MILITIA GENERAL ORDER.

His Excellency the Lieutenant Governor, has much pleasure in giving promulgation to the following Despatch, from the Right Honorable the Secretary of State, expressive of Her Majesty's high sense of the zeal and enthusiasm with which the Militia of this Province came forward for the suppression of the late insurrection.

By Command.

RICHARD BULLOCK,
48-s *Adjutant General, Militia.*

Downing Street,
30th January, 1838.

Sir,

I have received and have laid before the Queen, Sir Francis Head's Despatch of the 19th December last, (No. 132,) reporting the recent events which, up to that date, had occurred in the Province of Upper Canada.

Her Majesty has learned with the deepest regret, that at a moment of profound tranquillity, and in the absence even of any plausible pretext for resistance to lawful authority, an attempt should have been made to effect an insurrectionary movement, and to attack the loyal and peaceable inhabitants of the City of Toronto.

Her Majesty however has observed with peculiar satisfaction, the zeal and enthusiasm with which the Militia of the Province came forward, unsupported by the presence of any of Her Majesty's Regular Troops, for the suppression of revolt, the protection of property, and the defeat of the interested designs of a few disaffected individuals.

Highly as Sir Francis Head had estimated the attachment of the people of Upper Canada to Great Britain, it is evident that he had not over-rated their sentiments in this respect, but that he was fully justified in placing the strongest reliance on their fidelity and loyalty.

The energy and decision evinced by Sir Francis Head, and the Militia of Upper Canada, after the first appearance of open disturbance, have received the Queen's high commendation; and Her Majesty has been pleased especially to notice the gallantry and activity of Colonel Allan MacNab, the Speaker of the House of Assembly: to that Officer, and to the Militia of Upper Canada generally, Her Majesty has commanded me to direct that you will communicate Her thanks for the zeal which they have displayed on this occasion.

I have, &c.

(Signed) GLENELG.

His Excellency Sir George Arthur,
&c. &c. &c.

4. The Chief Engineer, or in his absence, the senior Assistant Engineer, shall in all cases of fire have the sole and absolute control and command over all the Engineers and other persons of the Fire Department: and it shall be the duty of the said Chief Engineer, or in his absence the senior Assistant Engineer, to direct the other Engineers to take proper measures that the several Fire Engines be arranged in the most advantageous situation, and be duly worked for the effectual extinguishing of fires; and it shall moreover be the duty of the Chief Engineer, or in his absence the senior Assistant Engineer, to examine twice a year, or oftener if necessary, into the condition and number of the Fire Engines, Fire Buckets, and other Fire apparatus, and Fire Engine-houses, belonging to the Corporation, and report the same once a year, or oftener if necessary, to the Common Council, together with the names of all the Members of the Fire Department, and the respective Associations to which they belong; and whenever any of the said Fire Engines, or other Fire apparatus, shall require to be repaired, the Chief Engineer, or in his absence, the senior Assistant Engineer, under the direction of the Committee on Fire and Water, shall cause the same to be well and sufficiently done: And it shall

7. For the good government of the said Fire Companies, the Firemen shall have power to frame such By-Laws as they may think prudent and proper: provided such By-Laws are not repugnant to the general laws of this City and the Province: and provided also, that a certified copy of such By-Laws shall be transmitted, upon their adoption, to the Clerk of the Common Council of the said City.

8. It shall be lawful for the Captain or Officer in command of any Fire Engine or Apparatus, or for any Member of the Common Council, to require the aid of any citizen or inhabitant in drawing such Engine or Apparatus to the Fire, or to any place near or about the said Fire; and on neglect or refusal to comply with such requisition, the offender, upon conviction, shall forfeit the sum of five shillings.

9. 12. To insure the utmost promptitude in furnishing water at Fires, the following premiums shall be awarded to Licensed Carters, or others, by the Engineer, viz.:

SUPPLEMENT TO THE

Upper Canada Gazette.

GOVERNMENT HOUSE,
11th April, 1838.

ANSWER

Of HIS EXCELLENCY THE LIEUTENANT GOVERNOR, to an Address presented to him on his assuming the Government of the Province, and praying for a merciful consideration of the cases of offenders convicted of High Treason.

THE LIEUTENANT GOVERNOR has great satisfaction in receiving from so many of the Inhabitants of West Flamborough, and the adjacent Townships, their congratulations on his arrival in this Colony.

The Lieutenant Governor feels that the occasion of offering these congratulations, is not an inappropriate one for an Address praying for the extension of the Royal Prerogative of Mercy. But the Lieutenant Governor is obliged to say, that however grateful to his feelings the universal exercise of mercy would be, an imperative, but very painful sense of public duty, forces him to draw a line, beyond which interference with the course of Justice, cannot properly be carried.

The crime of High Treason is one which strikes at the foundation of all civil society, and is calculated, above all others, to bring in its train the most grievous outrages which can afflict a community: it is, therefore, in the wisdom of the British Legislature made to rank the highest in degree of guilt, and as most deserving of extreme penalty.

When a resort to the use of deadly weapons is determined upon, and the lives of the innocent are in consequence sacrificed, the Lieutenant Governor feels that the Law properly attaches the guilt of blood to the fact of the first resort to arms; and that it would be in vain to endeavour to vindicate the Law, or to hope for the preservation of the public peace, were this principle not acted upon, as well as inculcated.

In the late revolt, some of the unhappy Convicts were Leaders of others, who, with their assent and by their command, took up deadly weapons for the execution of an unlawful purpose: the consequence has been Murder, Burning and Robbery; and the limited extent to which these crimes have been committed, is to be attributed to the mercy of Divine Providence, and the loyalty and bravery of Her Majesty's dutiful and attached Subjects—not to the repentance or forbearance of the Insurgents.

The Lieutenant Governor thinks it necessary that the community should understand, that the blood of the innocent must not be shed, and hope of impunity to the offender at the same time indulged. The Law must be respected; and a course which would seem to question the wisdom of the Legislature in the classification of crime, and in prescribing the extent of punishment for crime, ought not to be considered as a proper exercise of the Royal Prerogative of Mercy.

The Lieutenant Governor, therefore, is most reluctantly obliged to say, in answer to the Address, that he cannot interfere with the course of Justice in all cases arising out of the late Rebellion.

As punishment is, however, intended for example, and the prevention of crime, and not to gratify resentful feelings, the Lieutenant Governor has great pleasure in assuring the Subscribers to the Address, that it will be his most anxious care to restrain the infliction of the extreme penalty of the Law within the narrowest bounds, and to temper Justice with Mercy in all cases, as far as a due regard to the ends of Justice and public security will allow.

28. *And be it further enacted by the authority aforesaid*, That if any person shall wilfully stop up any road or roads in any township, or shall pull down or destroy any fence, railing or guard, that shall have been erected along any water, bridge or precipice, for the safety of travellers, or any guide or finger-post, such person or persons so offending shall forfeit and pay, on conviction, for every such offence, a sum not less than five shillings, nor more than five pounds, to be recovered in the manner provided by the preceding clause of this Act; or in case any tree or trees shall be cut down in, or fall out of any enclosed land or other lands which shall be occupied by a resident settler, in such a way as to obstruct any public road or highway, or any other thing which may be represented as a nuisance, the owner or occupier of such land shall remove the same within twenty-four hours after notice received of such obstruction, under the penalty of ten shillings for every day the obstruction shall continue, the penalty to be recovered in like manner as aforesaid.

29. *And be it further enacted by the authority aforesaid*, That from and after the passing of this Act, any person who is not assessed more than twenty-five pounds, and who, by reason of age, sickness, numerous family, or misfortune, may be in poor and indigent circumstances, may apply to the Town Wardens for the township in which such person resides, and the said Town Wardens, on such application, having first notified the Overseer acting for the division in which such person resides, to appear on the part of the public, shall enquire into the situation and circumstances of the person making such application, the said Town Wardens may exempt such person from the performance of the whole or part of his statute labor upon the highways for the year, and give him a certificate to that effect, which shall be the Overseer's acquittance for the work.

or otherwise the name of any person which should have been inserted in the assessment roll shall be omitted, such person shall be liable to work on the highways in the township in which they reside, in the same proportion as if no such omission had taken place; and the Overseer is hereby authorised and required to insert on his road list, for labor, any such person as may come into the township to reside after the assessment roll has been taken for the year, and to call them out to perform statute labor in the same manner as other persons who reside in the township: *Provided always*, that immigrant labourers shall have resided full six months in this Province.

31. *And be it further enacted by the authority aforesaid*, That the Overseers of each and every township shall severally make out a true list or account of all persons within their respective divisions who are liable to work on the highways, and of the labor done or unperformed by any person liable to perform or compound for the same, and also of all monies that may come into his hands by virtue of his office, and of the expenditure or payment of the same, which list and account shall be subscribed by such Overseer, and delivered, verified upon oath, which oath any Magistrate of the district is hereby authorised to administer, to the Township Clerk, on or before the first day of September in each and every year; and the said account shall be examined by the said Clerk, for the purpose of being placed with the records of the township; and it shall be the duty of the said Township Clerk, on or before the first day of December in each and every year, to furnish the Magistrates of the division with the names of the Overseers of roads who shall not have so rendered their account for the current year, in order that the said Overseers of highways may be called upon for their accounts; and every Overseer of roads who shall neglect to render his account as aforesaid, shall be liable to the same penalty, to be recovered in the same manner as provided by this Act, for persons refusing to take the oath or declaration of office.

COURT OF PROBATE,
Upper Canada,
City of Toronto, } to wit:

WHEREAS application in writing hath been duly made to the Judge of the Court of Probate, by William Duncan Taylor, of Burford, in the District of London, ———, setting forth, that on the thirty-first day of August, one thousand eight hundred and twenty-two, a certain William Taylor, then residing in Landen County, State of Virginia, in the United States, departed this life, possessed of considerable real and personal estate, leaving by his last will and testament, dated the thirtieth August, one thousand eight hundred and twenty-two, to each of his three Sisters, viz.—Margaret Taylor, Elizabeth Rodgers, and Mary Kee, the sum of two thousand dollars, and having given the above Legacies, and emancipated his Slaves, he devised the residue of his estate, real and personal, to his relative, Robert J. Taylor, of Alexandria, and appointed him the Executor of his said Will: *And whereas*, all of the three Sisters stated above are dead, and the said sums of money have never been paid by the said Executor, Robert Johnston Taylor: *And whereas* by the provisions of the said Will, this Petitioner and his Brothers and Sisters are the legal claimants to the sum of two thousand dollars left to one of the said Sisters, Elizabeth Rodgers, and the legal representatives of a portion of the further sum of two thousand dollars left to Mary Taylor, another of the said three Sisters: *And whereas* three of the Brothers of this Petitioner are Minors, viz.—Frederick Taylor, Henry Taylor, and George Taylor, as also are three of the Sisters of this Petitioner, viz.—Eliza Taylor, Margaret Amelia Taylor, and Jane Taylor, and on that account, as well as from both of their Parents being dead, are deprived from having recourse to a just and legal course of proceeding by which to recover, for their use and benefit, their share of the Legacies so bequeathed, to their great detriment and loss. This Petitioner being one of the elder Brothers of these Minors, and their only natural guardian and protector in this country, prayed that he may, by the said Court of Probate of Upper Canada, be invested with legal authority to sue for, recover, receive, apply and retain, to and for the special use and benefit of the said Frederick Taylor, Henry Taylor, and George Taylor, Eliza Taylor, Margaret Amelia Taylor, and Jane Taylor, and to be appointed their legal Guardian, to so receive from the said Executor, Robert Johnston Taylor, his Executors, Administrators, Assigns or Representatives, whatever sum or sums of money, with interest thereon, as may accrue to the said Minors, under the Will of the said deceased William Taylor, and that this Petitioner is prepared to enter into the usual securities for his proper discharge of said trust and guardianship.

Now public notice is hereby given of such application, as required by the Statute in that case made and provided.

Given under my hand and Seal of the said Court of Probate, in the City of Toronto, this seventeenth day of March, in the year of our Lord one thousand eight hundred and thirty-eight.

By Authority.

GOVERNMENT HOUSE,
6th April, 1838.

HIS EXCELLENCY the LIEUTENANT GOVERNOR, has been pleased to appoint Frederick Thomas Wilkes, Esq'r. to be a Public Notary in this Province.—And to grant to George Gwynne Bird, Gentleman, a license to practise Physic, Surgery and Midwifery, in this Province.

