ORDERS IN CHANCERY,

20th *April*, 1840.

WHEREAS it is expedient, as far as it can be done consistently with due protection of the rights of parties, to abridge and simplify the course of proceedings in Chancery; His Honour the Vice Chancellor doth hereby order and direct:

1. That in all cases where the Plaintiff shall personally serve the Defendant with the writ of subpœna to appear and answer the Bill, and the Defendant shall make default in appearance at the time limited by the practice of the Court, the Plaintiff shall be at liberty to enter an appearance for such Defendant; and if the Defendant shall not answer the Bill within the time limited by the Court in that behalf, the Bill may be ordered to be taken *pro confesso*, and a decree made and enforced against him accordingly; unless the Court on special circumstances disclosed by affidavit shall allow further time to the Defendant to answer, in which case no such order shall be entered until the expiration of such further time allowed: PROVIDED NEVERTHELESS that the following statement shall be added to the notice at present indorsed on the said writ of subpœna, and signed by the Solicitor for the Plaintiff, that is to say:—"And you will take "notice, that unless such appearance as "before mentioned shall be entered, an "appearance will be entered for you; and "if you do not answer the said Complain-"ant's Bill at or before the expiration of "twenty-eight days from and exclusive of "the day on which such appearance shall "be entered for you, you will be consider-"ed as confessing the truth of the matters "alleged in the said Bill of Complaint, "and a decree will be made and enforced "against you."

2. That it shall in no case be necessary to issue an Attachment with proclamations, or a Commission of Rebellion; but that in case of a return of *non est inventus* to a Writ of Attachment, the parties may at once proceed to a sequestration.

3. That the insertion of the ordinary prayer of process of Subpœna in a Bill, and the common preamble in an answer, which pretends to reserve all advantage to be derived from excepting to the Bill, and the common conclusion which professes to traverse such parts of the Bill as have not been answered, shall in practice be discontinued, but shall, for all the purposes of decision, be deemed to be contained in such pleadings respectively: and if either of the matters aforesaid be inserted in the Bill or Answer, they shall be deemed "impertinence," and dea t with accordingly.

4. That until otherwise ordered, Exceptions to an Answer shall be set down to be argued before the Court, instead of before the Master; and the several orders of the Court which according to the existing practice relate to the proceedings on a Reference of Exceptions to the Master, and the consequences attending the same, shall apply, *mutatis mutandis*, to proceedings before the Court.

5. That where, upon exceptions to any Answer, it becomes necessary to put in an amended Answer, in case such amended Answer be not put in within due time, it shall not be necessary for the Plaintiff to proceed by Attachment; but he shall be at liberty to give notice of motion that the Bill be taken *pro confesso*, unless the amended Answer be put in within fourteen days after the service of such notice: and in case the amended Answer be not put in within the time, the Bill may be ordered to be taken *pro confesso: Provided always*, that this order shall not apply to cases where the Defendant shall reside out of the jurisdiction of the Court.

6. That these orders shall take effect on and after the thirtieth day of June next, and not before.

ROBERT S. JAMESON, *V. C.*

ORDERS IN CHANCERY,

20th *April*, 1840.

WHEREAS it is expedient, as far as it can be done consistently with due protection of the rights of parties, to abridge and simplify the course of proceedings in Chancery; His Honour the Vice Chancellor doth hereby order and direct:

