LOUISVILLE.

AT the solicitation of a number of individuals, the Subscriber has concluded to lay off a part of his property on Lot No. 15, front concession, in the Township of Chatham, for Town Lots, which will hereafter be known by the name of Louisville; in reference to which he would beg leave to offer the following remarks:

Louisville is situated on the River Thames, six miles above Chatham, precisely at the head of Schooner Navigation. The fertile and rapidly settling township of Dawn, Zone, Camden, Mosa, Eckfrid, the northern parts of Orford, Aldborough, Howard, and part of the Townships of Harwich and Chatham, will doubtless in a few years send their surplus products to Louisville for exportation, where foreign productions for supplying these Townships will be landed.

The country around Louisville abounds with excellent Oak Timber, and the bank of the river there presents a dry and gentle slope, admirably adapted for Ship yards.

A Schooner, now on the Stocks, will soon be ready to leave Louisville to traverse our inland seas.

Louisville is one of the handsomest sites for a Village in that part of the country, has an excellent spring of cold sweet water in a central part, the country around abounds with fruit and game, and the great thoroughfare from New York State to Michigan leads directly through it.

Lots will be offered for sale on the first Monday and Wednesday in July next, at Public Auction at the hour of 10 o'clock A. M. on the ground, when a plan of the Village will be ready for inspection.

Purchasers will be bound to erect a house not less than 24 feet long by 18 feet wide, of stone, brick, or frame, within 18 months. Other conditions will be made known on the days of sale.

LOUISVILLE.

AT the solicitation of a number of individuals, the Subscriber has concluded to lay off a part of his property on Lot No. 15, front concession, in the Township of Chatham, for Town Lots, which will hereafter be known by the name of Louisville; in reference to which he would beg leave to offer the following remarks:

Louisville is situated on the River Thames, six miles above Chatham, precisely at the head of Schooner Navigation. The fertile and rapidly settling township of Dawn, Zone, Camden, Mosa, Eckfrid, the northren parts of Orford, Aldborough, Howard, and part of the Townships of Harwich and Chatham, will doubtless in a few years send their surplus products to Louisville for exportation, where foreign productions for supplying these Townships will be landed.

The country around Louisville abounds with excellent Oak Timber, and the bank of the river there presents a dry and gentle slope, admirably adapted for Ship yards.

A Schooner, now on the Stocks, will soon be ready to leave Louisville to traverse our inland seas.

Louisville is one of the handsomest sites for a Village in that part of the country, has an excellent spring of cold sweet water in a central part, the country around abounds with fruit and game, and the great thoroughfare from New York State to Michigan leads directly through it.

Lots will be offered for sale on the first Monday and Wednesday in July next, at Public Auction at the hour of 10 o'clock A. M. on the ground, when a plan of the Village will be ready for inspection.

Purchasers will be bound to erect a house not less than 24 feet long by 18 feet wide, of stone, brick, or frame, within 18 months. Other conditions will be made known on the days of sale.

NOW KNOW YE, that we taking into our Royal consideration the ease and convenience of our loving Subjects, have thought fit, by and with the advice of our Executive Council, to relieve you and each of you of your attendance at the time aforesaid, hereby convoking, and by these presents enjoining you and each of you, that on Saturday the Twenty-fourth day of October, next ensuing, you meet us in our Provincial Parliament at our City of Toronto, there to take into consideration the state and welfare of our said Province of Upper Canada, and therein to do as may seem necessary, and herein fail not.

COPY of a Minute in Council approved by HIS EXCELLENCY the LIEUTENANT GOVERNOR, on a Letter from the Surveyor General relative to the order in Council of the 30th May respecting U. E. Loyalists, dated 27th June 1835.

In Council, 3rd September 1835.

IT is respectfully recommended, that as longer delay with respect to the U. E. claims which have been sanctioned by order in Council, and those under which Locations have been made must produce embarrassment and alarm to the parties concerned, so much of the order in Council of the 30th May last as precludes the Surveyor General from acting in the above cases be rescinded, and that the Petitioners whose rights have been acknowledged by the Council, as well as all Locatees who have performed the condition of the Location Ticket, be permitted to prosecute the operation to a close in the usual way.

JOHN BEIKIE,
CLERK EXECUTIVE COUNCIL.

