COURT OF PROBATE, *Upper Canada*, City of Toronto, to wit:

WHEREAS application in writing hath been duly made to the Judge of the Court of Probate, by William Duncan Taylor, of Burford, in the District of London, ———, setting forth, that on the thirty-first day of August, one thousand eight hundred and twenty-two, a certain William Taylor, then residing in Landen County, State of Virginia, in the United States, departed this life, possessed of considerable real and personal estate, leaving by his last will and testament, dated the thirtieth August, one thousand eight hundred and twenty-two, to each of his three Sisters, viz.—Margaret Taylor, Elizabeth Rodgers, and Mary Kee, the sum of two thousand dollars, and having given the above Legacies, and emancipated his Slaves, he devised the residue of his estate, real and personal, to his relative, Robert J. Taylor, of Alexandria, and appointed him the Executor of his said Will: *And whereas*, all of the three Sisters stated above are dead, and the said sums of money have never been paid by the said Executor, Robert Johnston Taylor: *And whereas* by the provisions of the said Will, this Petitioner and his Brothers and Sisters are the legal claimants to the sum of two thousand dollars left to one of the said Sisters, Elizabeth Rodgers, and the legal representatives of a portion of the further sum of two thousand dollars left to Mary Taylor, another of the said three Sisters: *And whereas* three of the Brothers of this Petitioner are Minors, viz.—Frederick Taylor, Henry Taylor, and George Taylor, as also are three of the Sisters of this Petitioner, viz.—Eliza Taylor, Margaret Amelia Taylor, and Jane Taylor, and on that account, as well as from both of their Parents being dead, are deprived from having recourse to a just and legal course of proceeding by which to recover, for their use and benefit, their share of the Legacies so bequeathed, to their great detriment and loss. This Petitioner being one of the elder Brothers of these Minors, and their only natural guardian and protector in this country, prayed that he may, by the said Court of Probate of Upper Canada, be invested with legal authority to sue for, recover, receive, apply and retain, to and for the special use and benefit of the said Frederick Taylor, Henry Taylor, and George Taylor, Eliza Taylor, Margaret Amelia Taylor, and Jane Taylor, and to be appointed their legal Guardian, to so receive from the said Executor, Robert Johnston Taylor, his Executors, Administrators, Assigns or Representatives, whatever sum or sums of money, with interest thereon, as may accrue to the said Minors, under the Will of the said deceased William Taylor, and that this Petitioner is prepared to enter into the usual securities for his proper discharge of said trust and guardianship.

Now public notice is hereby given of such application, as required by the Statute in that case made and provided.

Given under my hand and Seal of the said Court of Probate, in the City of Toronto, this seventeenth day of March, in the year of our Lord one thousand eight hundred and thirty-eight.

COURT OF PROBATE, *Upper Canada*, City of Toronto, to wit:

WHEREAS application in writing hath been duly made to the Judge of the Court of Probate, by William Duncan Taylor, of Burford, in the District of London, ———, setting forth, that on the thirty-first day of August, one thousand eight hundred and twenty-two, a certain William Taylor, then residing in Landen County, State of Virginia, in the United States, departed this life, possessed of considerable real and personal estate, leaving by his last will and testament, dated the thirtieth August, one thousand eight hundred and twenty-two, to each of his three Sisters, viz.—Margaret Taylor, Elizabeth Rodgers, and Mary Kee, the sum of two thousand dollars, and having given the above Legacies, and emancipated his Slaves, he devised the residue of his estate, real and personal, to his relative, Robert J. Taylor, of Alexandria, and appointed him the Executor of his said Will: *And whereas*, all of the three Sisters stated above are dead, and the said sums of money have never been paid by the said Executor, Robert Johnston Taylor: *And whereas* by the provisions of the said Will, this Petitioner and his Brothers and Sisters are the legal claimants to the sum of two thousand dollars left to one of the said Sisters, Elizabeth Rodgers, and the legal representatives of a portion of the further sum of two thousand dollars left to Mary Taylor, another of the said three Sisters: *And whereas* three of the Brothers of this Petitioner are Minors, viz.—Frederick Taylor, Henry Taylor, and George Taylor, as also are three of the Sisters of this Petitioner, viz.—Eliza Taylor, Margaret Amelia Taylor, and Jane Taylor, and on that account, as well as from both of their Parents being dead, are deprived from having recourse to a just and legal course of proceeding by which to recover, for their use and benefit, their share of the Legacies so bequeathed, to their great detriment and loss. This Petitioner being one of the elder Brothers of these Minors, and their only natural guardian and protector in this country, prayed that he may, by the said Court of Probate of Upper Canada, be invested with legal authority to sue for, recover, receive, apply and retain, to and for the special use and benefit of the said Frederick Taylor, Henry Taylor, and George Taylor, Eliza Taylor, Margaret Amelia Taylor, and Jane Taylor, and to be appointed their legal Guardian, to so receive from the said Executor, Robert Johnston Taylor, his Executors, Administrators, Assigns or Representatives, whatever sum or sums of money, with interest thereon, as may accrue to the said Minors, under the Will of the said deceased William Taylor, and that this Petitioner is prepared to enter into the usual securities for his proper discharge of said trust and guardianship.

Now public notice is hereby given of such application, as required by the Statute in that case made and provided.

To all to whom these Presents shall come—

GREETING:

WHEREAS in cases arising out of the late unhappy revolt, and in the course of the administration of justice against persons implicated therein, it has been our anxious desire to extend our Royal mercy and forgiveness to our deluded and misguided Subjects, to the utmost limits compatible with the public peace, and the security of our loyal and faithful people: And whereas, in furtherance of our desire to extend our Royal clemency as above declared, we have heretofore granted our pardon to numerous offenders who have been convicted, and have also forborne to prosecute others who had rendered themselves, by their misconduct, liable to punishment; and we being resolved still further to extend our Royal clemency, and to make a final declaration of our will and pleasure with respect to all such of our Subjects as are, or have been in any way implicated in the said revolt, we have this day issued our several Royal Proclamations, in pursuance of an Act of our Provincial Parliament of our said Province of Upper Canada, passed in the first year of our reign, entitled, "An Act for the more speedy attainder of "persons indicted for High Treason, who "have fled from this Province, or who "remain concealed therein to escape from "justice"—calling upon and requiring such of our Subjects as have been indicted for the crime of High Treason, and who have withdrawn themselves from the Province, for the causes in the said Act mentioned, to surrender themselves to justice, that their several cases may undergo legal investigation and final adjudication.

And we do now make known and declare to all our Subjects who have not been indicted for any Treason, Misprision of Treason, or Treasonable offence, or who are not now in custody, charged, or liable to be charged with Treason, invasion, or hostile incursion into this Province, or who being charged with either of the said offences, have made their escape from any of our Gaols, or other place of confinement, that they may return to their homes, and that no prosecution for or on account of any offence by them done or committed, and in any way relating to, or connected with the said revolt, shall be instituted or continued, but that all such prosecutions shall terminate and be for ever void, hereby freely offering to all those of our Subjects who may have been implicated in the said revolt, (excepting as aforesaid) our gracious amnesty, pardon and forbearance, for and on account of such offences, (excepting as aforesaid) and our Royal assurance, that, relying on their future loyalty and good conduct, they shall be received under our protection, absolved and released from all punishment or prosecution, as herein above declared.

IN TESTIMONY WHEREOF, We have caused these our Letters to be made Patent, and the Great Seal of our said Province to be hereunto affixed.—Witness our trusty and well-beloved SIR GEORGE ARTHUR, K. C. H. Lieutenant Governor of our said Province, and Major General Commanding our Forces therein, at Toronto, this twenty-second day of October, in the year of our Lord one thousand eight hundred and thirty-eight, and in the second year of our Reign.

ADJUTANT GENERAL'S OFFICE,
Toronto, 23rd October, 1838.

MILITIA GENERAL ORDER.

HIS Excellency the Lieutenant Governor has received certain information that an extensive conspiracy has been formed, by numerous unprincipled and rapacious inhabitants of the neighbouring friendly States, with a view to force upon this Province the domination of the said conspirators, and to visit the loyal inhabitants of this Province with lawless war, plunder and devastation.

The Lieutenant Governor, in anticipation of an adequate exhibition of force, and activity on the part of the Government of the United States, who continue to declare a most friendly disposition towards Great Britain, has forborne to call upon the loyal inhabitants of Upper Canada, to prepare to defend in arms their institutions, their families, and their homes: but the Lieutenant Governor now conceives that the time is come when it would be unjust to Her Majesty's loyal people, to risk the consequence of a failure on the part of the most friendly foreign Government, to preserve peaceable relations towards these Colonies; and therefore, for the purpose of preventing the apprehensions which might naturally arise amongst a peaceable population, in the vicinity of a rapacious enemy, the Lieutenant Governor is induced to call out once more a portion of the gallant Militia of Upper Canada, as a Volunteer Force, in the full confidence and certainty, that the wicked and lawless designs of the public enemy will be met by a corresponding exhibition of the loyal and gallant feeling which has always distinguished Upper Canada, when engaged in regular war, as well as when threatened with aggression from Pirates and Brigands.

The Lieutenant Governor will therefore forthwith issue orders to some distinguished Officers, to call out a portion of the Militia of the Province.

The Lieutenant Governor assures the loyal inhabitants of the Province, that he is in full possession of the designs of the enemy, who have nominally amongst them many who have not forgotten their allegiance to Her Majesty, or their duty to their Canadian brethren, and only appear in the ranks of the Brigands at present, to save themselves from insult and violence.

By Command of His Excellency

SIR GEORGE ARTHUR.

RICHARD BULLOCK,
Adjutant General, Militia.

To all to whom these Presents shall come—

GREETING:

WHEREAS in cases arising out of the late unhappy revolt, and in the course of the administration of justice against persons implicated therein, it has been our anxious desire to extend our Royal mercy and forgiveness to our deluded and misguided Subjects, to the utmost limits compatible with the public peace, and the security of our loyal and faithful people: And whereas, in furtherance of our desire to extend our Royal clemency as above declared, we have heretofore granted our pardon to numerous offenders who have been convicted, and have also forborne to prosecute others who had rendered themselves, by their misconduct, liable to punishment; and we being resolved still further to extend our Royal clemency, and to make a final declaration of our will and pleasure with respect to all such of our Subjects as are, or have been in any way implicated in the said revolt, we have this day issued our several Royal Proclamations, in pursuance of an Act of our Provincial Parliament of our said Province of Upper Canada, passed in the first year of our reign, entitled, "An Act for the more speedy attainder of "persons indicted for High Treason, who "have fled from this Province, or who "remain concealed therein to escape from "justice"—calling upon and requiring such of our Subjects as have been indicted for the crime of High Treason, and who have withdrawn themselves from the Province, for the causes in the said Act mentioned, to surrender themselves to justice, that their several cases may undergo legal investigation and final adjudication.

And we do now make known and declare to all our Subjects who have not been indicted for any Treason, Misprision of Treason, or Treasonable offence, or who are not now in custody, charged, or liable to be charged with Treason, invasion, or hostile incursion into this Province, or who being charged with either of the said offences, have made their escape from any of our Gaols, or other place of confinement, that they may return to their homes, and that no prosecution for or on account of any offence by them done or committed, and in any way relating to, or connected with the said revolt, shall be instituted or continued, but that all such prosecutions shall terminate and be for ever void, hereby freely offering to all those of our Subjects who may have been implicated in the said revolt, (excepting as aforesaid) our gracious amnesty, pardon and forbearance, for and on account of such offences, (excepting as aforesaid) and our Royal assurance, that, relying on their future loyalty and good conduct, they shall be received under our protection, absolved and released from all punishment or prosecution, as herein above declared.

MILITIA GENERAL ORDER.

