THE rapidity with which the British North American Colonies have advanced in prosperity and Commercial importance, the vast increase of their population, the high rate of interest, the fluctuation of exchange, the inadequacy of the capital already employed for Banking operations, and the increasing facility of intercourse with the Mother Country, point out the different settlements of British North America as affording a secure field for the profitable employment of capital; for which purpose, and with a view of promoting the Mercantile and Agricultural interests of the Colonies, the present Company has been established.

The management of the Company's affairs is vested in the London Court of Directors, and the Banks in the Colonies are to be conducted by local Boards appointed by them.

A general meeting of the Proprietors is to be held yearly in London, to whom a statement of the Company's affairs will be submitted.

Power has been reserved to the Directors to apply for, and accept on behalf of the establishment, a Charter of Incorporation or Act of Parliament.

A Deposit of £10 sterling per Share to be paid within a period to be named in the letter of allotment, at the rate of Exchange therein fixed, and the Deed of Settlement to be signed at the time of payment.

THE rapidity with which the British North American Colonies have advanced in prosperity and Commercial importance, the vast increase of their population, the high rate of interest, the fluctuation of exchange, the inadequacy of the capital already employed for Banking operations, and the increasing facility of intercourse with the Mother Country, point out the different settlements of British North America as affording a secure field for the profitable employment of capital; for which purpose, and with a view of promoting the Mercantile and Agricultural interests of the Colonies, the present Company has been established.

The management of the Company's affairs is vested in the London Court of Directors, and the Banks in the Colonies are to be conducted by local Boards appointed by them.

A general meeting of the Proprietors is to be held yearly in London, to whom a statement of the Company's affairs will be submitted.

Power has been reserved to the Directors to apply for, and accept on behalf of the establishment, a Charter of Incorporation or Act of Parliament.

A Deposit of £10 sterling per Share to be paid within a period to be named in the letter of allotment, at the rate of Exchange therein fixed, and the Deed of Settlement to be signed at the time of payment.

After payment of the Deposit, the remainder of the Capital will be required by instalments not exceeding £10 sterling per share, at such intervals (of not less than three months) as the Directors may find necessary to carry the objects of the Bank into operation, of which due notice will be given.

The undersigned, commissioned to represent the Court of Directors in America, and to visit the several Colonies for the purpose of putting the affairs of the Bank into operation, hereby gives notice, that he will be ready to receive and consider applications from persons resident in the Province of Upper Canada, who may be desirous of becoming Shareholders in the Capital Stock of the Company, addressed to him at the Post Office, at Montreal, on or before the 10th day of August next.

THE rapidity with which the British North American Colonies have advanced in prosperity and Commercial importance, the vast increase of their population, the high rate of interest, the fluctuation of exchange, the inadequacy of the capital already employed for Banking operations, and the increasing facility of intercourse with the Mother Country, point out the different settlements of British North America as affording a secure field for the profitable employment of capital; for which purpose, and with a view of promoting the Mercantile and Agricultural interests of the Colonies, the present Company has been established.

The management of the Company's affairs is vested in the London Court of Directors, and the Banks in the Colonies are to be conducted by local Boards appointed by them.

A general meeting of the Proprietors is to be held yearly in London, to whom a statement of the Company's affairs will be submitted.

Power has been reserved to the Directors to apply for, and accept on behalf of the establishment, a Charter of Incorporation or Act of Parliament.

A Deposit of £10 sterling per Share to be paid within a period to be named in the letter of allotment, at the rate of Exchange therein fixed, and the Deed of Settlement to be signed at the time of payment.

After payment of the Deposit, the remainder of the Capital will be required by instalments not exceeding £10 sterling per share, at such intervals (of not less than three months) as the Directors may find necessary to carry the objects of the Bank into operation, of which due notice will be given.

The undersigned, commissioned to represent the Court of Directors in America, and to visit the several Colonies for the purpose of putting the affairs of the Bank into operation, hereby gives notice, that he will be ready to receive and consider applications from persons resident in the Province of Upper Canada, who may be desirous of becoming Shareholders in the Capital Stock of the Company, addressed to him at the Post Office, at Montreal, on or before the 10th day of August next.

THE rapidity with which the British North American Colonies have advanced in prosperity and Commercial importance, the vast increase of their population, the high rate of interest, the fluctuation of exchange, the inadequacy of the capital already employed for Banking operations, and the increasing facility of intercourse with the Mother Country, point out the different settlements of British North America as affording a secure field for the profitable employment of capital; for which purpose, and with a view of promoting the Mercantile and Agricultural interests of the Colonies, the present Company has been established.

The management of the Company's affairs is vested in the London Court of Directors, and the Banks in the Colonies are to be conducted by local Boards appointed by them.

A general meeting of the Proprietors is to be held yearly in London, to whom a statement of the Company's affairs will be submitted.

Power has been reserved to the Directors to apply for, and accept on behalf of the establishment, a Charter of Incorporation or Act of Parliament.