To
THE SURVEYOR GENERAL, 18-*a*

EXECUTIVE COUNCIL OFFICE,
York 24th May, 1832.

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from this date; but that no Patent shall be permitted to issue to individuals who may receive Location Tickets, till it shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. It is, however, to be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

By order of His Excellency the Lieutenant Governor in Council.

JOHN BEIKIE,
Acting C. E. C.

COPY of a Minute in Council approved by His EXCELLENCY the LIEUTENANT GOVERNOR, on a Letter from the Surveyor General relative to the order in Council of the 30th May respecting U. E. Loyalists, dated 27th June 1835.

In Council, 3rd September 1835.

IT is respectfully recommended, that as longer delay with respect to the U. E. claims which have been sanctioned by order in Council, and those under which Locations have been made must produce embarrassment and alarm to the parties concerned, so much of the order in Council of the 30th May last as precludes the Surveyor General from acting in the above cases be rescinded, and that the Petitioners whose rights have been acknowledged by the Council, as well as all Locatees who have performed the condition of the Location Ticket, be permitted to prosecute the operation to a close in the usual way.

JOHN BEIKIE,
CLERK EXECUTIVE COUNCIL.

To THE SURVEYOR GENERAL, 18-a

EXECUTIVE COUNCIL OFFICE,
York 24th May, 1832.

NOTICE is hereby given, that the present Orders in Council relating to Settlement Duties are cancelled from this date; but that no Patent shall be permitted to issue to individuals who may receive Location Tickets, till it shall be ascertained by the Surveyor General, or the Commissioner of Crown Lands, that a resident Settler has been established on some part of the Grant. It is, however, to be understood, that these Regulations shall not interfere with the Order in Council of 14th May, 1830, which applies exclusively to discharged Soldiers and Sailors, and in respect to whom, the period of residence is hereby appointed to be three years, instead of five, as prescribed by that Order.

By order of His Excellency the Lieutenant Governor in Council.

AN ACT

For imposing a Tax on Lands adjoining Canboro' and Simcoe Road.

[The Royal Assent to this Bill promulgated by Proclamation bearing date at Toronto, the 29th day of September, 1835.]

WHEREAS it has been represented by the petition of sundry persons inhabiting the County of Haldimand, that in order to keep open the great Canboro' Road leading through a part of the Niagara and London Districts, it is necessary to lay a tax on every unsettled lot adjoining the same, for a limited period: *Be it therefore enacted* by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled, "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's reign, entitled, 'An Act for making more effectual provision for the Government of the Province of Quebec, in North America,' and to make further provision for the Government of the said Province," and by the authority of the same, That from and after the first day of January, eighteen hundred and thirty-five, every lot of Land adjoining the road leading from Canboro', in the Niagara District, to Simcoe, in the London District, shall be liable to an additional Assessment or Tax of Ten Shillings for each lot of two hundred acres of land, or in that proportion for any greater or less quantity, which Assessment

shall continue for the term of ten years, for the purpose of being laid out on said road, and shall be paid yearly to the Treasurer of the respective Districts.

2. *And be it further enacted by the authority aforesaid*, That the owner or occupier of lands, or those having charge of the same, situated on the said road, whether Corporate Bodies, belonging to individuals, the Canada Company, or being Clergy Reserves, or lands vested in His Majesty, or what is known as Indian Lands, in addition to other rates or taxes now regulated by law, shall be liable to pay the taxes hereafter named, on or before the 31st day of December in each year—that is to say, for each lot of two hundred acres, Ten Shillings, and so in proportion for any greater or less quantity; if not paid at the end of the first year, the taxes shall be encreased in the following ratio:—Second year—for each lot of two hundred acres, twelve shillings and six pence; third year—for each lot of two hundred acres, fifteen shillings; fourth year—for each lot of two hundred acres, seventeen shillings and six pence; fifth year—for each lot of two hundred acres, twenty shillings; sixth year—for each lot of two hundred acres, twenty-two shillings and six pence; seventh year—for each lot of two hundred acres, twenty-five shillings; eighth year—for each lot of two hundred acres, twenty-seven shillings and six pence; ninth year—for each lot of two hundred acres, thirty shillings; tenth year—for each lot of two hundred acres, thirty-two shillings and six pence: *Provided*, that as soon as a resident house-holder or settler is placed on any lot as aforesaid, who performs the statute labour, the assessment, from that time forward, shall cease.

