FORWARDING.

NOTICE.—The undersigned hereby notify the public, that they will not be accountable for any loss, damage, or injury whatever, of or to any Produce, Goods, Wares, or Merchandize, entrusted or delivered to them, or any of their Agents or Servants, at any of their Establishments, for the purpose of transportation on board of any Steamer, Schooner, Barge, or other Craft, occasioned by Fire, Storm, Shoals, Fog, or any other dangers of the navigation, or by the Queen's enemies, or by any other accident not already mentioned, unless the same shall be caused by their wilful and gross neglect, or that of their Agents, Masters, Crews, or Servants; neither do they hold themselves responsible for any loss or damage by fire or otherwise, to any goods or produce delivered as above, while the same are in their possession, either in their Warehouses or elsewhere, either after the same shall have been received and before shipment, or after being unladen and before delivery to Consignees or Owners, or at any intermediate period, but that the same while so in their custody, shall be entirely at the risk of the owners, unless such damage or loss shall have been occasioned by any negligence as above stated. With regard to insurance, if the owner wishes to protect himself from loss by fire or otherwise, while property is in store with them, he must cause insurance to be effected upon the same, but being once shipped on board of Boats for Lower Canada, the Subscribers will (unless specially directed to the contrary,) effect insurance or take the risk thereon, against the dangers of the navigation, at the charge of the Owner; but on property from Lower Canada, they will not in any case effect insurance, unless instructed to do so by the Owner or his Agent.

Crown Lands Office,
Toronto, 5th June, 1840.

PUBLIC SALES will take place at the Agents' Offices, in the different Districts within this Province, on the 31st March, 30th June, 30th September, and 31st December, in each year, when such Lots as may have been bid off at Auction above the upset price, and which may have become forfeited for non-compliance with the conditions of such Sale, will be again exposed to public competition;—also such Lands as may be returned to this Department for sale, not heretofore advertised.

The numbers of the first-described Land may be known, upon application to the Agents of this Department, in their respective Districts: those of the latter will appear in the *Upper Canada Gazette*, and in one of the newspapers published in each District, one month before the time of such quarterly Sale, above mentioned, or of such special Sale as may be hereafter advertised.

A General Advertisement of Crown Lands, not heretofore offered, will appear so soon as Returns of Inspection of Lots advertised under Order in Council of the 4th April, 1838, have been made by the District Agents, and the necessary authority obtained from His Excellency the Lieutenant Governor in Council, to offer for sale such Lands, so advertised, as may have been forfeited by the original Locatees—when Lots returned as vacant since the General Advertisement of Sales of Crown Lands, published last year, will be included.

FORWARDING.

NOTICE.—The undersigned hereby notify the public, that they will not be accountable for any loss, damage, or injury whatever, of or to any Produce, Goods, Wares, or Merchandize, entrusted or delivered to them, or any of their Agents or Servants, at any of their Establishments, for the purpose of transportation on board of any Steamer, Schooner, Barge, or other Craft, occasioned by Fire, Storm, Shoals, Fog, or any other dangers of the navigation, or by the Queen's enemies, or by any other accident not already mentioned, unless the same shall be caused by their wilful and gross neglect, or that of their Agents, Masters, Crews, or Servants; neither do they hold themselves responsible for any loss or damage by fire or otherwise, to any goods or produce delivered as above, while the same are in their possession, either in their Warehouses or elsewhere, either after the same shall have been received and before shipment, or after being unladen and before delivery to Consignees or Owners, or at any intermediate period, but that the same while so in their custody, shall be entirely at the risk of the owners, unless such damage or loss shall have been occasioned by any negligence as above stated. With regard to insurance, if the owner wishes to protect himself from loss by fire or otherwise, while property is in store with them, he must cause insurance to be effected upon the same, but being once shipped on board of Boats for Lower Canada, the Subscribers will (unless specially directed to the contrary,) effect insurance or take the risk thereon, against the dangers of the navigation, at the charge of the Owner; but on property from Lower Canada, they will not in any case effect insurance, unless instructed to do so by the Owner or his Agent.

The undersigned take the present opportunity of also notifying all whom it may concern, that in consequence of the unprecedented accumulation of property of all descriptions at Kingston, having exhausted all the available and safe means of Storage in the place, and rendered exposure to the weather, as well as considerable detention to property unavoidable, and having during the present season suffered by almost all *deck* loads of Lake Craft, they will not hold themselves liable for any loss or damage to property arising from any of these causes, but only where it can be clearly shown to have happened while on board of their Boats.

FORWARDING.

NOTICE.—The undersigned hereby notify the public, that they will not be accountable for any loss, damage, or injury whatever, of or to any Produce, Goods, Wares, or Merchandize, entrusted or delivered to them, or any of their Agents or Servants, at any of their Establishments, for the purpose of transportation on board of any Steamer, Schooner, Barge, or other Craft, occasioned by Fire, Storm, Shoals, Fog, or any other dangers of the navigation, or by the Queen's enemies, or by any other accident not already mentioned, unless the same shall be caused by their wilful and gross neglect, or that of their Agents, Masters, Crews, or Servants; neither do they hold themselves responsible for any loss or damage by fire or otherwise, to any goods or produce delivered as above, while the same are in their possession, either in their Warehouses or elsewhere, either after the same shall have been received and before shipment, or after being unladen and before delivery to Consignees or Owners, or at any intermediate period, but that the same while so in their custody, shall be entirely at the risk of the owners, unless such damage or loss shall have been occasioned by any negligence as above stated. With regard to insurance, if the owner wishes to protect himself from loss by fire or otherwise, while property is in store with them, he must cause insurance to be effected upon the same, but being once shipped on board of Boats for Lower Canada, the Subscribers will (unless specially directed to the contrary,) effect insurance or take the risk thereon, against the dangers of the navigation, at the charge of the Owner; but on property from Lower Canada, they will not in any case effect insurance, unless instructed to do so by the Owner or his Agent.

The undersigned take the present opportunity of also notifying all whom it may concern, that in consequence of the unprecedented accumulation of property of all descriptions at Kingston, having exhausted all the available and safe means of Storage in the place, and rendered exposure to the weather, as well as considerable detention to property unavoidable, and having during the present season suffered by almost all *deck* loads of Lake Craft, they will not hold themselves liable for any loss or damage to property arising from any of these causes, but only where it can be clearly shown to have happened while on board of their Boats.

NOTICE.—The undersigned hereby notify the public, that they will not be accountable for any loss, damage, or injury whatever, of or to any Produce, Goods, Wares, or Merchandize, entrusted or delivered to them, or any of their Agents or Servants, at any of their Establishments, for the purpose of transportation on board of any Steamer, Schooner, Barge, or other Craft, occasioned by Fire, Storm, Shoals, Fog, or any other dangers of the navigation, or by the Queen's enemies, or by any other accident not already mentioned, unless the same shall be caused by their wilful and gross neglect, or that of their Agents, Masters, Crews, or Servants; neither do they hold themselves responsible for any loss or damage by fire or otherwise, to any goods or produce delivered as above, while the same are in their possession, either in their Warehouses or elsewhere, either after the same shall have been received and before shipment, or after being unladen and before delivery to Consignees or Owners, or at any intermediate period, but that the same while so in their custody, shall be entirely at the risk of the owners, unless such damage or loss shall have been occasioned by any negligence as above stated. With regard to insurance, if the owner wishes to protect himself from loss by fire or otherwise, while property is in store with them, he must cause insurance to be effected upon the same, but being once shipped on board of Boats for Lower Canada, the Subscribers will (unless specially directed to the contrary,) effect insurance or take the risk thereon, against the dangers of the navigation, at the charge of the Owner; but on property from Lower Canada, they will not in any case effect insurance, unless instructed to do so by the Owner or his Agent.

The undersigned take the present opportunity of also notifying all whom it may concern, that in consequence of the unprecedented accumulation of property of all descriptions at Kingston, having exhausted all the available and safe means of Storage in the place, and rendered exposure to the weather, as well as considerable detention to property unavoidable, and having during the present season suffered by almost all *deck* loads of Lake Craft, they will not hold themselves liable for any loss or damage to property arising from any of these causes, but only where it can be clearly shown to have happened while on board of their Boats.

FORWARDING.

NOTICE.—The undersigned hereby notify the public, that they will not be accountable for any loss, damage, or injury whatever, of or to any Produce, Goods, Wares, or Merchandize, entrusted or delivered to them, or any of their Agents or Servants, at any of their Establishments, for the purpose of transportation on board of any Steamer, Schooner, Barge, or other Craft, occasioned by Fire, Storm, Shoals, Fog, or any other dangers of the navigation, or by the Queen's enemies, or by any other accident not already mentioned, unless the same shall be caused by their wilful and gross neglect, or that of their Agents, Masters, Crews, or Servants; neither do they hold themselves responsible for any loss or damage by fire or otherwise, to any goods or produce delivered as above, while the same are in their possession, either in their Warehouses or elsewhere, either after the same shall have been received and before shipment, or after being unladen and before delivery to Consignees or Owners, or at any intermediate period, but that the same while so in their custody, shall be entirely at the risk of the owners, unless such damage or loss shall have been occasioned by any negligence as above stated. With regard to insurance, if the owner wishes to protect himself from loss by fire or otherwise, while property is in store with them, he must cause insurance to be effected upon the same, but being once shipped on board of Boats for Lower Canada, the Subscribers will (unless specially directed to the contrary,) effect insurance or take the risk thereon, against the dangers of the navigation, at the charge of the Owner; but on property from Lower Canada, they will not in any case effect insurance, unless instructed to do so by the Owner or his Agent.

The undersigned take the present opportunity of also notifying all whom it may concern, that in consequence of the unprecedented accumulation of property of all descriptions at Kingston, having exhausted all the available and safe means of Storage in the place, and rendered exposure to the weather, as well as considerable detention to property unavoidable, and having during the present season suffered by almost all *deck* loads of Lake Craft, they will not hold themselves liable for any loss or damage to property arising from any of these causes, but only where it can be clearly shown to have happened while on board of their Boats.

[Royal assent promulgated by Proclamation, 22nd October, 1840.]