THE Lieutenant Governor is pleased, with reference to the Petition addressed to Sir John Colborne, on the part of Roderick McLennan, and divers others, Militia-men of the County of Glengarry, complaining of oppressive conduct towards them of Colonel Alexander Fraser, of the First Glengarry Militia, to notify to the Militia, that having caused the said complaint to be investigated by a Board of Officers, of the most unquestionable description, they have, after the most patient and minute enquiry into all the circumstances of the said complaint, come to the following decision, viz.—"That the complaint "is frovolous, vexatious and groundless, and "got up by Roderick McLennan, from private "pique and ill-will towards Colonel Fraser, "his Commanding Officer, who appears to "the Court to have taken every precaution to "prevent any individual from marching with "the Regiment, except those who actually "volunteered."

The Lieutenant Governor much regrets, that the necessary and proper facilities which exists for the investigation of complaints, should be thus abused, to purposes of malice and detraction. A great deal of trouble and vexation have thus been given, for a purpose not founded on justice, but originating in base and unworthy feelings.

It is moreover to be regretted, the facility with which individuals, otherwise respectable, have lent themselves, by their signatures to the petition, to the support of untruth and injustice.

TORONTO, TUESDAY, NOVEMBER 6, 1838.

PROCLAMATION.

By His Excellency Sir George Arthur, K.C.H.
Lieutenant Governor of the Province of Upper Canada, Major General Commanding Her Majesty's Forces therein, &c. &c. &c.

Loyal Inhabitants of Upper Canada!

Upon my arrival among you, early in the present year, bearing with me Her Majesty's Commission to administer this Government, I found you just recovering from the excitement that had naturally been produced by the then recent attempts of some infatuated and desperate individuals, both within and without the Province, to involve your Country in the horrors of a Civil War: and to subvert those long-cherished Institutions, which your conduct has proved that you prize as the first of blessings—and are ever ready to maintain, at the hazard of your lives.

The alacrity with which you came forward in defence of those Institutions, and the valour with which—unaided by any Military force—you overcame the united efforts of Treason, and of lawless aggression, have, indeed, nobly won for you the approbation of your Gracious Sovereign, and the admiration of your fellow-Subjects in every part of the wide-extended British Empire.

In that admiration, even when far distant from you, I participated most warmly; and it was a source of high gratification to me to be selected as Her Majesty's Representative among a people who had thus eminently distinguished themselves.

It is not my purpose to enter here into a review of the circumstances which, before my arrival, had disturbed your peace, and compelled you to defend, in arms, your dearest rights. It is necessary, however, that I should briefly advert to subsequent occurrences; in order to show you how unceasing my desire has been, whilst extending to the criminal authors of the past disturbances the utmost lenity that prudence would permit, to tranquillize your feelings, and to provide for your security.

The insurrectionary movements in this Province having been completely quelled by your activity and energy, the object of first importance that presented itself to my consideration, on assuming the charge of the Government, was the treatment to be pursued towards those who, either on their own confession, or after the most impartial trials, had been convicted of the *highest offence* of which man, as a member of society, can be guilty: and in accordance both with the humane views of Her Majesty's Government, and with my own desire of tempering Justice with Mercy, I suffered the extreme penalty of the Law to be inflicted only on two of the most prominent and guilty members of the late rebellion, trusting that such an awful example might be sufficient to impress on the crime of Treason its proper stamp; and that a graduated scale of punishment, adapted as nearly as possible to the circumstances of the several cases, might safely be resorted to in other instances.

The petitions for mercy; the assurances of contrition; the promises of amendment, and the professions of revived feelings of loyalty which poured in upon me, from or on behalf of those who had yielded to false representations, and had thus incurred the forfeiture of their lives, warrant me in concluding that this manifestation of mercy, on the part of the Executive, would have been attended with all the salutary effects anticipated from it, had not the same unjustifiable interference, by a portion of the inhabitants of a neighbouring Country, in your affairs, which had so culpably contributed to the former disturbances, partially re-kindled the flame that was about to expire, and engendered a delusive expectation that, by means of co-operation from without, a more successful effort might be made by the traitorous and disloyal, to shake off their allegiance to their Sovereign.

In pursuance of their nefarious designs, a fresh invasion of your soil was attempted by a few worthless Refugees in conjunction with a lawless banditti, whose immediate object was the plunder and devastation of the Province, whilst their ulterior hope was to rend for ever the tie which binds it to the Parent State.

Thus called on again to arm in defence of every thing dear to you, your success in repelling

this second act of aggression was not less signal than it had been in your quick suppression of the previous insurrection: nor were your gallantry, your loyalty and your humanity, less conspicuously displayed, than they had already been on that memorable occasion.

In the disposal of the prisoners taken at this period, circumstances presented themselves which rendered it my duty to persevere in the lenient course which Her Majesty's advisers had before prescribed: and on an occasion calling as loudly for some example of rigour, as any that has probably ever occurred in the annals of mankind, capital punishment was inflicted in *one solitary instance* only.

It might reasonably have been expected, after the repeated failure of the attempts of the confederates to effect their revolutionary objects—after the continued clemency of the Executive—and after your praise-worthy forbearance from acts of vengeance or retaliation, that not only all thought of further hostility against you would have been abandoned in hopeless despair, but that a better tone of feeling would have succeeded.

The comparative state of tranquillity, which followed the last abortive attempt at invasion, did in fact encourage me to hope that peace, with general harmony and good feeling, would soon be restored to the Province. To my deep disappointment, however, I have learnt from various sources, more or less authentic, that, regardless of the friendly relations subsisting between Her Majesty's Government and that of the United States, and stimulated by the worst passions and motives, a number of American Citizens, along our frontier, have formed a secret combination for another invasion of these Provinces, and that preparations on an extensive scale, for carrying this unprincipled enterprize into execution are, at this moment, in active progress.

It is further stated, that the members of this unholy union communicate by certain mystic signs—that they are possessed of considerable resources—that they have amongst them some individuals of influence; and are one and all bound by an *unlawful* oath to plunder you of your property—to destroy your Institutions—and to sever your connexion with the Mother Country.

Though large allowances are to be made for exaggerated or interested statements; and though it is known that the traitorous within, and their partizans without, are mutually deceiving each other, and are falsely using the names of individuals of station and respectability, in order to give some colouring to their wicked conspiracy—yet I deem it proper to promulgate, that such information has reached me, as calls for the adoption of precautionary measures, for averting, if possible, an impending mischief, or for promptly defeating it, should it actually occur.

Relying on the amity and good faith of the American Government, I have made to it, through the medium of Her Majesty's Minister at Washington, such representations as will, I trust, ensure its immediate and decisive interference, in suppressing these outrageous proceedings of its border citizens.

I have likewise written to the Officers of the United States Army, commanding on the frontier, whose honourable profession, and personal characters, claim our confidence, urging them vigorously to second the efforts of their Government, by the employment of every means that may be at their disposal.

It is but reasonable also, when the base design of unprovoked aggression shall become more generally known throughout the Union, that I should look with full confidence to the great body of its respectable citizens, to rescue their country from the lasting discredit that would be entailed on it by the actual commission of the hostile acts contemplated by a licentious portion of its population, and the proceedings incident to which tend so fatally to interrupt that good understanding between the inhabitants of the two Countries, which their mutual interests, cemented by the endearing bond of a *common origin*, should lead them strictly to maintain.

But, after all, it is less to the interposition of OTHERS than to OURSELVES—supported as we are by a just cause, and protected, as we may still confidently hope to be, by a righteous Providence—that we must look for safety.

With this view I have directed, in addition to the Regular Force already in the Province, that several Regiments of your gallant Militia shall be again embodied; and that their services shall be engaged for a continuous period of eighteen months. I have further authorised the assembling, for a shorter period, of other Corps of Militia in various places: and it is with much satisfaction that I am enabled to add, that many of these brave men have already promptly enrolled themselves.

On the Magistracy, and other influential classes, I implicitly depend for that important aid which it is so much in their power, and which they have always shewn themselves so ready to afford. I exhort them to direct their attention to the channels through which information respecting the designs of our enemies may be derived—to guard against delusive statements—and to act with calmness, judgment and decision, in the preservation of the public peace. I call also upon those who have so recently experienced the lenity of the Executive, to evince their gratitude for the large measure of mercy extended to them, and to prove the sincerity of their professions of repentance for their former errors.

Nor can I let pass this opportunity of earnestly cautioning you, against the hasty adoption of opinions injurious to your confidence in the sincere intentions of the Government on the all-important subject of Religious Instruction. While I am most anxious to secure to you, and your children, this inestimable blessing, it is not my wish to see a dominant Church established over you, or the members of one religious community either rendered subject to the spiritual jurisdiction, or called upon to contribute to the temporal support of another. And I trust that any misapprehension on this subject will be removed when I declare to you my conviction, that no such result can or will flow from any measure of Church appropriation which has been hitherto made, and still less from the course of policy which it is my intention to recommend in this matter.

Apparent as it must be to every one, that our security will chiefly depend on the preservation of perfect harmony and concord among ourselves, I cannot refrain, on an occasion like the present, from offering a few observations on this all-important subject. In every community, differences, resulting from opposition of interests—diversity of taste—and conscientious scruples in matters of religion, will necessarily exist: and these when restrained within those bounds which the principles of Christianity enjoin, may exist in times of peace and tranquillity, without much prejudice to the general interests of society. It is even possible that they may, in some instances, tend indirectly to *promote them*. But when the plunder of our property, and the total overthrow of our venerable Constitution, have become the "latest dream at night, and the earliest vision of the morning," with a few desperate Traitors, leagued with a numerous Banditti on our Frontier, it is the part of prudence, no less than of duty, to lay aside all differences on minor matters, and to unite hand and heart in the defence of every thing that is dear to us. I do, therefore, most earnestly and most affectionately advise and recommend you, to bury as much as possible those recollections of past events, which may tend to keep alive angry feelings towards those of your fellow-Subjects, who having once strayed from the path of duty, may now be sincerely desirous of returning to it—to avoid all irritating discussions—and to drown all differences in a common regard for the public safety. Let the only contest between us henceforth be, who shall shew himself the best man, and the most loyal Subject.

INHABITANTS OF UPPER CANADA!—It is not to rouse your patriotism and loyalty—since they, I know, require no stimulant—but rather to allay any undue apprehension, or excessive excitement, which rumour may have produced, that I now address you: and in requiring you to be prepared to repel, with steady heart, and ready hand, the first aggression on the part of the lawless Brigands, who threaten your security, I can confidently assure you, that there are ample means at my disposal for your protection.

GIVEN under my Hand and Seal at Arms, at Toronto, this Fifth day of November, in the year of our Lord one thousand eight hundred and thirty-eight, and of Her Majesty's reign the second.

To all to whom these Presents shall come—

GREETING:

WHEREAS in cases arising out of the late unhappy revolt, and in the course of the administration of justice against persons implicated therein, it has been our anxious desire to extend our Royal mercy and forgiveness to our deluded and misguided Subjects, to the utmost limits compatible with the public peace, and the security of our loyal and faithful people: And whereas, in furtherance of our desire to extend our Royal clemency as above declared, we have heretofore granted our pardon to numerous offenders who have been convicted, and have also forborne to prosecute others who had rendered themselves, by their misconduct, liable to punishment; and we being resolved still further to extend our Royal clemency, and to make a final declaration of our will and pleasure with respect to all such of our Subjects as are, or have been in any way implicated in the said revolt, we have this day issued our several Royal Proclamations, in pursuance of an Act of our Provincial Parliament of our said Province of Upper Canada, passed in the first year of our reign, entitled, "An Act for the more speedy attainder of "persons indicted for High Treason, who "have fled from this Province, or who "remain concealed therein to escape from "justice"—calling upon and requiring such of our Subjects as have been indicted for the crime of High Treason, and who have withdrawn themselves from the Province, for the causes in the said Act mentioned, to surrender themselves to justice, that their several cases may undergo legal investigation and final adjudication.

