by your exertions.

The foundation of a vast Agricultural community is laid, and will be speedily raised up, if the flow of Emigration from the Parent State be diligently encouraged.

In pursuing measures, that are necessary to render your settled Townships easy of access, the immediate profits, which may be derived from Canals and Roads, as regards the capital employed in their construction, must be deemed of little importance, compared with the value which they impart to the products of the country which they traverse, and the wealth created by the labor bestowed on them.

No subject has been more constantly brought under the notice of the Legislative Council and the House of Assembly than that of Education.

An efficient system can scarcely be adopted in sections of the country, where settlers are widely scattered.

Townships Schools, however, should be immediately organized, and some practical mode decided on, in applying the funds, which may accrue from the sale of School Lands not alienated by His Majesty's Government, and which have been placed under the control of the Legislature, at the request of the House of Assembly, by the King: and I again suggest the expediency of appointing a commission to carry into effect the measures of the Legislature, in regard to the distribution of the proceeds of these lands.

Misrepresentations, from whatever source they may arise, cannot fail to affect the welfare of the public and the happiness of individuals; and although the devoted loyalty of the Colony is established and precisely understood, your discountenance of the unworthy efforts, to which you advert in this address, will promote that moderation, temper, and allowance for a conscientious difference of opinion, so requisite in political controversies, and tend to discover persons of political integrity, who will labor zealously to correct abuses, without impeding public improvements, whose counsels will be serviceable to the public, while they watch over our excellent constitution of three estates—the law of the land; the prerogative of the crown; and the inherent rights of the people.

PROCLAMATION.

To all to whom these presents shall come,
GREETING:

WHEREAS strong suspicions are entertained that a short time since one PATRICK COYNE, a Pedler, was inhumanly robbed and Murdered, on his way from Chatham to Baldoon, in the Western District, by a person now in custody, and who acted as his guide; and it is also conjectured that the body of the said Patrick Coyne now lies buried or secreted somewhere between the said villages of Chatham and Baldoon, the discovery of which is essential to convict the murderer of the crime wherewith he stands charged.

NOW KNOW YE, that a Reward of

FIFTY POUNDS,

will be paid to any person or persons who shall actually discover and convey the body of the said Patrick Coyne, if dead, to a place of security, to the intent that proceedings may be had thereon according to law.

Given under my Hand and Seal of Office, at the City of Toronto, in the Province aforesaid, this sixth day of January, in the year of our Lord one thousand eight hundred and thirty-five, and in the fifth year of His Majesty's Reign.

York 24th May, 1832.

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from this date; but that no Patent shall be permitted to issue to individuals who may receive Location Tickets, till it shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. It is, however, to be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

By order of His Excellency the Lieutenant Governor in Council.

JOHN BEIKIE,
Acting C. E. C.

EXECUTIVE COUNCIL OFFICE,
Toronto, 27th November, 1834.

NOTICE is hereby given, by order of His Excellency the Lieutenant Governor in Council, that unless Peter Crisler, or his Heirs, do make good any claim they may have to Lot number Twelve, and the East half of Lot number Thirteen, in the Thirteenth Concession of the Township of Burford, in the District of London, within six months from this date, the same will be otherwise disposed of,

JOHN BEIKIE,
29 Clerk, Executive Council.

EXECUTIVE COUNCIL OFFICE,
Toronto, 27th November, 1834.

NOTICE is hereby given, by order of His Excellency the Lieutenant Governor in Council, that unless Constantine O'Neil, or his Heirs, do make good any claim they may have to the South half of Lot number Twenty-four, in the Ninth Concession of the Township of Burford, in the District of London, within three months from this date, the said half Lot will be otherwise disposed of.

JOHN BEIKIE,
29 Clerk Executive Council.

EXECUTIVE COUNCIL OFFICE,
York, 7th December 1833.

BY direction of His Excellency the Lieutenant Governor, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE,
Clerk Executive Council

IN COUNCIL, 6th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificent intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony,

IT IS ORDERED, That in future no such Rights will be allowed, except on the conditino of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from His Excellency the Lieut. Governor, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family

as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the proceeds of the Lot when sold by the Commissioner of Crown Lands. 30

HIS MAJESTY'S RECEIVER GENERAL, gives notice to the holders of the following Government Debentures, to present the same at His Office for redemption agreeably to the terms specified in the acts of the Provincial Legislature under which the same were issued, viz:—

Debentures Nos. 165 to 192. inclusive, dated the 14th May, 1830. issued under an act passed in the 2nd Session 10th Parliament, Chap. 11th.

Debenture No. 198, dated 28th May 1830.
" " 196, " 29th July, "
" " 199, " 23. " "
" " 253, " 4th Feb. 1832, "
issued under the Act passed in the 2nd Session, 10th Parliament, Chap. 12.

NOW KNOW YE, that a Reward of

FIFTY POUNDS,

will be paid to any person or persons who shall actually discover and convey the body of the said Patrick Coyne, if dead, to a place of security, to the intent that proceedings may be had thereon according to law. It is, however, to be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

By order of His Excellency the Lieutenant Governor in Council.

JOHN BEIKIE,
Acting C. E. C.

Executive Council Office,
York, 7th December 1833.

BY direction of His Excellency the Lieutenant Governor, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE,
Clerk Executive Council

In Council, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificent intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

It is Ordered, That in future no such Rights will be allowed, except on the conditino of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a *Ticket* from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

In Council, 7th December 1833.

With reference to a communication from His Excellency the Lieut. Governor, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

His Majesty's Receiver General, gives notice to the holders of the following Government Debentures, to present the same at His Office for redemption agreeably to the terms specified in the acts of the Provincial Legislature under which the same were issued, viz:—

Debentures Nos. 106 to 192, inclusive, dated the 11th May, 1830, issued under an act passed in the 2nd Session 10th Parliament, Chap. 11th.

NOTICE is hereby given, by order of His Excellency the Lieutenant Governor in Council, that unless Constantine O'Neil, or his Heirs, do make good any claim they may have to the South half of Lot number Twenty-four, in the Ninth Concession of the Township of Burford, in the District of London, within three months from this date, the said half Lot will be otherwise disposed of.

JOHN BEIKIE,
29 Clerk Executive Council.

Executive Council Office, York, 7th December 1833.

BY direction of His Excellency the Lieutenant Governor, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE,
Clerk Executive Council

In Council, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

It is Ordered, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

In Council, 7th December 1833.

With reference to a communication from His Excellency the Lieut. Governor, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands.

30

His Majesty's Receiver General, gives notice to the holders of the following Government Debentures, to present the same at His Office for redemption agreeably to the terms specified in the acts of the Provincial Legislature under which the same were issued, viz:—

Debentures Nos. 106 to 192, inclusive, dated the 11th May, 1830, issued under an act passed in the 2nd Session 10th Parliament, Chap. 11th.

Executive Council Office,
York, 7th December 1833.

BY direction of His Excellency the Lieutenant Governor, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE,
Clerk Executive Council

In Council, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

It is Ordered, That in future no such Rights will be allowed, except on the conditino of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

In Council, 7th December 1833.

With reference to a communication from His Excellency the Lieut. Governor, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

Government House,
17*th December*, 1830.

SOLDIERS who have obtained their discharges from His Majesty's Service, and who have claims for Land in Upper Canada, will apply to the Government Office for instructions, and produce their Discharges or Certificates, from the Chelsea Hospital.

RESOLVED—That to prevent surprise, and to afford time for proper investigation in matters that may affect the private rights of individuals, it is expedient to make it a standing order of the Legislative Council, that no Petition for a private Bill, which can affect the vested right, interest, or convenience of any person or persons other than the Petitioner or Petitioners, shall be received after the twentieth day of the Session, and that no Private Bill of the nature above described which may come up from the Assembly, after the thirtieth day of the Session, shall be proceeded upon in the Legislative Council.

Truly extracted.

Clerk, Legislative Council.

EXECUTIVE COUNCIL OFFICE,
York, 7th December 1833.

BY direction of HIS EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE,
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from HIS EXCELLENCY the LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

GOVERNMENT HOUSE,
17th December, 1830.

SOLDIERS who have obtained their discharges from His Majesty's Service, and who have claims for Land in Upper Canada, will apply to the Government Office for instructions, and produce their Discharges or Certificates, from the Chelsea Hospital.

RESOLVED—That to prevent surprise, and to afford time for proper investigation in matters that may affect the private rights of Individuals, it is expedient to make it a standing order of the Legislative Council, that no Petition for a private Bill, which can affect the vested right, interest, or convenience of any person or persons other than the Petitioner or Petitioners, shall be received after the twentieth day of the Session, and that no Private Bill of the nature above described which may come up from the Assembly, after the thirtieth day of the Session, shall be proceeded upon in the Legislative Council.

Truly extracted.

Clerk, Legislative Council.

AN ACT to allow the issuing of Writs of Error from the Court of King's Bench.

[Passed 24th February, 1835.]

WHEREAS it would facilitate the correction of Errors in the Judgment of inferior Courts of Record if the Writ of Error, which for such purposes is required by the Law of England to be issued from Chancery, and to be made under the Great Seal, were allowed in this Province to issue from the Court of King's Bench, under the Seal of that Court: *Be it therefore enacted* by the King's most excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's reign entitled, 'An Act for making more effectual provision for the Government of the Province of Quebec in North America, and to make further provision for the Government of the said Province," and by the authority of the same, That whenever by the Law of England a writ of Error may be sued out of Chancery, returnable in the Court of King's Bench, for removing the Record of the Judgment of an inferior Court of Record in order to its examination upon errors assigned, it shall be lawful in similar cases, and for the like purpose, to sue out a Writ of Error from the Court of King's Bench in this Province, running in the name of the King, and having teste and return like other writs of the said Court; and upon the return of such writs the said Court may proceed thereon as if the Record of the Judgment had been removed under the Great Seal of this Province.

2. *And be it further enacted by the authority aforesaid*, That for securing Suitors against vexatious delays and expense through the suing out of such writs of error, it shall and may be lawful for the Judges of the Court of King's Bench to make such rules and orders, from time to time during any term of sitting of the said Court, as may appear just and expedient for securing the payment of costs, and of the debt or damages awarded by the Judgment of the inferior Court, or either of them, in case such Judgment shall be affirmed in error; and also for restraining frivolous Writs of Error from being brought merely for delay.

Executive Council Office,
York, 7th December 1835.

BY direction of His Excellency the Lieutenant Governor, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE,
Clerk Executive Council

In Council, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificent intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony,

It is Ordered, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to

them according to the usual condition of such sales.

In Council, 7th December 1833.

With reference to a communication from His Excellency the Lieut. Governor, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question,

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

Government House,
17th December, 1830.

SOLDIERS who have obtained their discharges from His Majesty's Service, and who have claims for Land in Upper Canada, will apply to the Government Office for instructions, and produce their Discharges or Certificates, from the Chelsea Hospital.

AN ACT to allow the issuing of Writs of Error from the Court of King's Bench.

[Passed 24th February, 1835.]

WHEREAS it would facilitate the correction of Errors in the Judgment of inferior Courts of Record if the Writ of Error, which for such purposes is required by the Law of England to be issued from Chancery, and to be made under the Great Seal, were allowed in this Province to issue from the Court of King's Bench, under the Seal of that Court: *Be it therefore enacted* by the King's most excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's reign entitled, 'An Act for making more effectual provision for the Government of the Province of Quebec in North America, and to make further provision for the Government of the said Province," and by the authority of the same, That whenever by the Law of England a writ of Error may be sued out of Chancery, returnable in the Court of King's Bench, for removing the Record of the Judgment of an inferior Court of Record in order to its examination upon errors assigned, it shall be lawful in similar cases, and for the like purpose, to sue out a Writ of Error from the Court of King's Bench in this Province, running in the name of the King, and having teste and return like other writs of the said Court; and upon the return of such writs the said Court may proceed thereon as if the Record of the Judgment had been removed under the Great Seal of this Province.