1. That in all cases where the Plaintiff shall personally serve the Defendant with the writ of subpœna to appear and answer the Bill, and the Defendant shall make default in appearance at the time limited by the practice of the Court, the Plaintiff shall be at liberty to enter an appearance for such Defendant; and if the Defendant shall not answer the Bill within the time limited by the Court in that behalf, the Bill may be ordered to be taken *pro confesso*, and a decree made and enforced against him accordingly; unless the Court on special circumstances disclosed by affidavit shall allow further time to the Defendant to answer, in which case no such order shall be entered until the expiration of such further time allowed: PROVIDED NEVERTHELESS that the following statement shall be added to the notice at present indorsed on the said writ of subpœna, and signed by the Solicitor for the Plaintiff, that is to say:—"And you will take "notice, that unless such appearance as "before mentioned shall be entered, an "appearance will be entered for you; and "if you do not answer the said Complain-"ant's Bill at or before the expiration of "twenty-eight days from and exclusive of "the day on which such appearance shall "be entered for you, you will be considered as confessing the truth of the matters "alleged in the said Bill of Complaint, "and a decree will be made and enforced "against you."

2. That it shall in no case be necessary to issue an Attachment with proclamations, or a Commission of Rebellion; but that in case of a return of *non est inventus* to a Writ of Attachment, the parties may at once proceed to a sequestration.

3. That the insertion of the ordinary prayer of process of Subpœna in a Bill, and the common preamble in an answer, which pretends to reserve all advantage to be derived from excepting to the Bill, and the common conclusion which professes to traverse such parts of the Bill as have not been answered, shall in practice be discontinued, but shall, for all the purposes of decision, be deemed to be contained in such pleadings respectively: and if either of the matters aforesaid be inserted in the Bill or Answer, they shall be deemed "impertinence," and dealt with accordingly.

4. That until otherwise ordered, Exceptions to an Answer shall be set down to be argued before the Court, instead of before the Master; and the several orders of the Court which according to the existing practice relate to the proceedings on a Reference of Exceptions to the Master, and the consequences attending the same, shall apply, *mutatis mutandis*, to proceedings before the Court.

5. That where, upon exceptions to any Answer, it becomes necessary to put in an amended Answer, in case such amended Answer be not put in within due time, it shall not be necessary for the Plaintiff to proceed by Attachment; but he shall be at liberty to give notice of motion that the Bill be taken *pro confesso*, unless the amended Answer be put in within fourteen days after the service of such notice: and in case the amended Answer be not put in within the time, the Bill may be ordered to be taken *pro confesso*: *Provided always*, that this order shall not apply to cases where the Defendant shall reside out of the jurisdiction of the Court.

6. That these orders shall take effect on and after the thirtieth day of June next, and not before.

ROBERT S. JAMESON, *V. C.*

N. B.—Numerous amendments having been from time to time made in the Orders of the Court already published and now in force, the whole in their revised state will appear in the Gazette. 51-a

AWARD.

Niagara District, to wit. } BOUNDARY COMMISSIONERS.

Oren Theal, of the Township of Thorold, *Claimant.*
Lydia Davis, do. *Respondent.*

To all to whom these presents shall come:

We, George Rykert, Samuel Wood, and Jacob Keefer, Esquires, the Boundary Commissioners for the said District—

SEND GREETING:

WHEREAS by the authority of an Act of the Legislature of this Province, passed in the first year of Her Majesty's reign, entitled, "An Act to authorise the establishment of Boards of Boundary Line Commissioners within the several Districts of this Province."

We, George Rykert, Samuel Wood, and Jacob Keefer, the said Commissioners of the said District, having summoned and caused the said Lydia Davis to appear and respond before us, according to law, to the claim set up by Oren Theal, the said Claimant, to certain boundaries between lots number 33 and 34, in the Township of Thorold; and having personally examined the premises in question, and having also heard and duly considered and weighed all the evidence adduced before us by the parties, touching the said boundaries, the following facts appear in evidence, viz.:

That the boundary at the north-east angle of lot number 33, in the said Township of Thorold, has been known and established upwards of twenty years.—That the boundary at the north-west angle of said lot has been known about thirty-eight years; and that the said lot has been known for many years to be too narrow, both front and rear, and greatly deficient in its compliment of land. It also appears, by a deed produced before us, on the part of the Respondent, from Andrew Jones to Elisha Edwards, for lot No. 34, in the said Township, bearing date 26th April, 1803, that said lot number 34, was twenty chains and fifty links wide, commencing at the south-west angle of lot number 33; and it also appears in evidence that the south-west boundary of lot number 34 is known and can be established.