And we do now make known and declare to all our Subjects who have not been indicted for any Treason, Misprision of Treason, or Treasonable offence, or who are not now in custody, charged, or liable to be charged with Treason, invasion, or hostile incursion into this Province, or who being charged with either of the said offences, have made their escape from any of our Gaols, or other place of confinement, that they may return to their homes, and that no prosecution for or on account of any offence by them done or committed, and in any way relating to, or connected with the said revolt, shall be instituted or continued, but that all such prosecutions shall terminate and be for ever void, hereby freely offering to all those of our Subjects who may have been implicated in the said revolt, (excepting as aforesaid) our gracious amnesty, pardon and forbearance, for and on account of such offences, (excepting as aforesaid) and our Royal assurance, that, relying on their future loyalty and good conduct, they shall be received under our protection, absolved and released from all punishment or prosecution, as herein above declared.

ADJUTANT GENERAL'S OFFICE,
Toronto, 9th November, 1838.

MILITIA GENERAL ORDER.

HIS Excellency the Lieutenant Governor is pleased to confer upon Captain Frederick Markham, of the 32nd Regiment, the rank of Lieutenant Colonel of the Militia Force of Upper Canada.

By Command.

RICHARD BULLOCK,
27 *Adjutant General, Militia.*

ADJUTANT GENERAL'S OFFICE,
Toronto, 9th November, 1838.

MILITIA GENERAL ORDER.

AT a General Court Martial, held at Ancaster, on the second of October last, and following days, Private Sullivan Browne, of the First Regiment of Gore Militia, was arraigned upon the charge of Mutiny and Disobedience of Orders; and the Court having maturely considered the evidence both for the prosecution and defence, came to the following opinion and sentence:

"That the prisoner, Private Sullivan Browne, is guilty of the charges preferred against him, in breach of the Articles of War, and of the Statute of this Province, entitled, "An Act to amend and reduce into one Act, the Militia Laws of this Province," passed in the first year of Her Majesty's reign; and they do therefore adjudge the said Private Sullivan Browne shall forfeit and pay the sum of Twenty Pounds: and in default of payment for such refusal or neglect, the said Private Sullivan Browne shall be committed to the Common Gaol of this District, for the space of Six calendar Months."

(Signed) ARNOLD BURROWES,
Colonel, and President.

(Signed) JOHN O. HATT,
Acting Judge Advocate,

"The Court having performed the painful duty of awarding punishment, in strict conformity to an Article of War, and of the Provincial Statute, passed in the first year of Her Majesty's Reign, entitled, "An Act to amend and reduce into one Act, the Militia Laws of this Province," which deprived them of all discretionary power, beg leave to recommend the case of Private Sullivan Browne to the merciful consideration of His Excellency the Major General Commanding; it being evident that the Prisoner acted in ignorance of his Military obedience, and the authority vested in the Officer of his Regiment, and from a false impression, that volunteering being permitted on other occasions, he did not oppose military duty in accepting that temporary command given him by his comrades on the twenty-fifth day of June last, and still more the permission given him by his Commanding Officer, Lieut. Colonel Crooks, to retain the command till he should reach Hamilton, and did surrender his assumed command on reaching Hamilton: and that the Prisoner did zealously and actively perform his duty as a Soldier on the Niagara frontier, and elsewhere, to the satisfaction of his Commanding Officer, during the Winter.

(Signed) ARNOLD BURROWS,
Col. and President.

The Lieutenant Governor approves of the finding and sentence of the Court; but with attention also to the recommendation of the case of the Prisoner, whose impropriety of conduct has, it appears, originated partly in ignorance; and also not unmindful of the claim to lenity which the Prisoners' former good conduct, on the Niagara frontier, has established, is pleased to remit the sentence of the Court; and His Excellency hopes that the Prisoner will derive a salutary lesson from what has occurred, with regard to the absolute necessity of subordination and obedience in men under any form of military organization.

The Court Martial assembled at Ancaster is dissolved.

By Command.

TORONTO, FRIDAY, NOVEMBER 16, 1838.

GOVERNMENT HOUSE,
TORONTO, 15th November, 1838.

THE Lieutenant Governor loses no time in communicating to Her Majesty's faithful Subjects, the important and cheering intelligence just received.

It appears that the Steam-boat "*United States*," has been engaged by the lawless Brigands on the American frontier, and towed two Schooners full of men, and laden with Artillery and munitions of war, down the St. Lawrence, to Ogdensburg, for the purpose of attacking this Province.

The Rebels and Sympathizers crossed over on Sunday night—between three and four hundred men—with two pieces of cannon, and took up a strong position, about a mile and a half below Prescott, having in their rear three or four stone houses, and a very strong stone mill, the walls of which were several feet in thickness.

Captain Sandom, on the first news of the United States towing these Schooners down the river, had hastened in an armed Steamer, with a detachment of forty men of the 83rd, and a party of the Marines, in pursuit, and put himself in communication with Colonel Young, who was in command, and had assembled a force of our gallant Militia at Prescott, in preparation for an attack upon the enemy. He immediately landed the detachment and the Marines, and two columns, amounting to about two hundred men, were formed for the attack—one of them, (the detachment of the 83rd leading) under Colonel Young, took a circuitous route, while Colonel Fraser led another column, at the head of which were the Marines, along the road by the river. A sharp fire was kept up on the assailants as they advanced, but the rebels quickly dispersed and fled, some of them taking shelter in a stone house, and about forty or fifty retreating into the stone mill, from the windows of which they kept up a galling fire, being covered from danger, as our force had not a single piece of ordnance on the ground. In consequence of this, Colonel Young disposed of his men under shelter, so as to prevent the Brigands from escaping, and awaited the arrival of artillery which was hourly expected from Kingston.—Nothing could exceed the ardour and gallantry with which the Troops of the Line, and loyal Militia, acted,—the former sustaining their oft-tried character, and the latter displaying the same gallantry and devotion which have heretofore procured for them the thanks of their Sovereign, and the admi tion of their fellow Subjects.

During this attack several boat-loads of men attempted to cross from the American shore, but Captain Sandom, who was assisting in the attack, with three armed Steamers, drove them back. Some boats also put off from the British side, but were either captured or compelled to return.

Early on Wednesday morning the 14th inst. Colonel Dundas, with a sufficient force of the 83rd, and Artillery, reached Brockville, and proceeded thence to Prescott. Long ere this, therefore, the Banditti, who have dared to invade the Province, are taken or slain.

The LITTLE Steamer "EXPERIMENT," thrice drove the "UNITED STATES" back into Ogdensburgh, while endeavouring to force her way into Prescott, with four or five hundred men—and a

TORONTO, FRIDAY, NOVEMBER 16, 1838.

GOVERNMENT HOUSE,
TORONTO, 15th November, 1838.

THE Lieutenant Governor loses no time in communicating to Her Majesty's faithful Subjects, the important and cheering intelligence just received.

It appears that the Steam-boat "*United States*," has been engaged by the lawless Brigands on the American frontier, and towed two Schooners full of men, and laden with Artillery and munitions of war, down the St. Lawrence, to Ogdensburg, for the purpose of attacking this Province.

The Rebels and Sympathizers crossed over on Sunday night—between three and four hundred men—with two pieces of cannon, and took up a strong position, about a mile and a half below Prescott, having in their rear three or four stone houses, and a very strong stone mill, the walls of which were several feet in thickness.

Captain Sandom, on the first news of the United States towing these Schooners down the river, had hastened in an armed Steamer, with a detachment of forty men of the 83rd, and a party of the Marines, in pursuit, and put himself in communication with Colonel Young, who was in command, and had assembled a force of our gallant Militia at Prescott, in preparation for an attack upon the enemy. He immediately landed the detachment and the Marines, and two columns, amounting to about two hundred men, were formed for the attack—one of them, (the detachment of the 83rd leading) under Colonel Young, took a circuitous route, while Colonel Fraser led another column, at the head of which were the Marines, along the road by the river. A sharp fire was kept up on the assailants as they advanced, but the rebels quickly dispersed and fled, some of them taking shelter in a stone house, and about forty or fifty retreating into the stone mill, from the windows of which they kept up a galling fire, being covered from danger, as our force had not a single piece of ordnance on the ground. In consequence of this, Colonel Young disposed of his men under shelter, so as to prevent the Brigands from escaping, and awaited the arrival of artillery which was hourly expected from Kingston.—Nothing could exceed the ardour and gallantry with which the Troops of the Line, and loyal Militia, acted,—the former sustaining their oft-tried character, and the latter displaying the same gallantry and devotion which have heretofore procured for them the thanks of their Sovereign, and the admiration of their fellow Subjects.

During this attack several boat-loads of men attempted to cross from the American shore, but Captain Sandom, who was assisting in the attack, with three armed Steamers, drove them back. Some boats also put off from the British side, but were either captured or compelled to return.

Early on Wednesday morning the 14th inst. Colonel Dundas, with a sufficient force of the 83rd, and Artillery, reached Brockville, and proceeded thence to Prescott. Long ere this, therefore, the Banditti, who have dared to invade the Province, are taken or slain.

The LITTLE Steamer "EXPERIMENT," thrice drove the "UNITED STATES" back into Ogdensburgh, while endeavouring to force her way into Prescott, with four or five hundred men—and a

Schooner, in making a similar attempt, was repulsed. A great number of men are reported to have been killed on board her. The gallantry of Lieutenant Fowell, and his crew, was most conspicuous in this affair.

The Lieutenant Governor regrets, that this service has not been performed without a loss, which he deeply deplores. A Lieutenant of the 83rd; a Marine; and several of the respectable inhabitants of the Country, have been killed; and a number, both Regulars and Militia, wounded. The extent of the enemy's loss has not been ascertained: but it is sincerely to be hoped, that not one of them will return unpunished to the United States. Twenty-eight prisoners have been brought up to Kingston; and a Court Martial will forthwith be directed to assemble, to try them for their lawless and unprovoked aggression, and for the murder of Her Majesty's faithful Subjects.

While the Militia of the Johnstown District have thus nobly exerted themselves for the defence of the Country, their fellows of the Eastern District have displayed equal zeal and activity. Upwards of seven hundred Volunteers have marched to put down treason and rebellion in Lower Canada, and their efforts have met with the happiest results. On the 10th instant, a column of them, with some other forces, and a party of the Indians from St. Regis, advanced to attack the Rebels, with bag-pipes playing, and British cheers mingling with the War-whoop. Struck with terror, the Rebels abandoned a strong position; and fled down the Chateauguay River, in the direction of another column of our forces, who were proceeding to attack them. The Huntingford (Lower Canada) Volunteers had also attacked and defeated a party of Americans, who were bringing in cannon, arms and provisions, to the aid of the Rebels. Two pieces of artillery; a large quantity of provisions; and a great many stand of arms, were captured in this affair.

The example thus shewn in the East, calls for renewed exertions in every part of the Province, that what they have so nobly fought and bled for, many of them yielding their lives in the struggle, may not be put in hazard in other parts of the Country, for want of similar devotion and bravery. The Lieutenant Governor is convinced that the people of every other section of the Province will in like manner rush to Arms wherever an enemy appears. It is a matter of the most heartfelt satisfaction to the Lieutenant Governor, that none of the Inhabitants of the Province have been seduced to join this band of unhallowed invaders; and he derives from these recent events fresh confidence in the unflinching courage and loyalty of the people of Upper Canada, and their determination to preserve their Constitution and Allegiance, or to die in their defence.

The Lieutenant Governor will lose no time in communicating these particulars to Her Majesty's Minister, at Washington, in order that he may once more appeal to the Government of the United States to vindicate their national character; and he earnestly exhorts the people of the Province to confide to their Government the conduct of the necessary measures for obtaining redress and indemnity, and to pursue that dignified course of forbearance from retaliation, which cannot fail to give strength to their just complaints—in the assurance that the British people will not view these reiterated aggressions without peremptorily demanding the punishment of the offenders, and national reparation for the injury.

TORONTO, TUESDAY, NOVEMBER 20, 1838.

From the Montreal Gazette of Monday Nov. 12th.

REBELS DEFEATED BY THE VOLUNTEERS.