AN ACT to authorise the establishment of Boards of Boundary Line Commissioners within the several Districts of this Province.

[Passed 9th March, 1838.]

WHEREAS the errors or defects in surveys heretofore made within this Province, are found to occasion disputes and differences between individuals, touching the boundaries of townships, concessions and lots, and to involve parties in expensive litigation: *And whereas*, it is expedient to provide a remedy for these evils, by the appointment of Commissioners in every District, with the powers and under the restrictions hereinafter expressed: *Be it therefore enacted*, by the Queen's most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of Great Britain, entitled, "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's reign, entitled, 'An Act for making more effectual provision for the Government of the Province of Quebec, in North America, and to make further provision for the Government of the said Province,'" and by the authority of the same, That from and after the passing of this Act, it shall and may be lawful for the Lieutenant Governor of this Province, to nominate and appoint three fit and proper persons in each and every district of this Province, (one of whom shall be a licensed Surveyor,) to form a Board, to be known by the style and title of "The Boundary Commissioners" of the District for which they shall be so respectively appointed; and the said Commissioners for the time being, shall have power and authority, and are hereby authorised and required to hear and determine all matters of dispute touching any line or lines, boundary or boundaries, of any township, concession or lot, and of any part or parts of any lot or lots within their respective districts, and to ascertain, fix and determine, such lines, boundaries or divisions, as shall appear just and reasonable, and to give and pronounce such judgment and decree therein, and to award execution thereupon for such costs as shall, by the said Commissioners, be ascertained to have been reasonably incurred, against the goods and chattels of all and every the person and persons whom they shall decree to pay the same, as to them or any two of them shall seem just in law or equity; and that the acts, orders, judgments and decrees of the said Commissioners, or any two of them, shall be final and conclusive between the parties, their heirs and assigns, except in cases of appeal, to be brought within the time and in the manner hereinafter mentioned: *Provided always*, that the said Commissioners shall be appointed and hold their office during the pleasure of the Lieutenant Governor, and no longer.

2. *Provided always, and be it further enacted by the authority aforesaid*, That it shall not be lawful for any Commissioner to be appointed under the provisions herein before contained, to act in any case that shall be heard and determined under the provisions of this Act, wherein such Commissioner, his father or mother, brother or sister, or child, or any relation of his wife, in the same degree of consanguinity, shall be directly or indirectly interested; but then and in such case, the place of such Commissioner so interested, by himself or his relatives as aforesaid, shall be supplied by a Commissioner to be selected by the Commissioners of the district wherein such case shall arise, and who shall not be interested therein, from the Commissioners appointed for a district adjoining thereto; and such last mentioned Commissioner shall be duly summoned, and shall be bound to attend the sittings of the Board for the district wherein such case shall arise, and shall have the same powers, in all respects touching such case, as if he had originally been appointed a Commissioner for such district instead of a Commissioner for an adjoining district.

3. *And be it further enacted by the authority aforesaid*, That in all cases which shall arise touching the boundary line between any two or more districts, the Commissioners appointed for each of the districts interested in such case, shall be summoned and required to hear and determine all matters of dispute touching the same; and no decision shall be binding on any district interested therein, unless a majority of the Commissioners to be appointed for each such district shall have been present at every sitting to be holden for the purpose of hearing and determining such dispute; and the acts, orders, judgments and decrees, of such united Board of Commissioners, or the majority of the Commissioners present at such sitting, shall be final and conclusive between the districts interested in such dispute, except in cases of appeal, to be brought within the time and manner hereinafter mentioned.

4. *And be it further enacted by the authority aforesaid*, That the inhabitants of any township or concession, owner or owners of any lot or lots, either in fee or for any less estate of freehold, who shall require redress touching the boundary or boundaries thereof, or any part thereof, shall give notice in writing to any one or more of the Boundary Commissioners of the said district, requiring them to hear and determine the questions affecting the same; and the said Commissioners, or any one or more of them, shall, within ten days from the receipt of such notice, issue a warrant or precept to the person or persons interested in the matter, to attend the said Board, at some place and on some day in the said warrant or precept to be named, not exceeding twenty-one days from the receipt of the said notice, and which said warrant or precept shall be in the words, or to the form and effect set forth in the schedule to this Act annexed.

5. *And be it further enacted by the authority aforesaid*, That the said Commissioners shall, in all cases, hold their sittings at the most convenient spot near to the disputed boundary or boundaries, not in any case exceeding the distance of ten miles from the same.

6. *And be it further enacted by the authority aforesaid*, That whenever any party interested in the matter shall apply for an adjournment, it shall and may be lawful for the said Commissioners, on sufficient reason being shewn to them upon oath, and upon payment of reasonable costs by the party applying for such adjournment, to adjourn the sitting of the said Board, from time to time, and to any day not exceeding twenty days from the day of sitting: *Provided always*, that the decision of every question shall be made within six months from the issuing of the original warrant or precept for hearing the same.

7. *And be it further enacted by the authority aforesaid*, That previous to the hearing of any question, under the provisions of this Act, the said Commissioners shall, if required by any of the parties interested, proceed to and view the boundary or boundaries in dispute, in their own proper persons; and it shall be lawful for them, and they are hereby required, to employ a competent Surveyor to make a survey and map thereof, which map shall be annexed to and filed with their judgment and decisions, as hereinafter provided.

COURT OF PROBATE,

City of Toronto, to wit: } WHEREAS application in writing hath been duly made to the Judge of the Court of Probate, by William Duncan Taylor, of Burford, in the District of London, ———, setting forth, that on the thirty-first day of August, one thousand eight hundred and twenty-two, a certain William Taylor, then residing in Landen County, State of Virginia, in the United States, departed this life, possessed of considerable real and personal estate, leaving by his last will and testament, dated the thirtieth August, one thousand eight hundred and twenty-two, to each of his three Sisters, viz.—Margaret Taylor, Elizabeth Rodgers, and Mary Kee, the sum of two thousand dollars, and having given the above [illegible]cies, and emancipated his Slaves, he [illegible]ved the residue of his estate, real and personal, to his relative, Robert J. Taylor, of Alexandria, and appointed him the Executor of his said Will: *And whereas,* all of the three Sisters stated above are dead, and the said sums of money have never been paid by the said Executor, Robert Johnston Taylor: *And whereas* by the provisions of the said Will, this Petitioner and his Brothers and Sisters are the legal claimants to the sum of two thousand dollars left to one of the said Sisters, Elizabeth Rodgers, and the legal representatives of a portion of the further sum of two thousand dollars left to Mary Taylor, another of the said three Sisters: *And whereas* three of the Brothers of this Petitioner are Minors, viz.—Frederick Taylor, Henry Taylor, and George Taylor, as also are three of the Sisters of this Petitioner, viz.—Eliza Taylor, Margaret Amelia Taylor, and Jane Taylor, and on that account, as well as from both of their Parents being dead, are deprived from having recourse to a just and legal course of proceeding by which to recover, for their use and benefit, their share of the Legacies so bequeathed, to their great detriment and loss. This Petitioner being one of the elder Brothers of these Minors, and their only natural guardian and protector in this country, prayed that he may, by the said Court of Probate of Upper Canada, be invested with legal authority to sue for, recover, receive, apply and retain, to and for the special use and benefit of the said Frederick Taylor, Henry Taylor, and George Taylor, Eliza Taylor, Margaret Amelia Taylor, and Jane Taylor, and to be appointed their legal Guardian, to so receive from the said Executor, Robert Johnston Taylor, his Executors, Administrators, Assigns or Representatives, whatever sum or sums of money, with interest thereon, as may accrue to the said Minors, under the Will of the said deceased William Taylor, and that this Petitioner is prepared to enter into the usual securities for his proper discharge of said trust and guardianship.

Now public notice is hereby given of such application, as required by the Statute in that case made and provided.

From the U. C. Gazette Extra, of 3rd May.

GOVERNMENT HOUSE,
3rd May, 1838.

IN giving publicity to the following Despatch, the Lieutenant Governor avails himself of the opportunity it affords him, of expressing his high sense of the important services reported to him as having been rendered by Colonel MacNab, during the period in which the body of the Militia of Upper Canada, of which he had the command, were employed in suppressing an unnatural and unprovoked Rebellion, and in repelling the foreign Outlaws and Brigands who had attempted its invasion.

His Excellency much regrets that his Honour the Chief Justice has, from motives of the most peculiar delicacy, declined the honour intended to have been conferred on him, as the Lieutenant Governor feels assured that it would have afforded all classes of Her Majesty's Subjects in this Colony the greatest satisfaction, that a mark of Royal approbation had been bestowed on a Public Officer, whose long and arduous services, and whose eminent abilities and integrity in the discharge of his official duties, so fully entitle him to any distinction which his Sovereign might

graciously deem it proper to confer on him.

By command of His Excellency.

No. 42.

DOWNING STREET,
14th March, 1838.

SIR,

I have had the honour to receive Sir Francis Head's Despatch of the 1st February, (No. 14) calling the notice of Her Majesty's Government to the important services of Colonel Allan McNab, and Mr. Chief Justice Robinson, during the late Insurrection in Upper Canada, and suggesting that the honour of Knighthood should be conferred on these Gentlemen.

In my Despatch of the 30th January last, (No. 16) I have already conveyed to you the Queen's gracious approbation of such of Colonel MacNab's services as had at that time been brought under Her Majesty's notice. I have received Her Majesty's commands to express Her high satisfaction at the courage, spirit and ability, which he has displayed in the transactions which have been since reported to me.

Her Majesty will not fail to take into Her favourable consideration, Sir F. Head's suggestion, that some public mark of Her approbation should be bestowed on Colonel MacNab.

I have laid before the Queen, Sir Francis Head's report of the services of Mr. Chief Justice Robinson; and have at the same time had the honour to submit to Her Majesty, that Gentleman's letter, declining the honour solicited for him by Sir Francis Head. I have received Her Majesty's commands to express, through you, to Mr. Robinson, Her approbation of his long and valuable exertions in the service of the Crown, and her sense of the disinterested motives by which his letter of the 6th ultimo, was dictated.

I have, &c.

PROCLAMATION.

UPPER CANADA.

By His Excellency SIR GEORGE ARTHUR, *Knight Commander of the Royal Hanoverian Guelphic Order, Lieutenant Governor of the Province of Upper Canada, Major General Commanding Her Majesty's Forces therein, &c. &c. &c.*

WHEREAS the devoted loyalty of the great body of Her Majesty's Subjects in this Province, enabled the Government to suppress speedily the late wicked Insurrection, into which a number of Her Majesty's Subjects, formerly faithful and well-affected, had been misled by the artifices of unprincipled and designing men: *And whereas*, in accordance with Her Majesty's most Gracious desire, and with the disposition in which Justice is constantly administered under the British Crown, the Offenders have been as mercifully dealt with as a due regard to the future peace of this Province and to the protection of its inhabitants would allow, and after a careful consideration of the charges advanced against those persons who have been imprisoned in the Gaol of the Home District, charged with having been implicated in the Rebellion, and after anxiously weighing the circumstances of each case, and the former character and conduct of the person charged, I have, with the concurrence of the Executive Council for the affairs of this Province, extended pardon and forbearance to many, who will in consequence be still suffered to continue inhabitants of the Colony.

I DO NOW, THEREFORE, call upon all Her Majesty's good and faithful Subjects to unite with the Government in calming, as much as possible, those feelings of indignation and displeasure which the late wicked attempt has so naturally excited, and by the exercise of a kind and generous forbearance, to suffer their misguided fellow Subjects to return as speedily and entirely as may be to the peaceful and confident enjoyment of those blessings, which by their folly and misconduct they had endeavoured to destroy.

AND it is earnestly hoped that all who upon this occasion have experienced the merciful forgiveness of their Government, may hereafter so demean themselves as to shew their just and grateful sense of the Royal clemency—that they may imitate in future the loyal fidelity of those by whose brave and active exertions the late Insurrection was so promptly suppressed; and that by their dutiful obedience to the Laws, and their orderly and inoffensive conduct, they may leave no occasion to their Government or to their fellow Subjects, to regret the lenient course which has been adopted towards them.

AND I DO HEREBY assure all the good and worthy inhabitants of this Province, that Her Majesty is deeply sensible of the excellent conduct which has so honourably distinguished them during the trials to which they have been exposed; and that if ever again their peace shall be disturbed by domestic or foreign enemies, they may rely upon receiving the utmost support of their Sovereign and of the British Nation.