3. *And be it further enacted by the authority aforesaid*, That it shall and may be lawful for the Assessors of the townships of Cauboro', Rainham, and Walpole, in the District of Niagara, and Townsend and Woodhouse in the District of London, to obtain the number and concession of each lot not having a resident settler on the same, on the main road leading from Canboro' in the District of Niagara, to Simcoe in the District of London, and make a return of the same to the Town Clerk in each township where the lands are situated, and also to the Treasurers of their respective Districts, whose duty it shall be to give public notice for three months in one or more newspapers in each District, as well as the Upper Canada Gazette, that the respective lots are liable for taxes at the rates above described; and the owner or occupier, or person having charge of such land, shall pay the taxes imposed by this Act to the Treasurer of the District where the lands are situate; and it shall be the duty of the said Treasurer to pay over all monies collected by this Act to the Magistrates in the respective divisions through which the road passes, whose duty it shall be to expend the said money on the said road, (under the direction of the respective Path-masters who may be appointed to superintend and keep the same in repair) and make a return to the Chairman of the Quarter Sessions at the close of each year, shewing how the said money has been expended.

4. *And be it further enacted by the authority aforesaid*, That if the owner or occupier of any lot or lots of land situated as aforesaid shall refuse or neglect to pay the amount of taxes accumulated on said lot or lots, for repair of said road, as provided by this Act, it shall and may be lawful for any two of his Majesty's Justices of the Peace in the division where the land may be situated, (on the oath of the Town Clerk, stating the amount due on each lot, under the provisions of this Act) to issue a Warrant of Distress and Levy on the goods and chattels of any settler or person who may enter on and occupy the same, and sell thereof as much as will defray the taxes already accumulated, together with the costs, which shall not exceed the costs now regulated by the Court of Requests Act. n-21

AN ACT

For imposing a Tax on Lands adjoining Canboro' and Simcoe Road.

[The Royal Assent to this Bill promulgated by Proclamation bearing date at Toronto, the 29th day of September, 1835.]

WHEREAS it has been represented by the petition of sundry persons inhabiting the County of Haldimand, that in order to keep open the great Canboro' Road leading through a part of the Niagara and London Districts, it is necessary to lay a tax on every unsettled lot adjoining the same, for a limited period: *Be it therefore enacted* by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled, "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's reign, entitled, 'An Act for making more effectual provision for the Government of the Province of Quebec, in North America,' and to make further provision for the Government of the said Province," and by the authority of the same, That from and after the first day of January, eighteen hundred and thirty-five, every lot of Land adjoining the road leading from Canboro', in the Niagara District, to Simcoe, in the London District, shall be liable to an additional Assessment or Tax of Ten Shillings for each lot of two hundred acres of land, or in that proportion for any greater or less quantity, which Assessment shall continue for the term of ten years, for the purpose of being laid out on said road, and shall be paid yearly to the Treasurer of the respective Districts.

2. *And be it further enacted by the authority aforesaid*, That the owner or occupier of lands, or those having charge of the same, situated on the said road, whether Corporate Bodies, belonging to individuals, the Canada Company, or being Clergy Reserves, or lands vested in His Majesty, or

what is known as Indian Lands, in addition to other rates or taxes now regulated by law, shall be liable to pay the taxes hereafter named, on or before the 31st day of December in each year—that is to say, for each lot of two hundred acres, Ten Shillings, and so in proportion for any greater or less quantity; if not paid at the end of the first year, the taxes shall be encreased in the following ratio:—Second year—for each lot of two hundred acres, twelve shillings and six pence; third year—for each lot of two hundred acres, fifteen shillings; fourth year—for each lot of two hundred acres, seventeen shillings and six pence; fifth year—for each lot of two hundred acres, twenty shillings; sixth year—for each lot of two hundred acres, twenty-two shillings and six pence; seventh year—for each lot of two hundred acres, twenty-five shillings; eighth year—for each lot of two hundred acres, twenty-seven shillings and six pence; ninth year—for each lot of two hundred acres, thirty shillings; tenth year—for each lot of two hundred acres, thirty-two shillings and six pence: *Provided*, that as soon as a resident house-holder or settler is placed on any lot as aforesaid, who performs the statute labour, the assessment, from that time forward, shall cease.