NOW KNOW YE, That we the said George Rykert, Samuel Wood, and Jacob Keefer, the Boundary Commissioners aforesaid, do therefore hereby award, order, adjudge, determine and decree:

Firstly—That the boundary between lots number 33 and 34, in the said Township of Thorold, at the north end of the lots, shall be and remain where a stone has been planted, by our order, by Charles K. Fell, Deputy Provincial Surveyor, marked 33 on the east, 34 on the west, and R. on the north side, being at the distance of twelve chains and seventy-five links westerly of an established boundary, at the north-east angle of said lot number 33.

Secondly—That the side or division line between said lots number 33 and 34, shall commence at the stone placed by the order of us the said Commissioners at the north end of the said Lots, and run thence southerly in a direct line to the stone placed by us at the south end of the said lots marked 33 on the east, 34 on the west, and R. on the south side, at the distance of twenty chains and fifty links easterly from the south west angle of lot No. 34.

Thirdly—That Oren Theal, the said claimant, shall pay the one half, and Lydia Davis, the said respondent, shall pay the other half of all the costs incurred in determining and establishing the said Boundaries.

Witness our hands, this fourth day of November, 1839.

We, Benjamin Hubbs, and Alexander Campbell, Esquires, Commissioners for said District, (John Pepper Downes, Esquire, the other Commissioner, being absent.)

SEND GREETING:

WHEREAS application has been made to us the said Boundary Commissioners, by the inhabitants of the second concession north of Black River in the township of Hallowell in the said district, requiring us to fix and determine the line in rear of said concession, and also to establish a governing course for the side or division lines of lots therein.

NOW KNOW YE, that we the said Boundary line Commissioners, pursuant to the Act of the Legislature of the Province of Upper Canada, passed in the first year of Her Majesty's reign, entitled, "An Act to authorise the establishment of Boards of Boundary Line Commissioners, within the several Districts of the said Province," and by the authority of the same, having heard the said parties, and duly considered the matter before us, we do order and decree that the line on the westerly side of lot No. 21 in said second concession as at present surveyed, and stone monuments erected thereon shall be a governing boundary for the several side lines in said concession, and that all the side lines or limits between lots therein shall correspond with and be parallel to the aforesaid Boundary line.

And further we do order, that the line run from the monument planted in rear of lot number 12 in said concession, to the one planted at the rear of the aforesaid lot No. 21 shall be taken and considered as the true and correct line in rear of that part of the second concession aforesaid, and that the costs incurred in the matter be paid by the parties in proportion to the lands held by them individually.

AWARD.

Niagara District, to wit: } *Boundary Commissioners.*

Charles Donaldson, of the Township of Grantham—*Claimant*; and
Richard Havens, and others—*Respondents.*

To all to whom these Presents shall come.

We, George Rykert, Samuel Wood, and Jacob Keefer, Esquires, the Boundary Commissioners for the Niagara District—

SEND GREETING:

WHEREAS by the authority of an act of the Legislature of this Province, passed in the first year of Her Majesty's reign, entitled "An Act to authorise the establishment of Boards of Boundary Line Commissioners within the several Districts of this Province," We, the said George Rykert, Samuel Wood and Jacob Keefer, the Commissioners of the said District, having summoned and caused the respondents to appear and respond before us, as the law directs, to the claim set up by Charles Donaldson, the said Claimant, to certain lines and boundaries, between lots numbers seven, in the first and second concessions of the township of Grantham; and having in person carefully examined the premises in question; and having also heard and duly considered all the evidence adduced before us by the parties, touching the said lines and boundaries—we do not find any original land-marks in existence, either upon the premises under inquiry, or to the eastward of lot number 9, in the 1st concession; neither does it appear in evidence before us, that any original monuments, or other land-marks, can be found, either upon the base line of the said township, or in the first and second concessions to the eastward of the said lot number nine; and from all the Commissioners have been enabled to discover in the course of this inquiry, they are led to the conclusion, that in the original survey of the said township of Grantham, the true bearing of the line between the broken front and the first concession, called the "base line," was not taken—that the Surveyor, in placing the boundaries upon this line originally, was entirely governed by chaining between the several lots, through the respective concessions, and not by a continuous line first run, or in any way defined by the bearing upon the compass; and that in many places, the original land-marks placed upon that line, as well as the land in front, described as "broken front," have been entirely removed, by the constant wearing of the bank by the waters of the lake.