Given under my Hand and Seal at Arms, at Toronto, this fourteenth day of May, in the year of Our Lord one thousand eight hundred and thirty-eight, and of Her Majesty's Reign the first.

By Command of His Excellency.

WHEREAS application in writing hath been duly made to the Judge of the Court of Probate, by William Duncan Taylor, of Burford, in the District of London, ———, setting forth, that on the thirty-first day of August, one thousand eight hundred and twenty-two, a certain William Taylor, then residing in Landen County, State of Virginia, in the United States, departed this life, possessed of considerable real and personal estate, leaving by his last will and testament, dated the thirtieth August, one thousand eight hundred and twenty-two, to each of his three Sisters, viz.—Margaret Taylor, Elizabeth Rodgers, and Mary Kee, the sum of two thousand dollars, and having given the above Legacies, and emancipated his Slaves, he devised the residue of his estate, real and personal, to his relative, Robert J. Taylor, of Alexandria, and appointed him the Executor of his said Will: *And whereas,* all of the three Sisters stated above are dead, and the said sums of money have never been paid by the said Executor, Robert Johnston Taylor: *And whereas* by the provisions of the said Will, this Petitioner and his Brothers and Sisters are the legal claimants to the sum of two thousand dollars left to one of the said Sisters, Elizabeth Rodgers, and the legal representatives of a portion of the further sum of two thousand dollars left to Mary Taylor, another of the said three Sisters: *And whereas* three of the Brothers of this Petitioner are Minors, viz.—Frederick Taylor, Henry Taylor, and George Taylor, as also are three of the Sisters of this Petitioner, viz.—Eliza Taylor, Margaret Amelia Taylor, and Jane Taylor, and on that account, as well as from both of their Parents being dead, are deprived from having recourse to a just and legal course of proceeding by which to recover, for their use and benefit, their share of the Legacies so bequeathed, to their great detriment and loss. This Petitioner being one of the elder Brothers of these Minors, and their only natural guardian and protector in this country, prayed that he may, by the said Court of Probate of Upper Canada, be invested with legal authority to sue for, recover, receive, apply and retain, to and for the special use and benefit of the said Frederick Taylor, Henry Taylor, and George Taylor, Eliza Taylor, Margaret Amelia Taylor, and Jane Taylor, and to be appointed their legal Guardian, to so receive from the said Executor, Robert Johnston Taylor, his Executors, Administrators, Assigns or Representatives, whatever sum or sums of money, with interest thereon, as may accrue to the said Minors, under the Will of the said deceased William Taylor, and that this Petitioner is prepared to enter into the usual securities for his proper discharge of said trust and guardianship.

Now public notice is hereby given of such application, as required by the Statute in that case made and provided.

9. *And be it further enacted by the authority aforesaid*, That except as aforesaid, and as hereinafter is further provided, none of the public lands aforesaid shall be sold by private sale, unless the same shall have been first offered at public auction for sale at an upset price; after which it shall be lawful for the Governor, Lieutenant Governor, or Person Administering the Government of this Province, for the time being, to direct the sale of such lands at the upset price thereof named at such public auction, to any person willing to purchase the same by private contract.

10. *And be it further enacted by the authority aforesaid*, That the upset price of such public lands shall be from time to time fixed by the Governor, Lieutenant Governor, or Person Administering the Government of this Province, in Council only, and not otherwise, as also the terms and conditions of sale, and such other regulations respecting the same, not contrary to the provision of this Act, as shall be deemed necessary.

12. And for the purpose of encouraging actual settlement on the lands purchased from the Crown, under the provisions of this Act: *Be it further enacted by the authority aforesaid*, That it shall be lawful for the Governor, Lieutenant Governor, or Person Administering the Government of this Province, to order and direct reservations to be made of such portions of land adjoining or adjacent to lands intended for immediate sale, as the Governor, Lieutenant Governor, or the Person Administering the Government of this Province, by and with the advice and consent of the Executive Council, shall deem requisite and advisable to order and direct; and the land so reserved shall, upon application, be granted free of expense to the purchaser or purchasers of the adjoining or adjacent lot so sold: *Provided*, the quantity in no case shall exceed fifty acres, upon its appearing, upon inspection and other sufficient proof, that such purchaser or purchasers, his, her or their assignee or assignees, shall have been bona fide settled and resident upon the land so purchased for the space of five years, and shall have made such improvements thereon as shall be required by any order in Council respecting the same: *Provided always*, that such reservation shall not in any case exceed in quantity the lot or parcel of purchased land, in respect of which such reserved land shall have been made; and also that the whole of such residence shall have been within ten years from the time of such original purchase.

13. *And be it further enacted by the authority aforesaid*, That it shall be lawful for the Governor, Lieutenant Governor, or Person Administering the Government of this Province, by and with the consent of the Executive Council, to nominate and appoint fit and proper persons in each District in the Province to be resident Agents of the Commissioner of Crown lands, for the sale of public lands, in the manner hereinafter provided; and also to appoint the time and place in each District where such Agents shall keep their offices.

14. *And be it further enacted by the authority aforesaid*, That it shall be the duty of such resident Agents, and they are hereby authorised and empowered, under the direction of the Commissioner of Crown Lands, to make sales, as well by auction as also by private contract, of the public lands within their respective divisions, at such upset prices as shall have been, under the provisions of this Act, duly fixed and ascertained.

15. *And be it further enacted by the authority aforesaid*, That every such District Agent shall be furnished by the Commissioners of Crown Lands with correct lists and maps of the lands for sale from time to time in his division, and with such other means as may be necessary to enable him to give full and requisite information to purchasers; and the division allotted to each District Agent shall be assigned and limited by the Commissioner of Crown Lands, and such District Agent shall not have any power to act out of such division, and shall keep regular accounts of sales, and make the same distinctly to appear on his plan or map.

16. *And be it further enacted by the authority aforesaid*, That no sale of public lands, by auction or otherwise, shall be effected out of the District and division in which such lands are situate, unless under a special Order in Council.

17. *And be it further enacted by the authority aforesaid*, That the purchase money upon the sale of any such public lands, shall, in the first instance, be paid to the resident District Agent, who shall transmit the same to the Commissioner of Crown Lands, whenever the same shall amount to the sum of twenty-five pounds, deducting therefrom his per centage, as hereinafter provided, and in default of such remittance, shall be liable to be charged penalty thereon at the rate of fifteen per cent for the time he shall retain the same in his hands after the amount shall become remittable as aforesaid; and upon the receipt of any such purchase monies by the District Agent, such District Agent shall give the purchaser or purchasers a receipt for the same, specifying therein the number of the lot, or quantity of land purchased, and otherwise sufficiently describing the same, which receipt shall bear date the day on which it was actually signed, and the receipts so given shall authorise the purchaser to take immediate possession of the lot so sold, and to maintain actions of ejectment, or for trespass, against any wrongful possessor or trespasser thereon, in his own name, as fully and effectually as if the Patent Deed had been issued to such purchaser.

18. *And be it further enacted by the authority aforesaid*, That so soon as the purchase money of any particular lot or quantity of land shall have been paid up in the manner aforesaid, the purchaser or purchasers thereof shall thereupon become entitled to have and receive a free grant of the same, by His Majesty's Letters Patent, under the Great Seal of the Province, granting the same to such purchaser or purchasers, his, her or their heirs and assigns, in free and common soccage, and subject only to such reservations as are now usually reserved in Letters Patent of the same description, and such Lettes Patent shall be transmitted by the Commissioner of Crown Lands, to the District Agent of the division in which the lands are situate, within the space of thirty days after the whole of the purchase money shall have been paid and duly notified to the Commissioner of Crown Lands, unless by any unforeseen event or unavoidable necessity the same cannot be transmitted; and it shall be the duty of the District Agent, upon the receipt of such Letters Patent, to deliver the same to the owner or owners, upon demand, without charge.

GENERAL ORDER.

No. 2.

AS the strength of the Commissarist Department is now about to be increased from Home, and that the number of Officers and Clerks will be attached to the several Posts and Corps, the Commander of the Forces thinks it is necessary to remind the Troops, that no requisitions must be made upon the Country, nor any demand addressed to the Magistrates for land or water transport, or any other article whatever, except by the Commissary General, his Deputies or Assistants, unless in cases of great emergency, which must be reported immediately; and in cases of necessity, in which small bodies of Troops may be on the march, unattended by an Officer of that Department, and which case must be clearly made out, and satisfactorily accounted for.

No. 3.—All requisitions made contrary to this order, will be paid by the Commissary General, and the amount charged to the Officer who may have signed it.

No. 4.—The very large expenditure which has taken place in the Upper Province, but under circumstances of the greatest difficulty and danger, before a Commissariat could be appointed, and the insufficient vouchers for this expenditure, which has rendered the adjustment of the accounts so troublesome and perplexing to all concerned, make it now expedient to provide against a recurrence of any irregularity, and this can only be effected by acting strictly on the orders (in regard to accounts) of the Lords of the Treasury, and in the Regulations of the Army.

Court of Probate, *Upper Canada*, to wit: } WHEREAS application in writing hath been duly made to the Judge of the Court of Probate, by William Duncan Taylor, of Burford, in the District of London, ——, setting forth, that on the thirty-first day of August, one thousand eight hundred and twenty-two, a certain William Taylor, then residing in Landen County, State of Virginia, in the United States, departed this life, possessed of considerable real and personal estate, leaving by his last will and testament, dated the thirtieth August, one thousand eight hundred and twenty-two, to each of his three Sisters, viz.—Margaret Taylor, Elizabeth Rodgers, and Mary Kee, the sum of two thousand dollars, and having given the above Legacies, and emancipated his Slaves, he devised the residue of his estate, real and personal, to his relative, Robert J. Taylor, of Alexandria, and appointed him the Executor of his said Will: *And whereas*, all of the three Sisters stated above are dead, and the said sums of money have never been paid by the said Executor, Robert Johnston Taylor: *And whereas* by the provisions of the said Will, this Petitioner and his Brothers and Sisters are the legal claimants to the sum of two thousand dollars left to one of the said Sisters, Elizabeth Rodgers, and the legal representatives of a portion of the further sum of two thousand dollars left to Mary Taylor, another of the said three Sisters: *And whereas* three of the Brothers of this Petitioner are Minors, viz.—Frederick Taylor, Henry Taylor, and George Taylor, as also are three of the Sisters of this Petitioner, viz.—Eliza Taylor, Margaret Amelia Taylor, and Jane Taylor, and on that account, as well as from both of their Parents being dead, are deprived from having recourse to a just and legal course of proceeding by which to recover, for their use and benefit, their share of the Legacies so bequeathed, to their great detriment and loss. This Petitioner being one of the elder Brothers of these Minors, and their only natural guardian and protector in this country, prayed that he may, by the said Court of Probate of Upper Canada, be invested with legal authority to sue for, recover, receive, apply and retain, to and for the special use and benefit of the said Frederick Taylor, Henry Taylor, and George Taylor, Eliza Taylor, Margaret Amelia Taylor, and Jane Taylor, and to be appointed their legal Guardian, to so receive from the said Executor, Robert Johnston Taylor, his Executors, Administrators, Assigns or Representatives, whatever sum or sums of money, with interest thereon, as may accrue to the said Minors, under the Will of the said deceased William Taylor, and that this Petitioner is prepared to enter into the usual securities for his proper discharge of said trust and guardianship.

PROCLAMATION.
UPPER CANADA.

By His Excellency Sir George Arthur, *Knight Commander of the Royal Hanoverian Guelphic Order, Lieutenant Governor of the Province of Upper Canada, Major General Commanding Her Majesty's Forces therein, &c. &c. &c.*

WHEREAS information has this day been received, that on the thirtieth day of May instant, the British Steam-boat *Sir Robert Peel*, while lying peaceably at an American Island, was treacherously attacked by a body of armed ruffians from the American Shore, set fire to and burned; the passengers, amongst whom were defenceless females, wantonly and brutally insulted; and a large amount of money and other property on board the said Boat was either plundered or destroyed: *And whereas*, the said robbery and outrage cannot fail to excite feelings of the utmost indignation in the minds of Her Majesty's Subjects, who may be induced thereby to resort to acts of retaliation for the redress of injury, without properly considering, that it belongs to the Government of Her Majesty to claim that redress, and to the Government of the United States to see that it be promptly rendered.