3. *And be it further enacted by the authority aforesaid*, That it shall and may be lawful for the Assessors of the townships of Canboro', Rainham, and Walpole, in the Disrrict of Niagara, and Townsend and Woodhouse in the District of London, to obtain the number and concession of each lot not having a resident settler on the same, on the main road leading from Canboro' in the District of Niagara, to Simcoe in the District of London, and make a return of the same to the Town Clerk in each township where the lands are situated, and also to the Treasurers of their respective Districts, whose duty it shall be to give public notice for three months in one or more newspapers in each District, as well as the Upper Canada Gazette, that the respective lots are liable for taxes at the rates above described; and the owner or occupier, or person having charge of such land, shall pay the taxes imposed by this Act to the Treasurer of the District where the lands are situate; and it shall be the duty of the said Treasurer to pay over all monies collected by this Act to the Magistrates in the respective divisions through which the road passes, whose duty it shall be to expend the said money on the said road, (under the direction of the respective Path-masters who may be appointed to superintend and keep the same in repair) and make a return to the Chairman of the Quarter Sessions at the close of each year, shewing how the said money has been expended.

4. *And be it further enacted by the authority aforesaid*, That if the owner or occupier of any lot or lots of land situated as aforesaid shall refuse or neglect to pay the amount of taxes accumulated on said lot or lots, for repair of said road, as provided by this Act, it shall and may be lawful for any two of his Majesty's Justices of the Peace in the division where the land may be situated, (on the oath of the Town Clerk, stating the amount due on each lot, under the provisions of this Act) to issue a Warrant of Distress and Levy on the goods and chattels of any settler or person who may enter on and occupy the same, and sell thereof as much as will defray the taxes already accumulated, together with the costs, which shall not exceed the costs now regulated by the Court of Requests Act. n-21

From and after the passing of this Act, it shall not be lawful for any person or persons to make or construct any drain or sewer in any part of the public streets of this City through which any one of the said common sewers shall have been constructed, or to make any excavation for the purpose of cleansing any sewer already constructed, unless such sewer shall communicate with the common sewer so to be constructed, upon the terms, and with the licence and permission hereinafter mentioned.

2nd. No person or persons shall be allowed to make or construct any drain or sewers in or through any part of such streets wherein the said common sewers shall have been constructed, unless such person or persons shall have previously obtained a licence so to do, which said licence shall be granted by a Board to consist of the Mayor and any four Members of the Common Council of the said City, to be appointed for that purpose by resolution of the Common Council upon payment or engagement, or undertaking to pay the sums of money at the rate and terms hereinafter mentioned.

3. All private sewers or drains so to be constructed to communicate with the said common sewer, shall be in such shape and communicate with the said common sewers in such manner and at such parts thereof as the Board aforesaid shall from time to time direct and appoint.

4. Every person procuring such licence as aforesaid shall pay therefor to the Chamberlain of the said City for the time being at and after the rate of *three shillings and nine-pence*, for every foot running measure of front upon the street of the respective houses or buildings which the sewer or drain so mentioned in such licence shall be used for draining, if the same shall be in King-street, and the sum of *two shillings and six pence* per foot if the sewer shall be in any other street.

5. In case any person procuring such licence shall choose to pay such sum by Instalments, then the charge for such licence shall be after the rate of *five shillings* for every foot front upon the street of the houses or buildings so drained by such private drain or sewer if the public sewer so used shall be in King-street, and at the rate of *three shillings and four-pence* per foot front, if the public sewer shall be in any other street. 6. In case default shall be made in the payment of such instalments or any of them for the space of three calendar months from the time at which the same ought to be paid, it shall and may be lawful for the Board aforesaid, to order the respective drains or sewers in respect whereof such default shall happen to be made, to be forthwith stopped up, and the licence therefor shall be thenceforward considered forfeited.

AN ACT

For imposing a Tax on Lands adjoining Canboro' and Simcoe Road.

[The Royal Assent to this Bill promulgated by Proclamation bearing date at Toronto, the 29th day of September, 1835.]

