XLV. And be it enacted, That all powers, authorities and functions which by the said Act passed in the thirty-first year of the Reign of His late Majesty King George the Third, or by any other Act of Parliament, or by any Act of the Legislature of the Provinces of Upper and Lower Canada respectively, are vested in or are authorised or required to be exercised by the respective Governors or Lieutenant Governors of the said Provinces, with the

advice, or with the advice and consent of the Executive Council of such Provinces respectively, or in conjunction with such Executive Council, or with any number of the Members thereof, or by the said Governors or Lieutenant Governors individually and alone, shall, in so far as the same are not repugnant to or inconsistent with the provision of this Act, be vested in and may be exercised by the Governor of the Province of Canada, with the advice, or with the advice and consent of, or in conjunction, as the case may require, with such Executive Council, or any Members thereof, as may be appointed by Her Majesty for the affairs of the Province of Canada, or by the said Governor of the Province of Canada, individually and alone, in cases where the advice, consent or concurrence of the Executive Council is not required.

XLVI. And be it enacted, That all laws, statutes, and ordinances, which at the time of the Union of the Provinces of Upper Canada and Lower Canada shall be in force within the said Provinces, or either of them, or any part of the said Provinces respectively, shall remain and continue to be of the same force, authority and effect in those parts of the Province of Canada which now constitute the said Provinces respectively as if this Act had not been made, and as if the said two Provinces had not been united as aforesaid, except in so far as the same are repealed or varied by this Act, or in so far as the same shall or may hereafter, by virtue and under the authority of this Act, be repealed or varied by any Act or Acts of the Legislature of the Province of Canada.

XLVII. And be it enacted, That all the Courts of civil and criminal jurisdiction within the Provinces of Upper and Lower Canada, at the time of the Union of the said Provinces, and all legal commissions, powers, and authorities, and all officers, judicial, administrative, or ministerial, within the said Provinces respectively, except in so far as the same may be abolished, altered, or varied by, or may be inconsistent with the provisions of this Act, or shall be abolished, altered, or varied, by any Act or Acts of the Legislature of the Province of Canada, shall continue to subsist within those parts of the Province of Canada which now constitute the said two Provinces respectively, in the same form and with the same effect as if this Act had not been made, and as if the said two Provinces had not been re-united as aforesaid.

XLVIII. And whereas the Legislatures of the said Provinces of Upper and Lower Canada have from time to time passed enactments, which enactments were to continue in force for a certain number of years after the passing thereof, and "from thence to the end of the then next ensuing Session" of the Legislature of the Province in which the same were passed: *Be it therefore enacted*, that whenever the words "and from thence to the end of the then next ensuing Session of the Legislature," or words to the same effect, have been used in any temporary Act of either of the said two Provinces, which shall not have expired before the re-union of the said two Provinces, the said words shall be construed to extend and apply to the next Session of the Legislature of the Province of Canada.

XLIX. And whereas, by a certain Act passed in the third year of the reign of His late Majesty King George the Fourth, intituled, "An Act to regulate the trade of the Provinces of Lower and Upper Canada, and for other purposes relating to the said Provinces," certain provisions were made for appointing Arbitrators, with power to hear and determine certain claims of the Province of Upper Canada upon the Province of Lower Canada, and to hear any claim which might be advanced on the part of the Province of Upper Canada to a proportion of certain duties therein mentioned, and for prescribing the course of proceeding to be pursued by such Arbitrators: *Be it enacted*, That the said recited provisions of the said last mentioned Act, and all matters in the same Act contained, which are consequent to or dependant upon the said provisions, or any of them, shall be repealed.

L. And be it enacted, That upon the Union of the Provinces of Upper and Lower Canada, all duties and revenues over which the respective Legislatures of the said Provinces, before and at the time of the passing of this Act, had and have power of appropriation, shall form one consolidated revenue fund, to be appropriated for the Public Service of the Province of Canada, in the manner and subject to the charges hereinafter mentioned.

LI. And be it enacted, That the said consolidated revenue fund of the Province of Canada shall be permanently charged with all the costs, charges, and expenses incident to the collection, management, and receipt thereof, such costs, charges, and expenses being subject nevertheless to be reviewed and audited, in such manner as shall be directed by any Act of the Legislature of the Province of Canada.

LII. And be it enacted, That out of the consolidated revenue fund of the Province of Canada there shall be payable in every year to Her Majesty, Her Heirs and Successors, the sum of forty-five thousand pounds, for defraying the expense of the several services and purposes named in the Schedule marked (A.) to this Act annexed; and during the life of Her Majesty, and for five years after the demise of Her Majesty, there shall be payable to Her Majesty, Her Heirs and Successors, out of the said consolidated revenue fund, a further sum of thirty thousand pounds, for defraying the expense of the several services and purposes named in the Schedule marked (B.) to this Act annexed; the said sums of forty-five thousand pounds, and thirty thousand pounds, to be issued by the Receiver General in discharge of such warrant or warrants as shall be from time to time directed to him under the hand and seal of the Governor; and the said Receiver General shall account to Her Majesty for the same, through the Lord High Treasurer or Lords Commissioners of Her Majesty's Treasury, in such manner and form as Her Majesty shall be graciously pleased to direct.

LIII. And be it enacted, That until altered by any Act of the Legislature of the Province of Canada, the salaries of the Governor and of the Judges shall be those respectively set against their several offices in the said Schedule (A.); but that it shall be lawful for the Governor to abolish any of the offices named in the said Schedule (B.) or to vary the sums appropriated to any of the services or purposes named in the said Schedule (B.); and that the amount of saving which may accrue from any such alteration in either of the said Schedules shall be appropriated to such purposes connected with the administration of the Government of the said Province as to Her Majesty shall seem fit; and that accounts in detail of the expenditure of the several sums of forty-five thousand pounds, and thirty thousand pounds, hereinbefore granted, and of every part thereof, shall be laid before the Legislative Council and Legislative Assembly of the said Province, within thirty days next after the beginning of the Session after such expenditure shall have been made: *Provided always*, that not more than two thousand pounds shall be payable at the same time for pensions to the Judges, out of the said sum of forty-five thousand pounds, and that not more than five thousand pounds shall be payable at the same time for pensions, out of the said sum of thirty thousand pounds; and that a list of all such pensions, and of the persons to whom the same shall have been granted, shall be laid in every year before the said Legislative Council and Legislative Assembly.

LIV. And be it enacted, That during the time for which the said several sums of forty-five thousand pounds, and thirty thousand pounds, are severally payable, the same shall be accepted and taken by Her Majesty by way of Civil List, instead of all territorial and other revenues now at the disposal of the Crown, arising in either of the said Provinces of Upper Canada or Lower Canada, or in the Province of Canada; and that three-fifths of the net produce of the said territorial and other revenues now at the disposal of the Crown within the Province of Canada, shall be paid over to the account of the said consolidated revenue fund; and also during the life of Her Majesty, and for five years after the demise of Her Majesty, the remaining two-fifths of the net produce of the said territorial and other revenues now at the disposal of the Crown within the Province of Canada, shall be also paid over, in like manner, to the account of the said consolidated revenue fund.

LV. And be it enacted, That the consolidation of the duties and revenues of the said Province, shall not be taken to affect the payment, out of the said consolidated revenue fund, of any sum or sums heretofore charged upon the rates and duties already raised, levied and collected, or to be raised, levied and collected, to and for the use of either of the said Provinces of Upper Canada or Lower Canada, or of the Province of Canada, for such time as shall have been appointed by the several Acts of the Legislature of the Province, by which such charges were severally authorised.

LVI. And be it enacted, That the expenses of the collection, management and receipt, of the said consolidated revenue fund, shall form the first charge thereon; and that the annual interest of the public debt of the Provinces of Upper and Lower Canada, or of either of them, at the time of the Re-union of the said Provinces, shall form the second charge thereon; and that the payments to be made to the Clergy of the United Church of England and Ireland, and to the Clergy of the Church of Scotland, and to Ministers of other Christian denominations, pursuant to any law or usage whereby such payments, before or at the time of passing this Act, were or are legally or usually paid out of the Public or Crown Revenue of either of the Provinces of Upper and Lower Canada, shall form the third charge upon the said consolidated revenue fund; and that the said sum of forty-five thousand pounds, shall form the fourth charge thereon; and that the said sum of thirty thousand pounds, so long as the same shall continue to be payable, shall form the fifth charge thereon; and that the other charges upon the rates and duties levied within the said Province of Canada, hereinbefore reserved, shall form the sixth charge thereon, so long as such charges shall continue to be payable.

LVII. And be it enacted, That subject to the several payments hereby charged on the said consolidated revenue fund, the same shall be appropriated by the Legislature of the Province of Canada, for the public service, in such manner as they shall think proper: *Provided always*, that all Bills for appropriating any part of the surplus of the said consolidated revenue fund, or for imposing any new tax or impost, shall originate in the Legislative Assembly of the said Province of Canada: *Provided also*, that it shall not be lawful for the said Legislative Assembly to originate or pass any vote, resolution or bill, for the appropriation of any part of the surplus of the said consolidated revenue fund, or of any other tax or impost, to any purpose, which shall not have been first recommended, by message of the Governor, to the said Legislative Assembly, during the Session in which such vote, resolution or Bill, shall be passed.