NOW KNOW YE. That we the said George Rykert, Samuel Wood, and Jacob Keefer, the Boundary Commissioners aforesaid, do therefore hereby award, order, adjudge, determine and decree—

First.—That the boundary at the south-east angle of lot number seven, in the first concession of the said township of Grantham, shall be and remain where a stone has been planted by us, at the distance of fifty-one chains and twenty-eight links, south, from the top of the bank of Lake Ontario, and at the distance of 156 chains and 84 links north of the original and undisputed monument standing at the south east angle of lot number seven, in the 4th concession of said township—making thereby an equal division, between the first, second, third, and fourth concessions, of the distance (exclusive of the original allowances of road) between the bank of Lake Ontario, in the limit between lots numbers six and seven, and the above-mentioned original monument, at the south-east angle of lot number seven, in the fourth concession; and that the north-east boundary of lot number seven, in the second concession, shall be and remain where a stone has been planted by our order, at the distance of one chain south of the stone above-mentioned, at the south-east angle of lot number seven, in the first concession.

Secondly.—That the boundary line in rear, or at the south end of lot number seven, in the first concession of said township, shall commence at a stone placed by us at the south-east angle of the said lot, and run from thence south, sixty-five degrees west, (magnetic, or south, sixty-three degrees and thirty-three minutes west, meridianal bearing) twenty-two chains and ninety links, to a stone placed by our order at the south-west angle of the said lot; and that the north-west boundary of lot number seven, in the second concession of said township, shall be and remain where a stone has been placed by our order, at the distance of one chain south of the one planted by our order at the south-west angle of lot number seven, in the said first concession.

Thirdly and lastly.—That Charles Donaldson, the said Claimant, shall pay the one-half—that the said Richard Havens, one of the said Respondents, shall pay three-eights—and George Havens, also one of the Respondents, shall pay one-eighth, of the expenses incurred in adjusting and finally establishing the said lines and boundaries.

WITNESS our hands, this thirty-first day of October, 1839.

Niagara District, to wit. } BOUNDARY COMMISSIONERS.

Oren Theal, of the Township of Thorold, *Claimant.*

Lydia Davis, do. *Respondent.*

To all to whom these presents shall come:

We, George Rykert, Samuel Wood, and Jacob Keefer, Esquires, the Boundary Commissioners for the said District—

SEND GREETING:

WHEREAS by the authority of an Act of the Legislature of this Province, passed in the first year of Her Majesty's reign, entitled, "An Act to authorise the establishment of Boards of Boundary Line Commissioners within the several Districts of this Province."

We, George Rykert, Samuel Wood, and Jacob Keefer, the said Commissioners of the said District, having summoned and caused the said Lydia Davis to appear and respond before us, according to law, to the claim set up by Oren Theal, the said Claimant, to certain boundaries between lots number 33 and 34, in the Township of Thorold; and having personally examined the premises in question, and having also heard and duly considered and weighed all the evidence adduced before us by the parties, touching the said boundaries, the following facts appear in evidence, viz.:

That the boundary at the north-east angle of lot number 33, in the said Township of Thorold, has been known and established upwards of twenty years.—That the boundary at the north-west angle of said lot has been known about thirty-eight years; and that the said lot has been known for many years to be too narrow, both front and rear, and greatly deficient in its compliment of land. It also appears, by a deed produced before us, on the part of the Respondent, from Andrew Jones to Elisha Edwards, for lot No. 34, in the said Township, bearing date 26th April, 1803, that said lot number 34, was twenty chains and fifty links wide, commencing at the south-west angle of lot number 33; and it

also appears in evidence that the south-west boundary of lot number 34 is known and can be established.