WHEREAS it has been represented by the petition of sundry persons inhabiting the County of Haldimand, that in order to keep open the great Canboro' Road leading through a part of the Niagara and London Districts, it is necessary to lay a tax on every unsettled lot adjoining the same, for a limited period: *Be it therefore enacted* by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled, "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's reign, entitled, 'An Act for making more effectual provision for the Government of the Province of Quebec, in North America,' and to make further provision for the Government of the said Province," and by the authority of the same, That from and after the first day of January, eighteen hundred and thirty-five, every lot of Land adjoining the road leading from Canboro', in the Niagara District, to Simcoe, in the London District, shall be liable to an additional Assessment or Tax of Ten Shillings for each lot of two hundred acres of land, or in that proportion for any greater or less quantity, which Assessment shall continue for the term of ten years, for the purpose of being laid out on said road, and shall be paid yearly to the Treasurer of the respective Districts.

2. *And be it further enacted by the authority aforesaid,* That the owner or occupier of lands, or those having charge of the same, situated on the said road, whether Corporate Bodies, belonging to individuals, the Canada Company, or being Clergy Reserves, or lands vested in His Majesty, or

what is known as Indian Lands, in addition to other rates or taxes now regulated by law, shall be liable to pay the taxes hereafter named, on or before the 31st day of December in each year—that is to say, for each lot of two hundred acres, Ten Shillings, and so in proportion for any greater or less quantity; if not paid at the end of the first year, the taxes shall be encreased in the following ratio:—Second year—for each lot of two hundred acres, twelve shillings and six pence; third year—for each lot of two hundred acres, fifteen shillings; fourth year—for each lot of two hundred acres, seventeen shillings and six pence; fifth year—for each lot of two hundred acres, twenty shillings; sixth year—for each lot of two hundred acres, twenty-two shillings and six pence; seventh year—for each lot of two hundred acres, twenty-five shillings; eighth year—for each lot of two hundred acres, twenty-seven shillings and six pence; ninth year—for each lot of two hundred acres, thirty shillings; tenth year—for each lot of two hundred acres, thirty-two shillings and six pence: *Provided*, that as soon as a resident house-holder or settler is placed on any lot as aforesaid, who performs the statute labour, the assessment, from that time forward, shall cease.

3. *And be it further enacted by the authority aforesaid*, That it shall and may be lawful for the Assessors of the townships of Cauboro', Rainham, and Walpole, in the Disrrict of Niagara, and Townsend and Woodhouse in the District of London, to obtain the number and concession of each lot not having a resident settler on the same, on the main road leading from Canboro' in the District of Niagara, to Simcoe in the District of London, and make a return of the same to the Town Clerk in each township where the lands are situated, and also to the Treasurers of their respective Districts, whose duty it shall be to give public notice for three months in one or more newspapers in each District, as well as the Upper Canada Gazette, that the respective lots are liable for taxes at the rates above described; and the owner or occupier, or person having charge of su land, shall pay the taxes imposed by is Act to the Treasurer of the District where the lands are situate; and it shall be the duty of the said Treasurer to pay over all monies collected by this Act to the Magistrates in the respective divisions through which the road passes, whose duty it shall be to expend the said money on the said road, (under the direction of the respective Path-masters who may be appointed to superintend and keep the same in repair) and make a return to the Chairman of the Quarter Sessions at the close of each year, shewing how the said money has been expended.

4. *And be it further enacted by the authority aforesaid*, That if the owner or occupier of any lot or lots of land situated as aforesaid shall refuse or neglect to pay the amount of taxes accumulated on said lot or lots, for repair of said road, as provided by this Act, it shall and may be lawful for any two of his Majesty's Justices of the Peace in the division where the land may be situated, (on the oath of the Town Clerk, stating the amount due on each lot, under the provisions of this Act) to issue a Warrant of Distress and Levy on the goods and chattels of any settler or person who may enter on and occupy the same, and sell thereof as much as will defray the taxes already accumulated, together with the costs, which shall not exceed the costs now regu ated by the Court of Requests Act. n-21

In Council.

17th October, 1835.

THE Council having taken into consideration the Lieut. Governor's reference of the 5th instant, on the question of U. E. Loyalists Rights and Militia Claimants, respectfully recommend, that the suggestions of His Excellency be adopted, and that the Deeds do issue in the names of the original Grantees, to all persons who have received Location Tickets, as U.E. Loyalists or Militia Claimants, without further delay. And it is also recommended, that in future certain Townships may be set apart for the location of this description of persons, who may be authorised to receive Free Grants on account of their U. E. Loyalist or Militia Claims, and that the Deeds shall issue in the names of the Grantees respectively, at the time of their location.