Most Gracious Sovereign:

WHEREAS during the late unnatural Rebellion, and on the several hostile invasions of, and lawless aggressions upon this Province, at various points, by Foreigners and others from the United States of America, divers inhabitants of this Province sustained much loss and damage by the destruction of their dwellings, and other buildings and property, and by the seizure and carrying away of their property by the rebels and invaders, and otherwise: *And whereas* other of the said inhabitants essentially contributed to the effectual defence of the Province, by capturing many of the rebels and invaders, by advancing money and supplying meat, drink, lodging, clothing, arms and accoutrements, and also conveyances for the Militia Forces, and otherwise, and by performing many important services in various ways, for which they have not hitherto been paid or satisfied, and their claims and demands are still outstanding: *And whereas* it is just and expedient that all such claims and demands should be paid and satisfied, after the same have been ascertained in the manner hereinafter mentioned—We, Your Majesty's dutiful and loyal Subjects, the Commons of Upper Canada, in Provincial Parliament assembled, therefore humbly beseech Your Majesty that it may be enacted,—*And be it enacted* by the Queen's most Excellent Majesty, by and with the advice and consent of the Legislative Council and Assembly of the Province of Upper Canada, constituted and assembled by virtue of, and under the authority of an Act passed in the Parliament of Great Britain, entitled, "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's reign, entitled, 'An Act for making more effectual provision for the Government of the Province of Quebec, in North America, and to make further provision for the Government of the said Province," and by the authority of the same, That from and out of the rates and duties now raised, levied and collected, or hereafter to be raised, levied and collected, and in the hands of the Receiver General of this Province, and unappropriated, there be granted to Her Majesty, Her Heirs and Successors, a sum not exceeding Forty Thousand Pounds, which said sum not exceeding the said sum of Forty Thousand Pounds, shall be appropriated, applied and disposed of, in the payment of all and every, and so many and such of the claims, or "sums allowed" in the third column of the Schedules hereinafter directed to be made out and delivered or sent to the Governor of this Province, by the Commissioners to be appointed under this Act, and the same shall be paid under the Warrants of the Governor, as hereinafter provided.

FORWARDING.

NOTICE.—The undersigned hereby notify the public, that they will not be accountable for any loss, damage, or injury whatever, of or to any Produce, Goods, Wares, or Merchandize, entrusted or delivered to them, or any of their Agents or Servants, at any of their Establishments, for the purpose of transportation on board of any Steamer, Schooner, Barge, or other Craft, occasioned by Fire, Storm, Shoals, Fog, or any other dangers of the navigation, or by the Queen's enemies, or by any other accident not already mentioned, unless the same shall be caused by their wilful and gross neglect, or that of their Agents, Masters, Crews, or Servants; neither do they hold themselves responsible for any loss or damage by fire or otherwise, to any goods or produce delivered as above, while the same are in their possession, either in their Warehouses or elsewhere, either after the same shall have been received and before shipment, or after being unladen and before delivery to Consignees or Owners, or at any intermediate period, but that the same while so in their custody, shall be entirely at the risk of the owners, unless such damage or loss shall have been occasioned by any negligence as above stated. With regard to insurance, if the owner wishes to protect himself from loss by fire or otherwise, while property is in store with them, he must cause insurance to be effected upon the same, but being once shipped on board of Boats for Lower Canada, the Subscribers will (unless specially directed to the contrary,) effect insurance or take the risk thereon, against the dangers of the navigation, at the charge of the Owner; but on property from Lower Canada, they will not in any case effect insurance, unless instructed to do so by the Owner or his Agent.

The undersigned take the present opportunity of also notifying all whom it may concern, that in consequence of the unprecedented accumulation of property of all descriptions at Kingston, having exhausted all the available and safe means of Storage in the place, and rendered exposure to the weather, as well as considerable detention to property unavoidable, and having during the present season suffered by almost all *deck* loads of Lake Craft, they will not hold themselves liable for any loss or damage to property arising from any of these causes, but only where it can be clearly shown to have happened while on board of their Boats.

His Lordship informs His Excellency that he has had the honour to lay that Address before the Queen, and that Her Majesty had commanded him to cause it to be signified to you, as Chairman of the Meeting, by whom that Address was signed on behalf of Her Majesty's faithful Subjects there present, that the Queen, fully participating in the feelings of the People of Upper Canada, on the subject of the late Major-General SIR ISAAC BROCK, and bearing in grateful remembrance, the services of that gallant and distinguished Officer, had learned, with lively satisfaction, the high tribute which had been paid to his name and character.'

With regard to insurance, if the owner wishes to protect himself from loss by fire or otherwise, while property is in store with them, he must cause insurance to be effected upon the same, but being once shipped on board of Boats for Lower Canada, the Subscribers will (unless specially directed to the contrary,) effect insurance or take the risk thereon, against the dangers of the navigation, at the charge of the Owner; but on property from Lower Canada, they will not in any case effect insurance, unless instructed to do so by the Owner or his Agent.

The undersigned take the present opportunity of also notifying all whom it may concern, that in consequence of the unprecedented accumulation of property of all descriptions at Kingston, having exhausted all the available and safe means of Storage in the place, and rendered exposure to the weather, as well as considerable detention to property unavoidable, and having during the present season suffered by almost all *deck* loads of Lake Craft, they will not hold themselves liable for any loss or damage to property arising from any of these causes, but only where it can be clearly shown to have happened while on board of their Boats.

FORWARDING.

NOTICE.—The undersigned hereby notify the public, that they will not be accountable for any loss, damage, or injury whatever, of or to any Produce, Goods, Wares, or Merchandize, entrusted or delivered to them, or any of their Agents or Servants, at any of their Establishments, for the purpose of transportation on board of any Steamer, Schooner, Barge, or other Craft, occasioned by Fire, Storm, Shoals, Fog, or any other dangers of the navigation, or by the Queen's enemies, or by any other accident not already mentioned, unless the same shall be caused by their wilful and gross neglect, or that of their Agents, Masters, Crews, or Servants; neither do they hold themselves responsible for any loss or damage by fire or otherwise, to any goods or produce delivered as above, while the same are in their possession, either in their Warehouses or elsewhere, either after the same shall have been received and before shipment, or after being unladen and before delivery to Consignees or Owners, or at any intermediate period, but that the same while so in their custody, shall be entirely at the risk of the owners, unless such damage or loss shall have been occasioned by any negligence as above stated. With regard to insurance, if the owner wishes to protect himself from loss by fire or otherwise, while property is in store with them, he must cause insurance to be effected upon the same, but being once shipped on board of Boats for Lower Canada, the Subscribers will (unless specially directed to the contrary,) effect insurance or take the risk thereon, against the dangers of the navigation, at the charge of the Owner; but on property from Lower Canada, they will not in any case effect insurance, unless instructed to do so by the Owner or his Agent.

The undersigned take the present opportunity of also notifying all whom it may concern, that in consequence of the unprecedented accumulation of property of all descriptions at Kingston, having exhausted all the available and safe means of Storage in the place, and rendered exposure to the weather, as well as considerable detention to property unavoidable, and having during the present season suffered by almost all *deck* loads of Lake Craft, they will not hold themselves liable for any loss or damage to property arising from any of these causes, but only where it can be clearly shown to have happened while on board of their Boats.

THE NEW-YORK ALBION.

WE beg to announce that it is our intention to issue TWO NEW PLATES during the ensuing year, in a style superior to any thing of the kind that has yet been issued from this office.

The first will be a portrait of the DUKE OF WELLINGTON, executed on steel by an artist of first rate abilities, recently arrived in this country. It is copied from the celebrated painting prepared for the Corporation of Dover, and represents the illustrious Chief in a very favourable attitude. The plate is promised us by the engraver on the 1st of February, when we shall immediately cause the impressions to be forwarded to our respective subscribers as fast as they can be wrought off.

The second plate will represent WINDSOR CASTLE; a view taken from the most favourable point. Besides the historical interest attached to this subject, it will form a picture of great beauty, excelling that of Buckingham Palace. In addition to an extensive view, it will combine much detail. The foreground is very animated, presenting, besides other living objects, a party of Her Majesty's Life Guards, mounted, and in full costume. This engraving we have entrusted to Mr. Dick, who engages to deliver it to us in July.

The delay in bringing out our prints, experienced on one or two occasions, did not originate with us, but with the artist, who, in his anxiety to produce a good picture, exceeded the time he had prescribed for himself. A few of our readers may have felt dissappointment at his tardiness, but they had, in consequence, a better finished picture.

The value and excellence of these two Plates, given as they will be without cost of any kind to the subscribers, will render the *Albion* one of the very cheapest periodicals published in this country.

FORWARDING.

NOTICE.—The undersigned hereby notify the public, that they will not be accountable for any loss, damage, or injury whatever, of or to any Produce, Goods, Wares, or Merchandize, entrusted or delivered to them, or any of their Agents or Servants, at any of their Establishments, for the purpose of transportation on board of any Steamer, Schooner, Barge, or other Craft, occasioned by Fire, Storm, Shoals, Fog, or any other dangers of the navigation, or by the Queen's enemies, or by any other accident not already mentioned, unless the same shall be caused by their wilful and gross neglect, or that of their Agents, Masters, Crews, or Servants; neither do they hold themselves responsible for any loss or damage by fire or otherwise, to any goods or produce delivered as above, while the same are in their possession, either in their Warehouses or elsewhere, either after the same shall have been received and before shipment, or after being unladen and before delivery to Consignees or Owners, or at any intermediate period, but that the same while so in their custody, shall be entirely at the risk of the owners, unless such damage or loss shall have been occasioned by any negligence as above stated. With regard to insurance, if the owner wishes to protect himself from loss by fire or otherwise, while property is in store with them, he must cause insurance to be effected upon the same, but being once shipped on board of Boats for Lower Canada, the Subscribers will (unless specially directed to the contrary,) effect insurance or take the risk thereon, against the dangers of the navigation, at the charge of the Owner; but on property from Lower Canada, they will not in any case effect insurance, unless instructed to do so by the Owner or his Agent.

The undersigned take the present opportunity of also notifying all whom it may concern, that in consequence of the unprecedented accumulation of property of all descriptions at Kingston, having exhausted all the available and safe means of Storage in the place, and rendered exposure to the weather, as well as considerable detention to property unavoidable, and having during the present season suffered by almost all *deck* loads of Lake Craft, they will not hold themselves liable for any loss or damage to property arising from any of these causes, but only where it can be clearly shown to have happened while on board of their Boats.

THE NEW-YORK ALBION.