LVIII. And be it enacted, That it shall be lawful for the Governor, by an instrument or instruments, to be issued by him for that purpose, under the Great Seal of the Province, to constitute Townships in those parts of the Province of Canada in which Townships are not already constituted, and to fix the metes and bounds thereof, and to provide for the election and appointment of Township Officers therein, who shall have and exercise the like powers as are exercised by the like Officers in the Townships already constituted in that part of the Province of Canada now called Upper Canada; and every such instrument shall be published by Proclamation, and shall have the force of law from a day to be named in each case in such Proclamation.

LIX. And be it enacted, That all powers and authorities expressed in this Act, to be given to the Governor of the Province of Canada, shall be exercised by such Governor,

in conformity with and subject to such orders, instructions and directions as Her Majesty shall, from time to time, see fit to make or issue.

LX. And whereas, His late Majesty King George the Third, by His Royal Proclamation, bearing date the seventh day of October, in the third year of His reign, was pleased to declare, that he had put the Coast of Labrador, from the River Saint John to Hudson's Straits, with the Islands of Anticosti and Madelaine, and all other smaller Islands lying on the said Coast, under the care and inspection of the Governor of Newfoundland: *And whereas*, by an Act passed in the fourteenth year of the reign of His said late Majesty, intituled, "An Act for making more effectual provision for the Government of the Province of Quebec, in North America," all such Territories, Islands and Counties, which had, since the tenth day of February, in the year one thousand seven hundred and sixty-three, been made part of the Government of Newfoundland, were, during His Majesty's pleasure, annexed to and made part and parcel of the Province of Quebec, as created and established by the said Royal Proclamation: *Be it declared and enacted*, That nothing in this or any other Act contained, shall be construed to restrain Her Majesty, if she shall be so pleased, from annexing the Magdalen Islands, in the Gulf of Saint Lawrence, to Her Majesty's Island of Prince Edward.

LXI. And be it enacted, That in this Act, unless otherwise expressed therein, the words "Act of the Legislature of the Province of Canada," are to be understood to mean "Act of Her Majesty, Her Heirs or Successors, enacted by Her Majesty, or by the Governor, on behalf of Her Majesty, with the advice and consent of the Legislative Council and Assembly of the Province of Canada"; and the words "Governor of the Province of Canada," are to be understood as comprehending the Governor, Lieutenant-Governor, or Person authorized to execute the office or the functions of Governor of the said Province.

LXII. And be it enacted, That this Act may be amended or repealed by any Act to be passed in the present Session of Parliament.

NOTICE.

To Owners of Wild Lands, in the District of Victoria.

PERSONS owning Wild Lands in the District of Victoria, will take notice that from the 1st day of July, last past, their Lands will be Assessed with the double Rate. Owing to the Account having hitherto remained in the charge of the Midland District, the additional Rate for the Court House and Gaol was omitted in all instances where payments have been made up to 1840, for which reason, the above order has been made, by the General Quarter Sessions.

The Advertisement for the sale of Wild Lands in the District of Victoria, will be issued in the course of a few weeks. Owners of Lots will therefore do well by applying to the Treasurer for a statement of Taxes due, and by liquidating the same without delay. In future, to keep these Accounts correct, the public are notified, that all Taxes must be paid into the hands of the Treasurer of this District, the receipt from any other will not be admitted as a liquidation of the Tax, and the regular process of the Law will be put in force to obtain collections.

NOTICE.

To Owners of Wild Lands, in the District of Victoria.

PERSONS owning Wild Lands in the District of Victoria, will take notice that from the 1st day of July, last past, their Lands will be Assessed with the double Rate. Owing to the Account having hitherto remained in the charge of the Midland District, the additional Rate for the Court House and Gaol was omitted in all instances where payments have been made up to 1840, for which reason, the above order has been made, by the General Quarter Sessions.

The Advertisement for the sale of Wild Lands in the District of Victoria, will be issued in the course of a few weeks. Owners of Lots will therefore do well by applying to the Treasurer for a statement of Taxes due, and by liquidating the same without delay. In future, to keep these Accounts correct, the public are notified, that all Taxes must be paid into the hands of the Treasurer of this District, the receipt from any other will not be admitted as a liquidation of the Tax, and the regular process of the Law will be put in force to obtain collections.

Treasurer, Western District.

Treasurer's Office, Sandwich,
1st January, 1841. n-41

AWARD.

Niagara District, to wit, } BOUNDARY COMMISSIONERS.

On the application of Jacob Hill, John Brown, and Jacob Osman, Freeholders of the 7th and 8th Concessions of the Township of Pelham.

To all to whom these Presents shall come.

We, George Rykert, Samuel Wood, and Jacob Keefer, Esquires, the Boundary Commissioners for the District of Niagara—

Land Gauger's.

WHEREAS by the authority of an Act of the Legislature of this Province, passed in the First year of Her Majesty's Reign, entitled, "An Act to authorise the establishment of Boards of Boundary Line Commissioners, in the several Districts of this Province;" We, the said George Rykert, Samuel Wood, and Jacob Keefer, the Boundary Commissioners for the said District, having caused Jacob Gander to appear before us, and respond to the claim set up by the said Jacob Hill, John Brown, and Jacob Osman, to certain lines and boundaries, between lots number 1 and 2, in the 7th and 8th concessions of the Township of Pelham; and having heard, and duly considered and weighed all the evidence adduced by the said parties, touching the said lines and boundaries, and having also, in person, carefully viewed and examined the premises in question—the following appears as the result:—That no original lines or monuments remain visible between lots number 1 and 2, in the 7th and 8th concessions of the said Township of Pelham; and the evidence adduced, being so very contradictory, and unsatisfactory, that, in opinion of the Commissioners, the true situation of the original lines and boundaries of the premises now under inquiry, are not, and cannot be satisfactorily established. They therefore, feel themselves in justice to all concerned, constrained to adhere strictly in their decision, to the principle laid down in the Act of 59th Geo. III. Chap. 14, Section 11, for the guidance of licensed Surveyors in such cases.

Now Know Ye, that we, the said George Rykert, Samuel Wood, and Jacob Keefer, the Boundary Commissioners aforesaid, do therefore hereby award, order, adjudge, determine and decree—

First—That the boundary between lots number 1 and 2, in front of the 7th concession of said Township, shall be and remain, and forever continue, where a Stone has been planted, by us, the said Commissioners, at the distance of 20 chains and 6 links westerly, from the north-east angle of the said lot number 1, being an equal proportion of the distance between the north-east angle of lot number 1, and an original corner at the north-east angle of lot number 5, in said concession, exclusive of the original allowances of road; thence southerly between lots number 1 and 2, in the said 7th concession, parallel to the Township line, along the east end of the said concession, to a Stone planted under our direction, at the rear end of the said lots.

We award Secondly—That the boundary between lots number 1 and 2, in front of the 8th concession of the said Township, shall be and remain, and forever continue, where a Stone has been planted, by us, at the distance of 19 chains and 15 links westerly, from the north-east angle of lot number 1, being an equal proportion of the distance between the north-east angle of lot number 1, and an original boundary at the north-east angle of lot number 5, in the said concession, exclusive of the original allowance of road; thence southerly between the said lots number 1 and 2, parallel to the Township line, along the east end of the said concession, to a Stone planted under our direction, in rear of the said lots.

And we award Thirdly—That the said Claimants, Jacob Hill, John Brown, and Jacob Osman, shall pay one-third, and the said Jacob Gander, the Respondent, shall pay two-thirds of the costs incurred in this case.

Witness our Hands, this twenty-sixth day of September, 1839.

Toronto, 5th June, 1840.

PUBLIC SALES will take place at the Agents' Offices, in the different Districts within this Province, on the 31st March, 30th June, 30th September, and 31st December, in each year, when such Lots as may have been bid off at Auction above the upset price, and which may have become forfeited for non-compliance with the conditions of such Sale, will be again exposed to public competition;—also such Lands as may be returned to this Department for sale, not heretofore advertised.

The numbers of the first-described Lands may be known, upon application to the Agents of this Department, in their respective Districts; those of the latter will appear in the *Upper Canada Gazette*, and in one of the newspapers published in each District, one month before the time of such quarterly Sale, above mentioned, or of such special Sale as may be hereafter advertised.

A General Advertisement of Crown Lands, not heretofore offered, will appear so soon as Returns of Inspection of Lots advertised under Order in Council of the 4th April, 1838, have been made by the District Agents, and the necessary authority obtained from His Excellency the Lieutenant-Governor in Council, to offer for sale such Lands, so advertised, as may have been forfeited by the original Lessees—when Lots returned as vacant since the General Advertisement of Sales of Crown Lands, published last year, will be included.

NOTICE,

To Owners of Wild Lands, in the District of Victoria.

PERSONS owning Wild Lands in the District of Victoria, will take notice, that from the 1st day of July, last past, their Lands will be Assessed with the double Rate. Owing to the Account having hitherto remained in the charge of the Midland District, the additional Rate for the Court House and Gaol was omitted in all instances where payments have been made up to 1840, for which reason, the above order has been made, by the General Quarter Sessions.