The Steam-boat *Sir Robert Peel*, with the persons and property on board, lay at a wharf on the shore of a friendly Power, in the confidence of that security which every civilized Nation extends over the Subjects and Property of Foreigners, within its territory, in times of peace, and free commercial intercourse.

The Government of the United States, it may be confidently expected, will vindicate the national honour: and feel deeply the insult which this act of savage and cowardly violence, committed in the dead of night, has inflicted upon their Nation. They will not and cannot, with any regard to National character, delay to bring the criminals to punishment, or to render to the injured Subjects of Her Majesty, redress—though it be too late, in this instance, to offer them protection.

The demeanour and conduct of the population of this Province, has been that of a people resting securely upon the sanctity of Law, and the regular exercise of the power of the Great Empire of which they form a part; and accordingly, even during rebellion, and foreign invasion, this Country has not been disgraced by any scenes of individual violence or revenge, on the part of its loyal inhabitants. The character which has thus been gained to this Province, has commanded the admiration of the British people—demonstrated the proud superiority of British Institutions—and is too valuable to be sacrificed in its smallest part, for the sudden gratification of indignant feelings, however justly they may have been aroused.

I therefore express to Her Majesty's faithful and loyal Subjects, my entire confidence in their dignified forbearance, and that the British Flag, which has been so nobly defended by them, will not now be stained by having outrage or insult offered to the persons or property of Foreigners within its territory, and under its protection.

It need not be said to men who understand the character and institutions of England—that injury offered to one British Subject, is felt by all—and that the mutual ties of duty and affection, which bind a free and loyal people and their Sovereign together, give the strength of the whole Empire to an injured individual. This consideration is all that is necessary to restrain a loyal community within becoming bounds, and to insure their leaving to their Government that claim for redress which this unprovoked outrage imperatively demands.

Until the American Government shall have taken such measures as will ensure the lives and property of British Subjects within the territory of the United States from spoliation and violence, the utmost guard and caution is required on the part of Masters of Steam-boats, and other vessels, in entering American harbours; as it is but too plain, that at present the Subjects of Her Majesty may be sometimes placed in the power of a lawless banditti, when they imagine themselves within the protection and authority of a friendly Government.

Given under my Hand and Seal at Arms, at Toronto, this thirty-first day of May, in the year of our Lord one thousand eight hundred and thirty-eight, and of Her Majesty's Reign the first. G. ARTHUR.

MILITIA GENERAL ORDER.

IT has been reported to His Excellency the Lieutenant Governor, that two Sentries, stationed at Brockville, lately fired into the American Steam-boat *Telegraph*, whilst passing up the River St. Lawrence.

The Officer commanding, very properly caused the subject to be strictly investigated, in the presence of Mr. Perkins, District Attorney of St. Lawrence County, and Mr. Stilwell, Collector of Oswegatchie; and it has afforded the Lieutenant Governor the greatest satisfaction to peruse the Certificate of those Gentlemen, in which they declare their conviction, that the circumstance was purely accidental.

SIR GEORGE ARTHUR, however, cannot refrain from expressing his disappointment at finding that greater precautions were not taken to avoid the possibility of such an accident. It is not enough for a Non-commissioned Officer to give an order to a Sentry—it behooves him to satisfy himself that the order is fully understood by the Sentry.

The Lieutenant Governor, in his Proclamation of the 31st ultimo, has expressed his conviction, that the utmost justice will be done by the American Government towards the Subjects of Her Majesty, who have suffered from the atrocious outrage committed by a body of ruffians, from the American shore, in the destruction of the *Sir Robert Peel*, and the plunder and ill-treatment of the passengers.

It was an unprovoked act of wickedness, revolting to human nature; and in that light must be regarded, not only by the Government, but by the respectable body of the people of America, who cannot suffer their shores to be disgraced by the perpetration of deeds so foul, without pursuing the offenders with the utmost vigilance and rigour.

Information has already been received that the outrage upon the *Sir Robert Peel* was committed by some Rebels, who fled from Canada, conjointly with their wicked associates, who, under the name of *Patriots*, have banded themselves together to perpetrate deeds of violence, robbery and piracy.

Characters thus exposed always meet their due reward in every civilized Nation, at the hands of the ordinary ministers of Justice—whilst, therefore, the Lieutenant Governor undoubtedly expects that the Militia of the Country will continue to perform their duties, as they have hitherto done, with the same zeal and vigilance as Her Majesty's regular Troops; and whilst every energy must be applied to apprehend and secure the pirates and robbers who are infesting the Islands in the Lakes of the Upper Province, His Excellency at the same time most strictly enjoins, that no act of retaliation or violence be committed towards the peaceable citizens of the United States, or any interruption given to them whilst engaged in the transaction of commercial intercourse, either within the Waters or at the Ports of Upper Canada.

This Order will be read at the head of every Corps, or Detachment, of the embodied Militia, at two successive parades.

By Command.

Adjutant General, Militia,
4-s *Upper Canada.*

(From the U.C. Gazette Extra, of Friday, June 8, 1838.)

GOVERNMENT HOUSE,
8th June, 1838.

HIS Excellency the Lieutenant Governor, has been pleased to direct, that the Proclamations of His Excellency The Right Honourable the Earl of Durham, G. C. B., Governor General, bearing date the 29th May, and 2nd June, be published for general information in the Province of Upper Canada.

By Command.
J. JOSEPH.

DURHAM.

By His Excellency the Right Honourable John George Earl of Durham, Viscount Lambton, &c. &c. Knight Grand Cross of the Most Honourable Military Order of the Bath, one of Her Majesty's Most Honourable Privy Council, and Governor General, Vice Admiral, and Captain General of all Her Majesty's Provinces within, and adjacent to, the Continent of North America, &c. &c. &c.

A PROCLAMATION.

THE QUEEN having been graciously pleased to entrust to Me the Government of British North America, I have this day assumed the administration of affairs.

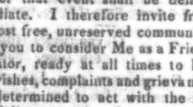
In the execution of this important duty, I rely with confidence on the cordial support of all Her Majesty's Subjects—as the best means of enabling Me to bring every question affecting their welfare to a successful issue,—especially such as may come under my cognizance as Her Majesty's High Commissioner.

The honest and conscientious advocates of Reform, and of the amelioration of defective Institutions, will receive from Me, without distinction of Party, Races or Politics, that assistance and encouragement

which their patriotism has a right to command, from all who desire to strengthen and consolidate the connexion between the Parent State and these important Colonies; but the disturbers of the public Peace, the violaters of the Law, the enemies of the Crown, and of the British Empire, will find in Me an uncompromising opponent, determined to put in force against them all the powers, civil and military, with which I have been invested.

In one Province the most deplorable events have rendered the suspension of its representative Constitution, unhappily, a matter of necessity—and the Supreme Power has devolved on me.

The great responsibility which is thereby imposed on Me, and the arduous nature of the functions which I have to discharge, will naturally make me most anxious to hasten the arrival of that period, when the Executive Power shall again be surrounded by all the Constitutional checks of free, liberal, and British Institutions.



On you—the People of British America—on your conduct, and the extent of your co-operation with Me, will mainly depend, whether that event shall be delayed, or immediate. I therefore invite from you the most free, unreserved communications. I beg you to consider Me as a Friend, and arbitrator, ready at all times to listen to your wishes, complaints and grievances, and fully determined to act with the strictest impartiality.

If you, on your side, will abjure all party, and sectarian animosities, and unite with Me in the blessed work of Peace and Harmony, I feel assured that I can lay the foundations of such a system of Government, as will protect the rights and interests of all classes—allay all dissensions—and permanently establish, under Divine Providence, that Wealth, Greatness and Prosperity, of which such inexhaustible elements are to be found in these fertile countries.

Given under my Hand and Seal at Arms, at the Castle of St. Lewis, in the City of Quebec, in the said Province of Lower Canada, the Twenty-ninth day of May, in the year of our Lord one thousand eight hundred and thirty-eight, and in the first year of Her Majesty's Reign.

By Command,

CHARLES BULLER,
Chief Secretary.

ONE THOUSAND POUNDS REWARD!

DURHAM.

By His Excellency the Right Honourable John George Earl of Durham, Viscount Lambton, &c. &c. Knight Grand Cross of the Most Honourable Military Order of the Bath, one of Her Majesty's Most Honourable Privy Council, and Governor General, Vice Admiral, and Captain General of all Her Majesty's Provinces within, and adjacent to, the Continent of North America, &c. &c. &c.

A PROCLAMATION.

WHEREAS information has been received by Me, that on the Twenty-ninth Day of May last, at a certain Island called "Wells' Island," in the River Saint Lawrence, within the territory of the United States of America, a body of armed men, at midnight, seized upon a certain Steam-vessel called the *Sir Robert Peel*, belonging to certain Subjects of Her Majesty, in the Province of Upper Canada, then moored at the said Island, to which she had resorted in the peaceable prosecution of her accustomed voyage, for the purpose of taking in fuel; and having with violence driven the passengers and crew of the said Steam-boat upon the said Island, deliberately plundered, burnt and destroyed the said Steam-boat; *And whereas*, many of the said passengers were females, and were thus assailed with a total disregard of their sex and their condition at that hour of the night, thereby greatly aggravating the outrage; *And whereas*, the due protection of Her Majesty's Subjects, and the demands of Justice, imperatively require that the perpetrators of such a crime should not escape unpunished; *And whereas*, with that object I am desirous of co-operating with, and giving every facility to the Authorities of the United States: Now know all men by these Presents, that I do hereby promise the sum of ONE THOUSAND POUNDS, to any person or persons who shall identify, and bring to conviction, before any competent tribunal, any person actually engaged in, or directly aiding and abetting the perpetration of this last-mentioned outrage.

To allay the alarm which has again unhappily disturbed the peace of the Frontier of the Province of Upper Canada, I hereby proclaim to the Subjects of Her Majesty residing therein, my determination to secure their present and permanent protection, by the employment of every means at the disposal of Her Majesty's Government—for which purpose a sufficient Military Force will be immediately concentrated on such points as shall best protect the frontier line from all aggression on the peaceable inhabitants of these Provinces: I shall also lose no time in appealing to the Government of the United States, to vindicate its own honour, by avenging the insult which has been offered to their authority by a band of lawless pirates, and repairing the wrongs which have been inflicted on Her Majesty's Subjects.

Pending such appeal, I earnestly exhort all Her Majesty's Subjects, notwithstanding the aggravated provocation they have received, carefully to abstain from any act of retaliation which may expose them to the imputation of a disregard of their own honour, by a violation of the international rights of adjoining Powers.

Given under my Hand and Seal at Arms, at the Castle of St. Lewis, in the City of Quebec, in the said Province of Lower Canada, the Second day of June, in the year of our Lord one thousand eight hundred and thirty-eight, and in the first year of Her Majesty's Reign.

By Command.

CHARLES BULLER,
Chief Secretary.

VICTORIA, by the Grace of GOD, of the United Kingdom of Great Britain and Ireland, QUEEN, Defender of the Faith, &c. &c. &c.

To our beloved and faithful Legislative Councillors of our Province of Upper Canada, and to our Knights, Citizens and Burgesses of our said Province; to our Provincial Parliament, at our City of Toronto, on Tuesday, the twenty-second day of May, instant, to be commenced, held, called and elected, and to every of you—

GREETING:

WHEREAS by our Proclamation bearing date the eleventh day of April last, we thought fit to prorogued our Provincial Parliament to Tuesday the Twenty-second day of May, instant, at which time, at our City of Toronto, you were held and constrained to appear:

NOW KNOW YE, that We taking into our Royal consideration the ease and convenience of our loving Subjects, have thought fit, by and with the advice of our Executive Council, to relieve you and each of you of your attendance at the time aforesaid, hereby convoking, and by these Presents enjoining you and each of you, that on Monday, the Second day of July, now next ensuing, you meet us in our Provincial Parliament, at our City of Toronto, there to take into consideration the state and welfare of our said Province of Upper Canada, and therein to do as may seem necessary.—Herein fail not.

IN TESTIMONY WHEREOF, We have caused these our Letters to be made Patent, and the Great Seal of our said Province to be hereunto affixed:—WITNESS our trusty and well-beloved SIR GEORGE ARTHUR, K.C.H. Lieutenant Governor of our said Province, and Major General Commanding our Forces therein, at Toronto, this Fifteenth day of May, in the year of our Lord one thousand eight hundred and thirty-eight, and in the first year of our reign.

By Command of His Excellency in Council.

ATTORNEY GENERAL.

PROCLAMATION.
UPPER CANADA.