The following intelligence from the L'Acadie frontier, we published, in an extra, yesterday:

It appears that a large body of rebels succeeded in passing across the bridge at Lacolle Old Steam Mill, on the morning of the 6th, after a skirmish with the volunteer picquet, which was compelled to fall back, killing or wounding, however, four of the Rebels, who were seen falling off their horses. Col. Odell, on being made acquainted with this by Capt. March, sent to Major Schriver for all the Forces at his disposal, which came on with great alacrity. Shortly after their arrival, they advanced against the Rebels, and, after a sharp action of about twenty minutes, the gallant Volunteers captured one field-piece, some ammunition, and a quantity of small arms. Nine of the enemy were killed, and one wounded, who is said to be a Capt. Elliott, from the United States. Seven prisoners were also taken.

Nothing can be more gratifying than the spirit of loyalty and attachment to the Institutions which they have so long enjoyed in security and peace, than such conduct displays on the part of the frontier Volunteers. They have bravely and nobly fulfilled their duty, and deserve the best acknowledgments of the country at large, for the exemplary punishment which they have dealt out to the ungrateful Rebels.

Postcript to Saturday's Gazette.

EVACUATION OF NAPIERVILLE BY THE REBELS.

VOLUNTEER VICTORY OVER DOCTOR NELSON'S FORCE.

We have just been favoured with copies of the following important despatches, for publication:

{ Napierville, Nov. 10, 1838.
{ Saturday, 9, A. M.

Sir,—I am directed by the Commander of the Forces, to inform you, that the Force under his command has just arrived here. The Rebels, to the number of 2,000, evacuated the Town about two hours ago, and about the same number had previously gone off, many of them having thrown away their arms. The Cavalry are now in pursuit of the former, on the Chateauguay road. Col. Love's column reached the town from St. Valentine, at the same time with the Head Quarter division.

I have the honour to be, Sir, your most obedient Servant,

JOHN EDEN,
D. A. G.

Colonel Wetherall, C. B.
Commanding Montreal.

Odelltown, Nov'r. 9, 1838.

Sir,

I have the honour, and the satisfaction, to report to you, for the information of His Excellency the Commander of the Forces, the successful result of an affair with the Rebels, which took place this morning. The Insurgents mustered one thousand strong, under the personal command of Dr. Nelson. They attacked my advanced guard, at Captain Weldon's, at about a quarter to eleven, A. M.; upon which I immediately directed the concentration upon Odelltown Church, of the small force of two hundred men, under my command.

The enemy extended around us, and kept up a sharp fire, which was as sharply answered. After an action of about two hours and a half, during which several brilliant sallies were made by the Volunteers, the Insurgents retreated, leaving fifty dead, and carrying off several wounded.

I regret to say, that Captain McAllister, and four men have fallen, and that Lieutenant Odell, and nine men, have been wounded—none of the latter, however, are seriously injured.

When I arrived at Caldwell's Manor, at daybreak, I learnt the great disparity of force which existed; I heard, also, that the loyalists were much worn out, by constant watching and harrassing duty. I accordingly wrote Captain Gratton, at the Isle aux Noix, asking him if he could, consistently with the safety of the Fort, give me any aid. That Officer promptly replied, by coming in person with a detachment, but unfortunately he reached Odelltown too late to participate in the engagement.

A reinforcement from Hemmingford, under Major Schriver, arrived also after the retreat of the Rebels.

It is my intention to advance, and take up a new position at Lacolle, to-morrow.

After the above plain recital of events, it were needless for me to say, that I have every reason to speak in the highest terms of approbation, of the gallantry and conduct of the Volunteers under my orders. I have the honour to be, Sir, your most obedient, humble servant,

CHAS. CYRIL TAYLOR,
Lieut. Colonel.

RELEASE OF THE PRISONERS TAKEN BY THE REBELS—TAKING OF BEAUHARNOIS.

Messrs. Brown, Ellice, Norval, and the other persons taken at Beauharnois by the Rebels, on Saturday night, the 3rd instant, arrived in town this morning, from Laprairie. After their capture at Beauharnois, they were, as we mentioned before, taken to Chateauguay, where they were detained several days. It was afterwards determined by the Rebels to convey them inland, it is supposed to Napierville; but last night, when they had reached La Pigeonniere, in the Seigniory of St. George, the Rebels there heard of the occurrences at Napierville, and abandoned their charge. Mr. Ellice and the other prisoners then got conveyances for Laprairie, to which they travelled during the night, and arrived in Montreal this forenoon, about ten o'clock.

Despatches were received about eleven, from Major Carmichael, dated at Beauharnois last night, and announcing the capture of that village, and the release of the passengers of the *Brougham* Steamer, detained there since the Saturday previous, and who are all well. Mr. Ellice, and the whole of the other persons, supposed by Major Carmichael to be still in confinement at Chateauguay, it will be observed, have arrived safely in town.

BEAUHARNOIS, 10th November,
10 P. M.

SIR,—I have the honour to acquaint you, for the information of His Excellency the Commander of the Forces, that, in conjunction with Colonel Philpotts, a detachment of one Officer of Engineers, twenty-two Sappers and Miners, one Captain, three Subalterns, four Sergeants, two Buglers, and one hundred and twenty-one rank and file, 71st Regt. with upwards of one thousand Glengarrymen, were landed at Hungry Bay, this morning, marched, and took Beauharnois, rescued all the prisoners, with the exception of Messrs. Ellice, Brown, Norman, Ross, Norval, Bryson, Houndslow, and Surveyor, supposed to be at Chateauguay—with the loss of one man killed, and three wounded, of the 71st Regiment.

The men are much fatigued, and we wait here for orders.

I have the honour to be, Sir, your most obedient humble Servant,

L. CARMICHAEL,
Colonel, P. S.

Major Hall,
Assistant Quarter Master General.

The Upper Canada Mail, on board the *Brougham* when she was taken, was brought to town today.

The natural anxiety felt respecting the different prisoners lately in the hands of the Rebels, has induced us to issue an Extra on this day.

AFTER DISTRICT GENERAL ORDER.

HIS Excellency MAJOR GENERAL SIR GEORGE ARTHUR, feels the greatest gratification in announcing to the Queen's Regular Troops, and to Her Majesty's Militia of the Province, now so happily engaged hand in hand in the defence of their Country, against internal disaffection, and against the most cruel and unjust aggression from abroad, that their united efforts have proved decidedly effectual in overcoming a gang of desperadoes, who lately had the temerity to make a descent, from the United States, on the Canadian shore of the St. Lawrence, between Prescott and Johnstown.

The Pirates, on landing, took possession of some Stone Houses, and a Stone Mill, of extraordinary strength of masonry, about one and a half mile below the former place; of these they held possession for some time, closely blockaded by the loyal Militia, under Colonel Plomer Young, Particular Service, until reinforced by Colonel the Honourable Henry Dundas, with a Demi Field Battery of the Royal Artillery, and some Companies of the 83rd Reg't. from Kingston. Against such a Force, when supplied with heavy Artillery, it was impossible for the Enemy long to hold out; and after the Stone Houses had been destroyed, a White Flag was hoisted at the Mill, and its occupiers were permitted to surrender at discretion.

The fruits of these gallant proceedings, consisted of about *one hundred and sixty-seven Prisoners*, exclusively of about *sixteen wounded*.

It is reported, that not less than fifty-six of the enemy were killed during the operations.

Colonel the Honourable Henry Dundas, Colonel Plomer Young, and Captain Sandom, Royal Navy, commanding the Naval Flotilla, speak in the very highest terms of the gallantry, good conduct, and extraordinary forbearance, of the whole of Seamen and Marines, the Regular Force, the Militia and the Volunteers, employed on the occasion.

The British loss consists of Lieutenant Johnston, 83rd Regiment; Lieutenant Dulmage, of the Grenville Militia, killed; and Lieutenant Parker, Royal Marines, and Lieutenant Parslow, of the Militia wounded; with about forty-five Rank and File, killed and wounded.

The loss of the Brigands was particularly severe in Officers, among whom were the self-styled Generals, Brown and Phillips.

His Excellency Major General Sir George Arthur, cannot sufficiently applaud the alacrity and firmness with which Col. Plomer Young, attacked the Brigands, with a very inferior force, on their first appearance on the Canada Shore; and the gallantry with which the Detachments of the 83rd Regiment, and Royal Marines, with the Militia, under his command, drove them to seek a temporary security in the Mill and Houses; in which, however, they found it totally impracticable long to maintain themselves against British valour and perseverance, with intrepidity.

The Major General also offers his warmest thanks to Colonel Dundas, for the able disposition of his Force, and his indefatigable exertions; to Colonel McBean, R. A.; to Colonel R. Duncan Fraser; to Lieutenant Colonel Gowan; and Captain George Macdonell; and to all the Officers of the Militia and Volunteers, whose names he is alone prevented from particularising, by the casual absence of the Despatch from Colonel Young, which enumerated them: and His Excellency is confident, that the gallant example now shewn, will be followed with equal loyalty and spirit, by all the Militia of the Province, should their services be called for.

To Captain Sandom, Commanding the Royal Navy, likewise are His Excellency's thanks most fully due, for his vigilance and able co-operation; and to Lieutenant Fowell, Royal Navy, who so gallantly commanded Her Majesty's Steamer "EXPERIMENT," which although so inferior in point of size and power, obliged the enemy's Steamer "UNITED STATES," to seek refuge in an American Port.

His Excellency the Lieutenant Governor, likewise, has much pleasure in congratulating Colonel Carmichael, Particular Service, and the loyal and gallant Glengarry Militia Regt's. under Colonels McDonell, Fraser, Chisholm, and McDonell, whose ready aid in moving into the Lower Province, mainly contributed to the re-capture of the "*Henry Brougham*," and has earned for them the high approbation of His Excellency the Commander of the Forces.

By command.

Toronto, 24th Nov. 1838.

HIS EXCELLENCY the LIEUTENANT GOVERNOR has directed the publication of the following correspondence, in the hope that it may be the means of preventing, in other parts of the frontier, the gross delusion which Colonel Worth, of the United States' Army, and the respectable inhabitants of Oswego, represent to have been practised upon numerous persons, by men, "who having instigated them to a lawless invasion, have themselves "stood back from the scene of danger in the "moment of trial, or, from a distance, in safety, "have witnessed the sacrifice of the miserable "victims of their unscrupulous designs."

His Excellency does indeed hope, that what has happened at Prescott, may be the means of "holding up to scorn, contempt and punishment, the "great villains in this most unparalleled assault "upon a friendly power."

KINGSTON, Nov. 23rd, 1838.

SIR,

I have the honour, herewith, to forward for your Excellency's information, a letter, with the documents which accompanied it, which I this day received from Colonel Worth, Commandant of the United States Army, at Sacketts Harbour, as also a copy of my reply to his communication.

I have the honour to remain,
Sir,
Your Excellency's
Most Obedient Servant,
H. DUNDAS,
Lieutenant Colonel 83rd Reg't.
Commandant.

His Excellency Major General
Sir GEORGE ARTHUR, K.C.H.
&c. &c. &c.

SACKETTS HARBOUR,
23rd *November*, 1838.

SIR,

By the mail of this date, I received a communication, of which I have the honour to forward you a copy. This paper is signed by gentlemen of the highest intelligence and respectability among our citizens, who, as they represent, have earnestly sought to check the headlong career of those unfortunate dupes of designing demagogues, the objects of their petition.

This appeal places me in a painful and embarrassing position: on the one hand, to seek, by an official interposition, to stay or divert the free course of Justice, however fruitless the effort, would justly subject me to the censure of the Government; so on the other—I could hardly excuse myself to my countrymen, nay, to my own heart, totally to disregard the humane designs and wishes of those who ask me to become their medium of communication.

Thus circumstanced, I approach you with the frankness which belongs to our profession.