Now know ye, That we the said George Rykert, Samuel Wood, and Jacob Keefer, the Boundary Commissioners aforesaid, do therefore hereby award, order, adjudge, determine and decree:

Firstly—That the boundary between lots number 33 and 34, in the said Township of Thorold, at the north end of the lots, shall be and remain where a stone has been planted, by our order, by Charles K. Fell, Deputy Provincial Surveyor, marked 33 on the east, 34 on the west, and R. on the north side, being at the distance of twelve chains and seventy-five links westerly of an established boundary, at the north-east angle of said lot number 33.

Secondly—That the side or division line between said lots number 33 and 34, shall commence at the stone placed by the order of us the said Commissioners at the north end of the said Lots, and run thence southerly in a direct line to the stone placed by us at the south end of the said lots marked 33 on the east, 34 on the west, and R. on the south side, at the distance of twenty chains and fifty links easterly from the south west angle of lot No. 34.

Thirdly—That Oren Theal, the said claimant, shall pay the one half, and Lydia Davis, the said respondent, shall pay the other half of all the costs incurred in determining and establishing the said Boundaries.

Witness our hands, this fourth day of November, 1839.

SAMUEL WOOD,
JACOB KEEFER,
Commissioners.

AWARD.

Niagara District, } *Boundary Commissioners.*
to wit:
William G. Church, of Pelham. *Claimant,*
George Burgar, of do. *Respondent.*

To all to whom these presents shall come.

We, George Rykert, Samuel Wood, and Jacob Keefer, Esquires, the Commissioners for the District of Niagara—

SEND GREETING:

WHEREAS by the authority of an Act of the Legislature of this Province, passed in the first year of her Majesty's Reign, entitled, "An Act to authorise the establishment of Boards of Boundary Line Commissioners within the several Districts of this Province," We, the said George Rykert, Samuel Wood, and Jacob Keefer, the Commissioners of the said District, having summoned and caused the respondents to appear and respond before us as the law directs, to the claim set up by William G. Church, the said claimant, to a certain line and boundaries between lots number three and four in the 7th concession of the township of Pelham; and having personally examined the premises in question; and having also heard and duly considered all the evidence adduced by the parties touching said line and boundaries; it does not appear from the evidence that any original boundary can be found or established between the said lots—the nearest original and undisputed monuments being at the north east angles of lots numbers one and five in the said 7th concession.

NOW KNOW YE, That we the said George Rykert, Samuel Wood, and Jacob Keefer, the Boundary Commissioners aforesaid, do therefore hereby award, order, adjudge, determine and decree—

First.—That the boundary between the said lots numbers three and four at the north ends or front of the said 7th concession, shall be and remain where a stone has been placed by Charles K. Fell, D. P. S. under our direction, at the distance of forty-one chains and nineteen links, westward of a stone planted by us the said Commissioners, between lots numbers one and two in said concession, and at the distance of 21 chains and 9 links eastward, of an original and undisputed stake at the north east angle of lot number five in said concession.

Secondly.—That the line between the said lots numbers three and four in said concession, shall commence at the stone planted by our direction in front of said concession, between the said lots; and run from thence southerly parallel to the township line between Thorold and Pelham, to a stone placed by the said Charles K. Fell, according to our instructions, at the south ends of the said lots, the magnetic bearing of said line being south one degree, and seven minutes west; and the true meridional bearing south, twenty minutes east.