These Regulations, made for the purpose of adjusting the question, which, for the interest of the Province, it is considered should not longer remain unsettled, are not to prevent U. E. Loyalists or Militia Claimants entitled to grants of land, from settling in other Townships, provided that they wish to occupy their own Locations, and to take up their residence on the lots assigned to them.

It is further recommended, that the Surveyor General be instructed to publish this order.

(Signed) JOHN BEIKIE,
Clerk Executive Council.

In Council.

17th October, 1835.

THE Council having taken into consideration the Lieut. Governor's reference of the 5th instant, on the question of U. E. Loyalists Rights and Militia Claimants, respectfully recommend, that the suggestions of His Excellency be adopted, and that the Deeds do issue in the names of the original Grantees, to all persons who have received Location Tickets, as U.E. Loyalists or Militia Claimants, without further delay. And it is also recommended, that in future certain Townships may be set apart for the location of this description of persons, who may be authorised to receive Free Grants on account of their U. E. Loyalist or Militia Claims, and that the Deeds shall issue in the names of the Grantees respectively, at the time of their location.

These Regulations, made for the purpose of adjusting the question, which, for the interest of the Province, it is considered should not longer remain unsettled, are not to prevent U. E. Loyalists or Militia Claimants entitled to grants of land, from settling in other Townships, provided that they wish to occupy their own Locations, and to take up their residence on the lots assigned to them.

It is further recommended, that the Surveyor General be instructed to publish this order.

In Council.

17th OCTOBER, 1835.

THE Council having taken into consideration the Lieut. Governor's reference of the 5th instant, on the question of U. E. Loyalists Rights and Militia Claimants, respectfully recommend, that the suggestions of His Excellency be adopted, and that the Deeds do issue in the names of the original Grantees, to all persons who have received Location Tickets, as U.E. Loyalists or Militia Claimants, without further delay. And it is also recommended, that in future certain Townships may be set apart for the location of this description of persons, who may be authorised to receive Free Grants on account of their U. E. Loyalist or Militia Claims, and that the Deeds shall issue in the names of the Grantees respectively, at the time of their location.

These Regulations, made for the purpose of adjusting the question, which, for the interest of the Province, it is considered should not longer remain unsettled, are not to prevent U. E. Loyalists or Militia Claimants entitled to grants of land, from settling in other Townships, provided that they wish to occupy their own Locations, and to take up their residence on the lots assigned to them.

It is further recommended, that the Surveyor General be instructed to publish this order.

5. *And be it further enacted by the authority aforesaid*, That the whole amount of the stock, estate and property, which the said Corporation shall be authorised to hold, including the capital stock or shares before mentioned, shall never exceed in value one hundred thousand pounds.

6. *And be it further enacted by the authority aforesaid*, That as soon as the sum of twenty-five thousand pounds shall have been subscribed, it shall and may be lawful for such subscribers, or the majority of them to call a meeting, at some place to be named, in the Town of Hamilton, in the District of Gore aforesaid, for the purpose of proceeding to the election of the number of Directors hereinafter mentioned, and such election shall then and there be made by a majority of shares, voted in manner hereinafter prescribed in respect of the annual election of Directors, and the persons then and there chosen shall be the first Directors, and shall be capable of serving until the expiration of the first Monday in August then next ensuing the said election; and the Directors so chosen shall, as soon as the deposit amounting to ten thousand pounds, subscribed as aforesaid, shall be paid to the said Directors, commence the business and operations of the said Bank: *Provided always*, that no such meeting of the said subscribers shall take place until a notice is published in a public newspaper in each and every District of this Province, at the distance of not less than thirty days from the time of such notification.