WE beg to announce that it is our intention to issue TWO NEW PLATES during the ensuing year, in a style superior to any thing of the kind that has yet been issued from this office.

The first will be a portrait of the DUKE OF WELLINGTON, executed on steel by an artist of first rate abilities, recently arrived in this country. It is copied from the celebrated painting prepared for the Corporation of Dover, and represents the illustrious Chief in a very favourable attitude. The plate is promised us by the engraver on the 1st of February, when we shall immediately cause the impressions to be forwarded to our respective subscribers as fast as they can be wrought off.

The second plate will represent WINDSOR CASTLE; a view taken from the most favourable point. Besides the historical interest attached to this subject, it will form a picture of great beauty, excelling that of Buckingham Palace. In addition to an extensive view, it will combine much detail. The foreground is very animated, presenting, besides other living objects, a party of Her Majesty's Life Guards, mounted, and in full costume. This engraving we have entrusted to Mr. Dick, who engages to deliver it to us in July.

The delay in bringing out our prints, experienced on one or two occasions, did not originate with us, but with the artist, who, in his anxiety to produce a good picture, exceeded the time he had prescribed for himself. A few of our readers may have felt dissappointment at his tardiness, but they had, in consequence, a better finished picture.

The value and excellence of these two Plates, given as they will be without cost of any kind to the subscribers, will render the *Albion* one of the very cheapest periodicals published in this country.

His time is limited to a few weeks, he therefore respectfully enjoins the necessity of an early application on all those who wish to improve their hand writing.

FORWARDING.

NOTICE.—The undersigned hereby notify the public, that they will not be accountable for any loss, damage, or injury whatever, of or to any Produce, Goods, Wares, or Merchandize, entrusted or delivered to them, or any of their Agents or Servants, at any of their Establishments, for the purpose of transportation on board of any Steamer, Schooner, Barge, or other Craft, occasioned by Fire, Storm, Shoals, Fog, or any other dangers of the navigation, or by the Queen's enemies, or by any other accident not already mentioned, unless the same shall be caused by their wilful and gross neglect, or that of their Agents, Masters, Crews, or Servants; neither do they hold themselves responsible for any loss or damage by fire or otherwise, to any goods or produce delivered as above, while the same are in their possession, either in their Warehouses or elsewhere, either after the same shall have been received and before shipment, or after being unladen and before delivery to Consignees or Owners, or at any intermediate period, but that the same while so in their custody, shall be entirely at the risk of the owners, unless such damage or loss shall have been occasioned by any negligence as above stated. With regard to insurance, if the owner wishes to protect himself from loss by fire or otherwise, while property is in store with them, he must cause insurance to be effected upon the same, but being once shipped on board of Boats for Lower Canada, the Subscribers will (unless specially directed to the contrary,) effect insurance or take the risk thereon, against the dangers of the navigation, at the charge of the Owner; but on property from Lower Canada, they will not in any case effect insurance, unless instructed to do so by the Owner or his Agent.

The undersigned take the present opportunity of also notifying all whom it may concern, that in consequence of the unprecedented accumulation of property of all descriptions at Kingston, having exhausted all the available and safe means of Storage in the place, and rendered exposure to the weather, as well as considerable detention to property unavoidable, and having during the present season suffered by almost all *deck* loads of Lake Craft, they will not hold themselves liable for any loss or damage to property arising from any of these causes, but only where it can be clearly shown to have happened while on board of their Boats.

NOTICE,

To Owners of Wild Lands, in the District of Victoria.

PERSONS owning Wild Lands in the District of Victoria, will take notice, that from the 1st day of July, last past, their Lands will be Assessed with the double Rate. The Advertisement for the sale of Wild Lands in the District of Victoria, will be issued in the course of a few weeks. Owners of Lots will therefore do well by applying to the Treasurer for a statement of Taxes due, and by liquidating the same without delay. In future, to keep these Accounts correct, the public are notified, that all Taxes must be paid into the hands of the Treasurer of this District, the receipt from any other will not be admitted as a liquidation of the Tax, and the regular process of the Law will be put in force to obtain collections.

To Owners of Wild Lands, in the District of Victoria.

PERSONS owning Wild Lands in the District of Victoria, will take notice, that from the 1st day of July, last past, their Lands will be Assessed with the double Rate. Toronto, 5th June, 1840.

PUBLIC SALES will take place at the Agents' Offices, in the different Districts within this Province, on the 31st March, 30th June, 30th September, and 31st December, in each year, when such Lots as may have been bid off at Auction above the upset price, and which may have become forfeited for non-compliance with the conditions of such Sale, will be again exposed to public competition;—also such Lands as may be returned to this Department for sale, not heretofore advertised.

The numbers of the first-described Lands may be known, upon application to the Agents of this Department, in their respective Districts: those of the latter will appear in the *Upper Canada Gazette*, and in one of the newspapers published in each District, one month before the time of such quarterly Sale, above mentioned, or of such special Sale as may be hereafter advertised.

A General Advertisement of Crown Lands, not heretofore offered, will appear so soon as Returns of Inspection of Lots advertised under Order in Council of the 4th April, 1838, have been made by the District Agents, and the necessary authority obtained from His Excellency the Lieutenant-Governor in Council, to offer for sale such Lands, so advertised, as may have been forfeited by the original Locatees—when Lots returned as vacant since the General Advertisement of Sales of Crown Lands, published last year, will be included.

TORONTO, 18th *January*, 1841.

NOTICE is hereby given, that an adjourned Meeting of the BROCK COMMITTEE, will take place in the House of Assembly, in this City, on Friday, the 29th instant, at 1 o'clock, P. M. A full attendance of the Members is requested.

RICHARD BULLOCK,
n-37 *Sec'y. Brock Committee.*

THE Committee of the Commercial News Room, have been instructed by the Proprietors to submit to the Public, a statement of the circumstances under which, there is too much reason to fear, that they will be compelled to close up the Room at the expiration of the present year. Since the establishment of the Commercial News Room, about eight years ago, the greatest difficulty has been experienced by the Proprietors in meeting the necessary expenses, and they were at one time on the eve of giving it up in despair. It was thought prudent, however, before taking this step, to make an appeal to the liberality of the public, which having proved successful, they were enabled not only to keep the Room open, but felt themselves warranted in making considerable additions to the list of Newspapers and Periodicals. They regret much to have to state, that, at the commencement of the past year, no less than 50 Annual Subscribers (chiefly Gentlemen who have not frequented the Room, but who were induced by the exertions of the Committee, on a previous occasion, to contribute to its support,) ceased to subscribe—the consequence of which has been, that there was an excess of expenditure over the receipts of £54 3s. 4d. and that the Treasurer is now in arrears. The Proprietors of the Room derive no advantage whatever over other Subscribers, while they are responsible for the engagements of the Society, and have already expended a considerable sum in furniture and alterations, which would, in case of the abandonment of the Room, prove nearly a total loss. They feel that they have performed their part towards maintaining in the Capital of Upper Canada, an Institution which has always been considered by strangers to reflect the highest credit on the public spirit of its inhabitants, and the downfall of which, they cannot but think, would be highly discreditable to the City. In the confident hope that the present appeal will be as successful as that made on a former occasion, the Committee now leave the fate of the Commercial News Room in the hands of the Public, whose apathy and indifference towards the Establishment, they feel quite at a loss to account for.

By order of the Committee.

PUBLIC SALES will take place at the Agents' Offices, in the different Districts within this Province, on the 31st March, 30th June, 30th September, and 31st December, in each year, when such Lots as may have been bid off at Auction above the upset price, and which may have become forfeited for non-compliance with the conditions of such Sale, will be again exposed to public competition;—also such Lands as may be returned to this Department for sale, not heretofore advertised.

To Owners of Wild Lands, in the District of Victoria.

PERSONS owning Wild Lands in the District of Victoria, will take notice, that from the 1st day of July, last past, their Lands will be Assessed with the double Rate. The Advertisement for the sale of Wild Lands in the District of Victoria, will be issued in the course of a few weeks. Owners of Lots will therefore do well by applying to the Treasurer for a statement of Taxes due, and by liquidating the same without delay. NOTICE,

To Owners of Wild Lands, in the District of Victoria.

PERSONS owning Wild Lands in the District of Victoria, will take notice, that from the 1st day of July, last past, their Lands will be Assessed with the double Rate. Owing to the Account having hitherto remained in the charge of the Midland District, the additional Rate for the Court House and Gaol was omitted in all instances where paymens have been made up to 1840, for which reason, the above order has been made, by the General Quarter Sessions.

The Advertisement for the sale of Wild Lands in the District of Victoria, will be issued in the course of a few weeks. Owners of Lots will therefore do well by applying to the Treasurer for a statement of Taxes due, and by liquidating the same without delay. In future, to keep these Accounts correct, the public are notified, that all Taxes must be paid into the hands of the Treasurer of this District, the receipt from any other will not be admitted as a liquidation of the Tax, and the regular process of the Law will be put in force to obtain collections.

Mr. Mayor:

As a consequence of the Re-union of the Canadas, my Administration of the Government of the Upper Province, under Her Majesty's Commission, will necessarily cease after this day; I therefore avail myself, with very sincere pleasure, of your presence on this occasion, to express to you, as the Chief Magistrate of Toronto, my most cordial thanks, for the support and co-operation which I have at all times received from the Authorities and Inhabitants of this City; and to offer you the assurance, that my confidence in the Loyalty of the Citizens of Toronto, and of their Attachment to Her Majesty's Sacred Person, has suffered no diminution since I was called upon, immediately after my arrival in this Country, to express Her Majesty's most gracious approbation of their conduct, under circumstances of peculiar trial.

I feel persuaded, Mr. Mayor, that the Citizens of Toronto will transfer the same kindly feeling which I have experienced from them, to the Governor of Canada, who will to-morrow assume the Executive functions over the United Province; and, as Lord Sydenham is charged with a most onerous duty, I persuade myself that, with true British feeling, their generous support will be enlarged towards His Excellency, in proportion to the increased difficulties with which His Government must, for a season have to contend.

SUPPLEMENT TO THE

Upper Canada Gazette,

By Authority.

TORONTO, MONDAY, FEBRUARY 15, 1841.

PROVINCE OF CANADA. } SYDENHAM.