By His Excellency SIR GEORGE ARTHUR, *Knight Commander of the Royal Hanoverian Guelphic Order, Lieutenant Governor of the Province of Upper Canada, Major General Commanding Her Majesty's Forces therein, &c. &c. &c.*

WHEREAS on the morning of the 21st of this present month of June, a large body of armed men assembled in the Township of Pelham, in the Niagara District, and attacked and plundered a house in that neighbourhood, of a large sum of money, and other property, and fired upon and overpowered a small detachment of the Embodied Militia there stationed.

AND WHEREAS information has been received by me, that certain evil-disposed persons, connected with the Brigands who have of late molested and disturbed the peace of the American and British frontiers, have crossed the Niagara River, and that they lurk and secret themselves in parts of the District of Niagara, with the knowledge and connivance of some of the disaffected resident inhabitants.

AND WHEREAS it is necessary for the peace and security of the District of Niagara, that the ingress and egress of idle and evil-minded persons should be restrained and prevented, and that the perpetrators of the above outrage, and their abettors, should be brought to condign punishment.

I DO THEREFORE strictly order and command all Officers, Magistrates, and others whom it may concern, that no person be permitted to land upon or leave the shore, on the British side of the Niagara River, coming from or going to the United States Territory, unless he shall give a full and reasonable account of himself, and shew that he is coming or going in the prosecution of his lawful affairs and business, which person shall be furnished with a passport, to secure him from further hinderance or molestation.

AND I DO HEREBY earnestly call upon all Magistrates, Officers, and other loyal Subjects of the Queen, for their best united exertions in restoring the peace and tranquillity of the Province, in the prevention of crime and disorder, and in the apprehension of the guilty; and I assure them of every support and assistance which may be required for these purposes, to the utmost extent of the Civil and Military powers which Her Majesty has been pleased to place in my hands.

GIVEN under my Hand and Seal at Arms, at Toronto, this twenty-second day of June, in the year of our Lord one thousand eight hundred and thirty-eight, and of Her Majesty's reign the Second.

PROCLAMATION.
UPPER CANADA.

By His Excellency SIR GEORGE ARTHUR, *Knight Commander of the Royal Hanoverian Guelphic Order, Lieutenant Governor of the Province of Upper Canada, Major General Commanding Her Majesty's Forces therein, &c. &c. &c.*

WHEREAS the body of armed Rebels, under the command of one JAMES MORREAU, who, on the morning of the 21st of this present month, attacked a small advanced post of the Queen's Lancers, by whom they were most gallantly resisted, have already fled from the Militia Forces sent in pursuit of them, and are seeking to escape the consequences of disturbing the peace and tranquillity of this Province, and of their infatuated and futile attempts to subvert our Institutions.

AND WHEREAS these parties have held out expectations of aid and reinforcements from the inhabitants of the United States—not reflecting that there are thousands of British-born Subjects, who, though Emigrants to that country, preserve their attachment to their native land and to their Sovereign, and who are ready, should occasion require them, to rush forward to support the Government, and put down any insurrection here.

AND WHEREAS some of these insurgents have already been taken, and from the arrangements now made, and from the

spirit and zeal displayed in their pursuit by the loyal inhabitants of the country—their escape is rendered almost impossible.

AND WHEREAS there is reason to fear, that some persons through ignorance, and others from disaffection, may harbour, conceal or assist, these fugitives in their endeavours to escape from justice;

NOW I do hereby offer a REWARD of

FIVE HUNDRED POUNDS,

to any person or persons who shall apprehend the said JAMES MORREAU, and cause him to be brought to justice—and a FREE PARDON will be given to any of his followers, not being ringleaders, nor having committed any murder, who shall arrest and deliver up the said JAMES MORREAU.

AND I DO caution all persons not to harbour, conceal or in any manner to assist, these Rebels and fugitives, since by so doing, they will commit a high crime, involving consequences of the most severe and penal character.

AND I DO further express my warmest thanks and acknowledgments to HER MAJESTY'S loyal and faithful Subjects, whose exertions against these criminals have rendered their efforts vain, and have compelled them to flight and dispersion—hereby assuring them that I am using every power at my command for their safeguard and protection, and for the bringing to immediate justice the invaders of their Country.

GIVEN under my Hand and Seal at Arms, at Drummondville, this twenty-third day of June, in the year of our Lord one thousand eight hundred and thirty-eight, and of Her Majesty's reign the Second.

ONE HUNDRED POUNDS,

will be paid to any person or persons giving such information as will lead to the discovery and conviction of the perpetrator or perpetrators of the above crime; and a FREE PARDON will also be granted to any accomplice therein, not being the actual Incendiary or immediate Procurer, so giving such information.

VICTORIA, by the Grace of GOD, of the United Kingdom of Great Britain and Ireland, QUEEN, Defender of the Faith, &c. &c. &c.

To our beloved and faithful Legislative Councillors of our Province of Upper Canada, and to our Knights, Citizens and Burgesses of our said Province; to our Provincial Parliament, at our City of Toronto, on Monday, the second day of July next, to be commenced, held, called and elected, and to every of you—

GREETING:

WHEREAS by our Proclamation bearing date the fifteenth day of May last, we thought fit to prorogue our Provincial Parliament to Tuesday, the second day of July next, at which time, at our City of Toronto, you were held and constrained to appear:

NOW KNOW YE, that We taking into our Royal consideration the ease and convenience of our loving Subjects, have thought fit, by and with the advice of our Executive Council, to relieve you and each of you of your attendance at the time aforesaid, hereby convoking, and by these Presents enjoining you and each of you, that on Monday, the sixth day of August, now next ensuing, you meet us in our Provincial Parliament, at our City of Toronto, there to take into consideration the state and welfare of our said Province of Upper Canada, and therein to do as may seem necessary.—Herein fail not.

IN TESTIMONY WHEREOF, We have caused these our Letters to be made Patent, and the Great Seal of our said Province to be hereunto affixed:—WITNESS our trusty and well-beloved SIR GEORGE ARTHUR, K.C.H. Lieutenant Governor of our said Province, and Major General Commanding our Forces therein, at Toronto, this Thirtieth day of June, in the year of our Lord one thousand eight hundred and thirty-eight, and in the second year of our reign.

By Command of His Excellency in Council.

D. CAMERON,
SECRETARY.

(Copy.)

CASTLE ST. LEWIS, QUEBEC,
18th June, 1838.

SIR,

In the exercise of the powers vested in me, as Governor General of Her Majesty's Colonies in North America, and with a view to the permanent establishment of an improved system in the disposal of waste lands, the property of the Crown, in these Colonies, and the promotion of emigration thereto, upon the most extensive scale that circumstances will admit, I have prepared a Commission, directing an immediate inquiry into the subject, for each of the Provinces and Islands comprised in my General Government, and also authorizing the Commissioner therein named to issue temporary Rules and Regulations for the disposal of Crown Lands in each Colony, and to give instructions to the Officers of the Crown Lands' Department, as to the performance of their duties.

I enclose the Commission as prepared for the Province of Upper Canada, and have to direct that you will cause the Great Seal of that Province to be immediately affixed thereto, and that the Commission, together with a copy of this Despatch, may be published in the usual manner.

As one of the incidental, though not least desirable results of an improved system in the disposal of lands, the property of the Crown, may, I hope, be a very considerable increase in the value of all lands which have become private property; and as the expectation of such a result might lead to applications for grants of land upon the terms now in force, to such an extent as should defeat, or at least seriously impede, the most beneficial operation of the improved system, and especially the very desirable result above mentioned.

I have also to instruct you, that until further directions from me, you will, so far as it may be in your discretion, under any Provincial Act or Royal Instructions, or otherwise, abstain from alienating any waste lands, the property of the Crown. You may rely on receiving those further directions in so short a time as to prevent any inconvenience from the present suspension of your discretionary powers in this respect.

I have the honour to be, &c.

(Signed) DURHAM.

His Excellency
Major General Sir GEORGE ARTHUR,
K. C. H. &c. &c. &c.

PROVINCE OF UPPER CANADA.

DURHAM.

VICTORIA, by the Grace of GOD, of the United Kingdom of Great Britain and Ireland, QUEEN, Defender of the Faith, &c. &c. &c.

To CHARLES BULLER—

GREETING:

WHEREAS it is highly expedient and desirable, that the disposal of the extensive tracts of Waste Lands, the property of the Crown, in our Provinces of Lower Canada, Upper Canada, Nova Scotia and New Brunswick, and our Islands of Prince Edward and Newfoundland, should be placed upon such a footing as may most effectually conduce to the increase of population and wealth in the said Provinces and Islands, and the general prosperity thereof, and in particular to greatly increased emigration from the Mother Country, both of capitalists and labourers, as permanent settlers, to the end that while the vast but imperfectly developed resources of the said Provinces and Islands, should, as soon as possible, be made fully productive, a more intimate connection between Britain and her Colonial Empire, in North America, founded on common interests, and productive of mutual advantages, may be established and permanently secured; AND WHEREAS, We have ordered and directed each of our Lieutenant Governors of our Provinces of Nova Scotia and New Brunswick, and our Islands of Prince Edward and Newfoundland respectively, to affix the Great Seal of our Province or Island, to which each is respectively Lieutenant Governor, to a Commission addressed by Us to you, to the like effect, and containing the like powers and authorities for enquiry, touching the Waste Lands, the property of the Crown, in each such Province or Island respectively, as are hereinafter contained: KNOW YE, therefore, that We, reposing great trust in your zeal, ability and discretion, have nominated, constituted and appointed, and by these Presents, do nominate, constitute and appoint, You, the said Charles Buller, to proceed, with the utmost dispatch, to enquire into the past and present methods of disposing of Waste Lands, Woods, Forests, and other Domains and Hereditaments, the

property of the Crown, in our Province of Upper Canada, and to collect information respecting the operation thereof, in regard to the advancement of our said Province, and in particular to the promotion of emigration thereto from the Mother Country: AND our further will and pleasure is, that you, after due examination of the premises, do and shall, as soon as conveniently may be, report to Us, under your hand and seal, what you shall find touching or concerning the premises, upon such enquiry as aforesaid; and also that you shall suggest such alterations and modifications of the laws and regulations at present in force as may appear likely to promote the objects aforesaid; AND for the better discovery of the truth in the premises, We do, by these Presents, give and grant to you, full power and authority to call before you, such and so many of the Officers of the Crown Lands Department, and Agents for Emigrants in our said Province of Upper Canada, and such other Officers of the Crown, and other persons, as you shall judge necessary, by whom you may be the better informed of the truth in the premises; and to enquire of the premises, and every part thereof, by all other lawful ways and means whatsoever: AND We do also give and grant to you, full power and authority to cause all and singular the Officers aforesaid, in our said Province of Upper Canada, or any other person or persons, having in their custody any records, orders, regulations, books, papers or other writings, relating to or in anywise connected with the premises, to bring and produce the same before you. AND for your assistance in the due execution of this our Commission, We do hereby authorize you to nominate and appoint such person or persons as you shall think fit, to be Assistant Commissioner or Assistant Commissioners, for the purposes aforesaid, or any of them, and to delegate to him or them such and so many of the powers hereinbefore vested in you as may seem expedient: AND our will is, and we do hereby direct and ordain, that the person or persons so nominated by you, shall possess and exercise any powers and authorities so as aforesaid delegated to him or them, in as full and ample a manner as the same are possessed and may be exercised by you, under the authority of these Presents. AND We do hereby further authorize and empower you, at your discretion, to appoint such person as Secretary to this our Commission, as to you shall seem proper, and to frame such temporary rules, orders and regulations, with regard to the manner of disposing of such Crown Lands in our said Province of Upper Canada, as may to you appear expedient, and from time to time, at such like discretion, to alter and vary the same, due regard being had in all such rules, orders and regulations, to any Provincial Act or Acts, and to any Royal Instructions now in force in our said Province of Upper Canada, touching or concerning the disposal of the said Waste Lands, or any part thereof. AND We do hereby further authorize and empower you, to give instructions to the several Officers of the Crown Lands Department, and Agents for Emigrants, in our said Province, as to the performance of the duties of their respective offices, subject, nevertheless, to all such Provincial Acts or Royal Instructions as aforesaid, which Instructions shall be in all respects binding upon the Officer or Officers to whom the same shall be respectively addressed.