2. *And be it further enacted by the authority aforesaid*, That for securing Suitors against vexatious delays and expense through the suing out of such writs of error, it shall and may be lawful for the Judges of the Court of King's Bench to make such rules and orders, from time to time during any term of sitting of the said Court, as may appear just and expedient for securing the payment of costs, and of the debt or damages awarded by the Judgment of the inferior Court, or either of them, in case such Judgment shall be affirmed in error; and also for restraining frivolous Writs of Error from being brought merely for delay.

AN ACT to provide for the payment of Wages to the Members of the House of Assembly who Represent the different Towns in this Province.

[Passed 24th February, 1835.]

WHEREAS an Act passed in the forty-third year of the reign of His Majesty King George the Third, entitled, "An Act the more conveniently to collect the compensation to the Members of the House of Assembly for their attendance in their duty in Parliament; and to repeal part of an Act passed in the Parliament of this Province in the thirty-third year of his Majesty's reign, entitled, 'An Act to authorise and direct the levying and collecting of Assessments and Rates within this Province, and to provide for the payment of wages to the House of Assembly,' does not make provision for an Assessment in the Towns which now do, or hereafter may send Representatives, for the compensation of such Representatives: *And whereas* the said Act ought in that respect to be amended: *Be it therefore enacted* by the King's most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled "An Act to repeal certain parts of an Act passed in fourteenth year of His Majesty's reign entitled, 'An Act for making more effectual provision for the Government of the Province of Quebec in North America, and to make further provision for the Government of the said Province," and by the authority of the same, That after every prorogation and dissolution of the Assembly of this Province, it shall and may be lawful for every Member thereof now representing, or hereafter to represent, any Town, having attended, to receive from the Speaker of the House of Assembly, a warrant under his hand and seal, signifying the time such Member hath attended his duty in the said Assembly; and every Member possessed of such warrant shall and may ask and demand of the Justices of the Peace, for the District in which such Town represented by such Member may be situated, in their general Quarter Sessions assembled, a sum not exceeding Ten Shillings per day for every day that the said Member shall have been engaged in the attendance of his duty in the House of Assembly, and have been necessarily absent from the place of his abode in going to or returning from his attendance; which sum it shall and may be lawful for the said Justices to levy by Assessment, to be made on each and every Inhabitant House-holder in the several Towns now or hereafter to be Represented by such Member within any District, in the same manner and form as by Law any Assessment may now or hereafter be levied for any public purpose in any Town in this Province; and for the said Justices to issue their order upon the Treasurer of the District to pay the amount of the sum to which any such Member may be entitled, out of the monies which may come into their hands from the said Assessment upon any Town now or hereafter to be Represented.

EXECUTIVE COUNCIL OFFICE,
York, 7th December 1835.

BY direction of His EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders. JOHN BEIKIE,
Clerk Executive Council.

IN COUNCIL, 6th November, 1835.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificent intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the condition of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1835.

With reference to a communication from His EXCELLENCY the LIEUT. GOVERNOR,

together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question,

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1802, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 50

GOVERNMENT HOUSE,
17th December, 1830.

SOLDIERS who have obtained their Discharges from His Majesty's Service, and who have claims for Land in Upper Canada, will apply to the Government Office for instructions, and produce their Discharges or Certificates, from the Chelsea Hospital.

SALE OF CROWN LANDS.

NOTICE is hereby given, that the West Lot No. 5, and also the south half of East Lot No. 5, being a part of the Tract known as the Kingsmill reservation in the Township of Etobicoke and recently surveyed, will be offered for sale by public auction, at the Court House, in the City of Toronto, on Tuesday the 31st Instant, at 12 o'clock noon, upon condition of paying one quarter down and the remainder in three years by annual instalments, of one quarter, with Interest on each Instalment as it becomes due.

AN ACT to allow the issuing of Writs of Error from the Court of King's Bench.

[Passed 24th February, 1835.]

WHEREAS it would facilitate the correction of Errors in the Judgment of inferior Courts of Record if the Writ of Error, which for such purposes is required by the Law of England to be issued from Chancery, and to be made under the Great Seal, were allowed in this Province to issue from the Court of King's Bench, under the Seal of that Court: *Be it therefore enacted* by the King's most excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's reign entitled, 'An Act for making more effectual provision for the Government of the Province of Quebec in North America, and to make further provision for the Government of the said Province," and by the authority of the same, That whenever by the Law of England a writ of Error may be sued out of Chancery, returnable in the Court of King's Bench, for removing the Record of the Judgment of an inferior Court of Record in order to its examination upon errors assigned, it shall be lawful in similar cases, and for the like purpose, to sue out a Writ of Error from the Court of King's Bench in this Province, running in the name of the King, and having teste and return like other writs of the said Court; and upon the return of such writs the said Court may proceed thereon as if the Record of the Judgment had been removed under the Great Seal of this Province.

2. *And be it further enacted by the authority aforesaid*, That for securing Suitors against vexatious delays and expense through the suing out of such writs of error, it shall and may be lawful for the Judges of the Court of King's Bench to make such rules and orders, from time to time during any term of sitting of the said Court, as may appear just and expedient for securing the payment of costs, and of the debt or damages awarded by the Judgment of the inferior Court, or either of them, in case such Judgment shall be affirmed in error; and also for restraining frivolous Writs of Error from being brought merely for delay.

EXECUTIVE COUNCIL OFFICE,
York, 7th December 1833.

BY direction of HIS EXCELLENCY the LIEUTENANT GOVERNOR, Public Notice is hereby given, of the following Orders.

JOHN BEIKIE,
Clerk Executive Council

IN COUNCIL, 8th November, 1833.

It was the intention of the Government in granting the privileges commonly called U. E. Rights, to confer upon the children of those brave men, who during the American Revolution adhered to the Crown, a Lot of Land on which they might comfortably reside, as a mark of distinction for their Loyal Services.

A Similar munificient intention influenced the Government in directing Free Grants of Land to certain classes of the Militia, who served meritoriously during the last War.

From numerous facts it having become notorious to the Council, that the benevolent intentions of Government in favour of U. E. Loyalists and other privileged claimants are daily frustrated, and the settlement of the Province impeded by Speculators acquiring by the purchase of their Rights vast quantities of Land which they are not disposed to part with but at the highest prices.

For remedy of these evils, and to put a final end to a traffic in itself so detrimental to the parties and to the Colony.

IT IS ORDERED, That in future no such Rights will be allowed, except on the conditino of actual settlement by the parties found entitled, nor any Deed issued unless they have been living on their Land for the space of two years, except that such persons as are entitled to Land under any of the Rights aforesaid, who can satisfactorily prove to the Government the impossibility of their going upon the same, shall nevertheless be allowed to make their Location and receive a Ticket from the Crown Commissioner, entitling them to the price at which the said land so Located shall be sold at the Public sales, and payable to them according to the usual condition of such sales.

IN COUNCIL, 7th December 1833.

With reference to a communication from HIS EXCELLENCY THE LIEUT. GOVERNOR, together with a Letter from Mr. John S. Cartwright, on the subject of U. E. claimants, it is respectfully stated with regard to the first question.

That the Council not having any power to interfere with Locations already made, understand that the order of the 8th November last, shall take effect upon all claims of U. E. Loyalists that have not been acted upon by the Surveyor General, up to that period. That the order was intended to affect U. E. and Militia claimants. That it does not prevent persons who are desirous of retaining the distinction in their family as intended by the King's Government, and who are residing in the Province, from receiving their Grants subject to the Order in Council of the 24th May 1832, which requires that a resident settler be established on some part of the Lot.

That a statement in the Petition to the Lieutenant Governor in Council, that the parties do not wish to retain the Location in the family, and are unable, from being on a farm elsewhere, or from other causes, to occupy their Grants, will be deemed sufficient, and entitle him or her to the produce of the Lot when sold by the Commissioner of Crown Lands. 30

SALE OF CROWN LANDS.

NOTICE is hereby given, that the West Lot No. 5. and also the south half of East Lot No. 5. being a part of the Tract known as the Kingsmill reservation in the Township of Etobicoke and recently surveyed, will be offered for sale by public auction, at the Court House, in the City of Toronto, on Tuesday the 31st Instant, at 12 o'clock noon, upon condition of paying one quarter down and the remainder in three years by annual instalments, of one quarter, with Interest on each Instalment as it becomes due.

By Authority.

An Act to mitigate the law in respect to Imprisonment for Debt.

[Passed 16th April, 1835.]

WHEREAS the Imprisonment of Persons in Execution for debt, is no otherwise justifiable than as a means of compelling such Persons to apply whatever monies or property they may be possessed of, or may have under their control, to the satisfaction of their Creditors: *And whereas*, it is impossible, with a just regard to the rights of Creditors and to the interests of commerce, to afford effectual relief to insolvent debtors until a proper jurisdiction is provided, and suitable laws enacted to facilitate and insure a recourse against all the property of such insolvent debtors, but in the mean time, it is expedient to make such provision as will render the law in this respect less rigorous than at present: *Be it therefore enacted*, by the Kings Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's reign, entitled, 'An Act for making more effectual provision for the Government of the Province of Quebec in North America, and to make further provision for the Government of the said Province,'" and by the authority of the same, That from and after the first day of June next, after the passing of this Act, no person shall be arrested or holden to special bail upon any process issuing from His Majesty's Court of King's Bench for this Province, or from any District Court in this Province, when the cause of action shall not amount to ten pounds, and that so much of the eighth clause of a certain act of the Parliament of this Province, passed in the second year of the reign of His late Majesty King George the Fourth, entitled, "An Act to repeal part of and amend the laws now in force respecting the practice of His Majesty's Court of King's Bench in this Province" as authorizes personal arrest in a civil suit, when the cause of action shall amount to five pounds and upwards; and also, so much of the eighth clause of a certain other act of the Parliament of this Province, passed in the same year entitled, "An Act to reduce into one act the several laws now in force, establishing District Courts, and regulating the practice thereof, and also to extend the powers of the said District Courts," as authorizes personal arrest in all actions of contract within the jurisdiction of such Courts, be and the same is hereby repealed, so far only as the said clauses extend to authorize personal arrest for any sum less than ten pounds: *Provided always, nevertheless*, that such repeal shall not take effect until after the said first day of June next, and shall not render illegal or irregular, any arrest for a less sum than ten pounds, which shall take place in any Court before or on the said first day of June next, and shall not render illegal or irregular any proceedings which shall be had after or in consequence of such arrest.

2. *And be it further enacted by the authority aforesaid*, That from and after the said first day of June next, it shall not be lawful to take execution against the body of any Person Plaintiff or Defendant, upon a judgment recovered for costs only, nor in any case in which the judgment shall not be rendered for the sum of ten pounds or upwards, exclusive of costs, and that if any person shall be in custody upon an execution at the time of the passing of this act or at any time hereafter upon an execution which may issue before the said first day of June next, in a cause in which it is provided by this clause, that no execution shall issue against the body, such person may upon application to the Court from whence the execution shall have issued, or to a Judge thereof in vacation, and after notice given to the opposite party or his Attorney, by a rule to shew cause, be discharged from custody by order of the said Court or Judge, but it shall be lawful to take out execution against the goods and chattels, or against the lands or tenements of the person so discharged in the same manner as in other cases of Debtors discharged under the provisions of this act.

3. *And whereas*, it might tend greatly to the relief of certain Debtors in execution for small debts, and at the same time occasion no material prejudice to trade and public credit, if such debtors should, after a limited period of imprisonment, be allowed to be discharged, saving to their Creditors their remedy against the property of the Debtors so discharged.—*Be it therefore enacted by the authority aforesaid*, That from and after the passing of this Act, all persons in execution upon any judgment rendered in this Province, in a civil suit, for any debt or damages not exceeding the sum of twenty pounds, exclusive of the costs recovered by such judgment, and who shall have lain in prison thereupon for the space of three calendar months, or been confined under such execution upon the gaol limits of any District in this Province, for the space of twelve calendar months before the time of their application, to be discharged as hereinafter mentioned, may make his, her or their application, in term time, to the Court from whence such execution shall have issued, to be discharged from custody upon such execution, and shall thereupon make and file an affidavit to the effect hereinafter mentioned, and if the Court shall be satisfied upon cause shewn, that the person in custody is entitled to relief under this Act, or if no cause to the contrary shall be shewn, then such Court shall forthwith make a rule or order for discharging the party or parties from custody, as to such execution; *Provided always*, that notwithstanding the discharge of any Debtor or Debtors, by virtue of this Act, the judgment against him or them shall continue and remain in full force to all intents and purposes, except as to the taking in execution the person or persons of such Debtor or Debtors thereupon; and it shall be lawful for the Creditor to take out execution against the lands and tenements, or goods and chattels of any such Debtor so discharged, or to bring any action on any such judgment against such Debtor, or to bring any such action or use any such remedy for the recovery of his demand, against any other person or persons, liable to satisfy the same, in the same manner as such Creditor could have done in case such Debtor had never been charged in execution upon such judgment; *Provided also*, that no Debtor so discharged shall be liable to be arrested or taken in execution upon the same judgment, or in any action or proceeding to be afterwards instituted thereupon.