HIS EXCELLENCY THE RIGHT HONOURABLE CHARLES, BARON SYDENHAM, of Sydenham, in the County of Kent, and Toronto in Canada, one of Her MAJESTY'S Most Honourable Privy Council, Governor General of British North America, and Captain General and Governor-in-Chief, in and over the Provinces of Canada, Nova Scotia, New Brunswick, and the Island of Prince Edward, and Vice Admiral of the same.

A PROCLAMATION.

IN obedience to the Commands of the QUEEN, I have this day assumed the Government of the Province of Canada. Upper and Lower Canada, separated for fifty years, are once more Reunited, and henceforward will form but one Province, under one Administration.

On my arrival in Lower Canada, I declared that one of the main objects of my mission was, to put an end to the Suspension of the Constitution in that Province, and to restore to its Inhabitants the full benefit of British Institutions. That object is accomplished. By the Imperial Act, which fixes the Union, Representative Government is again established, and that control by the People over their own affairs, which is deemed the highest privilege of Britons, is once more restored to them. The Act which provides for this, affixes certain conditions to the grant, over which the Provincial Legislature can exercise no authority; while it leaves to the final arbitration of that Legislature all questions but those which the Imperial Parliament, in its wisdom, has deemed essential itself to determine—the Legislative Reunion—the establishment of a secure and firm administration of Government—and the maintenance of the due relations of Colony and Parent State. Efforts have been sedulously made to deceive the unwary, and especially some of our fellow Subjects of French origin, upon this point—to represent these Provisions as injurious—to treat them as susceptible of change here—and to excite opposition, which can only prove as mischievous as it must be useless.

I rely, however, on these efforts proving unavailing; and I appeal with confidence to the Loyalty and good sense of the Inhabitants of Lower Canada, of whatever origin, so to use the power which is now again committed to their hands, as to justify the trust which our Sovereign and the Imperial Parliament have reposed in them, and cordially to join in an endeavour to promote the common interest of the United Province.

In Upper Canada the sense of the People was declared fully and freely, through their constitutional organs, upon the great question of the Union itself, and on the principles on which it should be based. Those principles have been adopted by the Imperial Parliament, and it will ever be matter of the utmost gratification to me, that my humble efforts have aided in perfecting a measure, securing, as I firmly believe, to that Province, which I regard with feelings of affection as well as interest, advantages, which it could attain by no other means.

Inhabitants of the Province of Canada! Henceforward may you be united in Sentiment, as you are, from this day, in name.—Who can visit, as it has been my good fortune to do, the extensive regions which are now united in one common denomination, and fail to acknowledge the vast resources they present, for all that can conduce to the comforts and happiness of man? A part of the mighty Empire of England—protected by her Arms—assisted by her Treasury—admitted to all the benefits of Trade as her Citizens—your freedom guaranteed by her Laws, and your rights supported by the sympathy of your fellow Subjects there—Canada enjoys a position unsurpassed by any Country in the world.

It is for you, its Inhabitants, to cultivate these advantages—to avail yourselves of the new era which now opens upon you. Our Gracious Sovereign and the people of England watch with anxiety the result of the great change which has to-day received its completion. It is the first wish of the Queen to rule in the hearts of Her Subjects, and to feel that they are contented and prosperous under Her mild and just sway. Her Parliament and Government, in conferring on you new Institutions, have sought only your happiness and advantage. In your hands rests now your own fate; and by the use which you will make of the opportunity, must it be decided. May the All-wise Disposer of events so ordain your acts, that they may tend to the promotion of peace and happiness amongst you; and may He pour His blessing upon that Union, of which it is my pleasing duty this day to announce to you the completion.

GIVEN under my Hand and Seal at Arms, at the Government House, in the City of Montreal, in the said Province of Canada, the Tenth day of February, in the year of our Lord one thousand eight hundred and forty-one, and in the fourth year of Her Majesty's reign.

By Command. D. DALY,
Secretary of the Province.

PROVINCE OF CANADA. } SYDENHAM.

VICTORIA, by the Grace of GOD, of the United Kingdom of Great Britain and Ireland, QUEEN, Defender of the Faith.

To all our loving subjects whom these presents may concern,

GREETING:

WHEREAS, in and by a certain Act of the Legislature of the Province of Upper Canada, made and passed in the seventh year of the reign of His late Majesty King William the Fourth, intituled, "An Act to establish a Court of Chancery in this Province," it is, amongst other things, enacted, that the said Court of Chancery shall be holden at the Seat of Government in the said Province, or in such other place as shall be appointed by Proclamation of the Governor, Lieutenant Governor, or person administering the Government of the said Province: And whereas it is necessary to make provision for the future holding of the said Court: Now THEREFORE KNOW YE, that our Governor of our said Province hath deemed it advisable, and it is hereby appointed and declared, that until the further signification of our pleasure, the said Court of Chancery shall be, and shall continue to be holden at our City of Toronto—of which all our loving Subjects are to take due notice, and govern themselves accordingly.

IN TESTIMONY WHEREOF, We have caused these our Letters to be made Patent, and the Great Seal of our said Province of Canada to be hereunto affixed.

WITNESS our right trusty and well beloved the RIGHT HONOURABLE CHARLES, BARON SYDENHAM, of Sydenham, in the County of Kent, and of Toronto in Canada, Governor General of British North America, and Captain General and Governor-in-Chief, in and over our Provinces of Canada, Nova Scotia, New-Brunswick, and the Island of Prince Edward, and Vice Admiral of the same.

At our Government House, in our City of Montreal, in our said Province of Canada, the Tenth day of February, in the year of our Lord one thousand eight hundred and forty-one, and in the Fourth year of our Reign.

(From the Supplement to the U. C. Gazette, of Monday, the 15th of February.)

PROVINCE OF CANADA. } SYDENHAM.

HIS EXCELLENCY THE RIGHT HONOURABLE CHARLES, BARON SYDENHAM, of Sydenham, in the County of Kent, and Toronto in Canada, one of Her MAJESTY'S Most Honourable Privy Council, Governor General of British North America, and Captain General and Governor-in-Chief, in and over the Provinces of Canada, Nova Scotia, New Brunswick, and the Island of Prince Edward, and Vice Admiral of the same.

A PROCLAMATION.

IN obedience to the Commands of the QUEEN, I have this day assumed the Government of the Province of Canada.—Upper and Lower Canada, separated for fifty years, are once more Reunited, and hence forward will form but one Province, under one Administration.

On my arrival in Lower Canada, I declared that one of the main objects of my mission was, to put an end to the Suspension of the Constitution in that Province, and to restore to its Inhabitants the full benefit of British Institutions. That object is accomplished. By the Imperial Act, which fixes the Union, Representative Government is again established, and that control by the People over their own affairs, which is deemed the highest privilege of Britons, is once more restored to them. The Act which provides for this, affixes certain conditions to the grant, over which the Provincial Legislature can exercise no authority; while it leaves to the final arbitration of that Legislature all questions but those which the Imperial Parliament, in its wisdom, has deemed essential itself to determine—the Legislative Reunion—the establishment of a secure and firm administration of Government—and the maintenance of the due relations of Colony and Parent State. Efforts have been sedulously made to deceive the unwary, and especially some of our fellow Subjects of French origin, upon this point—to represent these Provisions as injurious—to treat them as susceptible of change here—and to excite opposition, which can only prove as mischievous as it must be useless.

I rely, however, on these efforts proving unavailing; and I appeal with confidence to the Loyalty and good sense of the Inhabitants of Lower Canada, of whatever origin, so to use the power which is now again committed to their hands, as to justify the trust which our Sovereign and the Imperial Parliament have reposed in them, and cordially to join in an endeavour to promote the common interest of the United Province.

In Upper Canada the sense of the People was declared fully and freely, through their constitutional organs, upon the great question of the Union itself, and on the principles on which it should be based. Those principles have been adopted by the Imperial Parliament, and it will ever be matter of the utmost gratification to me, that my humble efforts have aided in perfecting a measure, securing, as I firmly believe, to that Province, which I regard with feelings of affection as well as interest, advantages, which it could attain by no other means.

Inhabitants of the Province of Canada! Henceforward may you be united in Sentiment, as you are, from this day, in name. Who can visit, as it has been my good fortune to do, the extensive regions which are now united in one common denomination, and fail to acknowledge the vast resources they present, for all that can conduce to the comforts and happiness of man? A part of the mighty Empire of England—protected by her Arms—assisted by her Treasury—admitted to all the benefits of Trade as her Citizens—your freedom guaranteed by her Laws, and your rights supported by the sympathy of your fellow Subjects there—Canada enjoys a position unsurpassed by any Country in the world.

It is for you, its Inhabitants, to cultivate these advantages—to avail yourselves of the new era which now opens upon you.—Our Gracious Sovereign and the people of England watch with anxiety the result of the great change which has to-day received its completion. It is the first wish of the Queen to rule in the hearts of Her Subjects, and to feel that they are contented and prosperous under Her mild and just sway. Her Parliament and Government, in conferring on you new Institutions, have sought only your happiness and advantage. In your hands rests now your own fate; and by the use which you will make of the opportunity, must it be decided. May the All-wise Disposer of events so ordain your acts, that they may tend to the promotion of peace and happiness amongst you; and may He pour His blessing upon that Union, of which it is my pleasing duty this day to announce to you the completion.

GIVEN under my Hand and Seal at Arms, at the Government House, in the City of Montreal, in the said Province of Canada, the Tenth day of February, in the year of our Lord one thousand eight hundred and forty-one, and in the fourth year of Her Majesty's reign.

By Command,

D. DALY,
Secretary of the Province.

AN ACT to Re-unite the Provinces of Upper and Lower Canada, and for the Government of Canada.

[23rd July, 1840.]

WHEREAS it is necessary that provision be made for the good Government of the Provinces of Upper Canada and Lower Canada, in such manner as may secure the rights and liberties, and promote the interests of all classes of Her Majesty's Subjects within the same: *And whereas*, to this end it is expedient that the said Provinces be re-united and form one Province, for the purposes of Executive Government and Legislation: *Be it therefore enacted*, by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, That it shall be lawful for Her Majesty, with the advice of Her Privy Council, to declare, or to authorise the Governor-General of the said two Provinces of Upper and Lower Canada to declare, by Proclamation, that the said Provinces, upon, from, and after a certain day, in such Proclamation to be appointed, which day shall be within fifteen calendar months next after the passing of this Act, shall form and be one Province, under the name of the Province of Canada; and thenceforth the said Provinces shall constitute and be one Province, under the name aforesaid, upon, from, and after the day so appointed as aforesaid.