I cannot better favour the object of the petitioners, than by forwarding a copy of their communication, which, as clearly, as justly and truly, sets forth the circumstances of delusion and fraud practised upon the miserable youths who have, thus acted upon, forfeited their lives, and subjected themselves to an ignominous death. The delusion has vanished, and not a doubt remains, that speedy vengeance will follow the great criminals in this foul business.

I can only add, Sir, the firm conviction, that clemency extended to the wretched victims of baseness and duplicity, will, while illustrating the humane and merciful policy of Her Majesty's Government, have the happiest effect in restoring, as we all desire, kindly relations along the entire border; and greatly tend to the ends of justice, by exposing and holding up to scorn, contempt and punishment, the great villians in this most unparalleled assault upon a friendly power.

With sentiments of respect,
I have the honour to be,
Your obedient Servant,
W. J. WORTH.

Of Her Majesty's Military and Naval Forces,

Oswego, *Nov'r.* 20, 1838.

My Dear Sir,

The accompanying communication has been prepared at the request of the persons whose signatures are associated with my own, and who are among the most respectable inhabitants of this place.

We are aware, that you have already made an effort in behalf of the unhappy and deluded men, now at the mercy of the Canadian authorities, and we have but little hope that the arm of justice can be averted; but if even a few can be saved, much will be accomplished, and our citizens expect from us, that we shall make an effort, even if hopeless. The result of the action of the Committee is the accompanying communication, which I am instructed to transmit to you.

Believe me, Sir,

With the utmost respect, &c. &c.

Oswego, November 20th, 1838.

Sir,

A large meeting of the citizens of this place, convened last evening, after the arrival of the *Telegraph*, to take into consideration some measures in behalf of the infatuated young men who have forfeited their lives to public justice, by a participation in the late scenes at Prescott, upon the St. Lawrence.

The meeting, we are informed, took no other order than to refer the subject to the undersigned, as a Committee, to digest and to carry into effect such measures as we might deem expedient.

After deliberating upon the very delicate office thus assigned to us by our fellow citizens, we have arrived at the conclusion, that a direct intervention of any number of our citizens, either personally or by a formal Address to the Representatives of the Royal Authority in the Province, would be unadvisable.

Individually, we have discountenanced, and endeavoured to restrain, the violent and unlawful proceedings recently manifested so generally upon the frontier, against the tranquillity of the Canadas, and the relations of peace and harmony so happily existing between our Country and Great Britain. It is for this reason, we presume, the present duty has been committed to us. But we are apprehensive the Colonial Authorities will regard with jealousy and distrust, any interposition of American citizens residing on the frontier, in an endeavour to avert the rigorous execution of the penalties of the law. We are but too sensible that any such intercession may with justice be regarded with suspicion. We therefore address ourselves to you, in the hope that you will consent to undertake for us the duties of an office, to the successful execution of which, we feel ourselves, on many considerations, incompetent. Your character as a Military man is well known to the Colonial Authorities. The zeal and firmness you have displayed, from the commencement of the troubles, in endeavouring to preserve our mutual obligations inviolate—to protect our national honour—and to enforce the laws of the Union, are known as well to the inhabitants of Upper Canada as to your own fellow citizens; and we believe your services and character are by them not less justly appreciated than by ourselves. The sympathies, too, which are appropriate and common to Military men, would give to your intercession with the Military Authorities in the Province, an influence which could not be anticipated from any effort of ours.

It is not because the unfortunate men captured at Prescott are for the most part American citizens, that our sympathies are awakened for them;—we are informed that many of them are youths under age, who have been beguiled by false representations, to embark in an enterprize, the criminal nature of which they did not comprehend, and in the dangers of which their betrayers have not participated. We are strongly persuaded that these youths were deluded into the belief, that the enterprize was honourable—that it would be sustained by responsible characters, and seconded by a general insurrection of the inhabitants of the Province.

It is impossible that they are not convinced of the grossness of the delusion. The men who have beguiled them into the commission of an outrage upon the laws of their own country, and instigated them to a lawless invasion of the territory of a friendly Power, have themselves stood back from the scene of danger, in the moment of trial, or, from a distance, in safety, have witnessed the sacrifice of the miserable victims of their unscrupulous designs.

The result of the attempt upon Prescott will prove a corrector of public opinion. We are sensible already of a great and rapid change in the sentiments of our fellow citizens, in regard to the moral character of the late enterprize. The illusions in relation to it are fading from their eyes; and we may justly expect that in a short time the people of the frontier, like those of the interior, will regard the recent agitation with no other sentiments than of sorrow and indignation.

We would then, Sir, respectfully request, that you will interpose your own personal intercession with the Royal Authorities in Upper Canada, for the extension of the Royal Clemency to the unfortunate youths, whom we cannot but regard as the prey of invidious and rapacious designs. We are sensible that we ask nothing to which your own feelings will not respond; and sincerely hope that nothing we suggest will be regarded by you as incompatible with your Military position in command of this section of the frontier.

We place this communication entirely at your disposal, to be applied in any manner you may deem advisable, in relation to the object it contemplates.

With high respect, Sir,

We have the honour to be,

Your obedient Servants,

Kingston, 23rd Nov. 1838.

Sir,

I have the honour to acknowledge the receipt of your letter of this date, with the other Documents which accompanied it. As my authority does not extend in any degree to the remission or infliction of any punishment to which the Prisoners taken at Prescott have subjected themselves, by the Laws of this Country, any appeal to me can have little effect in producing any change in the position in which these Prisoners are placed. Planned and organized as this expedition appears to have been, it is scarcely possible to believe the statements of these persons, that they have been duped and deceived into the conduct of which they have been guilty. An examination of the Prisoners is at present in progress, whose several statements will be submitted to His Excellency the Lieutenant Governor, to whom alone belongs the right of carrying into effect the sentence of the Law, or extending clemency to those Prisoners whose cases may appear, on their trial, to recommend them for favourable consideration. After the injuries in person and property that the Subjects of Her Brittanic Majesty have suffered from the lawless and savage attacks of these persons, it cannot be otherwise than expected that they should call for a prompt and just administration of the Law; and while the high character of the Officer charged by Her Majesty with the administration of the Government in this Province, is a full guarantee that he will act in the present trying circumstances with firmness and decision; so is it well known that in consonance with his own feelings, his humane and benevolent disposition, supported by a strict sence of duty, he will, in the fullest sense, temper justice with mercy, and to whose consideration I shall lose no time in forwarding the Documents you have transmitted to me.

I have the honour to remain,

Sir,

With the highest consideration,

Your most Obedient Servant,

To all to whom these Presents shall come—

GREETING:

WHEREAS in cases arising out of the late unhappy revolt, and in the course of the administration of justice against persons implicated therein, it has been our anxious desire to extend our Royal mercy and forgiveness to our deluded and misguided Subjects, to the utmost limits compatible with the public peace, and the security of our loyal and faithful people: And whereas, in furtherance of our desire to extend our Royal clemency as above declared, we have heretofore granted our pardon to numerous offenders who have been convicted, and have also forborne to prosecute others who had rendered themselves, by their misconduct, liable to punishment; and we being resolved still further to extend our Royal clemency, and to make a final declaration of our will and pleasure with respect to all such of our Subjects as are, or have been in any way implicated in the said revolt, we have this day issued our several Royal Proclamations, in pursuance of an Act of our Provincial Parliament of our said Province of Upper Canada, passed in the first year of our reign, entitled, "An Act for the more speedy attainder of "persons indicted for High Treason, who "have fled from this Province, or who "remain concealed therein to escape from "justice"—calling upon and requiring such of our Subjects as have been indicted for the crime of High Treason, and who have withdrawn themselves from the Province, for the causes in the said Act mentioned, to surrender themselves to justice, that their several cases may undergo legal investigation and final adjudication.

IN TESTIMONY WHEREOF, We have caused these our Letters to be made Patent, and the Great Seal of our said Province to be hereunto affixed.—Witness our trusty and well-beloved SIR GEORGE ARTHUR, K. C. MILITIA GENERAL ORDERS.

No. 1.

IT appearing that, in some instances, lately, Wagons and Horses have been pressed, and hired for the conveyance of Detachments and Drafts of Militia, and Volunteers, called out for active service—His Excellency, Major General Sir George Arthur, desires it to be clearly understood, that no Officer, or other person, is permitted to apply to a Magistrate, for a Warrant to press Wagons or Horses, or to hire Wagons or Horses, for the transport of Troops, Stores, &c. unless he be prepared to prove the extreme urgency of the case, and the paramount necessity for his so doing. Under all ordinary circumstances of the Service, the Troops are always required to march from place to place.

The only Wagons which will be permitted to be hired, or, if necessary, to be pressed, must be those for the conveyance of the Sick, or the Heavy Baggage of a Regiment, or Detachment; but none can possibly be allowed for the conveyance of Knapsacks, or such other Articles as the Men are expected to carry themselves.

No. 2.

It having been found impossible to procure, by Contract, a sufficient quantity of Clothing, for the Militia and Volunteers, with sufficient expedition for the satisfaction, the health, and the comfort of the Men, His Excellency Major General Sir George Arthur desires, that the sum of £3. 12s. 3d. Currency, be paid to each Corporal, Drummer and Private, on his providing his own Clothing, and on his producing to his Commanding Officer the following Articles, of such pattern as may be fixed on by that Commanding Officer, viz.:—

One Cloth Shell Jacket,
One pair Cloth Trowsers,
One pair of Boots,
One Fur, or warm Cloth Cap; and
One Leather Stock.

In Corps raised for Eighteen Months Service, Coatees being allowed, the sum of £4. 8s. 3d. Currency, will be paid instead of the former sum, which is to be restricted to those enlisted for six months only.

The sum of Six Shillings, in addition to the before-mentioned sums, respectively, is to be paid to Sergeants finding their own Clothing, by their Commanding Officer's approbation.

No. 3.

Returns of the Strength and Distribution of each Regiment, Battalion, Corps, or Detachment of Militia, and Volunteers, already called out for Active Service, or which may hereafter be so called out, are to be transmitted by the Officer commanding each, respectively, to the Assistant Adjutant General of the Forces, and to the Assistant Quarter-master General of the Forces, at Toronto, as also to this Office, on the 1st, and on the 14th days of each month, in future, commencing from the 1st December, proximo, inclusive.

The attention of Officers commanding Corps, &c. is particularly required to this Order, as upon their strict compliance with it, the regular issue of the Pay and Allowances of themselves, and of their Men, will chiefly depend.

By Command.

MILITIA GENERAL ORDER.

COMMANDING Officers of Regiments of Militia, are required to omit no exertion for the speedy completion of the Contingents required of them by the General Order, 31st October last, and subsequent orders.

It is hoped that the gallant spirit of the Upper Canada Militia will, in itself, impel individuals to offer themselves for Active Service during the short period required; but as circumstances demand promptness and energy in the defence of our Country, and its Institutions, Commanding Officers will, in case *alacrity* and *promptness* in volunteering should not be as effective as is hoped for, proceed to draft good and efficient men, to complete the Contingents required of them.

His Excellency takes this opportunity of assuring the Militia of the Province called into active service, that he will not lose sight of the necessity which exists, of permitting their return to their homes and families, so soon as the peace and security of the Province will safely admit of it.

By Command.

RICHARD BULLOCK,
29-4 *Adjutant General, Militia.*

ADJUTANT GENERAL'S OFFICE,
Toronto, 24th November, 1838.

MILITIA GENERAL ORDER.

THE Lieutenant Governor and Major General Commanding, feels much pride in congratulating the brave and gallant Militia of Upper Canada, upon the distinguished conduct of the Officers and Men engaged in the destruction and capture of the Piratical Force, in the vicinity of Prescott, and upon the triumphant result of the contest—to which the zeal, devotion and bravery, of the Militia, who spontaneously and readily came forward, greatly contributed.

Nearly connected with the victory thus gained in Upper Canada, its brave Militia have to remember the courage and alacrity displayed by the portion of its force which has recently moved against the Rebels in the Lower Province.