4. *And be it further enacted by the authority aforesaid*, That from and after the passing of this Act, all persons in execution upon any judgment rendered in this Province, in a civil suit, for any debt or damages exceeding the sum of Twenty Pounds, exclusive of costs, and who shall have lain in prison thereupon, for the space of six calendar months before the time of their application, to be discharged as hereinafter mentioned when the debt shall not exceed One Hundred Pounds; or twelve calendar months when the debt shall exceed One Hundred Pounds, may, upon giving thirty days notice in writing, to the opposite party or his Attorney, of his intention to make such application as hereinafter mentioned, apply for his discharge, in term time, to the Court from whence the execution shall have issued; and that such application shall be founded on an affidavit of the person in custody, as aforesaid, to the effect hereinafter mentioned.

5. *And be it further enacted by the authority aforesaid*, That the opposite party upon being called upon to shew cause against such application, may disclose to the Court upon affidavit of himself or of any other person or persons, any facts in answer to such application and such Court, may examine into the same, and may require further statements upon oath, from or in behalf of either party, in their discretion, and that when in the opinion of the Court, the party at whose suit the Debtor is in custody, shows no reasonable ground whatever, (and in such case only) for expecting benefit from the further detention of the Debtor in execution, it shall be lawful for the Court to make an order for discharging such Debtor, forthwith; *Provided always*, that such discharge shall have the same and no other effect as to any other remedy upon the same judgment, or in consequence thereof, as a discharge, ordered under this Act, in cases where the debt shall not exceed Twenty Pounds.

6. *And be it further enacted by the authority aforesaid*, That the application made by any Debtor for his discharge from custody, under this Act, whether the sum for which he is so detained shall be under or above Twenty Pounds, shall be founded upon an affidavit made by such Debtor, in the cause in which

he is in custody, to be afterwards filed among the papers of such cause, in which affidavit shall be set forth the time that he has been in custody upon such execution, and the amount for which he is detained; and stating further, that he is not possessed, nor any person or persons in trust for him, or to his use, of lands or tenements, monies, goods, chattels or effects of any description, besides his necessary wearing apparel or bedding, to the amount of Five Pounds; that since judgment in the cause was rendered against him he has not made any disposition or conveyance of his property or effects, in order to defeat the remedy under the said judgment; that he has not the means within his power or under his control, excepting his necessary wearing apparel and bedding, of satisfying the debt for which he is in execution, or any part thereof; that he was guilty of no fraud, deceit or dishonest practice, in contracting the said debt, and that to the best of his knowledge and belief, the party at whose suit he is in custody can derive no benefit from his the said Debtor's being longer imprisoned under such execution.

7. *And be it further enacted by the authority aforesaid*, That if it shall happen that any discharge granted under this Act, shall have been unduly or fraudulently obtained upon any false allegation of circumstances, which, if true, might have entitled the prisoner to be discharged by virtue of this Act, such prisoner shall, upon the same being made appear to the satisfaction of the Court by whose rule or order the said prisoner had been so discharged, be liable to be again taken in execution, and remanded to his former custody, by the rule or order of the same Court; *Provided always*, that no Sheriff or Gaoler shall be liable as for the escape of any such prisoner, in respect of his enlargement, during such time as he shall have been at large, by means of such his undue discharge as aforesaid.

8. *And be it further enacted by the authority aforesaid*, That any person who shall assign, remove, conceal, or dispose of any of his property, with intent to defraud his Creditors, and any person who shall receive such property with such intent, shall, upon conviction, be deemed guilty of a misdemeanor, and such offence may be tried before any Court of Oyer and Terminer or general Gaol Delivery, and may be punished by fine or imprisonment;—*Provided always*, that no person convicted as aforesaid, shall be fined in a greater sum than One Hundred Pounds, nor be imprisoned for a longer period than six months.

9. *And be it further enacted by the authority aforesaid*, That this Act shall continue in force for four years, and from thence to the end of the then next ensuing Session of Parliament.

AN ACT to prevent the unnecessary Multiplication of Law Suits, and increase of Costs in Actions on Notes, Bonds, Bills of Exchange, and other Instruments.

[Passed 16th April, 1835.]

WHEREAS it is expedient to make such alteration in the Law as will prevent the necessity of bringing separate Actions for sums not large in amount, against the several makers of a Bond or other Instrument, or against several persons liable to be sued upon a Bill of Exchange or Promissory Note, as maker, endorser, acceptor: *Be it therefore enacted*, by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of, and under the authority of an Act passed in the Parliament of Great Britain, entitled, "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's reign, entitled, 'An Act for making more effectual provision for the Government of the Province of Quebec, in North America, and to make further provision for the Government of the said Province," and by the authority of the same, that after the first day of July next after the passing of this Act, when several suits shall be brought on one Bond, Recognisance, Promissory Note, Bill of Exchange, or other Instrument, which shall be made or entered into after the passing of this Act; or when several suits shall be brought against the maker and endorser of a Note, or against the drawer, acceptor, or endorsers of a Bill of Exchange, there shall be collected or received from the Defendant, the costs taxed on one suit only, at the election of the Plaintiff, and in the other suits the actual disbursements only shall be collected or received from the Defendant—but this provision shall not extend to any interlocutory costs in the progress of a cause.

2. *And be it further enacted by the authority aforesaid*, That it shall be lawful for the holder of any Bill of Exchange or Promissory Note hereafter to be made, for a sum not exceeding One Hundred Pounds, instead of bringing separate suits against the drawers, makers, endorsers and acceptors of such Bill or Note, to include all or any of the said parties to the Bill or Note in one action, and to proceed to judgment and execution in the same manner as though all the Defendants were joint contractors.

3. *And be it further enacted by the authority aforesaid*, That in any such action, any joint drawer or maker, endorser or acceptor, may plead in abatement the non-joinder of any other joint drawer, maker, endorser or acceptor, in the same manner as though this Act had not been passed, and no judgment to be rendered in pursuance of this Act, shall be of any effect against a Defendant not served with process.

4. *And be it further enacted by the authority aforesaid*, That the Plaintiff in any such action, and in all other actions on Bills of Exchange or Promissory Notes, may declare upon the money counts alone, and such Bill or Note may be given in evidence under the money counts in all cases where a copy of the Bill or Note shall have been served with the declaration.

5. *And be it further enacted by the authority aforesaid*, That in any such action judgment may be rendered for the Plaintiff against some one or more of the Defendants, and also in favor of some one or more of the Defendants against the Plaintiff, according as the rights and liabilities of the respective parties shall appear, either upon confession, default by pleading, or on trial; and when judgment shall be rendered in favor of any Defendant, he shall recover costs against the Plaintiff, in the same manner as though judgment had been rendered for all the Defendants.

6. *And be it further enacted by the authority aforesaid*, That in any such action any person or persons sued, shall be entitled to set off his or their demands against the Plaintiff, in the same manner as though such Defendant or Defendants had been sued in the form heretofore used.

An Act to enable Suitors in the District Courts to procure the attendance of Witnesses from any District in this Province, and to authorize certain persons therein named to take affidavits in the said District Courts.

[Passed 16th April, 1835.]

WHEREAS the want of means of compelling the attendance upon any trial in a District Court, of a Witness resident within another District than that in which such trial is to take place, is prejudicial to the interests of Suitors, and frequently occasions the institution in the Court of King's Bench of actions which in their nature are of the proper cognizance of the District Court, thereby subjecting the parties to delay and expense beyond what would otherwise be necessary: *Be it therefore enacted*, by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of, and under the authority of an Act passed in the Parliament of Great Britain, entitled "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's Reign, entitled 'An Act for making more effectual provision for the Government of the Province of Quebec, in North America and to make further provision for the Government of the said Province," and by the authority of the same, That from and after the passing of this Act, it shall be lawful for the Clerks of the Crown and Pleas, or for his Deputy in any of the respective Districts of this Province, in which a witness or witnesses residing or living within another District, is required to attend upon the trial of a case in the District Court, to issue a Subpœna commanding the attendance of such witness or witnesses at the time and place required, which Subpœna shall be issued upon a proper præcipe being filed for that purpose, and shall be under the seal of the Court of King's Bench and shall bear teste in the same manner as Writs of Subpœna to be issued in causes instituted in the Court of King's Bench.

3. *And be it further enacted by the authority aforesaid*, That all affidavits in any cause pending or hereafter to be brought in any District Court in this Province, may be taken before any Commissioners appointed for taking affidavits in his Majesty's Court of King's Bench in this Province, as well as before the Judge or Clerk thereof.

2. *And whereas*, it is necessary to make certain amendments in the said act, and to remove doubts which have arisen respecting some of its provisions: *Be it therefore enacted by the authority aforesaid*, That from and after the passing of this act it shall be lawful to grant an attachment in the manner provided by the first clause of the said statute, when a debt is sworn to as therein mentioned, notwithstanding the absconding or concealed debtor may not be indebted to an Inhabitant of this Province.

3. *And be it further enacted by the authority aforesaid*, That the bond mentioned in the fourth clause of the said statute shall be given to the Sheriff of the District in which the Estate has been attached, and the penalty need not be more than double the amount of the value of the Estate attached, and the condition of the bond may be so framed that whatever may be the amount of the several claims always be the amount of the several claims against the absconding Debtor, the bond shall be void upon the payment by the obligors or any of them, of the value of the Estate taken and seized, and the bond so given shall and may be put in suit by the Sheriff, for the benefit of any party entitled, whenever the case may require it, and the amount collected thereon shall and may be retained in his hands, to be applied by him in the same manner as it would be to apply the proceeds of the Estate in respect of which the bond shall have been given.

4. *And be it further enacted and declared by the authority aforesaid*, That notwithstanding any thing contained in the said Act, any person who shall have commenced a suit against another by process bailable or non bailable, which process shall have been served before the suing out of any attachment against the same person as an absconding or concealed Debtor, shall notwithstanding the subsequent suing out of such attachment be allowed to proceed in the ordinary manner to judgment and execution, and in case of his obtaining execution before any person at whose suit the Estate real or personal of such debtor shall have been attached, he shall be allowed the full advantage of his legal priority of execution, in the same manner as if the Estate had not been attached, and were remaining in the possession of the debtor, and in case the goods shall have been delivered up to the absconding or concealed Debtor or his agent upon security, the Sheriff shall enforce the bond taken for his benefit in the same manner as in the case of a creditor suing out an attachment: *Provided also*, that the amount of costs incurred by the suing out and executing the attachment or such portion thereof as the Court in which the cause is pending, or a judge thereof shall think reasonable, shall be retained for the benefit of the person who has paid the same, or who is liable therefore in consequence of his having taken out the attachment: *And Provided also*, that nothing in this act contained shall prevent the Court in which the action was brought and process served upon the person against whom an attachment or attachments shall afterwards issue, from setting aside the judgment and execution in such action as fraudulent, or staying proceedings therein, when such action shall appear to have been instituted or proceeded in, by collusion with the debtor, or to have been otherwise fraudulently brought for the purpose of defeating the claims of others.

5. *And be it further enacted by the authority aforesaid*, That upon the trial of any action against an absconding or concealed debtor, it shall be lawful for any other person who shall before such trial have sued out an attachment to contest the Plaintiff's demand in the same manner as the Defendant might, and to call evidence to disprove the same or to establish a set off, provided he shall have given notice of such set off fifteen day exclusive before the trial.