The Advertisement for the sale of Wild Lands in the District of Victoria, will be issued in the course of a few weeks. Owners of Lots will therefore do well by applying to the Treasurer for a statement of Taxes due, and by liquidating the same without delay. In future, to keep these Accounts correct, the public are notified, that all Taxes must be paid into the hands of the Treasurer of this District, the receipt from any other will not be admitted as a liquidation of the Tax, and the regular

process of the Law will be put in force to obtain collections.

AWARD.

Niagara District, } BOUNDARY
to wit, } COMMISSIONERS.

On the application of Jacob Hill, John Brown, and Jacob Osman, Freeholders of the 7th and 8th Concessions of the Township of Pelham.

To all to whom these Presents shall come.

We, GEORGE RYKERT, SAMUEL WOOD, and JACOB KEEFER, Esquires, the Boundary Commissioners for the District of Niagara—

SEND GREETING:

WHEREAS by the authority of an Act of the Legislature of this Province, passed in the First year of Her Majesty's Reign, entitled, "An Act to authorise the establishment of Boards of Boundary Line Commissioners, in the several Districts of this Province;" We, the said George Rykert, Samuel Wood, and Jacob Keefer, the Boundary Commissioners for the said District, having caused Jacob Gander to appear before us, and respond to the claim set up by the said Jacob Hill, John Brown, and Jacob Osman, to certain lines and boundaries, between lots number 1 and 2, in the 7th and 8th concessions of the Township of Pelham; and having heard, and duly considered and weighed all the evidence adduced by the said parties, touching the said lines and boundaries, and having also, in person, carefully viewed and examined the premises in question—the following appears as the result:—That no original lines or monuments remain visible between lots number 1 and 2, in the 7th and 8th concessions of the said Township of Pelham; and the evidence adduced, being so very contradictory, and unsatisfactory, that, in opinion of the Commissioners, the true situation of the original lines and boundaries of the premises now under inquiry, are not, and cannot be satisfactorily established. They therefore, feel themselves in justice to all concerned, constrained to adhere strictly in their decision, to the principle laid down in the Act of 59th Geo. III. Chap. 14, Section 11, for the guidance of licensed Surveyors in such cases.

Now Know Ye, that we, the said George Rykert, Samuel Wood, and Jacob Keefer, the Boundary Commissioners aforesaid, do therefore hereby award, order, adjudge, determine and decree—

First—That the boundary between lots number 1 and 2, in front of the 7th concession of said Township, shall be and remain, and forever continue, where a Stone has been planted, by us, the said Commissioners, at the distance of 20 chains and 6 links westerly, from the north-east angle of the said lot number 1, being an equal proportion of the distance between the north-east angle of lot number 1, and an original corner at the north-east angle of lot number 5, in said concession, exclusive of the original allowances of road; thence southerly between lots number 1 and 2, in the said 7th concession, parallel to the Township line, along the east end of the said concession, to a Stone planted under our direction, at the rear end of the said lots.

We award Secondly—That the boundary between lots number 1 and 2, in front of the 8th concession of the said Township, shall be and remain, and forever continue, where a Stone has been planted, by us, at the distance of 19 chains and 15 links westerly, from the north-east angle of lot number 1, being an equal proportion of the distance between the north-east angle of lot number 1, and an original boundary at the north-east angle of lot number 5, in the said concession, exclusive of the original allowance of road; thence southerly between the said lots number 1 and 2, parallel to the Township line, along the east end of the said concession, to a Stone planted under our direction, in rear of the said lots.

And we award Thirdly—That the said Claimants, Jacob Hill, John Brown, and Jacob Osman, shall pay one-third, and the said Jacob Gander, the Respondent, shall pay two-thirds of the costs incurred in this case.

WITNESS our Hands, this twenty-sixth day of September, 1839.

NOTICE,

To Owners of Wild Lands, in the District of Victoria.

PERSONS owning Wild Lands in the District of Victoria, will take notice that from the 1st day of July, last past, their Lands will be Assessed with the double Rate. Owing to the Account having hitherto remained in the charge of the Midland District, the additional Rate for the Court House and Gaol was omitted in all instances where paymen's have been made up to 1840, for which reason, the above order has been made, by the General Quarter Sessions.

The Advertisement for the sale of Wild Lands in the District of Victoria, will be issued in the course of a few weeks. Owners of Lots will therefore do well by applying to the Treasurer for a statement of Taxes due, and by liquidating the same without delay. In future, to keep these Accounts correct, the public are notified, that all Taxes must be paid into the hands of the Treasurer of this District, the receipt from any other will not be admitted as a liquidation of the Tax, and the regular process of the Law will be put in force to obtain collections.

AWARD.

Niagara District, } BOUNDARY
to wit. } COMMISSIONERS.

On the application of Jacob Hill, John Brown, and Jacob Osman, Freeholders of the 7th and 8th Concessions of the Township of Pelham.

To all to whom these Presents shall come.

We, GEORGE RYKERT, SAMUEL WOOD, and JACOB KEEFER, Esquires, the Boundary Commissioners for the District of Niagara—SEND GREETING:

WHEREAS by the authority of an Act of the Legislature of this Province, passed in the First year of Her Majesty's Reign, entitled, "An Act to authorise the establishment of Boards of Boundary Line Commissioners, in the several Districts of this Province;" We, the said George Rykert, Samuel Wood, and Jacob Keefer, the Boundary Commissioners for the said District, having caused Jacob Gander to appear before us, and respond to the claim set up by the said Jacob Hill, John Brown, and Jacob Osman, to certain lines and boundaries, between lots number 1 and 2, in the 7th and 8th concessions of the Township of Pelham; and having heard, and duly considered and weighed all the evidence adduced by the said parties, touching the said lines and boundaries, and having also, in person, carefully viewed and examined the premises in question—the following appears as the result:—That no original lines or monuments remain visible between lots number 1 and 2, in the 7th and 8th concessions of the said Township of Pelham; and the evidence adduced, being so very contradictory, and unsatisfactory, that, in opinion of the Commissioners, the true situation of the original lines and boundaries of the premises now under inquiry, are not, and cannot be satisfactorily established. They therefore, feel themselves in justice to all concerned, constrained to adhere strictly in their decision, to the principle laid down in the Act of 59th Geo. III. Chap. 14, Section 11, for the guidance of licensed Surveyors in such cases.

NOW KNOW YE, that we, the said George Rykert, Samuel Wood, and Jacob Keefer, the Boundary Commissioners aforesaid, do therefore hereby award, order, adjudge, determine and decree—

Crown Lands Office.
Toronto, 5th June, 1840.

PUBLIC SALES will take place at the Agents' Offices, in the different Districts within this Province, on the 31st March, 30th June, 30th September, and 31st December, in each year, when such Lots as may have been bid off at Auction above the upset price, and which may have become forfeited for non-compliance with the conditions of such Sale, will be again exposed to public competition;—also such Lands as may be returned to this Department for sale, not heretofore advertised.

The numbers of the first-described Lands may be known, upon application to the Agents of this Department, in their respective Districts; those of the latter will appear in the *Upper Canada* Gazette and in one of the newspapers published in each District, one month before the time of such quarterly Sale, above mentioned, or of such special Sale as may be hereafter advertised.

A General Advertisement of Crown Lands, not heretofore offered, will appear so soon as Returns of Inspection of Lots advertised under Order in Council of the 4th April, 1838, have been made by the District Agents, and the necessary authority obtained from His Excellency the Lieutenant-Governor in Council, to offer for sale such Lands, so advertised, as may have been forfeited by the original Locatees—when Lots returned as vacant since the General Advertisement of Sales of Crown Lands, published last year, will be included.

NOTICE,

To Owners of Wild Lands, in the District of Victoria.

PERSONS owning Wild Lands in the District of Victoria, will take notice that from the 1st day of July, last past, their Lands will be Assessed with the double Rate. Owing to the Account having hitherto remained in the charge of the Midland District, the additional Rate for the Court House and Gaol was omitted in all instances where payments have been made up to 1840, for which reason, the above order has been made, by the General Quarter Sessions.

The Advertisement for the sale of Wild Lands in the District of Victoria, will be issued in the course of a few weeks. Owners of Lots will therefore do well by applying to the Treasurer for a statement of Taxes due, and by liquidating the same without delay. In future, to keep these Accounts correct, the public are notified, that all Taxes must be paid into the hands of the Treasurer of this District, the receipt from any other will not be admitted as a liquidation of the Tax, and the regular process of the Law will be put in force to obtain collections.

ADJUTANT GENERAL'S OFFICE,
Toronto, 8th April, 1841.

MILITIA GENERAL ORDER.

BEFORE a General Court Martial of Militia, held at Toronto, on the 8th day of February, 1841, and continued by adjournment until the 19th day of the ensuing month—Lieutenant John Maitland, of the Fourth Battalion Incorporated Militia, was arraigned on the following charges viz: Scandalous and Infamous behaviour, unbecoming the character of an Officer and a Gentleman, in the following instances, viz;

First.—Having stated, at the City of Toronto, on or about the 27th June, 1840, in the presence and hearing of George B Holland, late Sergeant of the First Troop of Incorporated Militia Dragoons, that he, the said Lieutenant John Maitland, had paid to the said Major T. W. Magrath, the sum of £28 7s. 6d. Currency, he, the said Lieutenant John Maitland, at the same time well knowing that he had not so paid the same.