Thirdly, and lastly.—That William G. Church, the said claimant, shall pay the one half, and George Burgar, the said respondent, shall pay the other half, of all costs and expenses incurred in adjusting and finally establishing the said line and boundaries.

WITNESS our hands, at Pelham, this eighteenth day of November, 1839.

Richard Havens, and others—*Respondents.*

To all to whom these Presents shall come.

We, George Rykert, Samuel Wood, and Jacob Keefer, Esquires, the Boundary Commissioners for the Niagara District—

SEND GREETING:

WHEREAS by the authority of an act of the Legislature of this Province, passed in the first year of Her Majesty's reign, entitled "An Act to authorise the establishment of Boards of Boundary Line Commissioners within the several Districts of this Province," We, the said George Rykert, Samuel Wood and Jacob Keefer, the Commissioners of the said District, having summoned and caused the respondents to appear and respond before us, as the law directs, to the claim set up by Charles Donaldson, the said Claimant, to certain lines and boundaries, between lots numbers seven, in the first and second concessions of the township of Grantham; and having in person carefully examined the premises in question; and having also heard and duly considered all the evidence adduced before us by the parties, touching the said lines and boundaries—we do not find any original land-marks in existence, either upon the premises under inquiry, or to the eastward of lot number 9, in the 1st concession; neither does it appear in evidence before us, that any original monuments, or other land-marks, can be found, either upon the base line of the said township, or in the first and second concessions to the eastward of the said lot number nine; and from all the Commissioners have been enabled to discover in the course of this inquiry, they are led to the conclusion, that in the original survey of the said township of Grantham, the true bearing of the line between the broken front and the first concession, called the "base line," was not taken—that the Surveyor, in placing the boundaries upon this line originally, was entirely governed by chaining between the several lots, through the respective concessions, and not by a continuous line first run, or in any way defined by the bearing upon the compass; and that in many places, the original land-marks placed upon that line, as well as the land in front, described as "broken front," have been entirely removed, by the constant wearing of the bank by the waters of the lake.

NOW KNOW YE, That we the said George Rykert, Samuel Wood, and Jacob Keefer, the Boundary Commissioners aforesaid, do therefore hereby award, order, adjudge, determine and decree—

First.—That the boundary at the south-east angle of lot number seven, in the first concession of the said township of Grantham, shall be and remain where a stone has been planted by us, at the distance of fifty-one chains and twenty-eight links, south, from the top of the bank of Lake Ontario, and at the distance of 156 chains and 84 links north of the original and undisputed monument standing at the south east angle of lot number seven, in the 4th concession of said township—making thereby an equal division between the first, second, third, and fourth concessions, of the distance (exclusive of the original allowances of road) between the bank of Lake Ontario, in the limit between lots numbers six and seven, and the above-mentioned original monument, at the south-east angle of lot number seven, in the fourth concession; and that the north-east boundary of lot number seven, in the second concession, shall be and remain where a stone has been planted by our order, at the distance of one chain south of the stone above-mentioned, at the south-east angle of lot number seven, in the first concession.

Secondly.—That the boundary line in rear, or at the south end of lot number seven, in the first concession of said township, shall commence at a stone placed by us at the south-east angle of the said lot, and run from thence south, sixty-five degrees west, (magnetic, or south, sixty-three degrees and thirty-three minutes west, meridional bearing) twenty-two chains and ninety links, to a stone placed by our order at the south-west angle of the said lot; and that the north-west boundary of lot number seven, in the second concession of said township, shall be and remain where a stone has been placed by our order, at the distance of one chain south of the one planted by our order at the south-west angle of lot number seven, in the said first concession.

Thirdly and lastly.—That Charles Donaldson, the said Claimant, shall pay the one-half—that the said Richard Havens, one of the said Respondents, shall pay three-eighths—and George Havens, also one of the Respondents, shall pay one-eighth, of the expenses incurred in adjusting and finally establishing the said lines and boundaries.