6. *And be it further enacted by the authority aforesaid*, That when several attachments shall be placed in the Sheriff's hands against the same absconding or concealed debtor, the proceeds of the Estate which shall have been attached shall not be paid over to such attaching Creditor or Creditors, according to priority, but they shall be ratably distributed among such of the Creditors suing out the said attachments as shall obtain judgment against the Debtor, in proportion to the amount of the sums really due upon such judgments, and no distribution shall take place until reasonable time in the opinion of the Court has been allowed for the several Creditors to proceed to judgment: *Provided always*, That when the Estate shall not be sufficient to satisfy the claims of all the attaching Creditors, none shall be allowed to share, unless he shall have sued out his attachment and placed it in the hands of the Sheriff within six months from the issuing of the first writ of attachment.

7. *And be it further enacted by the authority aforesaid*, That before execution shall be taken out in any action brought against an absconding or concealed Debtor, the Plaintiff shall make and file an affidavit which shall be kept among the papers in the cause, in which he shall swear that to the best of his knowledge and belief, the sum which has been allowed to him by the Jury is justly and truly due to him by the Defendant, and that he has given credit for all payments made to him by the Defendant, and for every demand which the Defendant could rightly make against him, or if the Plaintiff shall in his affidavit acknowledge that the sum actually due to him is less than that which the Jury have awarded, then the execution shall be endorsed accordingly, and no more shall be levied for the Plaintiff than is admitted to be due: *Provided always*, That if the affidavit of the Plaintiff cannot be obtained in due time by reason of his foreign residence or from any other reason which shall be assigned then an affidavit to the effect above mentioned may be received from the Attorney or Agent of such Plaintiff.

PROCLAMATION.
UPPER CANADA.

WILLIAM THE FOURTH, by the Grace of GOD, of the United Kingdom of Great Britain and Ireland King, Defender of the Faith, &c. &c. &c.

To all to whom these Presents shall come—

GREETING:

WHEREAS at a Session of our Legislative Council and Assembly of our Province of Upper Canada, begun and holden at our Town of York, (now the City of Toronto) in our said Province, on the 19th day of November, in the fourth year of our reign, and prorogued on the 6th day of March then next ensuing, a Bill, entitled "An Act to form certain "Townships in the London District into "a County, and to attach certain Town-"ships to the Counties of Middlesex and "Kent, in the London and Western Dis-"tricts," was passed before the said Legislative Council and Assembly, and was, at the prorogation of said Session, on the 6th day of March, in the 4th year of our reign, presented to our Lieutenant Governor of our said Province, for our assent thereto, who, in pursuance of the authority vested in our Lieutenant Governor of our said Province, by a certain Act of the Parliament of Great Britain, passed in the thirty-first year of the reign of His late Majesty King George the Third, entitled "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's reign, entitled, 'An Act for making more effectual provision for the Government of the Province of Quebec, in North America, and to make further provision for the Government of the said Province," and according to his discretion, then and there declared that he reserved the said Bill for the signification of our pleasure thereon.—NOW KNOW YE, that the said Bill having been laid before us in Council, we have been pleased to assent to the same; and we do by these presents, according to the provisions of the said Act passed in the thirty-first year of the reign of His late Majesty King George the Third, declare our assent thereto: of which all our loving subjects will take notice, and govern themselves accordingly.

In testimony whereof, We have caused these our letters to be made patent, and the Great Seal of our said Province to be hereunto affixed.—Witness, our trusty and well beloved Sir John Colborne, K. C. B., Lieutenant Governor of our said Province, and Major-General commanding our Forces therein, at our City of Toronto, this fifth day of May, in the year of our Lord one thousand eight hundred and thirty-five, and in the fifth year of our reign.

J. C.

By Command of His Excellency.
ROBERT S. JAMESON,
Attorney General.
D. CAMERON, *Secretary.*

An Act to form certain Townships in the London District into a County, and to attach certain Townships to the Counties of Middlesex and Kent, in the London and Western Districts.

(The Royal Assent to this Bill promulgated by Proclamation, bearing date 6th day of May, 1835.)

WHEREAS a certain tract of land situate in the Western and London Districts, hath been lately surveyed and laid off into Townships, and many Emigrants and others settled thereon, and it is expedient to provide by law for the administration of Justice therein.—*Be it therefore enacted* by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled, by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled "An Act to repeal certain parts of an Act passed in the fourteenth year of his Majesty's reign, entitled, 'An Act for making more effectual provision for the Government of the Province of Quebec in North America, and to make further provision for the Government of the said Province," and by the authority of the same, That from and after the first day of June next, after the passing of this Act, no person shall be arrested or holden to special bail upon any process issuing from His Majesty's Court of King's Bench for this Province, or from any District Court in this Province, when the cause of action shall not amount to ten pounds, and that so much of the eighth clause of a certain act of the Parliament of this Province, passed

An Act to mitigate the law in respect to Imprisonment for Debt.

(Passed 16th April, 1835.)

WHEREAS the Imprisonment of Persons in Execution for debt, is no otherwise justifiable than as a means of compelling such Persons to apply whatever monies or property they may be possessed of, or may have under their control, to the satisfaction of their Creditors: *And whereas,* it is impossible, with a just regard to the rights of Creditors and to the interests of commerce, to afford effectual relief to insolvent debtors until a proper jurisdiction is provided, and suitable laws enacted to facilitate and insure a recourse against all the property of such insolvent debtors, but in the mean time, it is expedient to make such provision as will render the law in this respect less rigorous than at present: *Be it therefore enacted,* by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's reign, entitled, 'An Act for making more effectual provision for the Government of the Province of Quebec in North America, and to make further provision for the Government of the said Province," and by the authority of the same, that the Townships of Williams, McGillivray, Stephen, Hay, Stanley, Goderich, Colborne, Hullet, McKillop, Tuckersmith, Hibbert, Logan, Fullarton, Usborne, Biddulph, Blanchard, Downie, Ellice, North Easthope, and South Easthope, do constitute and form the County of Huron in the London District.

2. *And be it further enacted by the authority aforesaid,* That the Township of Adelaide be attached to and form part of the County of Middlesex in the London District.

3. *And be it further enacted by the authority aforesaid,* That the Townships of Moore, and Sarnia (formerly St. Clair,) Plympton, Enniskillen, Warwick, Brooke, and Bosanquet, be attached to and form part of the County of Kent in the Western District. 52

in the second year of the reign of His late Majesty King George the Fourth, entitled, "An Act to repeal part of and amend the laws now in force respecting the practice of His Majesty's Court of King's Bench in this Province," as authorizes personal arrest in a civil suit, when the cause of action shall amount to five pounds and upwards; and also, so much of the eighth clause of a certain other act of the Parliament of this Province, passed in the same year entitled, "An Act to reduce into one act the several laws now in force, establishing District Courts, and regulating the practice thereof, and also to extend the powers of the said District Courts," as authorizes personal arrest in all actions of contract within the jurisdiction of such Courts, be and the same is hereby repealed, so far only as the said clauses extend to authorize personal arrest for any sum less than ten pounds: *Provided always, nevertheless*, that such repeal shall not take effect until after the said first day of June next, and shall not render illegal or irregular, any arrest for a less sum than ten pounds, which shall take place in any Court before or on the said first day of June next, and shall not render illegal or irregular any proceedings which shall be had after or in consequence of such arrest.

2. *And be it further enacted by the authority aforesaid*, That from and after the said first day of June next, it shall not be lawful to take execution against the body of any Person Plaintiff or Defendant, upon a judgment recovered for costs only, nor in any case in which the judgment shall not be rendered for the sum of ten pounds or upwards, exclusive of costs, and that if any person shall be in custody upon an execution at the time of the passing of this act or at any time hereafter upon an execution which may issue before the said first day of June next, in a cause in which it is provided by this clause, that no execution shall issue against the body, such person may upon application to the Court from whence the execution shall have issued, or to a Judge thereof, in vacation, and after notice given to the opposite party or his Attorney, by a rule to show cause, be discharged from custody by order of the said Court or Judge, but it shall be lawful to take out execution against the goods and chattels, or against the lands or tenements of the person so discharged in the same manner as in other cases of Debtors discharged under the provisions of this act.

3. *And whereas*, it might tend greatly to the relief of certain Debtors in execution for small debts, and at the same time occasion no material prejudice to trade and public credit, if such debtors should, after a limited period of imprisonment, be allowed to be discharged, saving to their Creditors their remedy against the property of the Debtors so discharged.—*Be it therefore enacted by the authority aforesaid*, That from and after the passing of this Act, all persons in execution upon any judgment rendered in this Province, in a civil suit, for any debt or damages not exceeding the sum of twenty pounds, exclusive of the costs recovered by such judgment, and who shall have lain in prison thereupon for the space of three calendar months, or been confined under such execution upon the gaol limits of any District in this Province, for the space of twelve calendar months before the time of their application, to be discharged as hereinafter mentioned, may make his, her or their application, in term time, to the Court from whence such execution shall have issued, to be discharged from custody upon such execution, and shall thereupon make and file an affidavit to the effect hereinafter mentioned, and if the Court shall be satisfied upon cause shewn, that the person in custody is entitled to relief under this Act, or if no cause to the contrary shall be shewn, then such Court shall forthwith make a rule or order for discharging the party or parties from custody, as to such execution; *Provided always*, that notwithstanding the discharge of any Debtor or Debtors, by virtue of this Act, the judgment against him or them shall continue and remain in full force to all intents and purposes, except as to the taking in execution the person or persons of such Debtor or Debtors thereupon; and it shall be lawful for the Creditor to take out execution against the lands and tenements, or goods and chattels of any such Debtor so discharged, or to bring any action on any such judgment against such Debtor, or to bring any such action or use any such remedy for the recovery of his demand, against any other person or persons, liable to satisfy the same, in the same manner as such Creditor could have done in case such Debtor had never been charged in execution upon such judgment; *Provided also*, that no Debtor so discharged shall be liable to be arrested or taken in execution upon the same judgment, or in any action or proceeding to be afterwards instituted thereupon.

4. *And be it further enacted by the authority aforesaid*, That from and after the passing of this Act, all persons in execution upon any judgment rendered in this Province, in a civil suit, for any debt or damages exceeding the sum of Twenty Pounds, exclusive of costs, and who shall have lain in prison thereupon, for the space of six calendar months before the time of their application, to be discharged as hereinafter mentioned when the debt shall not exceed One Hundred Pounds, or twelve calendar months when the debt shall exceed One Hundred Pounds, may, upon giving thirty days notice in writing, to the opposite party or his Attorney, of his intention to make such application as hereinafter mentioned, apply for his discharge, in term time, to the Court from whence the execution shall have issued; and that such application shall be founded on an affidavit of the person in custody, as aforesaid, to the effect hereinafter mentioned.

5. *And be it further enacted by the authority aforesaid*, That the opposite party upon being called upon to shew cause against such application, may disclose to the Court upon affidavit of himself or of any other person or persons, any facts in answer to such application and such Court, may examine into the same, and may require further statements upon oath, from or in behalf of either party, in their discretion, and that when in the opinion of the Court, the party at whose suit the Debtor is in custody, shows no reasonable ground whatever, (and in such case only) for expecting benefit from the further detention of the Debtor in execution, it shall be lawful for the Court to make an order for discharging such Debtor, forthwith: *Provided always*, that such discharge shall have the same and no other effect as to any other remedy upon the same judgment, or in consequence thereof, as a discharge, ordered under this Act, in cases where the debt shall not exceed Twenty Pounds.

6. *And be it further enacted by the authority aforesaid*, That the application made by any Debtor for his discharge from custody, under this Act, whether the sum for which he is so detained shall be under or above Twenty Pounds, shall be founded upon an affidavit made by such Debtor, in the cause in which he is in custody, to be afterwards filed among the papers of such cause, in which affidavit shall be set forth the time that he has been in custody upon such execution, and the amount for which he is detained; and stating further, that he is not possessed, nor any person or persons in trust for him, or to his use, of lands or tenements, monies, goods, chattels or effects of any description, besides his necessary wearing apparel or bedding, to the amount of Five Pounds; that since judgment in the cause was rendered against him he has not made any disposition or conveyance of his property or effects, in order to defeat the remedy under the said judgment; that he has not the means within his power or under his control, excepting his necessary wearing apparel and bedding, of satisfying the debt for which he is in execution, or any part thereof; that he was guilty of no fraud, deceit or dishonest practice, in contracting the said debt, and that to the best of his knowledge and belief, the party at whose suit he is in custody can derive no benefit from his the said Debtor's being longer imprisoned under such execution.