II. *And be it enacted*, That so much of an Act passed in the Session of Parliament held in the thirty-first year of the reign of King George the Third, intituled, "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's reign, intituled, 'An Act for making more effectual provision for the Government of the Province of Quebec, in North America, and to make further provision for the Government of the said Province,'" as provides for constituting and composing a Legislative Council and Assembly within each of the said Provinces respectively, and for the making of laws; and also the whole of an Act passed in the Session of Parliament held in the first and second years of the reign of Her present Majesty, intituled, "An Act to make temporary provision for the Government of Lower Canada"; and also the whole of an Act passed in the Session of Parliament held in the second and third years of the reign of Her present Majesty, intituled, "An Act to amend an Act of the last Session of Parliament, for making temporary provision for the Government of Lower Canada"; and also the whole of an Act passed in the Session of Parliament held in the first and second years of the reign of His late Majesty King William the Fourth, intituled, "An Act to amend an Act of the fourteenth year of His Majesty King George the Third, for establishing a fund towards defraying the charges of the Administration of Justice, and the support of Civil Government in the Province of Quebec, in America," shall continue and remain in force until the day on which it shall be declared, by Proclamation as aforesaid, that the said two Provinces shall constitute and be one Province as aforesaid, and shall be repealed on, from, and after such day: *Provided always*, that the repeal of the said several Acts of Parliament, and parts of Acts of Parliament, shall not be held to revive or give any force or effect to any enactment which has, by the said Acts, or any of them, been repealed or determined.

III. *And be it enacted*, That from and after the Re-union of the said two Provinces, there shall be within the Province of Canada one Legislative Council and one Assembly, to be severally constituted and composed in the manner hereinafter prescribed, which shall be called "The Legislative Council and Assembly of Canada"; and that within the Province of Canada, Her Majesty shall have power, by and with the advice and consent of the said Legislative Council and Assembly, to make laws for the peace, welfare, and good Government of the Province of Canada; such laws not being repugnant to this Act, or to such parts of the said Act passed in the thirty-first year of the reign of His said late Majesty as are not hereby repealed, or to any Act of Parliament made or to be made, and not hereby repealed, which does or shall, by express enactment, or by necessary intendment, extend to the Provinces of Upper and Lower Canada, or to either of them, or to the Province of Canada; and that all such laws being passed by the said Legislative Council and Assembly, and assented to by Her Majesty, or assented to in Her Majesty's name by the Governor of the Province of Canada, shall be valid and binding to all intents and purposes within the Province of Canada.

IV. *And be it enacted*, That for the purpose of composing the Legislative Council of the Province of Canada, it shall be lawful for Her Majesty, before the time to be appointed for the first meeting of the said Legislative Council and Assembly, by an instrument under the sign manual, to authorize the Governor, in Her Majesty's name, by an instrument under the Great Seal of the said Province, to summon to the said Legislative Council of the said Province, such persons, being not fewer than twenty, as Her Majesty shall think fit; and that it shall also be lawful for Her Majesty, from time to time, to authorize the Governor, in like manner, to summon to the said Legislative Council, such other person or persons as Her Majesty shall think fit, and that every person who shall be so summoned shall thereby become a Member of the Legislative Council of the Province of Canada: *Provided always*, that no person shall be summoned to the said Legislative Council of the Province of Canada, who shall not be of the full age of twenty-one years, and a natural-born Subject of Her Majesty, or a Subject of Her Majesty, naturalized by Act of the Parliament of Great Britain, or by Act of the Parliament of the United Kingdom of Great Britain and Ireland, or by an Act of the Legislature of either of the Provinces of Upper or Lower Canada, or by an Act of the Legislature of the Province of Canada.

V. *And be it enacted*, That every Member of the Legislative Council of the Province of Canada, shall hold his seat therein for the term of his life; but subject, nevertheless, to the provisions hereinafter contained for vacating the same.

and which Court, it was also enacted, should be holden at the seat of Government, in the said Province, or in such other place as should be appointed by Proclamation of the Governor, Lieutenant-Governor, or Person Administering the Government of the said Province: *And whereas*, by an Act of the Legislature of the Province of Lower Canada, passed in the thirty-fourth year of the reign of His late Majesty King George the Third, intituled, "An Act for the division of the Province of Lower Canada, for amending the Judicature thereof, and for repealing certain laws therein-mentioned," it was enacted, that the Governor, Lieutenant-Governor, or the Person Administering the Government, the Members of the Executive Council of the said Province, the Chief Justice thereof, and the Chief Justice to be appointed for the Court of King's Bench at Montreal, or any five of them, the Judges of the Court of the District wherein the judgment appealed from was given excepted, should constitute a Superior Court of Civil Jurisdiction, or Provincial Court of Appeals, and should take cognizance of, hear, try and determine, all causes, matters and things, appealed from all Civil Jurisdictions and Courts, wherein an appeal is by law allowed: *Be it enacted*, That until otherwise provided by an Act of the Legislature of the Province of Canada, all judicial and ministerial authority which, before and at the time of passing this Act, was vested in or might be exercised by the Governor, Lieutenant-Governor, or Person Administering the Government of the said Province of Upper Canada, or the Members, or any number of the Members of the Executive Council of the same Province, or was vested in or might be exercised by the Governor, Lieutenant-Governor, or the Person Administering the Government of the Province of Lower Canada, and the Members of the Executive Council of that Province, shall be vested in and may be exercised by the Governor, Lieutenant-Governor, or Person Administering the Government of the Province of Canada, and in the Members or the like number of the Members of the Executive Council of the Province of Canada respectively; and that until otherwise provided by Act or Acts of the Legislature of the Province of Canada, the said Court of King's Bench, now called the Court of Queen's Bench of Upper Canada, shall, from and after the Union of the Provinces of Upper and Lower Canada, be holden at the City of Toronto, or within one mile from the municipal boundary of the said City of Toronto: *Provided always*, that until otherwise provided by Act or Acts of the Legislature of the Province of Canada, it shall be lawful for the Governor of the Province of Canada, by and with the advice and consent of the Executive Council of the same Province, by his Proclamation, to fix and appoint such other place as he may think fit, within that part of the last-mentioned Province, which now constitutes the Province of Upper Canada, for the holding of the said Court of Queen's Bench.

XLV. And be it enacted, That all powers, authorities and functions which by the said Act passed in the thirty-first year of the Reign of His late Majesty King George the Third, or by any other Act of Parliament, or by any Act of the Legislature of the Provinces of Upper and Lower Canada respectively, are vested in or are authorised or required to be exercised by the respective Governors or Lieutenant-Governors of the said Provinces, with the advice, or with the advice and consent of the Executive Council of such Provinces respectively, or in conjunction with such Executive Council, or with any number of the Members thereof, or by the said Governors or Lieutenant-Governors individually and alone, shall, in so far as the same are not repugnant to or inconsistent with the provision of this Act, be vested in and may be exercised by the Governor of the Province of Canada, with the advice, or with the advice and consent of, or in conjunction, as the case may require, with such Executive Council, or any Members thereof, as may be appointed by Her Majesty for the affairs of the Province of Canada, or by the said Governor of the Province of Canada, individually and alone, in cases where the advice, consent or concurrence of the Executive Council is not required.

XLVI. And be it enacted, That all laws, statutes, and ordinances, which at the time of the Union of the Provinces of Upper Canada and Lower Canada shall be in force within the said Provinces, or either of them, or any part of the said Provinces respectively, shall remain and continue to be of the same force, authority and effect in those parts of the Province of Canada which now constitute the said Provinces respectively as if this Act had not been made, and as if the said two Provinces had not been united as aforesaid, except in so far as the same are repealed or varied by this Act, or in so far as the same shall or may hereafter, by virtue and under the authority of this Act, be repealed or varied by any Act or Acts of the Legislature of the Province of Canada.

XLVII. And be it enacted, That all the Courts of civil and criminal jurisdiction within the Provinces of Upper and Lower Canada, at the time of the Union of the said Provinces, and all legal commissions, powers, and authorities, and all officers, judicial, administrative, or ministerial, within the said Provinces respectively, except in so far as the same may be abolished, altered, or varied by, or may be inconsistent with the provisions of this Act, or shall be abolished, altered, or varied, by any Act or Acts of the Legislature of the Province of Canada, shall continue to subsist within those parts of the Province of Canada which now constitute the said two Provinces respectively, in the same form and with the same effect as if this Act had not been made, and as if the said two Provinces had not been reunited as aforesaid.

XLVIII. And whereas the Legislatures of the said Provinces of Upper and Lower Canada have from time to time passed enactments, which enactments were to continue in force for a certain number of years after the passing thereof, and "from thence to the end of the then next ensuing Session" of the Legislature of the Province in which the same were passed: *Be it therefore enacted*, that whenever the words "and from thence to the end of the then next ensuing Session of the Legislature," or words to the same effect, have been used in any temporary Act of either of the said two Provinces, which shall not have expired before the re-union of the said two Provinces, the said words shall be construed to extend and apply to the next Session of the Legislature of the Province of Canada.

XLIX. And whereas, by a certain Act passed in the third year of the reign of His late Majesty King George the Fourth, intituled, "An Act to regulate the trade of the Provinces of Lower and Upper Canada, and for other purposes relating to the said Provinces," certain provisions were made for appointing Arbitrators, with power to hear and determine certain claims of the Province of Upper Canada upon the Province of Lower Canada, and to hear any claim which might be advanced on the part of the Province of Upper Canada to a proportion of certain duties therein mentioned, and for prescribing the course of proceeding to be pursued by such Arbitrators: *Be it enacted*, That the said recited provisions of the said last mentioned Act, and all matters in the same Act contained, which are consequent to or dependant upon the said provisions, or any of them, shall be repealed.

L. And be it enacted, That upon the Union of the Provinces of Upper and Lower Canada, all duties and revenues over which the respective Legislatures of the said Provinces, before and at the time of the passing of this Act, had and have power of appropriation, shall form one consolidated revenue fund, to be appropriated for the Public Service of the Province of Canada, in the manner and subject to the charges hereinafter mentioned.