Second—Having stated at Toronto aforesaid, on or about the 19th day of November, 1840, in the presence of Colonel Frederick Alexander McKenzie Fraser, Assistant Quarter-Master-General to the Forces; Colonel Sir Allan Napier MacNab, third Regiment of Gore Sedentary Militia; Colonel Bullock, Adjutant General of Militia; and Captain Frederick Leopold Arthur, Aid de-Camp—that he, the said Lieutenant John Maitland, had paid to the said Major Thomas W. Magrath, the sum of £6 5s. Currency, being the amount of the subscription of certain Officers of Her Majesty's 43rd Regiment, to the City of Toronto and County of York Race meeting, for the year 1839—he, the said Lieutenant John Maitland, well knowing at the same time, that he had not so paid the same.

Third.—Having stated at Toronto, on or about the 19th day of November, 1840, at a meeting of the Stewards of the City of Toronto and County of York Race meeting, for the year 1839, that he, the said Lieutenant John Maitland, was prepared with proof, that the said Major Magrath, had received the sum of £6 5s. Currency, being the amount of the last-mentioned subscription of Officers of the 43rd Regiment, for the purpose of endeavouring to entrap the said Major Magrath into an admission of the receipt thereof—he, the said Lieutenant Maitland, at the same time having no such proof, and being well aware that the fact was contrary to the said statement.

Fourth.—Having stated, at the time and place last-mentioned, that the said Major Magrath had not paid certain men of the said First Troop of Incorporated Militia Dragoons, the amount of a certain Purse, called the Troop Purse, run for at the said Race Meeting of 1839, and won by certain men of the said Dragoons; and that he, the said Lieutenant Maitland, had been informed by two men of the said Troop, who were entitled to receive a proportion thereof, that the same had not been paid to them by Major Magrath, or any one for him, and that they had not received their proportion, he, the said Lieutenant Maitland, well knowing, when he made the said statement, that the said Purse had been paid by Major Magrath, and that no man of the said Dragoons, entitled to receive any proportion thereof, had made any such declaration.

Fifth.—Having written and published, or caused to be written and published, at Toronto, on or about the 31st day of August, 1840, in a public Newspaper, called the "*British Colonist*," a false, scandalous and malicious letter, with the intent to injure and defame the character of the said Major Magrath, as an Officer and a Gentleman, expressing therein and thereby, that a certain statement, published as the result of the examination of the Toronto Turf Club Accounts, for 1839, was a most bungling and barefaced attempt to cover the peculation of the said Major Magrath.

Sixth.—Having written and published, or caused to be written and published, at Toronto, on or about the 10th day of October, 1840, a false, scandalous and malicious statement, tending to injure and defame the character of the said Major Magrath, as an Officer and a Gentleman, in reference to the Race Funds of the City of Toronto

and County of York Race meeting, for 1839, whereby he accused the said Major Magrath of having attempted pecalation of the said funds.

Such conduct being contrary to the Rules and Regulations of Her Majesty's Service, and subversive of good order and Military discipline.

The Court having maturely weighed and considered the evidence in support of the Charges against the Prisoner, John Maitland, Lieutenant 4th Battalion Incorporated Militia, his defence, and the evidence adduced in support of it, is of opinion, that with regard to the *First Charge*, that he, the Prisoner, John Maitland, Lieutenant 4th Battalion Incorporated Militia, is not Guilty, and do therefore acquit him of the same.

With regard to the *Second Charge*, the Court is of opinion that the Prisoner, John Maitland, Lieutenant 4th Battalion Incorporated Militia, is Guilty.

With regard to the *Third Charge*, the Court is of opinion that the Prisoner, John Maitland, Lieutenant 4th Battalion Incorporated Militia, is Guilty.

With regard to the *Fourth Charge*, the Court is of opinion that the Prisoner, John Maitland, Lieutenant 4th Battalion Incorporated Militia, is Guilty.

With regard to the *Fifth Charge*, the Court is of opinion that the Prisoner, John Maitland, Lieutenant 4th Battalion Incorporated Militia, is Guilty.

With regard to the *Sixth Charge*, the Court is of opinion that the Prisoner, John Maitland, Lieutenant 4th Battalion Incorporated Militia, is Guilty.

The Court having found the Prisoner Guilty of the *Second, Third, Fourth, Fifth* and *Sixth* Charges, preferred against him, which being in breach of the Articles of War and the Militia Act now in force in this Province, do Sentence him, the Prisoner, John Maitland, Lieutenant 4th Battalion Incorporated Militia, to be Cashiered.

The Court having performed its duty, cannot separate without recording its opinion upon the description of defence attempted to be set up by the Prisoner, to wit: that he had received a provocation sufficient to justify on his part a breach of Military discipline: a doctrine, subversive of the fundamental principles by which all Armies are governed, and entirely at variance with those authorities, which are equally binding upon Military and Civil Tribunals.

Yet, notwithstanding this attempt upon the part of the Prisoner, no testimony has been produced by him, even if his position had been tenable, sufficient to justify the Court in acquitting him of any one of the Charges of which he has been found guilty.

His Excellency the Governor-General has been pleased to approve and confirm the finding and Sentence of the Court.

Mr. John Maitland will cease to receive pay in Her Majesty's Service, from this date.

The General Court Martial, of which Colonel Vankoughnett, 5th Battalion Incorporated Militia, is President, is dissolved.

By Command,

PUBLIC SALES will take place at the Agents' Offices, in the different Districts within this Province, on the 31st March, 30th June, 30th September, and 31st December, in each year, when such Lots as may have been bid off at Auction above the upset price, and which may have become forfeited for non-compliance with the conditions of such Sale, will be again exposed to public competition;—also such Lands as may be returned to this Department for sale, not heretofore advertised.

NOTICE.—Application will be made by the Magistrates and other Inhabitants of the County of Simcoe, to the Legislature at the next Session of Parliament, for an Act to authorise the Magistrates of the County to raise a further loan of £2,000, to complete the District Buildings. 12

NOTICE is hereby given, that application will be made by the undersigned, and others, at the next Session of the Provincial Parliament, for an Act to incorporate a Company, for the construction of a Macadamized, Plank, or Turnpike Road, from the intersection of the third concession of Beverly with the Dundas and Waterloo Macadamized Road, to the town of London.

ELAM STIMSON.
St. George, Dec'r. 21, 1840. 34

NOTICE is hereby given, that an application will be made to the Legislature, at its next Meeting, to pass an Act to authorise the Magistrates of the intended new District of Dalhousie, to borrow an additional sum of Money, to complete the Gaol and Court House, in said District.

Bytown, 10th *August*, 1840. 32

To undertake them successfully large funds will undoubtedly be required, and the financial condition of the Province, as it stands at present, would seem to forbid the attempt. But I have the satisfaction of informing you, that I have received authority from Her Majesty's Government to state, that they are prepared to call on the Imperial Parliament to afford their assistance towards these important undertakings. In the full belief that peace and tranquillity will be happily re-established in this Province, under the Constitution settled by Parliament, and that nothing but a relief from its most pressing difficulties is wanting to its rapid advancement to prosperity, they will propose to Parliament, by affording the guarantee of the Imperial Treasury for a loan to the extent of no less than a million and a half sterling, to aid the Province for the double purpose of diminishing the pressure of the interest on the Public Debt, and of enabling it to proceed with those great public undertakings, whose progress during the last few years has been arrested by the financial difficulties. I shall direct a measure to be submitted to you, embracing a plan for this purpose, and I shall lay before you, for your information, and that of the people of Canada, extracts from the despatches which convey to me this most gratifying assurance.

In immediate connexion with the outlay of capital upon Public Works, is the subject of Emigration, and the disposal and settlement of Public Lands. There exist within the Province no means so certain of producing a healthy flow of Immigration from the Mother Country, and of ultimately establishing the Immigrant as a settler and proprietor within the Colony, as the power of affording sure employment for his labour on his first arrival. The assistance of Parliament for the Public Works which may be undertaken here, will in a great measure provide for this; but with a view further to aid Immigration, I am authorised to declare to you, that Her Majesty's Government are prepared to assist in facilitating the passage of the Immigrant from the Port at which he is landed, to the place where his labour may be made available, and that a vote of money for this purpose will be proposed to the Imperial Parliament. The conditions which Her Majesty's Government attach to this measure will be submitted to you, at the same time that I shall draw your attention to a scheme for the settlement and disposal of the Public Lands.

It appears highly desirable that the principles of local self-government, which already prevail to some extent throughout that part of the Province which was formerly Upper Canada, should receive a more extended application there, and that the people should exercise a greater degree of power over their own local affairs. I have directed a measure upon this subject to be submitted to you, and I solicit your earnest attention to the establishment of such a form of local self-government for those Districts of the Province which are unprovided with it, as may ensure satisfaction to the people, whilst it preserves inviolate the prerogative of the Crown, and maintains the administration of Justice pure from party and popular excitement.