7. *And be it further enacted by the authority aforesaid*, That if it shall happen that any discharge granted under this Act, shall have been unduly or fraudulently obtained upon any false allegation or circumstances, which, if true, might have entitled the prisoner to be discharged by virtue of this Act, such prisoner shall, upon the same being made appear to the satisfaction of the Court by whose rule or order the said prisoner had been so discharged, be liable to be again taken in execution, and remanded to his former custody, by the rule or order of the same Court; *Provided always*, that no Sheriff or Gaoler shall be liable as for the escape of any such prisoner, in respect of his enlargement, during such time as he shall have been at large, by means of such his undue discharge as aforesaid.

8. *And be it further enacted by the authority aforesaid*, That any person who shall assign, remove, conceal, or dispose of any of his property, with intent to defraud his Creditors, and any person who shall receive such property with such intent, shall, upon conviction, be deemed guilty of a misdemeanor, and such offence may be tried before any Court of Oyer and Terminer or general Gaol Delivery, and may be punished by fine or imprisonment:—*Provided always*, that no person convicted as aforesaid, shall be fined in a greater sum than One Hundred Pounds, nor be imprisoned for a longer period than six months.

9. *And be it further enacted by the authority aforesaid*, That this Act shall continue in force for four years, and from thence to the end of the then next ensuing Session of Parliament.

AN ACT to prevent the unnecessary Multiplication of Law Suits, and increase of Costs in Actions on Notes, Bonds, Bills of Exchange, and other Instruments.

[Passed 16th April, 1835.]

WHEREAS it is expedient to make such alteration in the Law as will prevent the necessity of bringing separate Actions for sums not large in amount, against the several makers of a Bond or other Instrument, or against several persons liable to be sued upon a Bill of Exchange or Promissory Note, as maker, endorser, acceptor: *Be it therefore enacted*, by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of, and under the authority of an Act passed in the Parliament of Great Britain, entitled, "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's reign, entitled, 'An Act for making more effectual provision for the Government of the Province of Quebec, in North America, and to make further provision for the Government of the said Province,'" and by the authority of the same, that after the first day of July next after the passing of this Act, when several suits shall be brought on one Bond, Recognizance, Promissory Note, Bill of Exchange, or other Instrument, which shall be made or entered into after the passing of this Act; or when several suits shall be brought against the maker and endorser of a Note, or against the drawer, acceptor, or endorsers of a Bill of Exchange, there shall be collected or received from the Defendant, the costs taxed on one suit only, at the election of the Plaintiff, and in the other suits the actual disbursements only shall be collected or received from the Defendant—but this provision shall not extend to any interlocutory costs in the progress of a cause.

2. *And be it further enacted by the authority aforesaid*, That it shall be lawful for the holder of any Bill of Exchange or Promissory Note hereafter to be made, for a sum not exceeding One Hundred Pounds, instead of bringing separate suits against the drawers, makers, endorsers and acceptors of such Bill or Note, to include all or any of the said parties to the Bill or Note in one action, and to proceed to judgment and execution in the same manner as though all the Defendants were joint contractors.

3. *And be it further enacted by the authority aforesaid*, That in any such action, any joint drawer or maker, endorser or acceptor, may plead, in abatement, the non-joinder of any other joint drawer, maker, endorser or acceptor, in the same manner as though this Act had not been passed, and no judgment to be rendered in pursuance of this Act, shall be of any effect against a Defendant not served with process.

4. *And be it further enacted by the authority aforesaid*, That the Plaintiff in any such action, and in all other actions on Bills of Exchange or Promissory Notes, may declare upon the money counts alone, and such Bill or Note may be given in evidence, under the money counts in all cases where a copy of the Bill or Note shall have been served with the declaration.

5. *And be it further enacted by the authority aforesaid*, That in any such action judgment may be rendered for the Plaintiff against some one or more of the Defendants, and also in favor of some one or more of the Defendants against the Plaintiff, according as the rights and liabilities of the respective parties shall appear, either upon confession, default by pleading, or on trial; and when judgment shall be rendered in favor of any Defendant, he shall recover costs against the Plaintiff, in the same manner as though judgment had been rendered for all the Defendants.

6. *And be it further enacted by the authority aforesaid*, That in any such action any person or persons sued, shall be entitled to set off his or their demands against the Plaintiff, in the same manner as though such Defendant or Defendants had been sued in the form heretofore used.

7. *And be it further enacted by the authority aforesaid*, That if upon the trial of any such action, the whole amount of the demand set off by any or all of the Defendants and allowed by the Jury, shall be equal to or shall exceed the amount of the Plaintiff's demand, as proved on the trial, the Jury shall find a verdict in favor of the Defendants generally, but if the Jury shall allow any demand as a set off, and still find a balance in favor of the Plaintiff, they shall state in their verdict the amount which they allow to each Defendant, as a set off against the Plaintiff's demand.

8. *And be it further enacted by the authority aforesaid*, That the rights and responsibilities of the several parties to any such Bill or Note as between each other, shall remain the same as though this Act had not been passed, saving only the rights of the Plaintiff, so far as they may have been determined by the judgment.

9. *And be it further enacted by the authority aforesaid*, That in every suit brought pursuant to the provisions of this Act, any one or more of the Defendants shall be entitled to the testimony of any Co-Defendant, as a witness in all those cases where the Defendant or Defendants calling the witness would have been entitled to his testimony had the suit been brought in the form heretofore used, and in no other cases.

10. *And be it further enacted by the authority aforesaid*, That in all actions on Promissory Notes or Bills of Exchange when the Plaintiff shall file a copy of such Promissory Note or Bill of Exchange with the Declaration, and shall also annex a copy of such Note or Bill to the copy of the Declaration that shall be served on any Defendant, the damages may be assessed as though the said Note or Bill of Exchange had been set out specially in said Declaration.

11. *And be it further enacted by the authority aforesaid*, That when in any case an action shall be brought against more than one Defendant under this Act, whomsoever otherwise have been sued separately, and it shall happen that any one or more of the Defendants shall die pending the suit, an action may, nevertheless be brought against the Executors or Administrators of any such deceased Defendant, *Provided* such Defendant would have been liable to be sued separately in case this Act had not been passed.

12. *Provided always, nevertheless, and be it further enacted by the authority aforesaid*, That this Act shall not apply in any case in which the sum expressed to be payable in or upon any such Bond, Recognizance, Promissory Note, Bill of Exchange or other Instrument, shall exceed the sum of One Hundred Pounds, nor to any case where separate Actions are brought in the District Court, against persons residing in several Districts.

13. *And be it further enacted by the authority aforesaid*, That when several Defendants are included in one process, in pursuance of the provisions of this Act, and any one or more of them cannot be served with such process by reason that he or they is or are absent from the Province, or concealed within the same, then the action may proceed as against the other Defendant or Defendants, without prejudice; and it shall be in the power of the Plaintiff afterwards to sue such Defendant or Defendants separately, who shall not have been served with process, and to recover costs as if this Act had not been passed.

14. *And be it further enacted by the authority aforesaid*, That this Act shall remain in force for four years, and from thence to the end of the then next ensuing Session of Parliament and no longer; but that any proceedings then pending shall be conducted to a final end, without being affected by the expiration of this Act.

An Act to enable Suitors in the District Courts to procure the attendance of Witnesses from any District in this Province, and to authorize certain persons therein named to take affidavits in the said District Courts.

[Passed 16th April, 1835.]

WHEREAS the want of means of compelling the attendance upon any trial in a District Court, of a Witness resident within another District than that in which such trial is to take place, is prejudicial to the interests of Suitors, and frequently occasions the institution in the Court of King's Bench of actions which in their nature are of the proper cognizance of the District Court, thereby subjecting the parties to delay and expense beyond what would otherwise be necessary: *Be it therefore enacted*, by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's Reign, entitled 'An Act for making more effectual provision for the Government of the Province of Quebec, in North America, and to make further provision for the Government of the said Province,'" and by the authority of the same, That from and after the passing of this Act, it shall be lawful for the Clerks of the Crown and Pleas, or for his Deputy in any of the respective Districts of this Province, in which a Witness or Witnesses residing or living within another District, is required to attend upon the trial of a cause in the District Court, to issue a Subpœna commanding the attendance of such witness or witnesses at the time and place required, which Subpœna shall be issued upon a proper precipe being filed for that purpose, and shall be under the seal of the Court of King's Bench, and shall bear teste in the same manner as Writs or Subpœna to be issued in causes instituted in the Court of King's Bench.

2. *And be it further enacted by the authority aforesaid*, That any witness failing to attend in obedience to such Subpœna shall be subject to the same penalties and remedies by action or by attachment for contempt of the Court of King's Bench, as in case of wilful disobedience of a Writ of Subpœna, requiring the attendance of a witness in a suit depending in that Court.

3. *And be it further enacted by the authority aforesaid*, That all affidavits in any cause pending or hereafter to be brought in any District Court in this Province, may be taken before any Commissioners appointed for taking affidavits in his Majesty's Court of King's Bench in this Province, as well as before the Judge or Clerk thereof.

An Act to continue and amend the Law for attaching the Property of absconding Debtors.

WHEREAS An Act passed in the second year of His Majesty's Reign, entitled, "An Act to afford means for attaching the property of absconding Debtors," will expire at the end of the present session of the Provincial Legislature; *And whereas* it is expedient to continue and amend the same: *Be it therefore enacted*, by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's reign, entitled 'An Act for making more effectual provision for the Government of the Province of Quebec, in North America, and to make further provision for the Government of the said Province," and by the authority of the same, That the said recited act be and the same is hereby continued for and during the term of two years from the passing of this act, and from thence to the end of the then next ensuing session of Parliament and no longer, any thing herein contained to the contrary notwithstanding.

2. *And whereas*, it is necessary to make certain amendments in the said act, and to remove doubts which have arisen respecting some of its provisions: *Be it therefore enacted by the authority aforesaid*, That from and after the passing of this act it shall be lawful to grant an attachment in the manner provided by the first clause of the said statute, when a debt is sworn to as therein mentioned, notwithstanding the absconding or concealed debtor may not be indebted to an Inhabitant of this Province.

3. *And be it further enacted by the authority aforesaid*, That the bond mentioned in the fourth clause of the said statute shall be given to the Sheriff of the District in which the Estate has been attached, and the penalty need not be more than double the amount of the value of the Estate attached, and the condition of the bond may be so framed that whatever may be the amount of the several claims against the absconding Debtor, the bond shall be void upon the payment by the obligors or any of them, of the value of the Estate taken and seized, and the bond so given shall and may be put in suit by the Sheriff, for the benefit of any party entitled, whenever the case may require it, and the amount collected thereon shall and may be retained in his hands, to be applied by him in the same manner as it would be to apply the proceeds of the Estate in respect of which the bond shall have been given.

4. *And be it further enacted and declared by the authority aforesaid*, That notwithstanding any thing contained in the said Act, any person who shall have commenced a suit against another by process bailable or non bailable, which process shall have been served before the suing out of any attachment against the same person as an absconding or concealed Debtor, shall notwithstanding the subsequent suing out of such attachment be allowed to proceed in the ordinary manner to judgment and execution, and in case of his obtaining execution before any person at whose suit the Estate real or personal of such debtor shall have been attached, he shall be allowed the full advantage of his legal priority of execution, in the same manner as if the Estate had not been attached, and were remaining in the possession of the debtor, and in case the goods shall have been delivered up to the absconding or concealed Debtor or his agent upon security, the Sheriff shall enforce the bond taken for his benefit in the same manner as in the case of a creditor suing out an attachment; *Provided always*, that the amount of costs incurred by the suing out and executing the attachment or such portion thereof as the Court in which the cause is pending, or a judge thereof shall think reasonable, shall be retained for the benefit of the person who has paid the same, or who is liable therefore in consequence of his having taken out the attachment: *And Provided also*, that nothing in this act contained shall prevent the Court in which the action was brought and process served upon the person against whom an attachment or attachments shall afterwards issue, from setting aside the judgment and execution in such action as fraudulent, or staying proceedings therein, when such action shall appear to have been instituted or proceeded in, by collusion with the debtor, or to have been otherwise fraudulently brought for the purpose of defeating the claims of others.