IN TESTIMONY WHEREOF, We have caused these our Letters to be made Patent, and the Great Seal of our said Province of Upper Canada to be hereunto affixed: WITNESS our right trusty and right well-beloved JOHN GEORGE EARL OF DURHAM, Knight Grand Cross of the Most Honourable Military Order of the Bath, one of our Most Honourable Privy Council, and Governor General, Vice Admiral, and Captain General of all our Provinces within, and adjacent to the Continent of North America, &c. &c. &c. at our Castle of St. Lewis, in our City of Quebec, in our said Province of Lower Canada, this eighteenth day of June, in the year of our Lord one thousand eight hundred and thirty-eight, and in the first year of our Reign.

CHARLES BULLER,
Chief Secretary.

ADJUTANT GENERAL'S OFFICE,
Toronto, 25th June, 1838.

MILITIA GENERAL ORDER.

HIS Excellency the Lieutenant Governor is pleased to direct, that all Reports and Returns from the embodied Militia, are to be henceforth addressed to the Assistant Adjutant General of the Forces, (Colonel Foster) and Duplicates of such Reports and Returns are to be addressed to the Adjutant General of Militia.

The subject of promotion and appointment in the Militia generally, whether embodied or disembodied, will, however, form matters of exclusive correspondence with the Adjutant General of Militia, the same as heretofore.

By Command.

W. O'HARA,
8-s *Ass't. Adj't. Gen'l. Militia.*

ADJUTANT GENERAL'S OFFICE,
Toronto, 26th June, 1838.

MILITIA GENERAL ORDER.

HIS Excellency the Lieutenant Governor is happy to have to commend the gallant conduct of a party of the Queen's Lancers, (Militia) in a service upon which they were sent, on the 21st instant.

The Township of Pelham, according to information which had been received, was infested by a band of Brigands, who were said to have carried their insolent audacity so far as to menace a small post occupied by eight men of the Lancers. Lieutenant Magrath proceeded accordingly, with instructions to obtain information. He found the Brigands, and immediately charged them. They fled in all directions, leaving two wounded, and several prisoners in the hands of the Lancers.

His Excellency approves of the prompt manner in which Lieutenant Magrath attacked the Brigands, in which he was well seconded by the gallantry of Cornet Heath, and the whole party.

By Command.

RICHARD BULLOCK,
8-s *Adjutant General, Militia.*

ADJUTANT GENERAL'S OFFICE,
Toronto, 29th June, 1838.

MILITIA GENERAL ORDER.

THE Lieutenant Governor directs it to be notified, that the late incursion of the Brigands, who have infested the neighbouring frontier, into this Province, has not only met with complete defeat, but the great majority of the criminals, whether foreigners or domestic traitors, engaged in the outrage, have been captured, and are now in the hands of justice, and in the course of being promptly visited with the punishment which their crimes deserve.

The Lieutenant Governor is desirous to express the obligations under which He and the loyal Subjects of the Queen generally, have reason to feel themselves, to the gallant Militia, who so zealously and promptly took up arms on this occasion.

The effect of the defeat, and capture of the whole of the principal leaders, and of many of their followers, in promoting the future peace and tranquillity, is a source of lively congratulation to the well-disposed population of both sides of the boundary line; for so long as the enemies of the Province were able to assemble in the neighbourhood, and threaten predatory incursions into peaceable and unguarded positions on the frontier, it was impossible that friendly intercourse could be continued, or that the mutual trust and confidence in each other, which is so essential to the happiness and prosperity of the members of this community, could have been fully restored.

The wicked have been ensnared in their own devices—they vainly imagined that in any rash attempt to invade Her Majesty's Colony, they would be joined by many of the inhabitants, and even that many of the gallant Militia were ready to turn their arms against their brother soldiers.

No exertions could have demonstrated so completely the firm foundation upon which Her Majesty's Government rested, in placing full reliance upon the loyalty and faith of the inhabitants of Upper Canada, had not the late atrocious attempt to put their fidelity to the trial been made, and frustrated by the means which have been used for that purpose.

In permitting the loyal Sedentary Militia to return to their homes, the Lieutenant Governor most warmly expresses his thanks for their zealous and intrepid conduct, and recommends them most carefully to cultivate that union and friendly feeling amongst themselves, which has distinguished them during the late events—these feelings being the best security which they can have for the continuance of the institutions for which they have fought, and for the peaceable possession of the blessings which Providence has bestowed upon them and their families, in this free and highly-favoured Province.

By Command.

RICHARD BULLOCK,
8-s *Adjutant General, Militia, U. C.*

ADJUTANT GENERAL'S OFFICE,

PROCLAMATION.
UPPER CANADA.
GEO. ARTHUR.

VICTORIA, by the Grace of GOD, of the United Kingdom of Great Britain and Ireland, QUEEN, Defender of the Faith, &c. &c. &c.

To our beloved and faithful Legislative Councillors of our Province of Upper Canada, and to our Knights, Citizens and Burgesses of our said Province; to our Provincial Parliament, at our City of Toronto, on Monday, the second day of July next, to be commenced, held, called and elected, and to every of you—

GREETING:

WHEREAS by our Proclamation bearing date the fifteenth day of May last, we thought fit to prorogue our Provincial Parliament to Tuesday, the second day of July next, at which time, at our City of Toronto, you were held and constrained to appear:

NOW KNOW YE, that We taking into our Royal consideration the ease and convenience of our loving Subjects, have thought fit, by and with the advice of our Executive Council, to relieve you and each of you of your attendance at the time aforesaid, hereby convoking, and by these Presents enjoining you and each of you, that on Monday, the sixth day of August, now next ensuing, you meet us in our Provincial Parliament, at our City of Toronto, there to take into consideration the state and welfare of our said Province of Upper Canada, and therein to do as may seem necessary.—Herein fail not.

IN TESTIMONY WHEREOF, We have caused these our Letters to be made Patent, and the Great Seal of our said Province to be hereunto affixed:—WITNESS our trusty and well-beloved SIR GEORGE ARTHUR, K.C.H. Lieutenant Governor of our said Province, and Major General Commanding our Forces therein, at Toronto, this Thirtieth day of June, in the year of our Lord one thousand eight hundred and thirty-eight, and in the second year of our reign.

CASTLE ST. LEWIS, QUEBEC,
18th June, 1838.

SIR,

In the exercise of the powers vested in me, as Governor General of Her Majesty's Colonies in North America, and with a view to the permanent establishment of an improved system in the disposal of waste lands, the property of the Crown, in these Colonies, and the promotion of emigration thereto, upon the most extensive scale that circumstances will admit, I have prepared a Commission, directing an immediate inquiry into the subject, for each of the Provinces and Islands comprised in my General Government, and also authorizing the Commissioner therein named to issue temporary Rules and Regulations for the disposal of Crown Lands in each Colony, and to give instructions to the Officers of the Crown Lands' Department, as to the performance of their duties.

I enclose the Commission as prepared for the Province of Upper Canada, and have to direct that you will cause the Great Seal of that Province to be immediately affixed thereto, and that the Commission, together with a copy of this Despatch, may be published in the usual manner.

As one of the incidental, though not least desirable results of an improved system in the disposal of lands, the property of the Crown, may, I hope, be a very considerable increase in the value of all lands which have become private property; and as the expectation of such a result might lead to applications for grants of land upon the terms now in force, to such an extent as should defeat, or at least seriously impede, the most beneficial operation of the improved system, and especially the very desirable result above mentioned.

I have also to instruct you, that until further directions from me, you will, so far as it may be in your discretion, under any Provincial Act or Royal Instructions, or otherwise, abstain from alienating any waste lands, the property of the Crown. You may rely on receiving those further directions in so short a time as to prevent any inconvenience from the present suspension of your discretionary powers in this respect.

I have the honour to be, &c.

(Signed) DURHAM.

His Excellency
Major General Sir George Arthur,
K. C. H. &c. &c. &c. 8

PROVINCE OF UPPER CANADA.
DURHAM.

VICTORIA, by the Grace of GOD, of the United Kingdom of Great Britain and Ireland, QUEEN, Defender of the Faith, &c. &c. &c.

To CHARLES BULLER—

GREETING:

WHEREAS it is highly expedient and desirable, that the disposal of the extensive tracts of Waste Lands, the property of the Crown, in our Provinces of Lower Canada, Upper Canada, Nova Scotia and New Brunswick, and our Islands of Prince Edward and Newfoundland, should be placed upon such a footing as may most effectually conduce to the increase of population and wealth in the said Provinces and Islands, and the general prosperity thereof, and in particular to greatly increased emigration from the Mother Country, both of capitalists and labourers, as permanent settlers, to the end that while the vast but imperfectly developed resources of the said Provinces and Islands, should, as soon as possible, be made fully productive, a more intimate connection between Britain and her Colonial Empire, in North America, founded on common interests, and productive of mutual advantages, may be established and permanently secured; AND WHEREAS, We have ordered and directed each of our Lieutenant Governors of our Provinces of Nova Scotia and New Brunswick, and our Islands of Prince Edward and Newfoundland respectively, to affix the Great Seal of our Province or Island, to which each is respectively Lieutenant Governor, to a Commission addressed by Us to you, to the like effect, and containing the like powers and authorities for enquiry, touching the Waste Lands, the property of the Crown, in each such Province or Island respectively, as are hereinafter contained: KNOW YE, therefore, that We, reposing great trust in your zeal, ability and discretion, have nominated, constituted and appointed, and by these Presents, do nominate, constitute and appoint, You, the said Charles Buller, to proceed, with the utmost dispatch, to enquire into the past and present methods of disposing of Waste Lands, Woods, Forests, and other Domains and Hereditaments, the

property of the Crown, in our Province of Upper Canada, and to collect information respecting the operation thereof, in regard to the advancement of our said Province, and in particular to the promotion of emigration thereto from the Mother Country: AND our further will and pleasure is, that you, after due examination of the premises, do and shall, as soon as conveniently may be, report to Us, under your hand and seal, what you shall find touching or concerning the premises, upon such enquiry as aforesaid; and also that you shall suggest such alterations and modifications of the laws and regulations at present in force as may appear likely to promote the objects aforesaid; AND for the better discovery of the truth in the premises, We do, by these Presents, give and grant to you, full power and authority to call before you, such and so many of the Officers of the Crown Lands Department, and Agents for Emigrants in our said Province of Upper Canada, and such other Officers of the Crown, and other persons, as you shall judge necessary, by whom you may be the better informed of the truth in the premises; and to enquire of the premises, and every part thereof, by all other lawful ways and means whatsoever: AND We do also give and grant to you, full power and authority to cause all and singular the Officers aforesaid, in our said Province of Upper Canada, or any other person or persons, having in their custody any records, orders, regulations, books, papers or other writings, relating to or in anywise connected with the premises, to bring and produce the same before you. AND for your assistance in the due execution of this our Commission, We do hereby authorize you to nominate and appoint such person or persons as you shall think fit, to be Assistant Commissioner or Assistant Commissioners, for the purposes aforesaid, or any of them, and to delegate to him or them such and so many of the powers hereinbefore vested in you as may seem expedient: AND our will is, and we do hereby direct and ordain, that the person or persons so nominated by you, shall possess and exercise any powers and authorities so as aforesaid delegated to him or them, in as full and ample a manner as the same are possessed and may be exercised by you, under the authority of these Presents. AND We do hereby further authorize and empower you, at your discretion, to appoint such person as Secretary to this our Commission, as to you shall seem proper, and to frame such temporary rules, orders and regulations, with regard to the manner of disposing of such Crown Lands in our said Province of Upper Canada, as may to you appear expedient, and from time to time, at such like discretion, to alter and vary the same, due regard being had in all such rules, orders and regulations, to any Provincial Act or Acts, and to any Royal Instructions now in force in our said Province of Upper Canada, touching or concerning the disposal of the said Waste Lands, or any part thereof. AND We do hereby further authorize and empower you, to give instructions to the several Officers of the Crown Lands Department, and Agents for Emigrants, in our said Province, as to the performance of the duties of their respective offices, subject, nevertheless, to all such Provincial Acts or Royal Instructions as aforesaid, which Instructions shall be in all respects binding upon the Officer or Officers to whom the same shall be respectively addressed.

IN TESTIMONY WHEREOF, We have caused these our Letters to be made Patent, and the Great Seal of our said Province of Upper Canada to be hereunto affixed: WITNESS our right trusty and right well-beloved JOHN GEORGE EARL OF DURHAM, Knight Grand Cross of the Most Honourable Military Order of the Bath, one of our Most Honourable Privy Council, and Governor General, Vice Admiral, and Captain General of all our Provinces within, and adjacent to the Continent of North America, &c. &c. &c. at our Castle of St. Lewis, in our City of Quebec, in our said Province of Lower Canada, this eighteenth day of June, in the year of our Lord one thousand eight hundred and thirty-eight, and in the first year of our Reign.