A due provision for the education of the People is one of the first duties of the State, and in this Province especially the want of it is grievously felt. The establishment of an efficient system by which the blessings of instruction may be placed within the reach of all, is a work of difficulty—but its overwhelming importance demands that it should be undertaken. I recommend the consideration of that subject to your best attention, and I shall be most anxious to afford you in your labours all the co-operation in my power. If it should be found impossible so to reconcile conflicting opinions as to obtain a measure which may meet the approbation of all, I trust that at least steps may be taken by which an advance to a more perfect system may be made, and the difficulty under which the people of this Province now labour may be greatly diminished, subject to such improvements hereafter as time and experience may point out.

Gentlemen of the House of Assembly:

The financial Accounts of the Province will be immediately laid before you, and I shall direct the estimates for the public service to be submitted to you with the least possible delay. I rely upon your co-operation in the financial measures which it will be my duty to propose to you for taking advantage of the assistance which Her Majesty's Government propose to afford, and for carrying into effect the Public improvements which are deemed most desirable. I shall earnestly endeavour that whatever you may appropriate for this latter purpose shall be economically employed and rendered effective.

Honourable Gentlemen and Gentlemen:

In your wisdom and prudence I confide for the regulation of the different important matters which must necessarily come before you. Canada united under a constitution which the Imperial Legislature has framed with an earnest desire for the welfare of this portion of the British Empire, cannot fail to prosper under prudent and sage counsels. The generous aid which I have already announced to you—the determination which I am also empowered to state on the part of the Government to devote annually a large sum for the military defences of the Province—the fixed and settled determination which I have the Queen's commands to declare that Her North American possessions shall be maintained at all hazards as part of Her Empire, are pledges of the sincerity with which the Mother Country desires to promote the prosperity of Canada, and to assist in the well working of the new institutions which it has established. The eyes of England are anxiously fixed upon the result of this great experiment. Should it succeed, the aid of Parliament in your undertakings—the confidence of British capitalists in the credit you may require from them—the security which the British People will feel in seeking your shores and establishing themselves on your fertile soil, may carry improvement to an unexampled height. The rapid advance of trade and immigration within the last eighteen months afford ample evidence of the effects of tranquillity in restoring confidence and promoting prosperity. May no dissensions mar the flattering prospect which is open before us—may your efforts be steadily directed to the great practical improvements of which the Province stands so much in need, and under the blessing of that Providence which has hitherto preserved this portion of the British dominions, may your counsels be so guided as to ensure to the Queen attached and loyal subjects, and to United Canada a prosperous and contented People.

ENLARGEMENT OF

THE MONTREAL TRANSCRIPT.

ON THURSDAY, the 3rd June, the MONTREAL TRANSCRIPT will appear on a larger sheet, as some time since proposed. As the old size and the new one will not bind together, our paper of that day will be No 1, of a new volume; and an extra number of the first few numbers will be struck off, in order that new subscribers may be supplied from the commencement of the interesting Tales it is proposed to introduce. Advertisements inserted in the 1st No. will have the advantage not only of the present large circulation of the TRANSCRIPT, but of an additional quantity to be printed on that day.

All Advertisements inserted in the MONTREAL TRANSCRIPT, shall have one insertion, gratis, in the WEEKLY TRANSCRIPT, a new paper to be published on the 9th June.

D. McDONALD, *Proprietor.*

Montreal, 25th May, 1841.

THE WEEKLY TRANSCRIPT.

ON WEDNESDAY, the 9th June, a new paper, to be called the WEEKLY TRANSCRIPT, will be issued from this Office, and will continue to be published every Wednesday, at the low rate of TEN SHILLINGS per annum, in town, and 12s. 6d. in the country, although containing 12 pages of the original TRANSCRIPT size. It will make a handsome volume for binding, amounting in each year to 624 pages, and will enter from its commencement on the popular stories of "BARNABY RUDGE," by BOZ, and "OLD ST. PAULS," by W. Harrison Ainsworth. These will be followed by a constant succession of selections from the most celebrated authors, and the WEEKLY TRANSCRIPT will furnish the cheapest and best collection of literary matter to be found in Canada, besides giving the latest news, and the politics of both the Colonies and the Mother Country.

It is a pleasd recollection with us, that our earliest efforts were nursed into maturity by the distinguished patronage of the fair SEX: and a sense of gratitude will induce us to insert in our new weekly paper an occasional piece of MUSIC—sometimes original, sometimes transcribed from the most celebrated professors.

Agriculture, the source from which this country must derive so large a proportion of its future prosperity, will not be lost sight of. Its interests, and those of the Mechanic, will find a steady advocate in the TRANSCRIPT.

Intending subscribers will do well to be early in signifying their intention, and be particular in mentioning whether it is the tri-weekly, or the weekly paper they desire. Subscriptions payable invariably in advance.

Advertisements ordered into the tri weekly TRANSCRIPT, will have one insertion, gratis, in the WEEKLY TRANSCRIPT. If ordered for a longer time, they shall be paid for at the usual rates.

The WEEKLY TRANSCRIPT will be under the same editorial management as the MONTREAL TRANSCRIPT.

All orders addressed to the Proprietor will be duly attended to.

ENLARGEMENT OF

THE MONTREAL TRANSCRIPT.

ON THURSDAY, the 3rd June, the MONTREAL TRANSCRIPT will appear on a larger sheet, as some time since proposed. As the old size and the new one will not bind together, our paper of that day will be No 1, of a new volume; and an extra number of the first few numbers will be struck off, in order that new subscribers may be supplied from the commencement of the interesting Tales it is proposed to introduce. Advertisements inserted in the 1st No. will have the advantage not only of the present large circulation of the TRANSCRIPT, but of an additional quantity to be printed on that day.

All Advertisements inserted in the MONTREAL TRANSCRIPT, shall have one insertion, gratis, in the WEEKLY TRANSCRIPT, a new paper to be published on the 9th June.

D. McDONALD, *Proprietor.*

Montreal, 25th May, 1841.

THE WEEKLY TRANSCRIPT.

ON WEDNESDAY, the 9th June, a new paper, to be called the WEEKLY TRANSCRIPT, will be issued from this Office, and will continue to be published every Wednesday, at the low rate of TEN SHILLINGS per annum, in town, and 12s. 6d. in the country, although containing 12 pages of the original TRANSCRIPT size. It will make a handsome volume for binding, amounting in each year to 624 pages, and will enter from its commencement on the popular stories of "BARNABY RUDGE," by BOZ, and "OLD ST. PAULS," by W. Harrison Ainsworth. These will be followed by a constant succession of selections from the most celebrated authors, and the WEEKLY TRANSCRIPT will furnish the cheapest and best collection of literary matter to be found in Canada, besides giving the latest news, and the politics of both the Colonies and the Mother Country.

It is a proud recollection with us, that our earliest efforts were nursed into maturity by the distinguished patronage of the fair sex: and a sense of gratitude will induce us to insert in our new weekly paper an occasional piece of MUSIC—sometimes original, sometimes transcribed from the most celebrated professors.

Agriculture, the source from which this country must derive so large a proportion of its future prosperity, will not be lost sight of. Its interests, and those of the Mechanic, will find a steady advocate in the TRANSCRIPT.

Intending subscribers will do well to be early in signifying their intention, and be particular in mentioning whether it is the tri-weekly, or the weekly paper they desire. Subscriptions payable invariably in advance.

Advertisements ordered into the tri-weekly TRANSCRIPT, will have one insertion, gratis, in the WEEKLY TRANSCRIPT. If ordered for a longer time, they shall be paid for at the usual rates.

The WEEKLY TRANSCRIPT will be under the same editorial management as the MONTREAL TRANSCRIPT.

All orders addressed to the Proprietor will be duly attended to.

ENLARGEMENT OF

THE MONTREAL TRANSCRIPT.

ON THURSDAY, the 3rd June, the MONTREAL TRANSCRIPT will appear on a larger sheet, as some time since proposed. As the old size and the new one will not bind together, our paper of that day will be No 1, of a new volume; and an extra number of the first few numbers will be struck off, in order that new subscribers may be supplied from the commencement of the interesting Tales it is proposed to introduce. Advertisements inserted in the 1st No. will have the advantage not only of the present large circulation of the TRANSCRIPT, but of an additional quantity to be printed on that day.

All Advertisements inserted in the MONTREAL TRANSCRIPT, shall have one insertion, gratis, in the WEEKLY TRANSCRIPT, a new paper to be published on the 9th June.

D. McDONALD,
Proprietor.

Montreal, 25th May, 1841.

THE WEEKLY TRANSCRIPT.

ON WEDNESDAY, the 9th June, a new paper, to be called the WEEKLY TRANSCRIPT, will be issued from this Office, and will continue to be published every Wednesday, at the low rate of TEN SHILLINGS per annum, in town, and 12s. 6d. in the country, although containing 12 pages of the original TRANSCRIPT size. It will make a handsome volume for binding, amounting in each year to 624 pages, and will enter from its commencement on the popular stories of "BARNABY RUDGE," by BOZ, and "OLD ST. PAUL'S," by W. Harrison Ainsworth. These will be followed by a constant succession of selections from the most celebrated authors, and the WEEKLY TRANSCRIPT will furnish the cheapest and best collection of literary matter to be found in Canada, besides giving the latest news, and the politics of both the Colonies and the Mother Country.