LI. And be it enacted, That the said consolidated revenue fund of the Province of Canada shall be permanently charged with all the costs, charges, and expenses incident to the collection, management, and receipt thereof, such costs, charges, and expenses being subject nevertheless to be reviewed and audited, in such manner as shall be directed by any Act of the Legislature of the Province of Canada.

LII. And be it enacted, That out of the consolidated revenue fund of the Province of Canada there shall be payable in every year to Her Majesty, Her Heirs and Successors, the sum of forty-five thousand pounds, for defraying the expense of the several services and purposes named in the Schedule marked (A.) to this Act annexed; and during the life of Her Majesty, and for five years after the demise of Her Majesty, there shall be payable to Her Majesty, Her Heirs and Successors, out of the said consolidated revenue fund, a further sum of thirty thousand pounds, for defraying the expense of the several services and purposes named in the Schedule marked (B.) to this Act annexed; the said sums of forty-five thousand pounds, and thirty thousand pounds, to be issued by the Receiver General in discharge of such warrant or warrants as shall be from time to time directed to him under the hand and seal of the Governor; and the said Receiver General shall account to Her Majesty for the same, through the Lord High Treasurer or Lords Commissioners of Her Majesty's Treasury, in such manner and form as Her Majesty shall be graciously pleased to direct.

LIII. And be it enacted, That until altered by any Act of the Legislature of the Province of Canada, the salaries of the Governor and of the Judges shall be those respectively set against their several offices in the said Schedule (A.); but that it shall be lawful for the Governor to abolish any of the offices named in the said Schedule (B.) or to vary the sums appropriated to any of the services or purposes named in the said Schedule (B.); and that the amount of saving which may accrue from any such alteration in either of the said Schedules shall be appropriated to such purposes connected with the administration of the Government of the said Province as to Her Majesty shall seem fit; and that accounts in detail of the expenditure of the several sums of forty-five thousand pounds, and thirty thousand pounds, hereinbefore granted, and of every part thereof, shall be laid before the Legislative Council and Legislative Assembly of the said Province, within thirty days next after the beginning of the Session after such expenditure shall have been made: *Provided always*, that not more than two thousand pounds shall be payable at the same time for pensions to the Judges, out of the said sum of forty-five thousand pounds, and that not more than five thousand pounds shall be payable at the same time for pensions, out of the said sum of thirty thousand pounds; and that a list of all such pensions, and of the persons to whom the same shall have been granted, shall be laid in every year before the said Legislative Council and Legislative Assembly.

LIV. And be it enacted, That during the time for which the said several sums of forty-five thousand pounds, and thirty thousand pounds, are severally payable, the same shall be accepted and taken by Her Majesty by way of Civil List, instead of all territorial and other revenues now at the disposal of the Crown, arising in either of the said Provinces of Upper Canada or Lower Canada, or in the Province of Canada; and that three-fifths of the net produce of the said territorial and other revenues now at the disposal of the Crown within the Province of Canada, shall be paid over to the account of the said consolidated revenue fund; and also during the life of Her Majesty, and for five years after the demise of Her Majesty, the remaining two-fifths of the net produce of the said territorial and other revenues now at the disposal of the Crown within the Province of Canada, shall be also paid over, in like manner, to the account of the said consolidated revenue fund.

LV. And be it enacted, That the consolidation of the duties and revenues of the said Province, shall not be taken to affect the payment, out of the said consolidated revenue fund, of any sum or sums heretofore charged upon the rates and duties already raised, levied and collected, or to be raised, levied and collected, to and for the use of either of the said Provinces of Upper Canada or Lower Canada, or of the Province of Canada, for such time as shall have been appointed by the several Acts of the Legislature of the Province, by which such charges were severally authorised.

LVI. And be it enacted, That the expenses of the collection, management and receipt, of the said consolidated revenue fund, shall form the first charge thereon; and that the annual interest of the public debt of the Provinces of Upper and Lower Canada, or of either of them, at the time of the Re-union of the said Provinces, shall form the second charge thereon; and that the payments to be made to the Clergy of the United Church of England and Ireland, and to the Clergy of the Church of Scotland, and to Ministers of other Christian denominations, pursuant to any law or usage whereby such payments, before or at the time of passing this Act, were or are legally or usually paid out of the Public or Crown Revenue of either of the Provinces of Upper and Lower Canada, shall form the third charge upon the said consolidated revenue fund; and that the said sum of forty-five thousand pounds, shall form the fourth charge thereon; and that the said sum of thirty thousand pounds, so long as the same shall continue to be payable, shall form the fifth charge thereon; and that the other charges upon the rates and duties levied within the said Province of Canada, hereinbefore reserved, shall form the sixth charge thereon, so long as such charges shall continue to be payable.

LVII. And be it enacted, That subject to the several payments hereby charged on the said consolidated revenue fund, the same shall be appropriated by the Legislature of the Province of Canada, for the public service, in such manner as they shall think proper: *Provided always*, that all Bills for appropriating any part of the surplus of the said consolidated revenue fund, or for imposing any new tax or impost, shall originate in the Legislative Assembly of the said Province of Canada: *Provided also*, that it shall not be lawful for the said Legislative Assembly to originate or pass any vote, resolution or bill, for the appropriation of any part of the surplus of the said consolidated revenue fund, or of any other tax or impost, to any purpose, which shall not have been first recommended, by message of the Governor, to the said Legislative Assembly, during the Session in which such vote, resolution or Bill, shall be passed.

LVIII. And be it enacted, That it shall be lawful for the Governor, by an instrument or instruments, to be issued by him for that purpose, under the Great Seal of the Province, to constitute Townships in those parts of the Province of Canada in which Townships are not already constituted, and to fix the metes and bounds thereof, and to provide for the election and appointment of Township Officers therein, who shall have and exercise the like powers as are exercised by the like Officers in the Townships already constituted in that part of the Province of Canada, now called Upper Canada; and every such instrument shall be published by Proclamation, and shall have the force of law from a day to be named in each case in such Proclamation.

LIX. And be it enacted, That all powers and authorities expressed in this Act, to be given to the Governor of the Province of Canada, shall be exercised by such Governor,

in conformity with and subject to such orders, instructions and directions as Her Majesty shall, from time to time, see fit to make or issue.

LX. And whereas, His late Majesty King George the Third, by His Royal Proclamation, bearing date the seventh day of October, in the third year of His reign, was pleased to declare, that he had put the Coast of Labrador, from the River Saint John to Hudson's Straits, with the Islands of Anticosti and Madelaine, and all other smaller Islands lying on the said Coast, under the care and inspection of the Governor of Newfoundland: *And whereas*, by an Act passed in the fourteenth year of the reign of His said late Majesty, intituled, "An Act for making more effectual provision for the Government of the Province of Quebec, in North America," all such Territories, Islands and Counties, which had, since the tenth day of February, in the year one thousand seven hundred and sixty-three, been made part of the Government of Newfoundland, were, during His Majesty's pleasure, annexed to and made part and parcel of the Province of Quebec, as created and established by the said Royal Proclamation: *Be it declared and enacted*, That nothing in this or any other Act contained, shall be construed to restrain Her Majesty, if she shall be so pleased, from anexing the Magdalen Islands, in the Gulf of Saint Lawrence, to Her Majesty's Island of Prince Edward.

LXI. And be it enacted, That in this Act, unless otherwise expressed therein, the words "Act of the Legislature of the Province of Canada," are to be understood to mean "Act of Her Majesty, Her Heirs or Successors, enacted by Her Majesty, or by the Governor, on behalf of Her Majesty, with the advice and consent of the Legislative Council and Assembly of the Province of Canada"; and the words "Governor of the Province of Canada," are to be understood as comprehending the Governor, Lieutenant-Governor, or Person authorized to execute the office or the functions of Governor of the said Province.

LXII. And be it enacted, That this Act may be amended or repealed by any Act to be passed in the present Session of Parliament.

J. B. BABY,
Treasurer, Western District.
Treasurer's Office, Sandwich,
1st January, 1841. n-41

NOTICE is hereby given, that application will be made at the next ensuing Session of the Legislature, for an Act to allow a Bridge to be built across the Grand River, on the direct Road from Hamilton to Port Dover, at the Village of Caledonia.

Grand River,
18th February, 1841. 42

AWARD.

Niagara District, } BOUNDARY
to wit. } COMMISSIONERS.

On the application of Jacob Hill, John Brown, and Jacob Osman, Freeholders of the 7th and 8th Concessions of the Township of Pelham.

To all to whom these Presents shall come.

We, George Rykert, Samuel Wood, and Jacob Keefer, Esquires, the Boundary Commissioners for the District of Niagara—Send Greeting:

WHEREAS by the authority of an Act of the Legislature of this Province, passed in the First year of Her Majesty's Reign, entitled, "An Act to authorise the establishment of Boards of Boundary Line Commissioners, in the several Districts of this Province;" We, the said George Rykert, Samuel Wood, and Jacob Keefer, the Boundary Commissioners for the said District, having caused Jacob Gander to appear before us, and respond to the claim set up by the said Jacob Hill, John Brown, and Jacob Osman, to certain lines and boundaries, between lots number 1 and 2, in the 7th and 8th concessions of the Township of Pelham; and having heard, and duly considered and weighed all the evidence adduced by the said parties, touching the said lines and boundaries, and having also, in person, carefully viewed and examined the premises in question—the following appears as the result:—That no original lines or monuments remain visible between lots number 1 and 2, in the 7th and 8th concessions of the said Township of Pelham; and the evidence adduced, being so very contradictory, and unsatisfactory, that, in opinion of the Commissioners, the true situation of the original lines and boundaries of the premises now under inquiry, are not, and cannot be satisfactorily established. They therefore, feel themselves in justice to all concerned, constrained to adhere strictly in their decision, to the principle laid down in the Act of 58th Geo. III. Chap. 14, Section 11, for the guidance of licensed Surveyors in such cases.

Now Know Ye, that we, the said George Rykert, Samuel Wood, and Jacob Keefer, the Boundary Commissioners aforesaid, do therefore hereby award, order, adjudge, determine and decree—

First—That the boundary between lots number 1 and 2, in front of the 7th concession of said Township, shall be and remain, and forever continue, where a Stone has been planted, by us, the said Commissioners, at the distance of 20 chains and 6 links westerly, from the north-east angle of the said lot number 1, being an equal proportion of the distance between the north-east angle of lot number 1, and an original corner at the north-east angle of lot number 5, in said concession, exclusive of the original allowances of road; thence southerly between lots number 1 and 2, in the said 7th concession, parallel to the Township line, along the east end of the said concession, to a Stone planted under our direction, at the rear end of the said lots.