7. *And be it further enacted by the authority aforesaid*, That the stock, property, affairs and concerns of the said Corporation, shall be managed and conducted by ten Directors, one of whom to be the President, who, excepting as is hereinbefore provided for, shall hold their offices for one year, which Directors shall be Stockholders and shall be subjects of His Majesty, residing in this Province, and be elected on the first Monday in August in every year, at such time of the day and at such place in the Town of Hamilton aforesaid, as a majority of the Directors for the time being shall appoint; and public notice shall be given by the said Directors in one newspaper within each and every District in this Province, of such time and place, not more than sixty nor less than thirty days previous to the time of holding the said election; and the said election shall be held and made by such of the said Stockholders of the said Bank as shall attend for that purpose in their own proper persons, or by proxy; and all elections for Directors shall be by ballot: and the ten persons who shall have the greatest number of votes at any election shall be the Directors, except as is hereinafter directed; and if it should happen at any election that two or more persons have an equal number of votes, in such manner that a greater number of persons than ten shall, by plurality of votes, appear to be chosen as Directors, then the said Stockholders hereinbefore authorised to hold such election shall proceed to ballot a second time, and by plurality of votes determine which of the said persons so having an equal number of votes shall be the Director or Directors, so as to complete the whole number of ten; and the said Directors, so soon as may be after the said Election, shall proceed in like manner to elect by ballot one of their number to be their President; and four of the Directors which shall be chosen at any year, excepting the President, shall be ineligible to the office of Director for one year after the expiration of the time for which they shall be chosen Directors; and in case a greater number than six of the Directors, exclusive of the President, who served for the last year, shall appear to be elected, then the election of such person or persons above the said number, and who shall have the fewest votes, shall be considered void; and such other of the Stockholders as shall be eligible and shall have the next greatest number of votes, shall be considered as elected in room of such last described person or persons, and who are hereby declared ineligible as aforesaid; and the President for the time being shall always be eligible to the office of Director, but Stockholders not residing within the Province shall be ineligible; and if any Director shall move out of the said Province, his office shall be considered as vacant; and if any vacancy or vacancies should at any time happen among the Directors, by death, resignation, or removal from the said Province, such vacancy or vacancies shall be filled for the remainder of the year in which they may happen by a special election for that purpose, to be held in the same manner as hereinbefore directed respecting annual elections, at such time and place in the Town of Hamilton, in the District of Gore aforesaid, as the remainder of the Directors, or the major part of them, shall appoint: *Provided always*, that no person shall be eligible to be a Director who shall not be a Stockholder to the amount of at least twenty shares.

8. *And be it further enacted by the authority aforesaid*, That in case it should at any time happen that an election of Directors should not be made on any day when pursuant to this Act it ought to have been made, the said Corporation shall not for that cause be deemed to be dissolved, but that it shall and may be lawful on any other day to hold and make an election of Directors, in such manner as shall have been regulated by the laws and ordinances of the said Corporation.

9. *And be it further enacted by the authority aforesaid*, That each Stockholder shall be entitled to a number of votes proportioned to the number of shares which he or she shall have held in his or her own name at least three months prior to the time of voting, according to the following ratios, that is to say,—at the rate of one vote for each share, not exceeding four; five votes for six shares; six votes for eight shares; seven votes for ten shares; and one vote for every five shares above ten; Stockholders actually resident within the Province of Upper Canada, and none others, may vote in election by proxy: *Provided always* that no person, copartnership, or body politic, shall be entitled to more than fifteen votes at any such election.

10. *And be it further enacted by the authority aforesaid*, That it shall be the duty of the Directors to make half-yearly dividends of so much of the profits of the said Bank as to them, or the majority of them, shall appear advisable, and that once in every three years, and oftener if thereunto required by a majority of the votes of the Stockholders, to be given agreeably to the ratios hereinbefore established, at a general meeting to be called for that purpose, an exact and particular statement of the debts which shall have remained unpaid after the expiration of the original credit, for a period of treble the time of that credit and of the surplus profits, if any, after deducting losses and dividends.

11. *And be it further enacted by the authority aforesaid*, That the Directors for the time being, or the major part of them, shall have power to make and subscribe such rules and regulations as to them shall appear needful and proper, touching the management and disposition of the stock, property, estate and effects, of the said Corporation, and touching the duties and conduct of the Officers, Clerks and Servants employed therein, and all such other matters as appertain to the business of a Bank, and shall also have power to appoint as many Officers, Clerks and Servants, for carrying on the said business, and with such salaries and allowances as to them shall seem meet: Provided that such rules and regulations be not repugnant to the laws of this Province.