VOL. XIII. TORONTO, THURSDAY, JULY 19, 1838. NO. 10

By Authority.

Toronto, 18th July, 1838.

THIS day at four o'clock, His Excellency, the THE RIGHT HONOURABLE the EARL OF DURHAM, HER MAJESTY'S HIGH COMMISSIONER, and GOVERNOR GENERAL, accompanied by the COUNTESS DURHAM, Family and Suite, arrived in this City, from the Niagara Frontier.

On His Lordship's landing at the Queen's Wharf, a Guard of Honour, from 85th Regt. was in attendance, and a Salute fired from the Garrison. His Lordship was received on landing, by His Excellency SIR GEORGE ARTHUR, K.C.H. the Lieutenant Governor of the Province—the principal Officers of the Provincial Government, and a large concourse of the Inhabitants of Toronto, by whom he was escorted to the Chamber of the Honourable the Legislative Council, where being arrived, and received under a second Salute from the Provincial Artillery, His Honour the Mayor presented to His Lordship the following Address, from the Inhabitants of the City of Toronto and its vicinity:

TO HIS EXCELLENCY THE RIGHT HONOURABLE JOHN GEORGE, EARL OF DURHAM, Viscount Lambton, Knight Grand Cross of the Most Honourable Military Order of the Bath, one of HER MAJESTY'S Most Honourable Privy Council, Vice-Admiral and Captain General of all HER MAJESTY'S Provinces within, and adjacent to, the Continent of British North America.

MAY IT PLEASE YOUR EXCELLENCY:

We, Her Majesty's dutiful and loyal Subjects, inhabitants of the City of Toronto and vicinity, respectfully congratulate Your Excellency on your arrival at the Seat of Government in the Province of Upper Canada.

The selection by our Gracious and Beloved Queen, of a Nobleman of Your Excellency's exalted station, and commanding talents, to fill the high office entrusted to Your Excellency, in these extensive and important Provinces, is a most gratifying proof of Her Majesty's desire to maintain and advance the security and happiness of Her Majesty's loyal and devoted Subjects in this distant portion of Her Dominions.

Relying, as we do in the most unreserved and cordial manner, on that integrity of purpose for which Your Lordship's public life has been so eminently distinguished, and fully convinced that Your Excellency will foster and encourage the noble British feeling that now animates the people of this Province, we do not hesitate to assure Your Excellency, not only as respects ourselves, but on behalf of our fellow Subjects in every part of Upper Canada, a cordial and generous support in whatever measures Your Excellency may devise or adopt, having for their object the welfare of all classes of the community.

And we earnestly pray, that when Your Excellency shall retire from the deeply important duties with which you have been entrusted by our Sovereign, that you will long live to enjoy the satisfaction of knowing that your benevolent and patriotic exertions in British North America have added to the prosperity, confirmed the peace, and increased the happiness of that portion of Your Excellency's fellow Subjects over whom you have been appointed to govern, who now feel that their future destiny, as a portion of the mighty Empire of which they are proud to form a part, is in a great degree dependent on Your Excellency's measures.

To which His Lordship was pleased to make the following gracious

REPLY:

I thank you most sincerely for this kind and flattering expression of your sentiments.

You have well understood the feeling which animates Her Gracious Majesty: Her anxious desire is to insure the happiness and prosperity of all Her Subjects; and late events must have unanswerably proved to you, that for no portion of them has more solicitude been evinced, or protection afforded, than towards the inhabitants of Her Majesty's North American Provinces.

They are some of the most precious ornaments to the Crown of Great Britain: their eternal connection with that Crown should be the object of every British Statesman, who values the safety and prosperity of the Empire.

All my measures shall be directed to that end; and I am firmly convinced, that if I obtain your co-operation, and that of the other intelligent and influential communities which compose the North American Colonies, I shall succeed in obtaining for you all, Political Institutions which shall contribute to the permanent security of persons and property—to the possession of all just rights and liberties—and to the incalculable advancement of that Agricultural and Commercial prosperity, the seeds of which have been too long suffered to lie dormant and uncultivated.

For this great object I have quitted my own Country. If I succeed, I shall consider no labour, and no sacrifices as too onerous;—and all I ask is, that you will assist me by the abandonment of all party and personal considerations, in effecting that which is for your general welfare and happiness.

On His Lordship leaving the Council Chamber, He was escorted by the Inhabitants through the City, to Government House.

From the U. C. Gazette Extra, of 16th July.

HIS EXCELLENCY THE RIGHT HONOURABLE THE EARL OF DURHAM, GOVERNOR IN CHIEF, has intimated to the LIEUTENANT GOVERNOR, that He will be present in the Legislative Council Chamber, on Wednesday next, at Four o'clock, to receive an Address from the inhabitants of Toronto and its vicinity, congratulating His Lordship upon his arrival in Upper Canada, invested with the important powers committed to Him by Her Majesty.

The Lieutenant Governor is persuaded, that all classes of Her Majesty's Subjects will desire to testify their personal respect for His Lordship, and to manifest the deep interest taken by them in the success of His Lordship's Mission, by being present on this gratifying occasion.

His Excellency the Lieutenant Governor, will be happy to introduce to His Lordship, on Thursday next, at Twelve o'clock, at Government House, those Gentlemen who may desire to be presented previously to the Earl of Durham's departure for Lower Canada, where business of an important nature awaits the return of the Governor General.

To our beloved and faithful Legislative Councillors of our Province of Upper Canada, and to our Knights, Citizens and Bur-

gesses of our said Province; to our Provincial Parliament, at our City of Toronto, on Monday, the second day of July next, to be commenced, held, called and elected, and to every of you—

GREETING:

WHEREAS by our Proclamation bearing date the fifteenth day of May last, we thought fit to prorogue our Provincial Parliament to Tuesday, the second day of July next, at which time, at our City of Toronto, you were held and constrained to appear:

NOW KNOW YE, that We taking into our Royal consideration the ease and convenience of our loving Subjects, have thought fit, by and with the advice of our Executive Council, to relieve you and each of you of your attendance at the time aforesaid, hereby convoking, and by these Presents enjoining you and each of you, that on Monday, the sixth day of August, now next ensuing, you meet us in our Provincial Parliament, at our City of Toronto, there to take into consideration the state and welfare of our said Province of Upper Canada, and therein to do as may seem necessary.—Herein fail not.

IN TESTIMONY WHEREOF, We have caused these our Letters to be made Patent, and the Great Seal of our said Province to be hereunto affixed:—WITNESS our trusty and well-beloved SIR GEORGE ARTHUR, K.C.H. SECRETARY. 8

CASTLE ST. LEWIS, QUEBEC,
16th June, 1838.

SIR,

In the exercise of the powers vested in me, as Governor General of Her Majesty's Colonies in North America, and with a view to the permanent establishment of an improved system in the disposal of waste lands, the property of the Crown, in these Colonies, and the promotion of emigration thereto, upon the most extensive scale that circumstances will admit, I have prepared a Commission, directing an immediate inquiry into the subject, for each of the Provinces and Islands comprised in my General Government, and also authorizing the Commissioner therein named to issue temporary Rules and Regulations for the disposal of Crown Lands in each Colony, and to give instructions to the Officers of the Crown Lands' Department, as to the performance of their duties.

I enclose the Commission as prepared for the Province of Upper Canada, and have to direct that you will cause the Great Seal of that Province to be immediately affixed thereto, and that the Commission, together with a copy of this Despatch, may be published in the usual manner.

As one of the incidental, though not least desirable results of an improved system in the disposal of lands, the property of the Crown, may, I hope, be a very considerable increase in the value of all lands which have become private property; and as the expectation of such a result might lead to applications for grants of land upon the terms now in force, to such an extent as should defeat, or at least seriously impede, the most beneficial operation of the improved system, and especially the very desirable result above mentioned.

I have also to instruct you, that until further directions from me, you will, so far as it may be in your discretion, under any Provincial Act or Royal Instructions, or otherwise, abstain from alienating any waste lands, the property of the Crown. You may rely on receiving those further directions in so short a time as to prevent any inconvenience from the present suspension of your discretionary powers in this respect.

I have the honour to be, &c.

(Signed) DURHAM.

His Excellency
Major General SIR GEORGE ARTHUR,
K.C.H. &c. &c. &c. 9

PROVINCE OF UPPER CANADA

DURHAM.

VICTORIA, by the Grace of GOD, of the United Kingdom of Great Britain and Ireland, QUEEN, Defender of the Faith, &c. &c. &c.

To CHARLES BULLER—

GREETING:

WHEREAS it is highly expedient and desirable, that the disposal of the extensive tracts of Waste Lands, the property of the Crown, in our Provinces of Lower Canada, Upper Canada, Nova Scotia and New Brunswick, and our Islands of Prince Edward and Newfoundland, should be placed upon such a footing as may most effectually conduce to the increase of population and wealth in the said Provinces and Islands, and the general prosperity thereof, and in particular to greatly increased emigration from the Mother Country, both of capitalists and labourers, as permanent settlers, to the end that while the vast but imperfectly developed resources of the said Provinces and Islands, should, as soon as possible, be made fully productive, a more intimate connection between Britain and her Colonial Empire, in North America, founded on common interests, and productive of mutual advantages, may be established and permanently secured; AND WHEREAS, We have ordered and directed each of our Lieutenant Governors of our Provinces of Nova Scotia and New Brunswick, and our Islands of Prince Edward and Newfoundland respectively, to affix the Great Seal of our Province or Island, to which each is respectively Lieutenant Governor, to a Commission addressed by Us to you, to the like effect, and containing the like powers and authorities for enquiry, touching the Waste Lands, the property of the Crown, in each such Province or Island respectively, as are hereinafter contained: KNOW YE, therefore, that We, reposing great trust in your zeal, ability and discretion, have nominated, constituted and appointed, and by these Presents, do nominate, constitute and appoint, You, the said Charles Buller, to proceed, with the utmost dispatch, to enquire into the past and present methods of disposing of Waste Lands, Woods, Forests, and other Domains and Hereditaments, the property of the Crown, in our Province of Upper Canada, and to collect information respecting the operation thereof, in regard to the advancement of our said Province, and in particular to the promotion of emigration thereto from the Mother Country: AND our further will and pleasure is, that you, after due examination of the premises, do and shall, as soon as conveniently may be, report to Us, under your hand and seal, what you shall find touching or concerning the premises, upon such enquiry as aforesaid; and also that you shall suggest such alterations and modifications of the laws and regulations at present in force as may appear likely to promote the objects aforesaid; AND for the better discovery of the truth in the premises, We do, by these Presents, give and grant to you, full power and authority to call before you, such and so many of the Officers of the Crown Lands Department, and Agents for Emigrants in our said Province of Upper Canada, and such other Officers of the Crown, and other persons, as you shall judge necessary, by whom you may be the better informed of the truth in the premises; and to enquire of the premises, and every part thereof, by all other lawful ways and means whatsoever: AND We do also give and grant to you, full power and authority to cause all and singular the Officers aforesaid, in our said Province of Upper Canada, or any other person or persons, having in their custody any records, orders, regulations, books, papers or other writings, relating to or in anywise connected with the premises, to bring and produce the same before you. AND for your assistance in the due execution of this our Commission, We do hereby authorize you to nominate and appoint such person or persons as you shall think fit, to be Assistant Commissioner or Assistant Commissioners, for the purposes aforesaid, or any of them, and to delegate to him or them such and so many of the powers hereinbefore vested in you as may seem expedient: AND our will is, and we do hereby direct and ordain, that he person or persons so nominated by you, shall possess and exercise any powers and authorities so as aforesaid delegated to him or them, in as full and ample a manner as the same are possessed and may be exercised by you, under the authority of these Presents. AND We do hereby further authorize and empower you, at your discretion, to appoint such person as Secretary to this our Commission, as to you shall seem proper, and to frame such temporary rules, orders and regulations, with regard to the manner of disposing of such Crown Lands in our said Province of Upper Canada, as may to you appear expedient, and from time to time, at such like discretion, to alter and vary the same, due regard being had in all such rules, orders and regulations, to any Provincial Act or Acts, and to any Royal Instructions now in force in our said Province of Upper Canada, touching or concerning the disposal of the said Waste Lands, or any part thereof. AND We do hereby further authorize and empower you, to give instructions to the several Officers of the Crown Lands Department, and Agents for Emigrants, in our said Province, as to the performance of the duties of their respective offices, subject, nevertheless, to all such Provincial Acts or Royal Instructions as aforesaid, which Instructions shall be in all respects binding upon the Officer or Officers to whom the same shall be respectively addressed.