We award Secondly—That the boundary between lots number 1 and 2, in front of the 8th concession of the said Township, shall be and remain, and forever continue, where a Stone has been planted, by us, at the distance of 19 chains and 15 links westerly, from the north-east angle of lot number 1, being an equal proportion of the distance between the north-east angle of lot number 1, and an original boundary at the north-east angle of lot number 8, in the said concession, exclusive of the original allowance of road; thence southerly between the said lots number 1 and 2, parallel to the Township line, along the east end of the said concession, to a Stone planted under our direction, in rear of the said lots.

And we award Thirdly—That the said Claimants, Jacob Hill, John Brown, and Jacob Osman, shall pay one-third, and the said Jacob Gander, the Respondent, shall pay two-thirds of the costs incurred in the case.

Witness our Hands, this twenty-sixth day of September, 1839.

AN ACT to Re-unite the Provinces of Upper and Lower Canada, and for the Government of Canada.

[23rd July, 1840.]

WHEREAS it is necessary that provision be made for the good Government of the Provinces of Upper Canada and Lower Canada, in such manner as may secure the rights and liberties, and promote the interests of all classes of Her Majesty's Subjects within the same: *And whereas*, to this end it is expedient that the said Provinces be re-united and form one Province, for the purposes of Executive Government and Legislation: *Be it therefore enacted*, by the Queen's most Excellent Majesty, by and with the advice and consent of the Lords Spiritual and Temporal, and Commons, in this present Parliament assembled, and by the authority of the same, That it shall be lawful for Her Majesty, with the advice of Her Privy Council, to declare, or to authorise the Governor-General of the said two Provinces of Upper and Lower Canada to declare, by Proclamation, that the said Provinces, upon, from, and after a certain day, in such Proclamation to be appointed, which day shall be within fifteen calendar months next after the passing of this Act, shall form and be one Province, under the name of the Province of Canada; and thenceforth the said Provinces shall constitute and be one Province, under the name aforesaid, upon, from, and after the day so appointed as aforesaid.

II. *And be it enacted*, That so much of an Act passed in the Session of Parliament held in the thirty first year of the reign of King George the Third, intituled, "An Act to repeal certain parts of an Act passed in the fourteenth year of His Majesty's reign, intituled, 'An Act for making more effectual provision for the Government of the Province of Quebec, in North America, and to make further provision for the Government of the said Province,'" as provides for constituting and composing a Legislative Council and Assembly within each of the said Provinces respectively, and for the making of laws; and also the whole of an Act passed in the Session of Parliament held in the first and second years of the reign of Her present Majesty, intituled, "An Act to make temporary provision for the Government of Lower Canada"; and also the whole of an Act passed in the Session of Parliament held in the second and third years of the reign of Her present Majesty, intituled, "An Act to amend an Act of the last Session of Parliament, for making temporary provision for the Government of Lower Canada"; and also the whole of an Act passed in the Session of Parliament held in the first and second years of the reign of His late Majesty King William the Fourth, intituled, "An Act to amend an Act of the fourteenth year of His Majesty King George the Third, for establishing a fund towards defraying the charges of the Administration of Justice, and the support of Civil Government in the Province of Quebec, in America," shall continue and remain in force until the day on which it shall be declared, by Proclamation as aforesaid, that the said two Provinces shall constitute and be one Province as aforesaid, and shall be repealed on, from, and after such day: *Provided always*, that the repeal of the said several Acts of Parliament, and parts of Acts of Parliament, shall not be held to revive or give any force or effect to any enactment which has, by the said Acts, or any of them, been repealed or determined.

And be it enacted, That all the Courts of civil and criminal jurisdiction within the Provinces of Upper and Lower Canada, at the time of the Union of the said Provinces, and all legal commissions, powers, and authorities, and all officers, judicial, administrative, or ministerial, within the said Provinces respectively, except in so far as the same may be abolished, altered, or varied by, or may be inconsistent with the provisions of this Act, or shall be abolished, altered, or varied, by any Act or Acts of the Legislature of the Province of Canada, shall continue to subsist within those parts of the Province of Canada which now constitute the said two Provinces respectively, in the same form and with the same effect as if this Act had not been made, and as if the said two Provinces had not been united as aforesaid.

XLVIII. And whereas the Legislatures of the said Provinces of Upper and Lower Canada have from time to time passed enactments, which enactments were to continue in force for a certain number of years after the passing thereof, and "from thence to the end of the then next ensuing Session" of the Legislature of the Province in which the same were passed: *Be it therefore enacted*, that whenever the words "and from thence to the end of the then next ensuing Session of the Legislature," or words to the same effect, have been used in any temporary Act of either of the said two Provinces, which shall not have expired before the re-union of the said two Provinces, the said words shall be construed to extend and apply to the next Session of the Legislature of the Province of Canada.

XLIX. And whereas, by a certain Act passed in the third year of the reign of His late Majesty King George the Fourth, intituled, "An Act to regulate the trade of the Provinces of Lower and Upper Canada, and for other purposes relating to the said Provinces," certain provisions were made for appointing Arbitrators, with power to hear and determine certain claims of the Province of Upper Canada upon the Province of Lower Canada, and to hear any claim which might be advanced on the part of the Province of Upper Canada to a proportion of certain duties therein mentioned, and for prescribing the course of proceeding to be pursued by such Arbitrators: *Be it enacted*, That the said recited provisions of the said last mentioned Act, and all matters in the same Act contained, which are consequent to or dependant upon the said provisions, or any of them, shall be repealed.

L. And be it enacted, That upon the Union of the Provinces of Upper and Lower Canada, all duties and revenues over which the respective Legislatures of the said Provinces, before and at the time of the passing of this Act, had and have power of appropriation, shall form one consolidated revenue fund, to be appropriated for the Public Service of the Province of Canada, in the manner and subject to the charges hereinafter mentioned.

LI. And be it enacted, That the said consolidated revenue fund of the Province of Canada shall be permanently charged with all the costs, charges, and expenses incident to the collection, management, and receipt thereof, such costs, charges, and expenses being subject nevertheless to be reviewed and audited, in such manner as shall be directed by any Act of the Legislature of the Province of Canada.

LII. And be it enacted, That out of the consolidated revenue fund of the Province of Canada there shall be payable in every year to Her Majesty, Her Heirs and Successors, the sum of forty-five thousand pounds, for defraying the expense of the several services and purposes named in the Schedule marked (A.) to this Act, annexed; and during the life of Her Majesty, and for five years after the demise of Her Majesty, there shall be payable to Her Majesty, Her Heirs and Successors, out of the said consolidated revenue fund, a further sum of thirty thousand pounds, for defraying the expense of the several services and purposes named in the Schedule marked (B.) to this Act annexed; the said sums of forty-five thousand pounds, and thirty thousand pounds, to be issued by the Receiver General in discharge of such warrant or warrants as shall be from time to time directed to him under the hand and seal of the Governor; and the said Receiver General shall account to Her Majesty for the same, through the Lord High Treasurer or Lords Commissioners of Her Majesty's Treasury, in such manner and form as Her Majesty shall be graciously pleased to direct.

LIII And be it enacted, That until altered by any Act of the Legislature of the Province of Canada, the salaries of the Governor and of the Judges shall be those respectively set against their several offices in the said Schedule (A.); but that it shall be lawful for the Governor to abolish any of the offices named in the said Schedule (B.) or to vary the sums appropriated to any of the services or purposes named in the said Schedule (B.); and that the amount of saving which may accrue from any such alteration in either of the said Schedules shall be appropriated to such purposes connected with the administration of the Government of the said Province as to Her Majesty shall seem fit; and that accounts in detail of the expenditure of the several sums of forty-five thousand pounds, and thirty thousand pounds, hereinbefore granted, and of every part thereof, shall be laid before the Legislative Council and Legislative Assembly of the said Province, within thirty days next after the beginning of the Session after such expenditure shall have been made: *Provided always*, that not more than two thousand pounds shall be payable at the same time for pensions to the Judges, out of the said sum of forty-five thousand pounds, and that not more than five thousand pounds shall be payable at the same time for pensions, out of the said sum of thirty thousand pounds; and that a list of all such pensions, and of the persons to whom the same shall have been granted, shall be laid in every year before the said Legislative Council and Legislative Assembly.

LIV. And be it enacted, That during the time for which the said several sums of forty-five thousand pounds, and thirty thousand pounds, are severally payable, the same shall be accepted and taken by Her Majesty by way of Civil List, instead of all territorial and other revenues now at the disposal of the Crown, arising in either of the said Provinces of Upper Canada or Lower Canada, or in the Province of Canada; and that three-fifths of the net produce of the said territorial and other revenues now at the disposal of the Crown within the Province of Canada, shall be paid over to the account of the said consolidated revenue fund; and also during the life of Her Majesty, and for five years after the demise of Her Majesty, the remaining two-fifths of the net produce of the said territorial and other revenues now at the disposal of the Crown within the Province of Canada, shall be also paid over, in like manner, to the account of the said consolidated revenue fund.

LV. And be it enacted, That the consolidation of the duties and revenues of the said Province, shall not be taken to affect the payment, out of the said consolidated revenue fund, of any sum or sums heretofore charged upon the rates and duties already raised, levied and collected, or to be raised, levied and collected, to and for the use of either of the said Provinces of Upper Canada or Lower Canada, or of the Province of Canada, for such time as shall have been appointed by the several Acts of the Legislature of the Province, by which such charges were severally authorised.

LVI. And be it enacted, That the expenses of the collection, management and receipt, of the said consolidated revenue fund, shall form the first charge thereon; and that the annual interest of the public debt of the Provinces of Upper and Lower Canada, or of either of them, at the time of the Re-union of the said Provinces, shall form the second charge thereon; and that the payments to be made to the Clergy of the United Church of England and Ireland, and to the Clergy of the Church of Scotland, and to Ministers of other Christian denominations, pursuant to any law or usage whereby such payments, before or at the time of passing this Act, were or are legally or usually paid out of the Public or Crown Revenue of either of the Provinces of Upper and Lower Canada, shall form the third charge upon the said consolidated revenue fund; and that the said sum of forty-five thousand pounds, shall form the fourth charge thereon; and that the said sum of thirty thousand pounds, so long as the same shall continue to be payable, shall form the fifth charge thereon; and that the other charges upon the rates and duties levied within the said Province of Canada, hereinbefore reserved, shall form the sixth charge thereon, so long as such charges shall continue to be payable.