12. *And be it further enacted by the authority aforesaid*, That the total amount of the debts which the said Corporation shall at any time owe, whether by Bond, Bill, Note, or otherwise contracted, over and above the monies then actually deposited in the Bank, shall not exceed three times the sum of the Capital Stock subscribed and actually paid into the Bank; and in case of such excess, the Directors under whose administration it shall happen shall be liable for the same in their natural and private capacities, but this shall not be construed to exempt the said Corporation, or any estate real or personal which they may hold as a Body Corporate from being also liable for, and chargeable with the said excess, but such of the said Directors who may have been absent when the said excess was contracted, or who may have dissented from the said Resolution or Act, whereby the same was so contracted, may respectively exonerate themselves from being so liable, by giving immediate notice of the fact, and of their absence or dissent, to the Stockholders, at a general meeting which they shall have the power to call for that purpose.

13. *And be it further enacted by the authority aforesaid*, That it shall not be lawful for the said Corporation to issue any Note or Bill under the value of Five Shillings, of lawful money of the Province of Upper Canada.

14. *And be it further enacted by the authority aforesaid*, That the lands, tenements and hereditaments, which it shall be lawful for the said Corporation to hold, shall be only such as shall be requisite for its immediate accommodation, in relation to the convenient transaction of its business, or such as shall have been *bona fide* mortgaged to it by way of security, or conveyed to it in satisfaction of debts previously contracted in the course of its dealings, or purchased at sales upon judgments which shall have been obtained for such debts: and further, the said Corporation shall not, directly or indirectly, deal or trade in buying or selling any goods, wares or merchandize or commodities whatsoever: Provided that nothing herein contained shall in anywise be construed to hinder the said Corporation from dealing in Bonds, Bills of Exchange, or Promissory Notes, or in buying or selling Bullion, Gold or Silver.

15. *And be it further enacted by the authority aforesaid*, That the Shares of the said Capital Stock shall be transferable, and may be from time to time transferred by the respective persons subscribing the same; *Provided always*, that such transfer be entered or registered in a book or books to be kept for that purpose by the Directors.

17. *And be it further enacted by the authority aforesaid*, That every Cashier and Clerk, before he enters into the duties of his office, shall give Bonds with two or more Sureties, in such sum as may be satisfactory to the Directors, with conditions for the faithful discharge of his duty.

18. *And be it further enacted by the authority aforesaid*, That the said Corporation shall not demand any greater interest on any loan or discount than at the rate of six per centum per annum.

19. *And be it further enacted by the authority aforesaid*, That the Directors, excepting the President, shall not be entitled to any emolument for their services; and that five Directors shall constitute a Board for the transaction of business, of whom the President shall be one, except in case of sickness or absence, in which case the Directors present may choose a Chairman for the said meeting.

20. *And be it further enacted by the authority aforesaid*, That the said Bank shall be established, and the buildings necessary for the accommodation thereof erected, purchased or leased, and the business thereof at all times hereafter transacted at such place in the Town of Hamilton, in the District of Gore aforesaid, as the Directors or the majority of them may appoint; *Provided always*, as soon as it may be deemed expedient, branches of the said Bank and Offices of deposit and discount may be authorised by the said Directors, or the majority of them, in any other part of the said Province, under such rules and regulations as the said Directors, or the major part of them may think proper, not repugnant to the general rules of the said Corporation.

21. *And be it further enacted by the authority aforesaid*, That if at any time after the passing of this Act, the said President, Directors and Company, shall refuse, on demand being made at their Banking House, or any branch or branches hereafter to be established, during the regular hours of doing business, to redeem, in specie or other lawful money of this Province, their said Bills, Notes, or other evidences of debt, issued by the said Company, the said President, Directors and Company shall, on pain of forfeiture of their Charter, wholly discontinue and close their said banking operations, either by way of discount or otherwise, until such time as the President, Directors and Company, shall resume the redemption of their Bills, Notes, or other evidences of debt, in specie or other lawful money of this Province.

23. *And be it further enacted by the authority aforesaid*, That it shall be the duty

of the Directors or Cashier of the Bank to allow, during the hours of business, the names of the Stockholders in the said Bank, with the amount of Stock respectively owned by them, to be taken by any Stockholder who may require the same.