It is a proud recollection with us, that our earliest efforts were nursed into maturity by the distinguished patronage of the fair SEX: and a sense of gratitude will induce us to insert in our new weekly paper an occasional piece of MUSIC—sometimes original, sometimes transcribed from the most celebrated professors.

Agriculture, the source from which this country must derive so large a proportion of its future prosperity, will not be lost sight of. Its interests, and those of the Mechanic, will find a steady advocate in the TRANSCRIPT.

Intending subscribers will do well to be early in signifying their intention, and be particular in mentioning whether it is the tri-weekly, or the weekly paper they desire. Subscriptions payable invariably in advance.

Advertisements ordered into the tri weekly TRANSCRIPT, will have one insertion, gratis, in the WEEKLY TRANSCRIPT. If ordered for a longer time, they shall be paid for at the usual rates.

The WEEKLY TRANSCRIPT will be under the same editorial management as the MONTREAL TRANSCRIPT.

All orders addressed to the Proprietor will be duly attended to.

D. McDONALD, *Proprietor.*

ENLARGEMENT OF

THE MONTREAL TRANSCRIPT.

ON THURSDAY, the 3rd June, the MONTREAL TRANSCRIPT will appear on a [illegible] as some time since proposed. As the old size and the new one will not bind together, our paper of that day will be No. 1, of a new volume; and an extra number of the first few numbers will be struck off, in order that new subscribers may be supplied from the commencement of the interesting Tales it is proposed to introduce. Advertisements inserted in the 1st No. will have the advantage not only of the present large circulation of the TRANSCRIPT, but of an additional quantity to be printed on that day.

All Advertisements inserted in the MONTREAL TRANSCRIPT, shall have one insertion, gratis, in the WEEKLY TRANSCRIPT, a new paper to be published on the 9th June.

D. McDONALD,
Proprietor.

Montreal, 25th May, 1841.

THE WEEKLY TRANSCRIPT.

ON WEDNESDAY, the 9th June, a new paper, to be called the WEEKLY TRANSCRIPT, will be issued from this Office, and will continue to be published every Wednesday, at the low rate of TEN SHILLINGS per annum, in town, and 12s. 6d. in the country, although containing 12 pages of the original TRANSCRIPT size. It will make a handsome volume for binding, amounting in each year to 624 pages, and will enter from its commencement on the popular stories of "BARNABY RUDGE," by BOZ, and "OLD ST. PAULS," by W. Harrison Ainsworth. These will be followed by a constant succession of selections from the most celebrated authors, and the WEEKLY TRANSCRIPT will furnish the cheapest and best collection of literary matter to be found in Canada, besides giving the latest news, and the politics of both the Colonies and the Mother Country.

It is a proud recollection with us, that our earliest efforts were nursed into maturity by the distinguished patronage of the fair sex; and a sense of gratitude will induce us to insert in our new weekly paper an occasional piece of MUSIC—sometimes original, sometimes transcribed from the most celebrated professors.

Agriculture, the source from which this country must derive so large a proportion of its future prosperity, will not be lost sight of. Its interests, and those of the Mechanic, will find a steady advocate in the TRANSCRIPT.

Intending subscribers will do well to be early in signifying their intention, and be particular in mentioning whether it is the tri-weekly, or the weekly paper they desire. Subscriptions payable invariably in advance.

Advertisements ordered into the tri weekly TRANSCRIPT, will have one insertion, gratis, in the WEEKLY TRANSCRIPT. If ordered for a longer time, they shall be paid for at the usual rates.

The WEEKLY TRANSCRIPT will be under the same editorial management as the MONTREAL TRANSCRIPT. All orders addressed to the Proprietor will be duly attended to.

PUBLIC SALES will take place at the Agents' Offices, in the different

Districts within this Province, on the 31st March, 30th June, 30th September, and 31st December, in each year, when such Lots as may have been bid off at Auction above the upset price, and which may have become forfeited for non-compliance with the conditions of such Sale, will be again exposed to public competition;—also such Lands as may be returned to this Department for sale, not heretofore advertised.

The numbers of the first-described Lands may be known, upon application to the Agents of this Department, in their respective Districts: those of the latter will appear in the *Upper Canada Gazette*, and in one of the newspapers published in each District, one month before the time of such quarterly Sale, above mentioned, or of such special Sale as may be hereafter advertised.

A General Advertisement of Crown Lands, not heretofore offered, will appear so soon as Returns of Inspection of Lots advertised under Order in Council of the 4th April, 1838, have been made by the District Agents, and the necessary authority obtained from His Excellency the Lieutenant-Governor in Council, to offer for sale such Lands, so advertised, as may have been forfeited by the original Locatee—when Lots returned as vacant since the General Advertisement of Sales of Crown Lands, published last year, will be included.

ENLARGEMENT OF

THE MONTREAL TRANSCRIPT.

ON THURSDAY, the 3rd June, the MONTREAL TRANSCRIPT will appear on a larger sheet, as some time since proposed. As the old size and the new one will not bind together, our paper of that day will be No. 1, of a new volume; and an extra number of the first few numbers will be struck off, in order that new subscribers may be supplied from the commencement of the interesting Tales it is proposed to insert. Advertisements inserted in the 1st No. will have the advantage not only of the present large circulation of the TRANSCRIPT, but of an additional quantity to be printed on that day.

All Advertisements inserted in the MONTREAL TRANSCRIPT, shall have one insertion, gratis, in the WEEKLY TRANSCRIPT, a new paper to be published on the 9th June.

D. McDONALD,
Proprietor.
Montreal, 25th May, 1841.

THE WEEKLY TRANSCRIPT.

ON WEDNESDAY, the 9th June, a new paper, to be called the WEEKLY TRANSCRIPT, will be issued from this Office, and will continue to be published every Wednesday, at the low rate of TEN SHILLINGS per annum, in town, and 12s. 6d. in the country, although containing 12 pages of the original TRANSCRIPT size. It will make a handsome volume for binding, amounting in each year to 624 pages, and will enter from its commencement on the popular stories of "BARNABY RUDGE," by Boz, and "OLD ST. PAULS," by W. Harrison Ainsworth. These will be followed by a constant succession of selections from the most celebrated authors, and the WEEKLY TRANSCRIPT will furnish the cheapest and best collection of literary matter to be found in Canada, besides giving the latest news, and the politics of both the Colonies and the Mother Country.

It is a proud recollection with us, that our earliest efforts were nursed into maturity by the distinguished patronage of the fair sex: and a sense of gratitude will induce us to insert in our new weekly paper an occasional piece of MUSIC—sometimes original, sometimes transcribed from the most celebrated professors.

Agriculture, the source from which this country must derive so large a proportion of its future prosperity, will not be lost sight of. Its interests, and those of the Mechanic, will find a steady advocate in the TRANSCRIPT

Intending subscribers will do well to be early in signifying their intention, and be particular in mentioning whether it is the tri-weekly, or the weekly paper they desire. Subscriptions payable invariably in advance.

Advertisements ordered into the tri weekly TRANSCRIPT, will have one insertion, gratis, in the WEEKLY TRANSCRIPT. If ordered for a longer time, they shall be paid for at the usual rates.

The WEEKLY TRANSCRIPT will be under the same editorial management as the MONTREAL TRANSCRIPT.

All orders addressed to the Proprietor will be duly attended to.

ENLARGEMENT OF
THE MONTREAL TRANSCRIPT.

ON THURSDAY, the 3rd June, the MONTREAL TRANSCRIPT will appear on a larger sheet, as some time since proposed. As the old size and the new one will not bind together, our paper of that day will be No 1, of a new volume; and an extra number of the first few numbers will be struck off, in order that new subscribers may be supplied from the commencement of the interesting Tales it is proposed to introduce. Advertisements inserted in the 1st No. will have the advantage not only of the present large circulation of the TRANSCRIPT, but of an additional quantity to be printed on that day.

All Advertisements inserted in the MONTREAL TRANSCRIPT, shall have one insertion, gratis, in the WEEKLY TRANSCRIPT, a new paper to be published on the 9th June.

D. McDONALD,
Proprietor.
Montreal, 25th May, 1841.

THE WEEKLY TRANSCRIPT.

ON WEDNESDAY, the 9th June, a new paper, to be called the WEEKLY TRANSCRIPT, will be issued from this Office, and will continue to be published every Wednesday, at the low rate of TEN SHILLINGS per annum, in town, and 12s. 6d. in the country, although containing 12 pages of the original TRANSCRIPT size. It will make a handsome volume for binding, amounting in each year to 624 pages, and will enter from its commencement on the popular stories of "BARNABY RUDGE," by BOZ, and "OLD ST. PAULS," by W. Harrison Ainsworth. These will be followed by a constant succession of selections from the most celebrated authors, and the WEEKLY TRANSCRIPT will furnish the cheapest and best collection of literary matter to be found in Canada, besides giving the latest news, and the politics of both the Colonies and the Mother Country.