The Lieut Governor cannot too strongly express his approbation of the loyal exertions of the Militia, in the Eastern section of the Province; or his firm reliance on the same spirit, should the treacherous enemy offer opportunities for its display, in the Middle and Western portions of the Colony.

The Lieutenant Governor in making public the list of the Regular Troops, and Militia; killed and wounded in the attack and overthrow of the Piratical force, in the neighbourhood of Prescott, expresses his deep heart-felt sorrow for the loss of many valuable lives, and his cordial sympathy with the bereaved families of the gallant men who have nobly fallen in their Country's cause. His Excellency, in thus expressing his own feelings, is assured that they are those of the whole loyal community; and that from the breast of every Upper Canadian will proceed a sigh of sorrow for the departed gallant spirits, whilst the universal desire will be indulged, that their Widows and Children should be the objects of the tender care and paternal protection of the Government and Legislature.

The result of this treacherous and piratical expedition thus happily defeated, incontrovertibly proves, that Felons and Brigands must expect to have faithless and cowardly Leaders—that those who are most active in tempting others to crime are the most ready to abandon them to destruction; and it is accordingly seen, that the false and double traitors who induced a body of strangers to invade in arms a peaceful Country, have themselves remained in safety, prepared, probably, to delude new victims, but always ready to avoid the consequences, which they well know must await them, if they personally dare the contest with the injured people of Upper Canada.

It is further proved, beyond contradiction, that strong holds and defences, and superior numbers in the field, are no efficient protection to men who fight in a dishonest cause; and that those who act upon the absurd supposition, that the sober-minded inhabitants of an enlightened Country would seek for settlement of their political differences, by uniting with Foreigners and strangers in the murder and plunder of their own neighbours and friends, are deceiving themselves, and blindly rushing forward to their own destruction.

Her Majesty's Regular Troops, and the gallant Militia, have proved each other as brothers in Arms—they have once more fought side by side—they have bled and died together—their patriotic example will not be forgotten in Upper Canada, and their blood is not, and shall not be shed in vain on the ground which they have so nobly defended. That blood will extinguish every unkindly feeling, and will rouse to Arms every loyal Upper Canadian.

The Lieutenant Governor cannot forbear, in terms of high commendation, to allude to the services of the Militia force which moved upon Kingston, at the first notice of the presence of a foreign enemy, and which enabled the Officer Commanding to detach a portion of his Garrison to ensure the complete overthrow of the enemy. His Excellency holds this prompt and zealous conduct of the Militia, in the vicinity of Kingston, up as an example to their comrades throughout the Province, and assures them of his conviction, that it only requires an exhibition of the same true and loyal feeling in all parts of the Country, to ensure the overthrow of the public enemy, and long continued years of peace and prosperity.

By command.

RICHARD BULLOCK,
Adjutant General, Militia.

DISTRICT GENERAL ORDERS.

THE Lieutenant Governor and Major General Commanding, with reference to the General Order, 23rd July last, is pleased to approve of the following Regulations, regarding the issue of Pay and other Allowances to the Militia.

No. 1.

All issues of Pay to Battalions, Companies, and Detachments of Militia, when called out into Service, by competent authority, will be made, on Receipted Pay Lists, in arrear.

Where there is a Pay-master, or person appointed to act in that capacity, and receiving Pay, the Officer of the Commissariat will be authorised, on his requisition, countersigned by the Senior Officer of the Corps, or Detachment, present, and approved by the Officer Commanding the District, whether of the Regular Forces or of the Militia, to advance such sums as may be required, not exceeding three-

fourths of the usual monthly Pay of the Corps, or Detachment; and at the end of every month, (or whenever the services of the Corps may cease) the Pay-master, or other Officer, will deliver receipted Pay-Lists, in arrear, for each Company or Detachment, which will be the final Voucher for his disbursements.

These receipted Pay-Lists must also be countersigned by the Senior Officer of the Corps, or Detachment, present; and having been certified by the Military or Militia Officer commanding the Districts, will be submitted, in Triplicate, to His Excellency Major General Sir George Arthur, for approval; after which, they will be forwarded to the Commissariat, by whom one copy will be transmitted to the Military Secretary, for the Covering-Warrant of the Commander of the Forces, and two for the Accounts. The Commissariat Officer making the payment on this Voucher, which is intended to be final, will be responsible for the calculations; and he will make no further Imprest, until the settlement of the monthly balance, by the delivery of such Pay-lists.

No. 2.

The foregoing Rules apply in every respect; also to the payment of the—

1.—Allowance in lieu of Rations, Fuel and Light.
2.—Allowance in lieu of Forage and Stabling.
3.—Horse Allowance.
4.—Allowance for Billeting.
5.—Bounty of Ten Shillings to every man bringing his own Firelock.
6.—Gratuity of Ten Shillings to every man furnishing his own Blankets.
7.—Commutation Money for Clothing.
8.—Bounty Money, on Enlistment.

The Allowances, numbered 1, 2, 3 and 4, may all be included in one and the same Pay-List, in Triplicate, together with the Daily Pay; but for numbers 5, 6, 7 and 8, separate Returns must be made out, in Triplicate, respectively.

It will be observed, that by this arrangement it is, for the convenience of all parties, intended, that the Allowance for Billeting be paid to the Men, not to the Landlords; and the Officers commanding Corps and Detachments, will be held responsible for the due appropriation of the same.

No. 3.

In Detached, or Independent Troops or Companies, to which there is no Pay-master, one of the Officers will be appointed to act as such, who will be entitled to remuneration, not exceeding One Shilling per diem.

Forms of Pay-Lists can be procured at the different Commissariat Offices.

No. 4.

It is particularly desired, that all Claims and Accounts payable out of the Military Chest, be furnished in Triplicate, upon Foolscap Paper; and that, whenever such claims arise, they may be forwarded, *with as little delay as possible*, as the Lieutenant Governor wishes the settlement of the same to be expedited, as far as practicable.

By Command.

PROCLAMATION.

By His Excellency Sir George Arthur, K.C.H.
Lieutenant Governor of the Province of Upper Canada, and Major General Commanding Her Majesty's Forces therein, &c. &c. &c.

WHEREAS the dangerous and wicked conspiracies, and secret designs of a lawless and desperate band of traitors, and public enemies, against the peace and security of this Province, and its Inhabitants, has been, by the merciful interposition of Divine Providence, laid open and discovered, and a timely opportunity for preparation and defence has thus been mercifully afforded: And Whereas, a daring and atrocious invasion of a part of our Frontier has lately been repelled, not without the loss of valuable lives, and the suffering of severe public calamity; but yet with the almost entire destruction or capture of the hostile Force, engaged in this treacherous and flagitious enterprise.

And Whereas so signal a deliverance from one of the greatest calamities that can befal a country, whilst it naturally excites in the breast of the reflecting and pious Christian, sentiments of the most lively Gratitude and Praise to Almighty God, for His transcendent goodness and mercies, ought at the same time to inspire him with deep Sorrow and Contrition for those manifold offences against his Heavenly Benefactor, which he will justly regard as the principal cause of our having been recently placed in a situation of such peril and danger: I Have, Therefore, thought fit, by and with the advice of the Executive Council of this Province, to appoint FRIDAY, the FOURTEENTH of this month, to be a day of PUBLIC FASTING AND HUMILIATION, to be devoutly and religiously observed and spent by all Her Majesty's Loyal Subjects in Upper Canada, in unfeigned penitence for our numerous transgressions, and in fervent prayer and supplications to the Benevolent Ruler of the Universe, for the continuance of His gracious favour, protection and support: earnestly imploring Him to guard us alike from the machinations of Domestic Traitors, and Foreign Foes; to heal all our external and internal dissensions; and for our Divine Redeemer's sake, by the guidance of His Holy Spirit, to enable us, as a religious and united People, to amend whatever has heretofore been wrong in our conduct, and to serve Him faithfully for the time to come.

Given under my Hand, and Seal at Arms, at the Government House, in the City of Toronto, in the Province of Upper Canada, the Third day of December, in the year of our Lord One Thousand Eight Hundred and Thirty-eight, and in the Second year of Her Majesty's Reign.

From the Upper Canada Gazette Extra. of Tuesday 4th Dec.

PROCLAMATION.

By His Excellency SIR GEORGE ARTHUR, *K. C. H. Lieutenant Governor of the Province of Upper Canada, and Major General Commanding Her Majesty's Forces therein, &c. &c. &c.*

WHEREAS the dangerous and wicked conspiracies, and secret designs of a lawless and desperate band of traitors, and public enemies, against the peace and security of this Province, and its Inhabitants, has been, by the merciful interposition of Divine Providence, laid open and discovered, and a timely opportunity for preparation and defence has thus been mercifully afforded: AND WHEREAS, a daring and atrocious invasion of a part of our Frontier has lately been repelled, not without the loss of valuable lives, and the suffering of severe public calamity; but yet with the almost entire destruction or capture of the hostile force, engaged in this treacherous and flagitious enterprise.

AND WHEREAS so signal a deliverance from one of the greatest calamities that can befal a country, whilst it naturally excites in the breast of the reflecting and pious Christian sentiments of the most lively GRATITUDE and PRAISE to ALMIGHTY GOD, for His transcendent goodness and mercies, ought at the same time to inspire him with deep SORROW and CONTRITION for those manifold offences against his Heavenly Benefactor, which he will justly regard as the principal cause of our having been recently placed in a situation of such peril and danger: I HAVE, THEREFORE, thought fit, by and with the advice of the Executive Council of this Province, to appoint FRIDAY, the Fourteenth of this month, to be a day of PUBLIC FASTING & HUMILIATION, to be devoutly and religiously observed and spent by all Her Majesty's Loyal Subjects in Upper Canada, in unfeigned penitence for our numerous transgressions, and in fervent prayer and supplications to the Benevolent Ruler of the Universe, for the continuance of His gracious favour, protection and support: earnestly imploring Him to guard us alike from the machinations of Domestic Traitors, and Foreign Foes; to heal all our external and internal dissensions; and for our Divine Redeemer's sake, by the guidance of His Holy Spirit, to enable us, as a religious and united people, to amend whatever has heretofore been wrong in our conduct, and to serve Him faithfully for the time to come.

Given under my Hand and Seal at Arms, at the Government House, in the City of Toronto, in the Province of Upper Canada, the Third day of December, in the year of our Lord one thousand eight hundred and thirty-eight, and in the second year of Her Majesty's Reign.

To His Excellency SIR GEORGE ARTHUR, K. C. H., *Lieutenant Governor of the Province of Upper Canada, and Major General Commanding Her Majesty's Forces in said Province.*

SIR,

WE, Her Majesty's dutiful and loyal Subjects, the Scotch Inhabitants of the Townships of Lobo and London, beg to approach the Representative of our beloved Monarch, with an assurance of deep devotion to Her Majesty's Person and Government.

Since, by our Union with England, Great Britain became one Nation, our Sovereign has had none more faithful than us: and that sentiment, so far from being weakened by our emigration from the Home of our Fathers, is rendered much more intense, as the last remaining tie between us and the land of our birth, is the living under the same Sovereign and Constitution.—Never shall that sacred tie be severed whilst we breathe to maintain it.

We, Sir, are peaceful Farmers, and our fervent prayer is, that the horrors of war may be averted from us; but should a Brigand or Traitor Standard pollute the free air of this Province, we will not prove unworthy descendants of the brave Scots, who have fought and conquered, beneath the meteor flag of Britain, on many a triumphant field.

The declaration of Your Excellency's views on the Church question, has inspired our hopes, that Your Excellency will recommend such a course of policy as will remove the disadvantages under which we labour. We cannot but place implicit dependence on the plighted faith of a gallant Officer, sent here by our Gracious Queen, as Her Representative.

Allow us to thank you, Sir, for the kind and affectionate manner in which Your Excellency has been pleased to address us in a Proclamation, which, we trust, has given as much pleasure to our fellow Subjects throughout the Province as it has to us; and to assure Your Excellency, that we will, by all Constitutional means in our power, support an Administration which, from the sentiments expressed by Your Excellency, will, we trust, be the means, under Divine Providence, of restoring peace and prosperity of this Colony.