5. *And be it further enacted by the authority aforesaid*, That upon the trial of any action against an absconding or concealed debtor, it shall be lawful for any other person who shall before such trial have sued out an attachment to contest the Plaintiff's demand in the same manner as the Defendant might, and to call evidence to disprove the same or to establish a set off, provided he shall have given notice of such set off fifteen day exclusive before the trial.

6. *And be it further enacted by the authority aforesaid*, That when several attachments shall be placed in the Sheriff's hands against the same absconding or concealed debtor, the proceeds of the Estate which shall have been attached shall not be paid over to such attaching Creditor or Creditors, according to priority, but they shall be ratably distributed among such of the Creditors suing out the said attachments as shall obtain judgment against the Debtor, in proportion to the amount of the sums really due upon such judgments, and no distribution shall take place until reasonable time in the opinion of the Court has been allowed for the several Creditors to proceed to judgment: *Provided always*, That when the Estate shall not be sufficient to satisfy the claims of all the attaching Creditors, none shall be allowed to share, unless he shall have sued out his attachment and placed it in the hands of the Sheriff within six months from the issuing of the first writ of attachment.

7. *And be it further enacted by the authority aforesaid*, That before execution shall be taken out in any action brought against an absconding or concealed Debtor, the Plaintiff shall make and file an affidavit which shall be kept among the papers in the cause, in which he shall swear that to the best of his knowledge and belief, the sum which has been allowed to him by the Jury is justly and truly due to him by the Defendant, and that he has given credit for all payments made to him by the Defendant, and for every demand which the Defendant could rightly make against him, or if the Plaintiff shall in his affidavit acknowledge that the sum actually due to him is less than that which the Jury have awarded, then the execution shall be endorsed accordingly, and no more shall be levied for the Plaintiff than is admitted to be due: *Provided always*, That if the affidavit of the Plaintiff cannot be obtained in due time by reason of his foreign residence or from any other reason which shall be assigned then an affidavit to the effect above mentioned may be received from the Attorney or Agent of such Plaintiff.

An Act to mitigate the law in respect to Imprisonment for Debt.

[Passed 16th April, 1835.]

WHEREAS the Imprisonment of Persons in Execution for debt, is no otherwise justifiable than as a means of compelling such Persons to apply whatever monies or property they may be possessed of, or may have under their control, to the satisfaction of their Creditors: *And whereas*, it is impossible, with a just regard to the rights of Creditors and to the interests of commerce, to afford effectual relief to insolvent debtors until a proper jurisdiction is provided, and suitable laws enacted to facilitate and insure a recourse against all the property of such insolvent debtors, but in the mean time, it is expedient to make such provision as will render the law in this respect less rigorous than at present: *Be it therefore enacted*, by the Kings Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's reign, entitled, 'An Act for making more effectual provision for the Government of the Province of Quebec in North America, and to make further provision for the Government of the said Province," and by the authority of the same, That from and after the first day of June next, after the passing of this Act, no person shall be arrested or holden to special bail upon any process issuing from His Majesty's Court of King's Bench for this Province, or from any District Court in this Province, when the cause of action shall not amount to ten pounds, and that so much of the eighth clause of a certain act of the Parliament of this Province, passed in the second year of the reign of His late Majesty King George the Fourth, entitled, "An Act to repeal part of and amend the laws now in force respecting the practice of His Majesty's Court of King's Bench in this Province" as authorizes personal arrest in a civil suit, when the cause of action shall amount to five pounds and upwards; and also, so much of the eighth clause of a certain other act of the Parliament of this Province, passed in the same year entitled, "An Act to reduce into one act the several laws now in force, establishing District Courts, and regulating the practice thereof, and also to extend the powers of the said District Courts," as authorizes

personal arrest in all actions of contract within the jurisdiction of such Courts, be and the same is hereby repealed, so far only as the said clauses extend to authorize personal arrest for any sum less than ten pounds: *Provided always, nevertheless*, that such repeal shall not take effect until after the said first day of June next, and shall not render illegal or irregular, any arrest for a less sum than ten pounds, which shall take place in any Court before or on the said first day of June next, and shall not render illegal or irregular any proceedings which shall be had after or in consequence of such arrest.

2. *And be it further enacted by the authority aforesaid*, That from and after the said first day of June next, it shall not be lawful to take execution against the body of any Person Plaintiff or Defendant, upon a judgment recovered for costs only, nor in any case in which the judgment shall not be rendered for the sum of ten pounds or upwards, exclusive of costs, and that if any person shall be in custody upon an execution at the time of the passing of this act or at any time hereafter upon an execution which may issue before the said first day of June next, in a cause in which it is provided by this clause, that no execution shall issue against the body, such person may upon application to the Court from whence the execution shall have issued, or to a Judge thereof in vacation, and after notice given to the opposite party or his Attorney, by a rule to shew cause, be discharged from custody by order of the said Court or Judge, but it shall be lawful to take out execution against the goods and chattels, or against the lands or tenements of the person so discharged in the same manner as in other cases of Debtors discharged under the provisions of this act.

3. *And whereas*, it might tend greatly to the relief of certain Debtors in execution for small debts, and at the same time occasion no material prejudice to trade and public credit, if such debtors should, after a limited period of imprisonment, be allowed to be discharged, saving to their Creditors their remedy against the property of the Debtors so discharged.—*Be it therefore enacted by the authority aforesaid*, That from and after the passing of this Act, all persons in execution upon any judgment rendered in this Province, in a civil suit, for any debt or damages not exceeding the sum of twenty pounds, exclusive of the costs recovered by such judgment, and who shall have lain in prison thereupon for the space of three calendar months, or been confined under such execution upon the gaol limits of any District in this Province, for the space of twelve calendar months before the time of their application, to be discharged as hereinafter mentioned, may make his, her or their application, in term time, to the Court from whence such execution shall have issued, to be discharged from custody upon such execution, and shall thereupon make and file an affidavit to the effect hereinafter mentioned, and if the Court shall be satisfied upon cause shewn, that the person in custody is entitled to relief under this Act, or if no cause to the contrary shall be shewn, then such Court shall forthwith make a rule or order for discharging the party or parties from custody, as to such execution; *Provided always*, that notwithstanding the discharge of any Debtor or Debtors, by virtue of this Act, the judgment against him or them shall continue and remain in full force to all intents and purposes, except as to the taking in execution the person or persons of such Debtor or Debtors thereupon; and it shall be lawful for the Creditor to take out execution against the lands and tenements, or goods and chattels of any such Debtor so discharged, or to bring any action on any such judgment against such Debtor, or to bring any such action or use any such remedy for the recovery of his demand, against any other person or persons, liable to satisfy the same, in the same manner as such Creditor could have done in case such Debtor had never been charged in execution upon such judgment; *Provided also*, that no Debtor so discharged shall be liable to be arrested or taken in execution upon the same judgment, or in any action or proceeding to be afterwards instituted thereupon.

4. *And be it further enacted by the authority aforesaid*, That from and after the passing of this Act, all persons in execution upon any judgment rendered in this Province, in a civil suit, for any debt or damages exceeding the sum of Twenty Pounds, exclusive of costs, and who shall have lain in prison thereupon, for the space of six calendar months before the time of their application, to be discharged as hereinafter mentioned when the debt shall not exceed One Hundred Pounds; or twelve calendar months when the debt shall exceed One Hundred Pounds, may, upon giving thirty days notice in writing, to the opposite party or his Attorney, of his intention to make such application as hereinafter mentioned, apply for his discharge, in term time, to the Court from whence the execution shall have issued; and that such application shall be founded on an affidavit of the person in custody, as aforesaid, to the effect hereinafter mentioned.

5. *And be it further enacted by the authority aforesaid*, That the opposite party upon being called upon to shew cause against such application, may disclose to the Court upon affidavit of himself or of any other person or persons, any facts in answer to such application and such Court, may examine into the same, and may require further statements upon oath, from or in behalf of either party, in their discretion, and that when in the opinion of the Court, the party at whose suit the Debtor is in custody, shows no reasonable ground whatever, (and in such case only) for expecting benefit from the further detention of the Debtor in execution, it shall be lawful for the Court to make an order for discharging such Debtor, forthwith; *Provided always*, that such discharge shall have the same and no other effect as to any other remedy upon the same judgment, or in consequence thereof, as a discharge, ordered under this Act, in cases where the debt shall not exceed Twenty Pounds.

6. *And be it further enacted by the authority aforesaid*, That the application made by any Debtor for his discharge from custody, under this Act, whether the sum for which he is so detained shall be under or above Twenty Pounds, shall be founded upon an affidavit made by such Debtor, in the cause in which he is in custody, to be afterwards filed among the papers of such cause, in which affidavit shall be set forth the time that he has been in custody upon such execution, and the amount for which he is detained; and stating further, that he is not possessed, nor any person or persons in trust for him, or to his use, of lands or tenements, monies, goods, chattels or effects of any description, besides his necessary wearing apparel or bedding, to the amount of Five Pounds; that since judgment in the cause was rendered against him he has not made any disposition or conveyance of his property or effects, in order to defeat the remedy under the said judgment; that he has not the means within his power or under his control, excepting his necessary wearing apparel and bedding, of satisfying the debt for which he is in execution, or any part thereof; that he was guilty of no fraud, deceit or dishonest practice, in contracting the said debt, and that to the best of his knowledge and belief, the party at whose suit he is in custody can derive no benefit from his the said Debtor's being longer imprisoned under such execution.

7. *And be it further enacted by the authority aforesaid*, That if it shall happen that any discharge granted under this Act, shall have been unduly or fraudulently obtained upon any false allegation of circumstances, which, if true, might have entitled the prisoner to be discharged by virtue of this Act, such prisoner shall, upon the same being made appear to the satisfaction of the Court by whose rule or order the said prisoner had been so discharged, be liable to be again taken in execution, and remanded to his former custody, by the rule or order of the same Court; *Provided always*, that no Sheriff or Gaoler shall be liable as for the escape of any such prisoner, in respect of his enlargement, during such time as he shall have been at large, by means of such his undue discharge as aforesaid.

8. *And be it further enacted by the authority aforesaid*, That any person who shall assign, remove, conceal, or dispose of any of his property, with intent to defraud his Creditors, and any person who shall receive such property with such intent, shall, upon conviction, be deemed guilty of a misdemeanor, and such offence may be tried before any Court of Oyer and Terminer or general Gaol Delivery, and may be punished by fine or imprisonment:—*Provided always*, that no person convicted as aforesaid, shall be fined in a greater sum than One Hundred Pounds, nor be imprisoned for a longer period than six months.

9. *And be it further enacted by the authority aforesaid*, That this Act shall continue in force for four years, and from thence to the end of the then next ensuing Session of Parliament.

AN ACT to prevent the unnecessary Multiplication of Law Suits, and increase of Costs in Actions on Notes, Bonds, Bills of Exchange, and other Instruments.

[Passed 16th April, 1835.]

WHEREAS it is expedient to make such alteration in the Law as will prevent the necessity of bringing separate Actions for sums not large in amount, against the several makers of a Bond or other Instrument, or against several persons liable to be sued upon a Bill of Exchange or Promissory Note, as maker, endorser, acceptor: *Be it therefore enacted*, by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of, and under the authority of an Act passed in the Parliament of Great Britain, entitled, "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's reign, entitled, 'An Act for making more effectual provision for the Government of the Province of Quebec, in North America, and to make further provision for the Government of the said Province," and by the authority of the same, that after the first day of July next after the passing of this Act, when several suits shall be brought on one Bond, Recognizance, Promissory Note, Bill of Exchange, or other Instrument, which shall be made or entered into after the passing of this Act; or when several suits shall be brought against the maker and endorser of a Note, or against the drawer, acceptor, or endorsers of a Bill of Exchange, there shall be collected or received from the Defendant, the costs taxed on one suit only, at the election of the Plaintiff, and in the other suits the actual disbursements only shall be collected or received from the Defendant—but this provision shall not extend to any interlocutory costs in the progress of a cause.