A Deposit of £10 sterling per Share to be paid within a period to be named in the letter of allotment, at the rate of Exchange therein fixed, and the Deed of Settlement to be signed at the time of payment.

After payment of the Deposit, the remainder of the Capital will be required by instalments not exceeding £10 sterling per share, at such intervals (of not less than three months) as the Directors may find necessary to carry the objects of the Bank into operation, of which due notice will be given.

The undersigned, commissioned to represent the Court of Directors in America, and to visit the several Colonies for the purpose of putting the affairs of the Bank into operation, hereby gives notice, that he will be ready to receive and consider applications from persons resident in the Province of Upper Canada, who may be desirous of becoming Shareholders in the Capital Stock of the Company, addressed to him at the Post Office, at Montreal, on or before the 10th day of August next.

FOR A TERM OF YEARS,

As a Private Boarding House.

THE newly built and commodious THREE STORY BRICK HOUSE, situated in the most central part of the *City of Toronto*, at the Corner of King and Bay Streets.

Every attention has been paid in the construction of the Building, to make it in all respects convenient for a PRIVATE BOARDING HOUSE, an establishment which is much required in the City.

The Dining, Drawing, and Sitting Rooms, on the first floor, are spacious—finished in the best style, and fitted up with Dumb Waiter from the Kitchen, Butler's Pantry, Sideboard Recesses, Centres for Lamps, with neat Cornices, and Folding Doors.

The Sitting and Bed Rooms, on the second and third Stories, are so arranged that Families can be accommodated, or separate apartments provided.

The basement Story contains a large Kitchen, with Servants' Room, besides fine roomy apartments for dwelling, with private stairs leading to the upper Stories; the Attic is well fixed up for extra Bed Rooms, when required—the Out-buildings connected by Covered Galleries from the first and second Stories.

TO LET,

FOR A TERM OF YEARS,

As a Private BOARDING HOUSE.

THE newly built and commodious THREE STORY BRICK HOUSE, situated in the most central part of the *City of Toronto*, at the Corner of King and Bay Streets.

Every attention has been paid in the construction of the Building, to make it in all respects convenient for a PRIVATE BOARDING HOUSE, an establishment which is much required in the City.

The Dining, Drawing, and Sitting Rooms, on the first floor, are spacious—finished in the best style, and fitted up with Dumb Waiter from the Kitchen, Butler's Pantry, Sideboard Recesses, Centres for Lamps, with neat Cornices, and Folding Doors.

The Sitting and Bed Rooms, on the second and third Stories, are so arranged that Families can be accommodated, or separate apartments provided.

The basement Story contains a large Kitchen, with Servants' Room, besides fine roomy apartments for dwelling, with private stairs leading to the upper Stories; the Attic is well fitted up for extra Bed Rooms, when required—the Out-buildings connected by Covered Galleries from the first and second Stories.

A good Well, Stable, and Coach-house, with sufficient Yard room.

The Building being on the principal business Street in the City, and at about equal distances from the Market, Steamboat Landings, Post Office, Banks, and Churches, &c. to the East; and from the Government House, Public Offices, and Parliament Buildings, &c. to the West, (all within a few minutes walk,) renders it a very convenient situation for a *Private Boarding House*.

Any person qualified to conduct such an establishment in a respectable manner, and desirous of renting the premises, would be treated with on liberal terms.

TO LET,

FOR A TERM OF YEARS,

As a Private BOARDING HOUSE.

THE newly built and commodious THREE STORY BRICK HOUSE, situated in the most central part of the *City of Toronto*, at the Corner of King and Bay Streets.

Every attention has been paid in the construction of the Building, to make it in all respects convenient for a PRIVATE BOARDING HOUSE, an establishment which is much required in the City.

The Dining, Drawing, and Sitting Rooms, on the first floor, are spacious—finished in the best style, and fitted up with Dumb Waiter from the Kitchen, Butler's Pantry, Sideboard Recesses, Centres for Lamps, with neat Cornices, and Folding Doors.

The Sitting and Bed Rooms, on the second and third Stories, are so arranged that Families can be accommodated, or separate apartments provided.

The basement Story contains a large Kitchen, with Servants' Room, besides fine roomy apartments for dwelling, with private stairs leading to the upper Stories; the Attic is well fitted up for extra Bed Rooms, when required—the Out-buildings connected by Covered Galleries from the first and second Stories.

A good Well, Stable, and Coach-house, with sufficient Yard room.

The Building being on the principal business Street in the City, and at about equal distances from the Market, Steamboat Landings, Post Office, Banks, and Churches, &c. to the East; and from the Government House, Public Offices, and Parliament Buildings, &c. to the West, (all within a few minutes walk,) renders it a very convenient situation *for a Private Boarding House.*

Any person qualified to conduct such an establishment in a respectable manner, and desirous of renting the premises, would be treated with on liberal terms.