(Signed) D. MACKENZIE, *J.P.*
And 95 others.

Lobo, 24th Nov'r. 1838.

GOVERNMENT HOUSE,
Toronto, 30th Nov. 1838.

SIR,

I have had the honour to lay before His Excellency the Lieutenant Governor, the patriotic and fervent Address from yourself, and the other Scotch Inhabitants of the Townships of London and Lobo, which you transmitted to me on the 24th instant.

His Excellency could entertain no doubt that, at any moment of real danger, it would be made sufficiently evident by deeds, that the Scottish character had not degenerated on Canadian soil; that, in fact, the same love of Country, and the same noble qualities which distinguished Scotchmen in former days have lost none of their lustre in their descendants.

Had any assurance on these points been required, it would have been fully supplied by the recent triumphant march of the Regiments of Glengarry and Stormont Militia, to suppress Rebellion in Lower Canada, and by the gallant behaviour of the Scotchmen who contributed to the defeat and capture of the American invaders of their Country, at Prescott.

His Excellency directs me to express his gratification at witnessing the success which has already attended his earnest desire to allay religious dissension in this Colony, and to assure the loyal Scottish Inhabitants of Lobo and London, that the confidence which they have freely reposed in His Excellency's intention to protect them in the full enjoyment of their civil and religious rights and liberties, shall not be disappointed.

United amongst themselves, against a lawless and rapacious foe, the people of Upper Canada will find, in their very concord, a strong defence against the dangers which the Inhabitants of Lobo and London have, on their parts, declared themselves ready to encounter in the cause of their Queen, and the Constitution; and in the maintenance of that happy connection between Great Britain and Canada, which, originally achieved by a signal display of British heroism, depends for its permanence, chiefly, on the unfailing courage and loyalty of Her Majesty's Subjects, without distinction of origin or of party, in this valuable Colony.

I have the honour to be,
Sir,
Your most obedient,
Humble Servant,
(Signed) JOHN MACAULAY.

HIS Excellency the Lieutenant Governor, with reference to the General Order of the 21st inst. is much concerned that through a misapprehension on the part of the Adjutant General of Militia, the Troop of Cavalry under the command of Captain Gapper, should have been put to much unnecessary inconvenience, in being called into active service for a period of six months, whereas it was only intended for service of a temporary nature. His Excellency is therefore, with much concern and deep regret, under the necessity of rescinding the aforesaid Order. At the same time His Excellency trusts that Captain Gapper will explain to his Officers and Men, that should the exigencies of the Service require any augmentation to the Cavalry Force in the Home District, their Troop shall be the first to be called upon, His Excellency feeling assured, that their services will be at all times cheerfully rendered in the defence of the Country.

PROCLAMATION.

By His Excellency SIR GEORGE ARTHUR, *K. C. H. Lieutenant Governor of the Province of Upper Canada, and Major General Commanding Her Majesty's Forces therein, &c. &c. &c.*

WHEREAS the dangerous and wicked conspiracies, and secret designs of a lawless and desperate band of traitors, and public enemies, against the peace and security of this Province, and its Inhabitants, has been, by the merciful interposition of Divine Providence, laid open and discovered, and a timely opportunity for preparation and defence has thus been mercifully afforded: AND WHEREAS, a daring and atrocious invasion of a part of our Frontier has lately been repelled, not without the loss of valuable lives, and the suffering of severe public calamity; but yet with the almost entire destruction or capture of the hostile force, engaged in this treacherous and flagitious enterprise.

AND WHEREAS so signal a deliverance from one of the greatest calamities that can befal a country, whilst it naturally excites in the breast of the reflecting and pious Christian sentiments of the most lively GRATITUDE and PRAISE to ALMIGHTY GOD, for His transcendent goodness and mercies, ought at the same time to inspire him with deep SORROW and CONTRITION for those manifold offences against his Heavenly Benefactor, which he will justly regard as the principal cause of our having been recently placed in a situation of such peril and danger: I HAVE, THEREFORE, thought fit, by and with the advice of the Executive Council of this Province, to appoint FRIDAY, the Fourteenth of this month, to be a day of PUBLIC FASTING & HUMILIATION, to be devoutly and religiously observed and spent by all Her Majesty's Loyal Subjects in Upper Canada, in unfeigned penitence for our numerous transgressions, and in fervent prayer and supplications to the Benevolent Ruler of the Universe, for the continuance of His gracious favour, protection and support: earnestly imploring Him to guard us alike from the machinations of Domestic Traitors, and Foreign Foes; to heal all our external and internal dissensions; and for our Divine Redeemer's sake, by the guidance of His Holy Spirit, to enable us, as a religious and united people, to amend whatever has heretofore been wrong in our conduct, and to serve Him faithfully for the time to come.

Given under my Hand and Seal at Arms, at the Government House, in the City of Toronto, in the Province of Upper Canada, the Third day of December, in the year of our Lord one thousand eight hundred and thirty-eight, and in the second year of Her Majesty's Reign.

TORONTO, December 10th, 1838.

DISTRICT GENERAL ORDER.

His Excellency Major General Sir George Arthur, feels much pleasure in communicating to the Regular Forces, and Militia, the gratifying information received by him, from the Western Frontier.

A large body of Pirates and Brigands, belonging to the hostile combination in the neighbouring Country, which has, of late, so much disturbed the peace of this Province, after assembling in the neighbourhood of Detroit, and shewing themselves at different points in the vicinity, at length had the hardihood to effect a landing near Windsor, about three miles from Sandwich, on the morning of the 4th instant; where they immediately commenced their work of destruction, by burning a Steam-boat called the "Thames," and a House, used as a Barrack; making prisoners a small, but gallant party of Militia, quartered therein—who, in defending themselves against the attacking Banditti, shot their Leader, and eventually effected their escape.

During the short time the Brigands remained unmolested at Windsor, they used every effort, in vain, to induce the inhabitants to join them; and murdered one man, upon his refusal to take up arms against his Country.

Staff Assistant Surgeon Hume, a most worthy and meritorious Officer, was also inhumanly murdered by the same body; although quite unarmed, and without offering them the slightest resistance.

On the intelligence of these outrages reaching Sandwich, the brave and gallant Militia lost no time in assembling; and, under the command of Colonel Prince, a spirited attack was forthwith made upon this wicked and inhuman Banditti, who fled with precipitation to the woods, leaving behind them Twenty-six of their number killed, and Twenty-five Prisoners. Several more of this Band of Murderers have since been captured; and from the inclemency of the season, there is every reason to conclude that the remainder will be taken, or must perish in the woods.

It affords His Excellency the Lieutenant Governor, sincere pleasure to notice the unanimity and alacrity displayed by the Militia, in which the Inhabitants, whether of British or Canadian origin, vied with each other in zeal and intrepidity, in attacking and defeating this Band of Ruffians; as well as in performing the harrassing duty of guarding the portion of the Frontier left to their charge.

To Captain Broderick, and the Detachments of the Royal Artillery, and 34th Regiment, from Amhersburgh, much praise is due, for their alacrity and zeal.

Of Captains Bell, Sparke, Leslie, Thebo, Elliott, and the Militia under their Command, as well as of many Gentlemen of Sandwich, who assisted in the attack and defeat of the invading force, Colonel Prince makes honourable mention; and to those Officers, as well as to the other Officers and Men engaged, His Excellency returns his sincere thanks.

These facts, in addition to the complete overthrow of the Invading Force at Prescott, cannot fail to undeceive the criminal accomplices who remained behind their piratical associates, on the American shore, of the utter hopelessness of their attempts either to intimidate or corrupt the Faithful and Loyal people of Upper Canada: and if we have to appeal in vain to their feelings, and to the laws of both Nations, which they so unjustly violate, in making unprovoked war upon this Province, common prudence, it may be hoped, will prevent their exposing themselves to the defeat and ignominious punishment which have hitherto attended their atrocious and infatuated attempts to invade Upper Canada.

It is pleasing to His Excellency the Lieutenant Governor, and Major General Commanding, to announce, that the loss of Her Majesty's Subjects, with the exception of the victims of the murders before stated, has been very small; only two Men being Killed, and two Slightly Wounded, in the pursuit of the enemy.

By Command.

C. FOSTER,
Colonel.

TORONTO, THURSDAY, DECEMBER 13, 1838.

To His Excellency SIR GEORGE ARTHUR, K.C.H.,
Lieutenant Governor of the Province of Upper Canada, and Major General Commanding Her Majesty's Forces therein, &c. &c. &c.

MAY IT PLEASE YOUR EXCELLENCY:

WE, the Mayor and Common Council of Her Majesty's loyal City of Toronto, respectfully thank Your Excellency, for ourselves and on behalf of the Inhabitants of this City, for the sagacity and untiring watchfulness displayed by Your Excellency, for the preservation of this Province against the secret plots and wicked machinations of a licentious and rapacious enemy.

We find, from the results of Your Excellency's policy, that Your Excellency, disregarding alike hollow professions of amity, and the treacherous quiet of the neighbouring Frontier, has been quietly tracing the progress and organization of a Foe, who worked in darkness, and who hoped to overwhelm a peaceful and unprepared Country, but who have been hitherto frustrated and disconcerted by the discovery, that, although the functionaries of Government, and the respectable members of society in a neighbouring Country, were blinded and deceived by the silence and secrecy of the conspirators, Your Excellency has considered their silence as ominous of evil, and penetrated the dark veil under which they hid their wretched designs.

We cannot believe but that however willing many unprincipled and rapacious men may be to come into this Province, and share in the plunder of its loyal inhabitants, their audacity would not have arisen to such a pitch had they not deceived themselves into the belief that they would have been joined in this Province by numbers of its people, who would assist in the destruction of their fellow Subjects, and in the overthrow of the Government of the Country.

We assure Your Excellency that, notwithstanding our confidence in the result wherever Her Majesty's brave Soldiery and loyal Militia should meet the enemy in arms, we feel deeply that the Commercial and Agricultural interests of this Province are suffering to an intolerable extent, by the state of disquietude and alarm kept up by the inimical portion or the people on the American Frontier; and we further believe, that any statement which would encourage the population to the belief that they have numerous friends in Upper Canada, ready to assist in the accomplishment of their nefarious designs, is alike injurious to the interests of the well-disposed Citizens of the United States, and the Upper Canadians—and has a direct tendency to destroy the peaceful relations which subsist between the American and British Nations.

It is, therefore, with great surprise and regret, that we observe that the President of the United States has, in a Proclamation lately issued, chosen positively to make the following statement:

"And whereas, disturbances have actually broken out anew in different parts of the two Canadas."

This statement is so utterly contrary to the fact, as regards the Province of Upper Canada, and is so full of the evil tendency of which we complain, and contains so much to excuse the barbarous inroads lately made into the Province, that we are desirous it should receive public contradiction. We are satisfied Your Excellency could have made no official communication, upon which the assertion of new disturbances in Upper Canada could be founded; and we believe, that since the suppression of the insurrection in the past winter, that this Province has continued in a state of apparently profound peace, unless when invaded from the United States of America. We also see that thousands of our fellow Subjects are voluntarily in arms, to repel these invaders, and a large force of Her Majesty's Troops are retained in the Province for the same purpose, and *no other*; and we are therefore desirous, for the sake of the loyal character of the Upper Canadians, as well as to undeceive those invaders who may be led to expect assistance in Upper Canada, and for the purpose of preserving the peace which is so essential to public prosperity, that the actual truth should be stated, coming from the highest authority.

We, therefore, humbly pray Your Excellency to inform us, for the satisfaction of our fellow-citizens, if consistent with the public service, if any facts have come to Your Excellency's knowledge, or any occurrences taken place in Upper Canada, which would warrant the proclamation, by the President of the United States, "that disturbances have actually broken out anew in different parts of the two Canadas."

JOHN POWELL,
Mayor.