LVII. And be it enacted, That subject to the several payments hereby charged on the said consolidated revenue fund, the same shall be appropriated by the Legislature of the Province of Canada, for the public service, in such manner as they shall think proper: *Provided always*, that all Bills for appropriating any part of the surplus of the said consolidated revenue fund, or for imposing any new tax or impost, shall originate in the Legislative Assembly of the said Province of Canada: *Provided also*, that it shall not be lawful for the said Legislative Assembly to originate or pass any vote, resolution or bill, for the appropriation of any part of the surplus of the said consolidated revenue fund, or of any other tax or impost, to any purpose, which shall not have been first recommended, by message of the Governor, to the said Legislative Assembly, during the Session in which such vote, resolution or Bill, shall be passed.

LVIII. And be it enacted, That it shall be lawful for the Governor, by an instrument or instruments, to be issued by him for that purpose, under the Great Seal of the Province, to constitute Townships in those parts of the Province of Canada in which Townships are not already constituted, and to fix the metes and bounds thereof, and to provide for the election and appointment of Township Officers therein, who shall have and exercise the like powers as are exercised by the like Officers in the Townships already constituted in that part of the Province of Canada now called Upper Canada; and every such instrument shall be published by Proclamation, and shall have the force of law from a day to be named in each case in such Proclamation.

LIX. And be it enacted, That all powers and authorities expressed in this Act, to be given to the Governor of the Province of Canada, shall be exercised by such Governor,

in conformity with and subject to such orders, instructions and directions as Her Majesty shall, from time to time, see fit to make or issue.

LX. And whereas, His late Majesty King George the Third, by His Royal Proclamation, bearing date the seventh day of October, in the third year of His reign, was pleased to declare, that he had put the Coast of Labrador, from the River Saint John to Hudson's Straits, with the Islands of Anticosti and Madelaine, and all other smaller Islands lying on the said Coast, under the care and inspection of the Governor of Newfoundland: *And whereas*, by an Act passed in the fourteenth year of the reign of His said late Majesty, intituled, "An Act for making more effectual provision for the Government of the Province of Quebec, in North America," all such Territories, Islands and Countries, which had, since the tenth day of February, in the year one thousand seven hundred and sixty-three, been made part of the Government of Newfoundland, were, during His Majesty's pleasure, annexed to and made part and parcel of the Province of Quebec, as created and established by the said Royal Proclamation: *Be it declared and enacted*, That nothing in this or any other Act contained, shall be construed to restrain Her Majesty, if she shall be so pleased, from annexing the Magdalen Islands, in the Gulf of Saint Lawrence, to Her Majesty's Island of Prince Edward.

LXI. And be it enacted, That in this Act, unless otherwise expressed therein, the words "Act of the Legislature of the Province of Canada," are to be understood to mean "Act of Her Majesty, Her Heirs or Successors, enacted by Her Majesty, or by the Governor, on behalf of Her Majesty, with the advice and consent of the Legislative Council and Assembly of the Province of Canada"; and the words "Governor of the Province of Canada," are to be understood as comprehending the Governor, Lieutenant-Governor, or Person authorized to execute the office or the functions of Governor of the said Province.

LXII. And be it enacted, That this Act may be amended or repealed by any Act to be passed in the present Session of Parliament.

NOTICE,

To Owners of Wild Lands, in the District of Victoria.

PERSONS owning Wild Lands in the District of Victoria, will take notice that from the 1st day of July, last past, their Lands will be Assessed with the double Rate. Owing to the Account having hitherto remained in the charge of the Midland District, the additional Rate for the Court House and Gaol was omitted in all instances where payments have been made up to 1840, for which reason, the above order has been made, by the General Quarter Sessions.

The Advertisement for the sale of Wild Lands in the District of Victoria, will be issued in the course of a few weeks. Owners of Lots will therefore do well by applying to the Treasurer for a statement of Taxes due, and by liquidating the same without delay. In future, to keep these Accounts correct, the public are notified, that all Taxes must be paid into the hands of the Treasurer of this District, the receipt from any other will not be admitted as a liquidation of the Tax, and the regular process of the Law will be put in force to obtain collections.

AWARD.

Niagara District, } BOUNDARY
to wit, } COMMISSIONERS.

On the application of Jacob Hill, John Brown, and Jacob Osman, Freeholders of the 7th and 8th Concessions of the Township of Pelham.

To all to whom these Presents shall come.

We, GEORGE RYKERT, SAMUEL WOOD, and JACOB KEEFER, Esquires, the Boundary Commissioners for the District of Niagara—

SEND GREETING:

WHEREAS by the authority of an Act of the Legislature of this Province, passed in the First year of Her Majesty's Reign, entitled, "An Act to authorise the establishment of Boards of Boundary Line Commissioners, in the several Districts of this Province;" We, the said George Rykert, Samuel Wood, and Jacob Keefer, the Boundary Commissioners for the said District, having caused Jacob Gander to appear before us, and respond to the claim set up by the said Jacob Hill, John Brown, and Jacob Osman, to certain lines and boundaries, between lots number 1 and 2, in the 7th and 8th concessions of the Township of Pelham; and having heard, and duly considered and weighed all the evidence adduced by the said parties, touching the said lines and boundaries, and having also, in person, carefully viewed and examined the premises in question—the following appears as the result:—That no original lines or monuments remain visible between lots number 1 and 2, in the 7th and 8th concessions of the said Township of Pelham; and the evidence adduced, being so very contradictory, and unsatisfactory, that, in opinion of the Commissioners, the true situation of the original lines and boundaries of the premises now under inquiry, are not, and cannot be satisfactorily established. They therefore, feel themselves in justice to all concerned, constrained to adhere strictly in their decision, to the principle laid down in the Act of 59th Geo. III. Chap. 14, Section 11, for the guidance of licensed Surveyors in such cases.

NOW KNOW YE, that we, the said George Rykert, Samuel Wood, and Jacob Keefer, the Boundary Commissioners aforesaid, do therefore hereby award, order, adjudge, determine and decree—

First—That the boundary between lots number 1 and 2, in front of the 7th concession of said Township, shall be and remain, and forever continue, where a Stone has been planted, by us, the said Commissioners, at the distance of 20 chains and 6 links westerly, from the north-east angle of the said lot number 1, being an equal proportion of the distance between the north-east angle of lot number 1, and an original corner at the north-east angle of lot number 5, in said concession, exclusive of the original allowances of road; thence southerly between lots number 1 and 2, in the said 7th concession, parallel to the Township line, along the east end of the said concession, to a Stone planted under our direction, at the rear end of the said lots.

We award Secondly—That the boundary between lots number 1 and 2, in front of the 8th concession of the said Township, shall be and remain, and forever continue, where a Stone has been planted, by us, at the distance of 19 chains and 15 links westerly, from the north-east angle of lot number 1, being an equal proportion of the distance between the north-east angle of lot number 1, and an original boundary at the north-east angle of lot number 3, in the said concession, exclusive of the original allowance of road; thence southerly between the said lots number 1 and 2, parallel to the Township line, along the east end of the said concession, to a Stone planted under our direction, in rear of the said lots.

And we award Thirdly—That the said Claimants, Jacob Hill, John Brown, and Jacob Osman, shall pay one-third, and the said Jacob Gander, the Respondent, shall pay two-thirds of the costs incurred in this case.

WITNESS our Hands, this twenty-sixth day of September, 1839.

XLII. And be it enacted, That whenever any Bill or Bills shall be passed by the Legislative Council and Assembly of the Province of Canada, containing any provisions to vary or repeal any of the provisions, now in force, contained in an Act of the Parliament of Great Britain, passed in the fourteenth year of the reign of His late Majesty King George the Third, intituled, "An Act for making more effectual provision for the Government of the Province of Quebec, in North America," or in the aforesaid Acts of Parliament, passed in the thirty-first year of the same reign, respecting the accustomed dues and rights of the Clergy of the Church of Rome; or to vary or repeal any of the several provisions contained in the said last-mentioned Act, respecting the allotment and appropriation of lands for the support of the Protestant Clergy within the Province of Canada, or respecting the constituting, erecting, or endowing of Parsonages or Rectories within the Province of Canada, or respecting the presentation of incumbents or Ministers of the same, or respecting the tenure on which such incumbents or Ministers shall hold or enjoy the same; and also, that whenever any Bill or Bills shall be passed containing any provisions which shall, in any manner, relate to or affect the enjoyment or exercise of any form or mode of religious worship, or shall impose or create any penalties, burdens, disabilities or disqualifications, in respect of the same, or shall, in any manner, relate to or affect the payment, recovery or enjoyment, of any of the accustomed dues or rights hereinbefore mentioned, or shall, in any manner, relate to the granting, imposing or recovering, of any other dues, or stipends, or emoluments, to be paid to or for the use of any Minister, Priest, Ecclesiastic or Teacher, according to any form or mode of religious worship, in respect of his said office or function, or shall, in any manner, relate to or affect the establishment or discipline of the United Church of England and Ireland, among the members thereof within the said Province, or shall, in any manner, relate to or affect Her Majesty's prerogative touching the granting of waste lands of the Crown within the said Province; every such Bill or Bills shall, previously to any declaration or signification of Her Majesty's assent thereto, be laid before both Houses of Parliament of the United Kingdom of Great Britain and Ireland; and that it shall not be lawful for Her Majesty to signify Her assent to any such Bill or Bills until thirty days after the same shall have been laid before the said Houses, or to assent to any such Bill or Bills, in case either House of Parliament shall, within the said thirty days, address Her Majesty to withhold Her assent from any such Bill or Bills; and that no such Bill shall be valid or effectual to any of the said purposes within the said Province of Canada, unless the Legislative Council and Assembly of such Province shall, in the Session in which the same shall have been passed by them, have presented to the Governor of the said Province an Address or Addresses, specifying that such Bill or Bills contains provisions for some of the purposes hereinbefore specially described, and desiring that, in order to give effect to the same, such Bill or Bills may be transmitted to England without delay, for the purpose of its being laid before Parliament, previously to the signification of Her Majesty's assent thereto.