IN TESTIMONY WHEREOF, We have caused these our Letters to be made Patent, and the Great Seal of our said Province of Upper Canada to be hereunto affixed: WITNESS our right trusty and right well-beloved JOHN GEORGE EARL OF DURHAM, Knight, Grand Cross of the Most Honourable Military Order of the Bath, one of our Most Honourable Privy Council, and Governor General, Vice Admiral, and Captain General of all our Provinces within, and adjacent to the Continent of North America, &c. &c. &c. at our Castle of St. Lewis, in our City of Quebec, in our said Province of Lower Canada, this eighteenth day of June, in the year of our Lord one thousand eight hundred and thirty-eight, and in the first year of our Reign.

ADJUTANT GENERAL'S OFFICE,
Toronto, 11th July, 1838.

MILITIA GENERAL ORDER.

HIS Excellency the Lieutenant Governor has, since the issuing of the General Order of the 29th ultimo, received reports from Colonels commanding Regiments of Militia in different parts of the Province, of their having ordered out bodies of men from their respective Corps, for actual service: His Excellency does not doubt but that these orders have been given under a full conviction, that there was a necessity for embodying a greater force than was at the time stationed in their respective neighbourhoods, for the protection of Her Majesty's Subjects; but His Excellency feels it necessary, on account of the heavy expense incurred, and the absence of means at his disposal to discharge the same, to caution Officers of Militia, in a most particular manner, against embodying a Militia Force, except under circumstances of the most obvious and urgent necessity, without first communicating with, and obtaining the sanction of the Lieutenant Governor.

In cases of emergency, when the distance may be too great for immediate reference to the Lieutenant Governor, it is desirable to communicate with the nearest Officer commanding Her Majesty's Regular Forces, who may have it in his power to afford the necessary protection, without subjecting the Militia to the inconvenience of being called from their homes, and the public to an unnecessary expense.

By Command.

To our beloved and faithful Legislative Councillors of our Province of Upper Canada, and to our Knights, Citizens and Burgesses of our said Province; to ou. Provincial Parliament, at our City of Toronto, on Monday, the second day of July next, to be commenced, held, called and elected, and to every of you—

GREETING:

WHEREAS by our Proclamation bearing date the fifteenth day of May last, we thought fit to prorogue our Provincial Parliament to Tuesday, the second day of July next, at which time, at our City of Toronto, you were held and constrained to appear:

NOW KNOW YE, that We taking into our Royal consideration the ease and convenience of our loving Subjects, have thought fit, by and with the advice of our Executive Council, to relieve you and each of you of your attendance at the time aforesaid, hereby convoking, and by these Presents enjoining you and each of you, that on Monday, the sixth day of August, now next ensuing, you meet us in our Provincial Parliament, at our City of Toronto, there to take into consideration the state and welfare of our said Province of Upper Canada, and therein to do as may seem necessary.—Herein fail not.

CASTLE ST. LEWIS, QUEBEC,
18th June, 1838.

SIR,

In the exercise of the powers vested in me, as Governor General of Her Majesty's Colonies in North America, and with a view to the permanent establishment of an improved system in the disposal of waste lands, the property of the Crown, in these Colonies, and the promotion of emigration thereto, upon the most extensive scale that circumstances will admit, I have prepared a Commission, directing an immediate inquiry into the subject, for each of the Provinces and Islands comprised in my General Government, and also authorizing the Commissioner therein named to issue temporary Rules and Regulations for the disposal of Crown Lands in each Colony, and to give instructions to the Officers of the Crown Lands' Department, as to the performance of their duties.

I enclose the Commission as prepared for the Province of Upper Canada, and have to direct that you will cause the Great Seal of that Province to be immediately affixed thereto, and that the Commission, together with a copy of this Despatch, may be published in the usual manner.

As one of the incidental, though not least desirable results of an improved system in the disposal of lands, the property of the Crown, may, I hope, be a very considerable increase in the value of all lands which have become private property; and as the expectation of such a result might lead to applications for grants of land upon the terms now in force, to such an extent as should defeat, or at least seriously impede, the most beneficial operation of the improved system, and especially the very desirable result above mentioned.

I have also to instruct you, that until further directions from me, you will, so far as it may be in your discretion, under any Provincial Act or Royal Instructions, or otherwise, abstain from alienating any waste lands, the property of the Crown. You may rely on receiving those further directions in so short a time as to prevent any inconvenience from the present suspension of your discretionary powers in this respect.

I have the honour to be, &c.

(Signed) DURHAM.

His Excellency
Major General SIR GEORGE ARTHUR,
K. C. H. &c. &c. &c. 8

PROVINCE OF UPPER CANADA
DURHAM.

VICTORIA, by the Grace of GOD, of the United Kingdom of Great Britain and Ireland, QUEEN, Defender of the Faith, &c. &c. &c.

To CHARLES BULLER—

GREETING:

WHEREAS it is highly expedient and desirable, that the disposal of the extensive tracts of Waste Lands, the property of the Crown, in our Provinces of Lower Canada, Upper Canada, Nova Scotia and New Brunswick, and our Islands of Prince Edward and Newfoundland, should be placed upon such a footing as may most effectually conduce to the increase of population and wealth in the said Provinces and Islands, and the general prosperity thereof, and in particular to greatly increased emigration from the Mother Country, both of capitalists and labourers, as permanent settlers, to the end that while the vast but imperfectly developed resources of the said Provinces and Islands, should, as soon as possible, be made fully productive, a more intimate connection between Britain and her Colonial Empire, in North America, founded on common interests, and productive of mutual advantages, may be established and permanently secured; AND WHEREAS, We have ordered and directed each of our Lieutenant Governors of our Provinces of Nova Scotia and New Brunswick, and our Islands of Prince Edward and Newfoundland respectively, to affix the Great Seal of our Province or Island, to which each is respectively Lieutenant Governor, to a Commission addressed by Us to you, to the like effect, and containing the like powers and authorities for enquiry, touching the Waste Lands, the property of the Crown, in each such Province or Island respectively, as are hereinafter contained: KNOW YE, therefore, that We, reposing great trust in your zeal, ability and discretion, have nominated, constituted and appointed, and by these Presents, do nominate, constitute and appoint, You, the said Charles Buller, to proceed, with the utmost dispatch, to enquire into the past and present methods of disposing of Waste Lands, Woods, Forests, and other Domains and Hereditaments, the

property of the Crown, in our Province of Upper Canada, and to collect information respecting the operation thereof, in regard to the advancement of our said Province, and in particular to the promotion of emigration thereto from the Mother Country: And our further will and pleasure is, that you, after due examination of the premises, do and shall, as soon as conveniently may be, report to Us, under your hand and seal, what you shall find touching or concerning the premises, upon such enquiry as aforesaid; and also that you shall suggest such alterations and modifications of the laws and regulations at present in force as may appear likely to promote the objects aforesaid; And for the better discovery of the truth in the premises, We do, by these Presents, give and grant to you, full power and authority to call before you, such and so many of the Officers of the Crown Lands Department, and Agents for Emigrants in our said Province of Upper Canada, and such other Officers of the Crown, and other persons, as you shall judge necessary, by whom you may be the better informed of the truth in the premises; and to enquire of the premises, and every part thereof, by all other lawful ways and means whatsoever: And We do also give and grant to you, full power and authority to cause all and singular the Officers aforesaid, in our said Province of Upper Canada, or any other person or persons, having in their custody any records, orders, regulations, books, papers or other writings, relating to or in anywise connected with the premises, to bring and produce the same before you. And for your assistance in the due execution of this our Commission, We do hereby authorize you to nominate and appoint such person or persons as you shall think fit, to be Assistant Commissioner or Assistant Commissioners, for the purposes aforesaid, or any of them, and to delegate to him or them such and so many of the powers hereinbefore vested in you as may seem expedient: And our will is, and we do hereby direct and ordain, that the person or persons so nominated by you, shall possess and exercise any powers and authorities so as aforesaid delegated to him or them, in as full and ample a manner as the same are possessed and may be exercised by you, under the authority of these Presents. And We hereby further authorize and empower you, at your discretion, to appoint such person as Secretary to this our Commission, as to you shall seem proper, and to frame such temporary rules, orders and regulations, with regard to the manner of disposing of such Crown Lands in our said Province of Upper Canada, as may to you appear expedient, and from time to time, at such like discretion, to alter and vary the same, due regard being had in all such rules, orders and regulations, to any Provincial Act or Acts, and to any Royal Instructions now in force in our said Province of Upper Canada, touching or concerning the disposal of the said Waste Lands, or any part thereof. And We do hereby further authorize and empower you, to give instructions to the several Officers of the Crown Lands Department, and Agents for Emigrants, in our said Province, as to the performance of the duties of their respective offices, subject, nevertheless, to all such Provincial Acts or Royal Instructions as aforesaid, which Instructions shall be in all respects binding upon the Officer or Officers to whom the same shall be respectively addressed.

In Testimony whereof, We have caused these our Letters to be made Patent, and the Great Seal of our said Province of Upper Canada to be hereunto affixed: Witness our right trusty and right well-beloved John George Earl of Durham, Knight Grand Cross of the Most Honourable Military Order of the Bath, one of our Most Honourable Privy Council, and Governor General, Vice Admiral, and Captain General of all our Provinces within, and adjacent to the Continent of North America, &c. &c. &c. at our Castle of St. Lewis, in our City of Quebec, in our said Province of Lower Canada, this eighteenth day of June, in the year of our Lord one thousand eight hundred and thirty-eight, and in the first year of our Reign.

CHARLES BULLER,

Toronto, July 20th, 1838.

DISTRICT GENERAL ORDER.

His Excellency the Lieutenant Governor, and Major General Commanding, is happy in having it in his power to dispense with the Services of the whole of the Incorporated Corps of Militia and Volunteers serving at Toronto, with the exception of the Toronto City Guards, which are to continue to serve until further orders.

The extreme regularity and good conduct, in all duties required of them, as well as in quarters, of the Queen's Light Dragoons, under Major Dennison, and the alacrity and spirit with which Major Button's Troop of North York Militia came forward, on a recent occasion, demand His Excellency's warmest approbation.

The high state of perfection to which the First Provincial Volunteer Artillery has been brought, under Captain Leckie, not only in the discipline, but in the Great Gun Exercise, and in the Field Movements of the Company, deserves the highest praise; and,

The Soldier-like performance of all their public duties, and the rapidity and precision of their Field Movements, have drawn from Sir George Arthur, for the Queen's Rangers, under Colonel Jarvis, as they have deserved, His Excellency's warmest admiration.

It so happened, that the Queen's Light Dragoons were employed on the Express duty, during the most inclement part of last winter; and the Provincial Artillery, and Queen's Rangers, were employed, during the same season, on the Niagara Frontier, which harrassing service was performed by all with exemplary spirit and good conduct.

The before-mentioned Corps are to be permitted to return to their homes forthwith.

They are to receive Pay to the 31st July, instant, inclusive, but Rations are to be discontinued from the day of each man's discharge.

All Arms, Accoutrements, Ammunition, Barrack Bedding and Utensils, &c. &c. &c. are to be returned into the Ordnance Stores.

Of course the parties of the Queen's Rangers, at present on detached duties, will be considered on Service until further orders. Their return to Toronto will be immediately reported to Colonel Foster, Assistant Adjutant General.

The Militia Staff at Toronto, except such as are attached to the City Guards, and except Doctor Diehl, Assistant Inspector of Militia Hospitals, until he has received all the necessary Medical Reports and Returns from the Out-posts, are to be included in the reductions as before alluded to, and in similar terms.

His Excellency the Lieutenant Governor, and Major General Commanding, cannot permit Colonel John S. Macaulay, to retire from the Command of the Militia, at the Seat of Government, without testifying his high sense of the benefits which the Militia has derived, and consequently the Province, from the zeal, the talents, and the experience of Colonel Macaulay, during the whole period of his unceasing exertions in the Command.

By Command,

C. FOSTER,
11-4 *Colonel, A.A.G.*

Adjutant General's Office,