It is a proud recollection with us, that our earliest efforts were nursed into maturity by the distinguished patronage of the fair sex: and a sense of gratitude will induce us to insert in our new weekly paper an occasional piece of MUSIC—sometimes original, sometimes transcribed from the most celebrated professors.

Agriculture, the source from which this country must derive so large a proportion of its future prosperity, will not be lost sight of. Its interests, and those of the Mechanic, will find a steady advocate in the TRANSCRIPT.

Intending subscribers will do well to be early in signifying their intention, and be particular in mentioning whether it is the tri-weekly, or the weekly paper they desire. Subscriptions payable invariably in advance.

Advertisements ordered into the tri weekly TRANSCRIPT, will have one insertion, gratis, in the WEEKLY TRANSCRIPT. If ordered for a longer time, they shall be paid for at the usual rates.

The WEEKLY TRANSCRIPT will be under the same editorial management as the MONTREAL TRANSCRIPT.

All orders addressed to the Proprietor, will be duly attended to.

ENLARGEMENT OF
THE MONTREAL TRANSCRIPT.

ON THURSDAY, the 3rd June, the MONTREAL TRANSCRIPT will appear on a larger sheet, as some time since proposed. As the old size and the new one will not bind together, our paper of that day will be No 1, of a new volume; and an extra number of the first few numbers will be struck off, in order that new subscribers may be supplied from the commencement of the interesting Tales it is proposed to introduce. Advertisements inserted in the 1st No. will have the advantage not only of the present large circulation of the TRANSCRIPT, but of an additional quantity to be printed on that day.

All Advertisements inserted in the MONTREAL TRANSCRIPT, shall have one insertion, gratis, in the WEEKLY TRANSCRIPT, a new paper to be published on the 9th June.

D. McDONALD,
Proprietor.
Montreal, 25th May, 1841.

THE WEEKLY TRANSCRIPT.

ON WEDNESDAY, the 9th June, a new paper, to be called the WEEKLY TRANSCRIPT, will be issued from this Office, and will continue to be published every Wednesday, at the low rate of TEN SHILLINGS per annum, in town, and 12s. 6d. in the country, although containing 12 pages of the original TRANSCRIPT size. It will make a handsome volume for binding, amounting in each year to 624 pages, and will enter from its commencement on the popular stories of "BARNABY RUDGE," by Boz, and "OLD ST. PAULS," by W. Harrison Ainsworth. These will be followed by a constant succession of selections from the most celebrated authors, and the WEEKLY TRANSCRIPT will furnish the cheapest and best collection of literary matter to be found in Canada, besides giving the latest news, and the politics of both the Colonies and the Mother Country.

It is a proud recollection with us, that our earliest efforts were nursed into maturity by the distinguished patronage of the fair sex; and a sense of gratitude will induce us to insert in our new weekly paper an occasional piece of MUSIC—sometimes original, sometimes transcribed from the most celebrated professors.

Agriculture, the source from which this country must derive so large a proportion of its future prosperity, will not be lost sight of. Its interests, and those of the Mechanic, will find a steady advocate in the TRANSCRIPT.

Intending subscribers will do well to be early in signifying their intention, and be particular in mentioning whether it is the tri-weekly, or the weekly paper they desire. Subscriptions payable invariably in advance.

Advertisements ordered into the tri weekly TRANSCRIPT, will have one insertion, gratis, in the WEEKLY TRANSCRIPT. If ordered for a longer time, they shall be paid for at the usual rates.

The WEEKLY TRANSCRIPT will be under the same editorial management as the MONTREAL TRANSCRIPT.

All orders addressed to the Proprietor, will be duly attended to.

ENLARGEMENT OF

THE MONTREAL TRANSCRIPT.

ON THURSDAY, the 3rd June, the Montreal Transcript will appear on a larger sheet, as some time since proposed. As the old size and the new one will not bind together, our paper of that day will be No 1, of a new volume; and an extra number of the first few numbers will be struck off, in order that new subscribers may be supplied from the commencement of the interesting Tales it is proposed to introduce. Advertisements inserted in the 1st No. will have the advantage not only of the present large circulation of the Transcript, but of an additional quantity to be printed on that day.

All Advertisements inserted in the Montreal Transcript, shall have one insertion, gratis, in the Weekly Transcript, a new paper to be published on the 9th June.

D. McDONALD,
Proprietor.

Montreal, 25th May, 1841.

THE WEEKLY TRANSCRIPT.

ON WEDNESDAY, the 9th June, a new paper, to be called the WEEKLY TRANSCRIPT, will be issued from this Office, and will continue to be published every Wednesday, at the low rate of TEN SHILLINGS per annum, in town, and 12s. 6d. in the country, although containing 12 pages of the original Transcript size. It will make a handsome volume for binding, amounting in each year to 624 pages, and will enter from its commencement on the popular stories of "Barnaby Rudge," by Boz, and "Old St. Pauls," by W. Harrison Ainsworth. These will be followed by a constant succession of selections from the most celebrated authors, and the WEEKLY TRANSCRIPT will furnish the cheapest and best collection of literary matter to be found in Canada, besides giving the latest news, and the politics of both the Colonies and the Mother Country.

It is a proud recollection with us, that our earliest efforts were nursed into maturity by the distinguished patronage of the fair sex: and a sense of gratitude will induce us to insert in our new weekly paper an occasional piece of MUSIC—sometimes original, sometimes transcribed from the most celebrated professors.

Agriculture, the source from which this country must derive so large a proportion of its future prosperity, will not be lost sight of. Its interests, and those of the Mechanic, will find a steady advocate in the Transcript.

Intending subscribers will do well to be early in signifying their intention, and be particular in mentioning whether it is the tri-weekly, or the weekly paper they desire. Subscriptions payable invariably in advance.

Advertisements ordered into the tri weekly Transcript, will have one insertion, gratis, in the Weekly Transcript. If ordered for a longer time, they shall be paid for at the usual rates.

The Weekly Transcript will be under the same editorial management as the Montreal Transcript.

All orders addressed to the Proprietor, will be duly attended to.

ENLARGEMENT OF

THE MONTREAL TRANSCRIPT.

ON THURSDAY, the 3rd June, the MONTREAL TRANSCRIPT will appear on a larger sheet, as some time since proposed. As the old size and the new one will not bind together, our paper of that day will be No 1, of a new volume; and an extra number of the first few numbers will be struck off, in order that new subscribers may be supplied from the commencement of the interesting Tales it is proposed to introduce. Advertisements inserted in the 1st No. will have the advantage not only of the present large circulation of the TRANSCRIPT, but of an additional quantity to be printed on that day.

All Advertisements inserted in the MONTREAL TRANSCRIPT, shall have one insertion, gratis, in the WEEKLY TRANSCRIPT, a new paper to be published on the 9th June.

D. McDONALD,
Proprietor.

Montreal, 25th May, 1841.

THE WEEKLY TRANSCRIPT.

ON WEDNESDAY, the 9th June, a new paper, to be called the WEEKLY TRANSCRIPT, will be issued from this Office, and will continue to be published every Wednesday, at the low rate of TEN SHILLINGS per annum, in town, and 12s. 6d. in the country, although containing 12 pages of the original TRANSCRIPT size. It will make a handsome volume for binding, amounting in each year to 624 pages, and will enter from its commencement on the popular stories of "BARNABY RUDGE," by BOZ, and "OLD ST. PAULS," by W. Harrison Ainsworth. These will be followed by a constant succession of selections from the most celebrated authors, and the WEEKLY TRANSCRIPT will furnish the cheapest and best collection of literary matter to be found in Canada, besides giving the latest news, and the politics of both the Colonies and the Mother Country.

It is a proud recollection with us, that our earliest efforts were nursed into maturity by the distinguished patronage of the fair sex; and a sense of gratitude will induce us to insert in our new weekly paper an occasional piece of MUSIC—sometimes original, sometimes transcribed from the most celebrated professors.

Agriculture, the source from which this country must derive so large a proportion of its future prosperity, will not be lost sight of. Its interests, and those of the Mechanic, will find a steady advocate in the TRANSCRIPT.

Intending subscribers will do well to be early in signifying their intention, and be particular in mentioning whether it is the tri-weekly, or the weekly paper they desire. Subscriptions payable invariably in advance.

Advertisements ordered into the tri weekly TRANSCRIPT, will have one insertion, gratis, in the WEEKLY TRANSCRIPT. If ordered for a longer time, they shall be paid for at the usual rates.

The WEEKLY TRANSCRIPT will be under the same editorial management as the MONTREAL TRANSCRIPT. All orders addressed to the Proprietor, will be duly attended to.

Toronto, 5th June, 1840.

PUBLIC SALES will take place at the Agents' Offices, in the different Districts within this Province, on the 31st March, 30th June, 30th September, and 31st December, in each year, when such Lots as may have been bid off at Auction above the upset price, and which may have become forfeited for non-compliance with the conditions of such Sale, will be again exposed to public competition;—also such Lands as may be returned to this Department for sale, not heretofore advertised.

The numbers of the first-described Lands may be known, upon application to the Agents of this Department, in their respective Districts: those of the latter will appear in the *Upper Canada Gazette*, and in one of the newspapers published in each District, one month before the time of such quarterly Sale, above mentioned, or of such special Sale as may be hereafter advertised.