2. *And be it further enacted by the authority aforesaid*, That it shall be lawful for the holder of any Bill of Exchange or Promissory Note hereafter to be made, for a sum not exceeding One Hundred Pounds, instead of bringing separate suits against the drawers, makers, endorsers and acceptors of such Bill or Note, to include all or any of the said parties to the Bill or Note in one action, and to proceed to judgment and execution in the same manner as though all the Defendants were joint contractors.

3. *And be it further enacted by the authority aforesaid*, That in any such action, any joint drawer or maker, endorser or acceptor, may plead in abatement the non-joinder of any other joint drawer, maker, endorser or acceptor, in the same manner as though this Act had not been passed, and no judgment to be rendered in pursuance of this Act, shall be of any effect against a Defendant not served with process.

4. *And be it further enacted by the authority aforesaid*, That the Plaintiff in any such action, and in all other actions on Bills of Exchange or Promissory Notes, may declare upon the money counts alone, and such Bill or Note may be given in evidence under the money counts to all cases where a copy of the Bill or Note shall have been served with the declaration.

5. *And be it further enacted by the authority aforesaid*, That in any such action judgment may be rendered for the Plaintiff against some one or more of the Defendants, and also in favor of some one or more of the Defendants against the Plaintiff, according as the rights and liabilities of the respective parties shall appear, either upon confession, default by pleading, or on trial; and when judgment shall be rendered in favor of any Defendant, he shall recover costs against the Plaintiff, in the same manner as though judgment had been rendered for all the Defendants.

6. *And be it further enacted by the authority aforesaid*, That in any such action any person or persons sued, shall be entitled to set off his or their demands against the Plaintiff, in the same manner as though such Defendant or Defendants had been sued in the form heretofore used.

7. *And be it further enacted by the authority aforesaid*, That if upon the trial of any such action, the whole amount of the demand set off by any or all of the Defendants and allowed by the Jury, shall be equal to or shall exceed the amount of the Plaintiff's demand, as proved on the trial, the Jury shall find a verdict in favor of the Defendants generally, but if the Jury shall allow any demand as a set off, and still find a balance in favor of the Plaintiff, they shall state in their verdict the amount which they allow to each Defendant, as a set off against the Plaintiff's demand.

8. *And be it further enacted by the authority aforesaid*, That the rights and responsibilities of the several parties to any such Bill or Note as between each other, shall remain the same as though this Act had not been passed, saving only the rights of the Plaintiff, so far as they may have been determined by the judgment.

9. *And be it further enacted by the authority aforesaid*, That in every suit brought pursuant to the provisions of this Act, any one or more of the Defendants shall be entitled to the testimony of any Co-Defendant, as a witness in all those cases where the Defendant or Defendants calling the witness would have been entitled to his testimony had the suit been brought in the form heretofore used, and in no other cases.

10. *And be it further enacted by the authority aforesaid*, That in all actions on Promissory Notes or Bills of Exchange when the Plaintiff shall file a copy of such Promissory Note or Bill of Exchange with the Declaration, and shall also annex a copy of such Note or Bill to the copy of the Declaration that shall be served on any Defendant, the damages may be assessed as though the said Note or Bill of Exchange had been set out specially in said Declaration.

11. *And be it further enacted by the authority aforesaid*, That when in any case an action shall be brought against more than one Defendant under this Act, whomust otherwise have been sued separately, and it shall happen that any one or more of the Defendants shall die pending the suit, an action may, nevertheless be brought against the Executors or Administrators of any such deceased Defendant, *Provided* such Defendant would have been liable to be sued separately in case this Act had not been passed.

12. *Provided always, nevertheless, and be it further enacted by the authority aforesaid*, That this Act shall not apply in any case in which the sum expressed to be payable in or upon any such Bond, Recognizance, Promissory Note, Bill of Exchange or other Instrument, shall exceed the sum of One Hundred Pounds, nor to any case where separate Actions are brought in the District Court, against persons residing in several Districts.

13. *And be it further enacted by the authority aforesaid*, That when several Defendants are included in one process, in pursuance of the provisions of this Act, and any one or more of them cannot be served with such process by reason that he or they is or are absent from the Province, or concealed within the same, then the action may proceed as against the other Defendant or Defendants, without prejudice; and it shall be in the power of the Plaintiff afterwards to sue such Defendant or Defendants separately, who shall not have been served with process, and to recover costs as if this Act had not been passed.

14. *And be it further enacted by the authority aforesaid*, That this Act shall remain in force for four years, and from thence to the end of the then next ensuing Session of Parliament, and no longer; but that any proceedings then pending shall be conducted to a final end, without being affected by the expiration of this Act.

An Act to enable Suitors in the District Courts to procure the attendance of Witnesses from any District in this Province, and to authorize certain persons therein named to take affidavits in the said District Courts.

[Passed 16th April, 1835.]

WHEREAS the want of means of compelling the attendance upon any trial in a District Court, of a Witness resident within another District than that in which such trial is to take place, is prejudicial to the interests of Suitors, and frequently occasions the institution in the Court of King's Bench of actions which in their nature are of the proper cognizance of the District Court, thereby subjecting the parties to delay and expense beyond what would otherwise be necessary: *Be it therefore enacted*, by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constitued and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's Reign, entitled 'An Act for making more effectual provision for the Government of the Province of Quebec, in North America and to make further provision for the Government of the said Province," and by the authority of the same, That from and after the passing of this Act, it shall be lawful for the Clerks of the Crown and Pleas, or for his Deputy in any of the respective Districts of this Province, in which a witness or witnesses residing or living within another District, is required to attend upon the trial of a cause in the District Court, to issue a Subpœna commanding the attendance of such witness or witnesses at the time and place required, which Subpœna shall be issued upon a proper proecipe being filled for that purpose, and shall be under the seal of the Court of King's Bench and shall bear teste in the same manner as Writs of Subpœna to be issued in causes instituted in the Court of King's Bench.

2. *And be it further enacted by the authority aforesaid*, That any witness failing to attend in obedience to such Subpœna shall be subject to the same penalties and remedies by action or by attachment for contempt of the Court of King's Bench, as in case of wilful disobedience of a Writ of Subpœna, requiring the attendance of a witness in a suit depending in that Court.

3. *And be it further enacted by the authority aforesaid*, That all affidavits in any cause pending or hereafter to be brought in any District Court in this Province, may be taken before any Commissioners appointed for taking affidavits in his Majesty's Court of King's Bench in this Province, as well as before the Judge or Clerk thereof.

An Act to continue and amend the Law for attaching the Property of absconding Debtors.

[Passed 16th April, 1835.]

WHEREAS An Act passed in the second year of His Majesty's Reign, entitled, "An Act to afford means for attaching the property of absconding Debtors," will expire at the end of the present session of the Provincial Legislature; *And whereas* it is expedient to continue and amend the same: *Be it therefore enacted*, by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled "An Act to repeal

certain parts of an Act passed in the fourteenth year of His Majesty's reign, entitled 'An Act for making more effectual provision for the Government of the Province of Quebec, in North America, and to make further provision for the Government of the said Province," and by the authority of the same, That the said recited act be and the same is hereby continued for and during the term of two years from the passing of this act, and from thence to the end of the then next ensuing session of Parliament and no longer, any thing herein contained to the contrary notwithstanding.

2. *And whereas*, it is necessary to make certain amendments in the said act, and to remove doubts which have arisen respecting some of its provisions: *Be it therefore enacted by the authority aforesaid*, That from and after the passing of this act it shall be lawful to grant an attachment in the manner provided by the first clause of the said statute, when a debt is sworn to as therein mentioned, notwithstanding the absconding or concealed debtor may not be indebted to an Inhabitant of this Province.

3. *And be it further enacted by the authority aforesaid*, That the bond mentioned in the fourth clause of the said statute shall be given to the Sheriff of the District in which the Estate has been attached, and the penalty need not be more than double the amount of the value of the Estate attached, and the condition of the bond may be so framed that whatever may be the amount of the several claims against the absconding Debtor, the bond shall be void upon the payment by the obligors or any of them, of the value of the Estate taken and seized, and the bond so given shall and may be put in suit by the Sheriff, for the benefit of any party entitled, whenever the case may require it, and the amount collected thereon shall and may be retained in his hands, to be applied by him in the same manner as it would be to apply the proceeds of the Estate in respect of which the bond shall have been given.

4. *And be it further enacted and declared by the authority aforesaid*, That notwithstanding any thing contained in the said Act, any person who shall have commenced a suit against another by process bailable or non bailable, which process shall have been served before the suing out of any attachment against the same person as an absconding or concealed Debtor, shall notwithstanding the subsequent suing out of such attachment be allowed to proceed in the ordinary manner to judgment and execution, and in case of his obtaining execution before any person at whose suit the Estate real or personal of such debtor shall have been attached, he shall be allowed the full advantage of his legal priority of execution, in the same manner as if the Estate had not been attached, and were remaining in the possession of the debtor, and in case the goods shall have been delivered up to the absconding or concealed Debtor or his agent upon security, the Sheriff shall enforce the bond taken for his benefit in the same manner as in the case of a creditor suing out an attachment: *Provided always*, that the amount of costs incurred by the suing out and executing the attachment or such portion thereof as the Court in which the cause is pending, or a judge thereof shall think reasonable, shall be retained for the benefit of the person who has paid the same, or who is liable therefore in consequence of his having taken out the attachment: *And Provided also*, that nothing in this act contained shall prevent the Court in which the action was brought and process served upon the person against whom an attachment or attachments shall afterwards issue, from setting aside the judgment and execution in such action as fraudulent, or staying proceedings therein, when such action shall appear to have been instituted or proceeded in, by collusion with the debtor, or to have been otherwise fraudulently brought for the purpose of defeating the claims of others.

5. *And be it further enacted by the authority aforesaid*, That upon the trial of any action against an absconding or concealed debtor, it shall be lawful for any other person who shall before such trial have sued out an attachment to contest the Plaintiff's demand in the same manner as the Defendant might, and to call evidence to disprove the same or to establish a set off, provided he shall have given notice of such set off fifteen day exclusive before the trial.

6. *And be it further enacted by the authority aforesaid*, That when several attachments shall be placed in the Sheriff's hands against the same absconding or concealed debtor, the proceeds of the Estate which shall have been attached shall not be paid over to such attaching Creditor or Creditors, according to priority, but they shall be ratably distributed among such of the Creditors suing out the said attachments as shall obtain judgment against the Debtor, in proportion to the amount of the sums really due upon such judgments, and no distribution shall take place until reasonable time in the opinion of the Court has been allowed for the several Creditors to proceed to judgment: *Provided always*, That when the Estate shall not be sufficient to satisfy the claims of all the attaching Creditors, none shall be allowed to share, unless he shall have sued out his attachment and placed it in the hands of the Sheriff within six months from the issuing of the first writ of attachment.

7. *And be it further enacted by the authority aforesaid*, That before execution shall be taken out in any action brought against an absconding or concealed Debtor, the Plaintiff shall make and file an affidavit which shall be kept among the papers in the cause, in which he shall swear that to the best of his knowledge and belief, the sum which has been allowed to him by the Jury is justly and truly due to him by the Defendant, and that he has given credit for all payments made to him by the Defendant, and for every demand which the Defendant could rightly make against him, or if the Plaintiff shall in his affidavit acknowledge that the sum actually due to him is less than that which the Jury have awarded, then the execution shall be endorsed accordingly, and no more shall be levied for the Plaintiff than is admitted to be due: *Provided always*, That if the affidavit of the Plaintiff cannot be obtained in due time by reason of his foreign residence or from any other reason which shall be assigned then an affidavit to the effect above mentioned may be received from the Attorney or Agent of such Plaintiff.

AN ACT to promote the Public Health and to guard against Infectious Diseases in this Province.

[Passed 16th April, 1835.]