Lydia Davis, do. *Respondent.*

To all to whom these presents shall come:

We, George Rykert, Samuel Wood, and Jacob Keefer, Esquires, the Boundary Commissioners for the said District—

SEND GREETING:

WHEREAS by the authority of an Act of the Legislature of this Province, passed in the first year of Her Majesty's reign, entitled, "An Act to authorise the establishment of Boards of Boundary Line Commissioners within the several Districts of this Province."

We, George Rykert, Samuel Wood, and Jacob Keefer, the said Commissioners of the said District, having summoned and caused the said Lydia Davis to appear and respond before us, according to law, to the claim set up by Oren Theal, the said Claimant, to certain boundaries between lots number 33 and 34, in the Township of Thorold; and having personally examined the premises in question, and having also heard and duly considered and weighed all the evidence adduced before us by the parties, touching the said boundaries, the following facts appear in evidence, viz.:

That the boundary at the north-east angle of lot number 33, in the said Township of Thorold, has been known and established upwards of twenty years.—That the boundary at the north-west angle of said lot has been known about thirty-eight years; and that the said lot has been known for many years to be too narrow, both front and rear, and greatly deficient in its compliment of land. It also appears, by a deed produced before us, on the part of the Respondent, from Andrew Jones to Elisha Edwards, for lot No. 34, in the said

Township, bearing date 26th April, 1808, that said lot number 34, was twenty chains and fifty links wide, commencing at the south-west angle of lot number 33; and it also appears in evidence that the south-west boundary of lot number 34 is known and can be established.

Now know ye, That we the said George Rykert, Samuel Wood, and Jacob Keefer, the Boundary Commissioners aforesaid, do therefore hereby award, order, adjudge, determine and decree:

Firstly—That the boundary between lots number 33 and 34, in the said Township of Thorold, at the north end of the lots, shall be and remain where a stone has been planted, by our order, by Charles K. Fell, Deputy Provincial Surveyor, marked 33 on the east, 34 on the west, and R. on the north side, being at the distance of twelve chains and seventy-five links westerly of an established boundary, at the north-east angle of said lot number 33.

Secondly—That the side or division line between said lots number 33 and 34, shall commence at the stone placed by the order of us the said Commissioners at the north end of the said Lots, and run thence southerly in a direct line to the stone placed by us at the south end of the said lots marked 33 on the east, 34 on the west, and R. on the south side, at the distance of twenty chains and fifty links easterly from the south west angle of lot No. 34.

Thirdly—That Oren Theal, the said claimant, shall pay the one half, and Lydia Davis, the said respondent, shall pay the other half of all the costs incurred in determining and establishing the said Boundaries.

Witness our hands, this fourth day of November, 1839.

UPPER CANADA.

Provincial Secretary's Office, Toronto, 18th *May*, 1840.

THE following Regulation, established by Her Majesty's Government, respecting the proportion of Salary which may be enjoyed by an Officer in any of the Civil Departments within this Government, during the absence of such Officer from the Province on leave, is published for general information, and will henceforth be uniformly enforced:

"AN Officer, to whom Leave of Absence has been granted, will be entitled to *half Salary* during his absence from the Colony: the remaining half of his Salary may be applied to remunerate the person selected for the performance of his duties, unless the Governor should think fit to add the duties of the absent Officer to those of an Officer holding another appointment. In that case, the latter may receive, as a remuneration for his extra services, *one-fourth* of the absent Officer's salary—the remaining fourth must be paid into the Treasury, as a saving to the Public."

AWARD.

Niagara District, to wit: } *Boundary Commissioners.*

William G. Church, of Pelham, *Claimant,*
George Burgar, of do. *Respondent.*

To all to whom these presents shall come.