A General Advertisement of Crown Lands, not heretofore offered, will appear so soon as Returns of Inspection of Lots advertised under Order in Council of the 4th April, 1838, have been made by the District Agents, and the necessary authority obtained from His Excellency the Lieutenant-Governor in Council, to offer for sale such Lands, so advertised, as may have been forfeited by the original Locatees—when Lots returned as vacant since the General Advertisement of Sales of Crown Lands, published last year, will be included.

ENLARGEMENT OF

THE MONTREAL TRANSCRIPT.

ON THURSDAY, the 3rd June, the MONTREAL TRANSCRIPT will appear on a larger sheet, as some time since proposed. As the old size and the new one will not bind together, our paper of that day will be No 1, of a new volume; and an extra number of the first few numbers will be struck off, in order that new subscribers may be supplied from the commencement of the interesting Tales it is proposed to introduce. Advertisements inserted in the 1st No. will have the advantage not only of the present large circulation of the TRANSCRIPT, but of an additional quantity to be printed on that day.

All Advertisements inserted in the MONTREAL TRANSCRIPT, shall have one insertion, gratis, in the WEEKLY TRANSCRIPT, a new paper to be published on the 9th June.

Proprietor.

THE WEEKLY TRANSCRIPT.

ON WEDNESDAY, the 9th June, a new paper, to be called the WEEKLY TRANSCRIPT, will be issued from this Office, and will continue to be published every Wednesday, at the low rate of TEN SHILLINGS per annum, in town, and 12s. 6d. in the country, although containing 32 pages of the original TRANSCRIPT size. It will make a handsome volume for binding, amounting in each year to 624 pages, and will enter from its commencement on the popular stories of "BARNABY RUDGE," by Boz, and "OLD ST. PAUL'S," by W. Harrison Ainsworth. These will be followed by a constant succession of selections from the most celebrated authors, and the WEEKLY TRANSCRIPT will furnish the cheapest and best collection of literary matter to be found in Canada, besides giving the latest news, and the politics of both the Colonies and the Mother Country.

It is a proud recollection with us, that our earliest efforts were nursed into maturity by the distinguished patronage of the fair sex; and a sense of gratitude will induce us to insert in our new weekly paper an occasional piece of MUSIC—sometimes original, sometimes transcribed from the most celebrated professors.

Agriculture, the source from which this country must derive so large a proportion of its future prosperity, will not be lost sight of. Its interests, and those of the Mechanic, will find a steady advocate in the TRANSCRIPT.

Intending subscribers will do well to be early in signifying their intention, and be particular in mentioning whether it is the tri-weekly, or the weekly paper they desire. Subscriptions payable invariably in advance.

Advertisements ordered into the tri weekly TRANSCRIPT, will have one insertion, gratis, in the WEEKLY TRANSCRIPT. If ordered for a longer time, they shall be paid for at the usual rates.

The WEEKLY TRANSCRIPT will be under the same editorial management as the MONTREAL TRANSCRIPT. All orders addressed to the Proprietor, will be duly attended to.

Toronto, 5th June, 1840.

PUBLIC SALES will take place at the Agents' Offices, in the different Districts within this Province, on the 31st March, 30th June, 30th September, and 31st December, in each year, when such Lots as may have been bid off at Auction above the upset price, and which may have become forfeited for non-compliance with the conditions of such Sale, will be again exposed to public competition;—also such Lands as may be returned to this Department for sale, not heretofore advertised.

The numbers of the first-described Lands may be known, upon application to the Agents of this Department, in their respective Districts: those of the latter will appear in the *Upper Canada Gazette*, and in one of the newspapers published in each District, one month before the time of such quarterly Sale, above mentioned, or of such special Sale as may be hereafter advertised.

A General Advertisement of Crown Lands, not heretofore offered, will appear so soon as Returns of Inspection of Lots advertised under Order in Council of the 4th April, 1838, have been made by the District Agents, and the necessary authority obtained from His Excellency the Lieutenant-Governor in Council, to offer for sale such Lands, so advertised, as may have been forfeited by the original Locatees—when Lots returned as vacant since the General Advertisement of Sales of Crown Lands, published last year, will be included.

ENLARGEMENT OF

THE MONTREAL TRANSCRIPT.

ON THURSDAY, the 3rd June, the MONTREAL TRANSCRIPT will appear on a larger sheet, as some time since proposed. As the old size and the new one will not bind together, our paper of that day will be No. 1, of a new volume; and an extra number of the first few numbers will be struck off, in order that new subscribers may be supplied from the commencement of the interesting Tales it is proposed to introduce. Advertisements inserted in the 1st No. will have the advantage not only of the present large circulation of the TRANSCRIPT, but of an additional quantity to be printed on that day.

All Advertisements inserted in the MONTREAL TRANSCRIPT, shall have one insertion, gratis, in the WEEKLY TRANSCRIPT, a new paper to be published on the 9th June.

D. McDONALD,
Proprietor.
Montreal, 25th May, 1841.

THE WEEKLY TRANSCRIPT.

ON WEDNESDAY, the 9th June, a new paper, to be called the WEEKLY TRANSCRIPT, will be issued from this Office, and will continue to be published every Wednesday, at the low rate of TEN SHILLINGS per annum, in town, and 12s. 6d. in the country, although containing 12 pages of the original TRANSCRIPT size. It will make a handsome volume for binding, amounting in each year to 624 pages, and will enter from its commencement on the popular stories of "BARNABY RUDGE," by BOZ, and "OLD ST. PAULS," by W. Harrison Ainsworth. These will be followed by a constant succession of selections from the most celebrated authors, and the WEEKLY TRANSCRIPT will furnish the cheapest and best collection of literary matter to be found in Canada, besides giving the latest news, and the politics of both the Colonies and the Mother Country.

It is a proud recollection with us, that our earliest efforts were nursed into maturity by the distinguished patronage of the fair sex: and a sense of gratitude will induce us to insert in our new weekly paper an occasional piece of MUSIC—sometimes original, sometimes transcribed from the most celebrated professors.

Agriculture, the source from which this country must derive so large a proportion of its future prosperity, will not be lost sight of. Its interests, and those of the Mechanic, will find a steady advocate in the TRANSCRIPT.

Intending subscribers will do well to be early in signifying their intention, and be particular in mentioning whether it is the tri-weekly, or the weekly paper they desire. Subscriptions payable invariably in advance.

Advertisements ordered into the tri weekly TRANSCRIPT, will have one insertion, gratis, in the WEEKLY TRANSCRIPT. If ordered for a longer time, they shall be paid for at the usual rates.

The WEEKLY TRANSCRIPT will be under the same editorial management as the MONTREAL TRANSCRIPT.

All orders addressed to the Proprietor, will be duly attended to.

Honorable Gentlemen of the Legislative Council, and Gentlemen of the House of Assembly ;

In consequence of the severe indisposition of the Governor General, I have been deputed by Him to signify to you Her Majesty's pleasure on the several Bills which you have passed during this Session, and to relieve you from further attendance in Parliament. In performing this duty I beg to congratulate you on the many important measures which you have been enabled to perfect, and on the general harmony which, notwithstanding the difficulties incident to the first meeting of a new Legislature, has marked your proceedings.

Gentlemen of the House of Assembly :

I thank you in the name of Her Majesty for the readiness with which you have voted the Supplies necessary for the public Service, and for maintaining the credit of the Province.

Honorable Gentlemen and Gentlemen :

I am confident that you will sympathize with me in the deep sorrow which I feel for the illness of the Governor-General, and in my hope that the sufferings with which it has pleased Almighty God to afflict him may be but temporary. In the mean time I would urge on you the propriety, on your return to your homes, of endeavouring to carry out the great improvements now in progress; and of inculcating on those by whom you will be surrounded as well an oblivion of past differences as a hopeful spirit of enterprize and contentment for the future. In so doing you will best promote the permanent interests of your Country, and entitle yourselves to the gratitude of your fellow subjects,—and may that Providence which has heretofore so signally protected this land prosper your endeavours.

Crown Lands Office.
Toronto, 5th June, 1840.

PUBLIC SALES will take place at the Agents' Offices, in the different Districts within this Province, on the 31st March, 30th June, 30th September, and 31st December, in each year, when such Lots as may have been bid off at Auction above the upset price, and which may have become forfeited for non-compliance with the conditions of such Sale, will be again exposed to public competition;—also such Lands as may be returned to this Department for sale, not heretofore advertised.

The numbers of the first-described Lands may be known, upon application to the Agents of this Department, in their respective Districts: those of the latter will appear in the *Upper Canada Gazette*, and in one of the newspapers published in each District, one month before the time of such quarterly Sale, above mentioned, or of such special Sale as may be hereafter advertised.

A General Advertisement of Crown Lands, not heretofore offered, will appear so soon as Returns of Inspection of Lots advertised under Order in Council of the 4th April, 1838, have been made by the District Agents, and the necessary authority obtained from His Excellency the Lieutenant-Governor in Council, to offer for sale such Lands, so advertised, as may have been forfeited by the original Locatees—when Lots returned as vacant since the General Advertisement of Sales of Crown Lands, published last year, will be included.