TO guard against the introduction of malignant, contagious and infectious diseases, and for the preservation of the public health of the Province; *Be it enacted*, by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of, and under the authority of an Act passed in the Parliament of Great Britain, entitled, "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's reign, entitled, 'An Act for making more effectual provision for the Government of the Province of Quebec, in North America, and to make further provision for the Government of the said Province," and by the authority of the same, that it shall and may be lawful for the Governor, Lieutenant Governor, or person administering the Government of this Province, by and with the advice and consent of His Majesty's Executive Council, from time to time to appoint three or more persons in each and every Town of this Province, and in such other places as may be deemed necessary, to act as Health Officers within the limits of the Town or place for which they shall be so appointed.

AN ACT

To Licence and Regulate the Duties and Charges of Common Carriers in the City of Toronto.

[Passed May 30, 1835.]

BE IT ENACTED, by the Mayor, Aldermen and Commonalty of the City of Toronto, in Common Council assembled—

SECTION I.—That if any person shall drive any Sled, Cart, Truck, Dray, or other Carriage, for the transportation of any Goods, Wares, Merchandize, Fire-Wood, or any other thing whatever, within the boundaries of the said City, for hire or wages, without being Licensed as a Cartman to drive the same, by the Mayor and two Aldermen, he shall forfeit and pay for each offence the sum of One Pound Five Shillings; and if any person who has been Licensed as a Cartman shall be suspended or displaced by the Mayor, and thereafter shall drive any Cart, Sled, Truck, Dray, or other carriage, for hire or wages, as aforesaid, he shall forfeit and pay Two Pounds for each offence.

SECTION II.—That the Mayor and Two Aldermen may License as a Cartman any one who is of the age of Eighteen years, on his giving proper security, and paying for said License the sum of One Pound Five Shillings.

SECTION III.—That every person obtaining a License as Cartman shall execute a Bond, in the penal sum of Twenty Pounds, with two Sureties in the penal sum of Ten Pounds each, which Bond shall be conditioned for the payment and discharge of all penalties for which he shall be liable under this Act, and also for the payment of any damages for which he may be liable in law to any person or persons, in the exercise of his business as a Cartman.

SECTION IV.—That no person Licensed as a Cartman shall assign his License, or permit any other person to drive his Cart, Waggon, or other Carriage, unless he obtain permission for so doing from the Mayor, which permission shall be endorsed on the back of his License, under the penalty of Two Pounds, and forfeiture of his License.

SECTION V.—That every Waggon or Cart used in the conveyance of Sand, Earth, Clay, Manure or Dirt, shall have tight, close, and sufficient Boxes, to prevent the escape of the contents into the street, with the name or names of the owner or owners thereof conspicuously and legibly painted at full length on said Box, under the penalty of Five Shillings for every offence, to be paid by the Driver or Owner thereof, for each day he shall drive or use such Waggon, or suffer same to be used.

SECTION VI.—That all Licenses to Cartmen shall expire on the first Tuesday of June in each year.

SECTION VII.—That each Cartman as soon as Licensed, shall cause the number of his License to be fairly painted upon each side of his Cart or other Vehicle, with black paint, upon a white ground so as easily to be seen, on the square of the after part of the shaft, and to continue the same, under the penalty of Five Shillings for every day he shall drive his Cart without having the same so numbered.

SECTION VIII.—That if any Cartman shall neglect or refuse to cart or employ his Horse, or Horses, and Cart, Truck, Waggon, or other Carriage, for any person when required, (unless he be then actually otherwise employed, or unless the distance he shall be required to go shall be without the bounds of the said City) such Cartman shall for every offence forfeit and pay the sum of not less than Two Shillings and Six Pence, nor more than Ten Shillings.

SECTION IX.—That each Cartman shall, if required, carry a sufficient load,—that is to say, as much as can be conveniently stowed on his Cart, Truck or Waggon, or other Carriage, and as is reasonable for one or two Horse or Horses, as the case may be, to draw, under the penalty of Five Shillings. And no Cartman shall load or carry at one time more than One Puncheon or Hogshead of Rum; One Hogshead of Molasses; One Hogshead of Sugar; One Pipe of Wine; One Puncheon or Pipe of any other Liquor; and no greater quantity of Liquor shall be loaded or carried at any one time in smaller Casks, than One Hundred and Forty Gallons for each Horse, that shall be driven in any such Cart or other Carriage, under the penalty of Five Shillings.

SECTION X.—That if any Cartman shall ask, demand, take or extort, any greater rate or rates, price or prices, for Carting any Goods, Wares or Merchandize, or other things than are hereinafter mentioned or limited; or shall be guilty of deceit in the execution of his duty; or cruelty to his Horse, he shall be suspended from being a Cartman, by the Mayor and two Aldermen; and such Cartman shall moreover forfeit and pay the sum of not less than Ten Shillings, nor more than Two Pounds.

SECTION XI.—If any accident or injury shall happen to any Person, Carriage, Vehicle, or other thing, by reason of coming in contact with any Cartman's Horse or Cart, or any thing which is loaded on such Cart, while the same is moving, it shall be the duty of the Cartman or Driver of such Horse and Cart immediately to stop, and if necessary, to render assistance, and to give his name, place of abode, and number of his Cart, if requested; and in default thereof, shall forfeit and pay the sum of Five Shillings for every offence.

SECTION XII.—Every Cartman shall give the number of his Cart, his name, and place of abode, to any citizen, upon request being made, under a penalty of Five Shillings for every such neglect or refusal.

SECTION XIII.—That the Prices or Rates to be taken by Cartmen for the carriage of Goods, Wares or Merchandize, and other things, within the said City, shall be as follows, viz:—For every Load, where the distance does not exceed half a mile—Seven Pence Half-penny. And for a Waggon or other Vehicle with two Horses—One Shilling. And when the distance is over half a mile, and not more than a mile—One Shilling. And for a Waggon or other Vehicle with two Horses—One Shilling and Six Pence. And from one mile and upwards—One Shilling and Three Pence. And for a Waggon or other Vehicle with two Horses—One Shilling and Ten Pence Half-penny.

SECTION XIV.—That no Carter shall

be allowed to drive his Cart or other Vehicle upon any Wharf at a faster pace than a walk, under a penalty of Ten Shillings.

SECTION XV. That every Licensed Cartman shall, when called upon by the Mayor, or any of the Aldermen, or the High Bailiff, or any one other Constable, be aiding and assisting with his Cart or other Vehicle, in the conveyance to Prison of any person or persons arrested for any offence within the said City or Liberties; and any Licensed Cartman who shall neglect or refuse to be aiding and assisting, when thereto required, shall forfeit and pay the sum of Ten Shillings for each offence.

Provided always, and it is hereby declared to be the true intent and meaning of this Act, that one such Licence as aforesaid shall not authorise any Cartman to drive more than one Cart or other Vehicle; and that a separate and distinct License shall be necessary for every Cart or other Vehicle to be driven by any such Cartman, or his Servant or Servants.

PURSUANT to a Decree of the High Court of Chancery in England made in a cause "Tylee versus Tylee" The Creditors of Robert Pilkington, a Major General in His Majesty's Forces, and Colonel Commandant of the Corps of Royal Engineers, deceased, (who died in July 1834) are on or before the first day of November 1835, to come in and prove their debts before the Right Honorable Robert Lord Henly, one of the Masters of the said Court, at his Chambers in Southampton Buildings, Chancery Lane London, or in default thereof they will be peremptorily excluded the benefit of the said Decree.

The said Robert Pilkington was proprietor of a Tract of Land containing about 30,000 acres in the County of York in the Province of Upper Canada, part of block number three on the Grand River or Ouse, and many years ago he resided in some part of that Province, afterwards at Gibraltar, then in Dublin in Ireland, and lastly in various parts of England, and at the time of his death was residing at Craven Hill Bayswater, in the County of Middlesex. 5

LOUISVILLE.

AT the solicitation of a number of individuals, the Subscriber has concluded to lay off a part of his property on Lot No. 15, front concession, in the Township of Chatham, for Town Lots, which will hereafter be known by the name of Louisville; in reference to which he would beg leave to offer the following remarks:

Louisville is situated on the River Thames, six miles above Chatham, precisely at the head of Schooner Navigation. The fertile and rapidly settling township of Dawn, Zone, Camden, Mosa, Eckfrid, the northren parts of Orford, Aldborough, Howard, and part of the Townships of Harwich and Chatham, will doubtless in a few years send their surplus products to Louisville for exportation, where foreign productions for supplying these Townships will be landed.

The country around Louisville abounds with excellent Oak Timber, and the bank of the river there presents a dry and gentle slope, admirably adapted for Strip yards.

A Schooner, now on the Stocks, will soon be ready to leave Louisville to traverse our inland seas.

Louisville is one of the handsomest sites for a Village in that part of the country, has an excellent spring of cold sweet water in a central part, the country around abounds with fruit and game, and the great thoroughfare from New York State to Michigan leads directly through it.

Lots will be offered for sale on the first Monday and Wednesday in July next, at Public Auction at the hour of 10 o'clock A. M. on the ground, when a plan of the Village will be ready for inspection.

Purchasers will be bound to erect a house not less than 24 feet long by 18 feet wide, of stone, brick, or frame, within 18 months. Other conditions will be made known on the days of sale.

PURSUANT to a Decree of the High Court of Chancery in England made in a cause "Tylee versus Tylee" The Creditors of Robert Pilkington, a Major General in His Majesty's Forces, and Colonel Commandant of the Corps of Royal Engineers, deceased, (who died in July 1834) are on or before the first day of November 1835, to come in and prove their debts before the Right Honorable Robert Lord Henly, one of the Masters of the said Court, at his Chambers in Southampton Buildings, Chancery Lane London, or in defanlt thereof they will be peremptorily excluded the benefit of the said Decree.

The said Robert Pilkington was proprietor of a Tract of Land containing about 30,000 acres in the County of York in the Province of Upper Canada, part of block number three on the Grand River or Ouse, and many years ago he resided in some part of that Province, afterwards at Gibraltar, then in Dublin in Ireland, and lastly in various parts of England, and at the time of his death was residing at Craven Hill Bayswater, in the County of Middlesex. 5

LOUISVILLE.

AT the solicitation of a number of individuals, the Subscriber has concluded to lay off a part of his property on Lot No. 15, front concession, in the Township of Chatham, for Town Lots, which will hereafter be known by the name of Louisville; in reference to which he would beg leave to offer the following remarks:

Louisville is situated on the River Thames, six miles above Chatham, precisely at the head of Schooner Navigation. The fertile and rapidly settling township of Dawn, Zone, Camden, Moss, Eckfrid, the northren parts of Orford, Aldborough, Howard, and part of the Townships of Harwich and Chatham, will doubtless in a few years send their surplus products to Louisville for exportation, where foreign productions for supplying these Townships will be landed.

The country around Louisville abounds with excellent Oak Timber, and the bank of the river there presents a dry and gentle slope, admirably adapted for Ship yards.

A Schooner, now on the Stocks, will soon be ready to leave Louisville to traverse our inland seas.

Louisville is one of the handsomest sites for a Village in that part of the country, has an excellent spring of cold sweet water in a central part, the country around abounds with fruit and game, and the great thoroughfare from New York State to Michigan leads directly through it.

Lots will be offered for sale on the first Monday and Wednesday in July next, at Public Auction at the hour of 10 o'clock A. M. on the ground, when a plan of the Village will be ready for inspection.

Purchasers will be bound to erect a house not less than 24 feet long by 18 feet wide, of stone, brick, or frame, within 18 months. Other conditions will be made known on the days of sale.

And we do hereby further will and command all persons having our License to cut Timber, and others engaged in and carrying on the Lumber Trade upon the said River, to be alike vigilant on their part in suppressing any tendency to riot or disorder, on pain of forfeiting their Licenses. And we further will and require them, within two months from the date hereof, to deliver in writing the names of all persons whom they may have in their employ, to CHARLES SHIRREFF, Esquire, the Superintendent of our Lands on the River Ottawa, with the description of any ground which they may occupy belongining to us, in order that if it shall by our said Superintendent be deemed expedient, such persons may be immediately dispossessed, and otherwise proceeded against.