Council Chamber,
Toronto, Dec'r. 10, 1838.

To which His Excellency was pleased to make the following

REPLY:

Mr. Mayor, and
Gentlemen of the Corporation:

Your Address, conveying, as it does, in the most forcible and flattering terms, your approbation of the measures pursued by me, under the novel and very trying circumstances in which the Government of this Province has, for some time past, been placed, is peculiarly gratifying to my feelings.

The favourable opinion of so respectable a body of the enlightened and influential Inhabitants of the City of Toronto, must ever be highly prized by me; but many considerations concur to give it additional value at the present eventful crisis.

I beg leave, therefore, to offer to you, and through you, to tender to the other Inhabitants of Toronto, my sincere and cordial thanks for the confidence now expressed in the recent acts of my Administration.

Apprised of the existence of numerous and formidable Associations in many parts of the United States of America, for the purpose of overrunning the Canadas, or, if that were found impracticable—of plundering them, I had immediate recourse to those defensive preparations which seemed best calculated to arrest the threatened danger, or effectually to repel it, should it actually arise; and though my measures did not wholly succeed in deterring the Brigands from their meditated design of invading our Frontier, I have yet the great satisfaction of knowing that their plans have in several instances been counteracted, and the nefarious invasions which have actually taken place, have resulted in the defeat, disgrace, and almost total destruction of the banditti engaged in them; whilst they have afforded to our gallant Militia fresh opportunities for the display of that bravery and fervent attachment to their Civil Institutions, of which they had previously given the most convincing proofs.

It is, as you justly observe, most probable that, however willing many unprincipled and rapacious men may have been to come into this Province, and to share in the plunder of its inhabitants, they would hardly have ventured to embark in so hazardous an undertaking, had they not deceived themselves with the *expectation of being joined by numerous disaffected persons in it*; and, under this view of the subject, it is doubly gratifying to reflect, that they have not, in fact, been joined by a solitary individual.

This signal disappointment of their hopes, leads irresistibly to one of the two following inferences: either, *there is much less disaffection in the Province than they would have it believed*—or, as is frequently the case among associates in crime—*promises have not been kept between the conspirators.*

Whichever of these inferences we may adopt as the just one, it supplies matter for the greatest congratulation to all the lovers of peace, and opens a cheering prospect of the early return of this Province to a state of security and tranquillity.

In answer to your inquiry, "Whether any facts have come to my knowledge, or any circumstances taken place in Upper Canada which would warrant the assertion in the Proclamation of the President of the United States, that disturbances had broken out anew in different parts of the *two* Canadas!" I unhesitatingly reply, that *I am not aware of any.* And so much struck was I with the inaccuracy of this allegation, that I did not fail to invite the early attention of Her Majesty's Minister at Washington to it, for the purpose of informing the Government of the United States of the very material mistake into which the President had been drawn; a mistake certainly of no slight importance, as furnishing some kind of pretext, however unjustifiable that pretext may be, for the interference of the citizens of the Union in the affairs of this Province, and by consequence tending in some degree to lessen the enormous turpitude of their conduct.

Judging, however, from the general language and tone of that Proclamation, I am disposed to give the President entire credit for a desire to suppress the lawless aggressions of a portion of the American population; and to maintain the relations of amity which have happily for a long time past subsisted between the two Nations; and I have no difficulty whatever in ascribing the mistake into which the President has unquestionably fallen, to the false and scandalous misrepresentations of the situation of this Province, and of the spirit which pervades it, willfully propagated throughout the States by a licentious portion of the Press.

To the same cause, I likewise am willing to attribute the delusions which have been practised on many American citizens, who can scarcely be supposed to have been influenced by the detestable motives of rapine which it has now been plainly brought to light have governed the mass of the Brigands, and who appear to have been drawn into a disgraceful connection with them, by giving credit to many calumnious aspersions on the conduct of Great Britain towards Her Majesty's Canadian Subjects, and by a totally erroneous idea of the disposition and sentiments of the Inhabitants of this Province.

Since, then, the delusion must quickly yield to the irresistible voice of truth which "*trumpet-tongued*" now proclaims the bulk of our population to *be deeply attached to their Constitution, and devotedly loyal to their Sovereign*, it is reasonable to hope that the better class of American citizens will hasten to withdraw themselves from the unhallowed enterprise to which they have rashly lent aid, and that the lawless Banditti, on being deprived of that aid, to stir up insurrection and to plunder the inhabitants of Upper Canada, which they ought never to have received, will become incapable of inflicting on this Community any further injury.

I seize upon this opportunity again to urge my most anxious desire, that the spirit of forbearance which has been observed by the Government throughout this tragedy may be followed by the whole body of the people, and that whilst the Banditti that have fallen into our hands are made to answer to the offended Laws of the Province, you will leave it to your Queen and to your Country to redress those great wrongs, which I am persuaded all Europe will assert have been done to the peaceful inhabitants of Upper Canada, and which, it is my conviction, the respectable citizens of the United States must now look upon with abhorrence, and regard as a most flagrant violation of their own constitutional principles.

GEO. ARTHUR.

To His Excellency Sir George Arthur, K.C.H.
Lieutenant Governor of the Province of Upper Canada, &c. &c. &c.

May it Please Your Excellency:

We, the undersigned, Canadians of French origin, now residing in the City of Toronto, and its environs, beg to assure Your Excellency of our devoted attachment to the British Empire, and of our determination to maintain its supremacy in this Province, by every means within our power.

With surprise, and indignation, we have beheld the people of a neighbouring Country, in the midst of profound peace, trampling on all the usages of nations, and plundering and murdering our unoffending fellow Subjects. This lawless conduct is now no longer confined to a few insignificant Citizens, but seems to be shared in by the great mass of the Inhabitants of the American frontier Counties. We therefore deem it our duty to come forward as a body, and to tender to Your Excellency, on behalf of our beloved Queen, our services and our lives, in vindication of Her outraged rights.

We have enjoyed the blessings of the purest freedom under the British Crown, and gratitude and interest alike impel us to take up arms in its defence.

We repose unlimited confidence in Your Excellency's Administration of this Province; and, while guided by Your prudent and energetic counsels, entertain no apprehensions as to the result of any contest, into which we may be plunged by the wickedness of our neighbours.

We have deputed Raymond Baby, Esquire, and Mr. Paul L'Eveque, to approach Your Excellency on our behalf, and respectfully to declare these our sentiments.

Presented by Raymond Baby, and Paul L'Eveque.

His Excellency's Reply.

Gentlemen:—I receive with satisfaction the Address you have presented to me, on behalf of the Canadians of French origin residing in this City, and its environs, assuring me of their devoted attachment to the British Empire, and of their determination to maintain its supremacy in Upper Canada, by every means within their power.

This declaration of their sentiments is the more to be appreciated, as it affords a pleasing contrast to the conduct of a portion of the Canadians of French origin dwelling in the Lower Province: the effects of which, as manifested in two recent instances, have recoiled so fearfully, yet so justly, on themselves, and the instigators of their guilt.

It would, indeed, be matter of surprise if any individuals of this community, of whatever race or origin, in reality imbued with the patriotic and loyal feelings expressed by those whom you represent, could behold the invasion of the land of their nativity or adoption, at a period of profound peace, by bands of lawless Foreigners from a professedly friendly State—the slaughter by them of their fellow subjects, and the devastation of their property, without the utmost indignation.

I desire to thank the parties signing the Address, for the ready offer of their services, in vindication of the outraged rights of our most Gracious Sovereign. I shall gladly avail myself of them in case of need; but it is my sincere and earnest hope, that no circumstances of future emergency may necessitate their being called into active operation.

To the acknowledgment contained in the Address, that the subscribers to it have enjoyed the blessings of the purest freedom under the British Crown, and that gratitude and interest would alike impel them to take up arms in its defence, I attach the greater value because, independent of the tribute paid by truth to justice, it records a fact, admitting in its leading feature of a rigorous application to the whole body of the Canadians of French origin throughout the two Provinces.

I am much flattered by the assurances which the Address contains, of illimited confidence in my Administration. Its success will be materially promoted by union among ourselves; and I beg to assure you, that it will continue to be my edeavour, as it has always been my wish, to ensure such co-operation, by the adoption of measures conducive to the general interests of the community at large.

ADJUTANT GENERAL'S OFFICE,
Toronto, 10th December, 1838.

MILITIA GENERAL ORDER.

HIS Excellency Major General Sir George Arthur, feels much pleasure in communicating to the Regular Forces, and Militia, the gratifying information received by him, from the Western Frontier.

A large body of Pirates and Brigands, belonging to the hostile combination in the neighbouring Country, which has, of late, so much disturbed the peace of this Province,

after assembling in the neighbourhood of Detroit, and shewing themselves at different points in the vicinity, at length had the hardihood to effect a landing near Windsor, about three miles from Sandwich, on the morning of the 4th instant; where they immediately commenced their work of destruction, by burning a Steam-boat called the "THAMES," and a House, used as a Barrack: making prisoners a small, but gallant party of Militia, quartered therein—who, in defending themselves against the attacking Banditti, shot their Leader, and eventually effected their escape.

During the short time the Brigands remained unmolested at Windsor, they used every effort, in vain, to induce the inhabitants to join them; and murdered one man, upon his refusal to take up arms against his Country.

Staff Assistant Surgeon Hume, a most worthy and meritorious Officer, was also inhumanly murdered by the same body: although quite unarmed, and without offering them the slightest resistance.

On the intelligence of these outrages reaching Sandwich, the brave and gallant Militia lost no time in assembling; and, under the command of Colonel Prince, a spirited attack was forthwith made upon this wicked and inhuman Banditti, who fled with precipitation to the woods, leaving behind them Twenty-six of their number killed, and Twenty-five Prisoners. Several more of this Band of Murderers have since been captured; and from the inclemency of the season, there is every reason to conclude that the remainder will be taken, or must perish in the woods.

It affords His Excellency the Lieutenant Governor, sincere pleasure to notice the unanimity and alacrity displayed by the Militia, in which the Inhabitants, whether of British or Canadian origin, vied with each other in zeal and intrepidity, in attacking and defeating this Band of Ruffians; as well as in performing the harrassing duty of guarding the portion of the Frontier left to their charge.

His Excellency would do injustice to his feelings, were he not to express his warm commendation of the gallant manner in which the French Canadian population joined in the array, to defend their native soil from the polluting tread of Foreign aggressors: neither can he pass over in silence the display of their usual sagacity and gallantry on the part of the Indian Warriors.

The Officers of the Indian Department, will communicate to the Indian Warriors, His Excellency's gracious thanks for the display of those qualities on the occasion alluded to, and especially for their humanity to the captured enemy.

To Captain Broderick, and the Detachments of the Royal Artillery, and 34th Regiment, from Amherstburgh, much praise is due, for their alacrity and zeal.

Of Captains Bell, Sparke, Leslie, Thebo, Elliott, and the Militia under their Command, as well as of many Gentlemen of Sandwich, who assisted in the attack and defeat of the invading force, Colonel Prince makes honourable mention; and to those Officers, as well as to the other Officers and Men engaged, His Excellency returns his sincere thanks.

These facts, in addition to the complete overthrow of the Invading Force at Prescott, cannot fail to undeceive the criminal accomplices who remained behind their piratical associates, on the American shore, of the utter hopelessness of their attempts either to intimidate or corrupt the Faithful and Loyal people of Upper Canada: and if we have to appeal in vain to their feelings, and to the laws of both Nations, which they so unjustly violate, in making unprovoked war upon this Province, common prudence, it may be hoped, will prevent their exposing themselves to the defeat and ignominious punishment which have hitherto attended their atrocious and infatuated attempts to invade Upper Canada.

It is pleasing to His Excellency the Lieutenant Governor, and Major General Commanding, to announce, that the loss of Her Majesty's Subjects, with the exception of the victims of the murders before stated, has been very small: only two Men being Killed, and two Slightly Wounded, in the pursuit of the enemy.

By Command.