We, George Rykert, Samuel Wood, and Jacob Keefer, Esquires, the Commissioners for the District of Niagara—

SEND GREETING:

WHEREAS by the authority of an Act of the Legislature of this Province, passed in the first year of her Majesty's Reign, entitled, "An Act to authorise the establishment of Boards of Boundary Line Commissioners within the several Districts of this Province." We, the said George Rykert, Samuel Wood, and Jacob Keefer, the Commissioners of the said District, having summoned and caused George Burgar the said respondent to appear and respond before us as the law directs, to the claim set up by William G. Church, the said claimant, to a certain line and boundaries between lots number three and four in the 7th concession of the township of Pelham; and having personally examined the premises in question; and having also heard and duly considered all the evidence adduced by the parties touching said line and boundaries; it does not appear from the evidence that any original boundary can be found or established between the said lots—the nearest original and undisputed monuments being at the north east angles of lots numbers one and five in the said 7th concession.

NOW KNOW YE, That we the said George Rykert, Samuel Wood, and Jacob Keefer, the Boundary Commissioners aforesaid, do therefore hereby award, order, adjudge, determine and decree—

First.—That the boundary between the said lots numbers three and four at the north ends or front of the said 7th concession, shall be and remain where a stone has been placed by Charles K. Fell, D. P. S. under our direction, at the distance of forty-one chains and nineteen links, westward of a stone planted by us the said Commissioners, between lots numbers one and two in said concession, and at the distance of 21 chains and 9 links eastward, of an original and undisputed stake at the north east angle of lot number five in said concession.

Secondly.—That the line between the said lots numbers three and four in said concession, shall commence at the stone planted by our direction in front of said concession, between the said lots; and run from thence southerly parallel to the township line between Thorold and Pelham, to a stone placed by the said Charles K. Fell, according to our instructions, at the south ends of the said lots, the magnetic bearing of said line being south one degree, and seven minutes west; and the true meridional bearing south, twenty minutes east.

Thirdly, and lastly.—That William G. Church, the said claimant, shall pay the one half, and George Burgar, the said respondent, shall pay the other half, of all costs and expenses incurred in adjusting and finally establishing the said line and boundaries.

WITNESS our hands, at Pelham, this eighteenth day of November, 1839.

GEORGE RYKERT,
SAMUEL WOOD,
JACOB KEEFER,
Commissioners.

Niagara District, to wit: } *Boundary Commissioners.*

Charles Donaldson, of the Township of Grantham—*Claimant;* and
Richard Havens, and others—*Respondents.*

To all to whom these Presents shall come.

We, George Rykert, Samuel Wood, and Jacob Keefer, Esquires, the Boundary Commissioners for the Niagara District—

SEND GREETING:

WHEREAS by the authority of an act of the Legislature of this Province, passed in the first year of Her Majesty's reign, entitled "An Act to authorise the establishment of Boards of Boundary Line Commissioners within the several Districts of this Province," We, the said George Rykert, Samuel Wood and Jacob Keefer, the Commissioners of the said District, having summoned and caused the respondents to appear and respond before us, as the law directs, to the claim set up by Charles Donaldson, the said Claimant, to certain lines and boundaries, between lots numbers seven, in the first and second concessions of the township of Grantham; and having in person carefully examined the premises in question; and having also heard and duly considered all the evidence adduced before us by the parties, touching the said lines and boundaries—we do not find any original land-marks in existence, either upon the premises under inquiry, or to the eastward of lot number 9, in the 1st concession; neither does it appear in evidence before us, that any original monuments, or other land-marks, can be found, either upon the base line of the said township, or in the first and second concessions to the eastward of the said lot number nine; and from all the Commissioners have been enabled to discover in the course of this inquiry, they are led to the conclusion, that in the original survey of the said township of Grantham, the true bearing of the line between the broken front and the first concession, called the "base line," was not taken—that the Surveyor, in placing the boundaries upon this line originally, was entirely governed by chaining between the several lots, through the respective concessions, and not by a continuous line first run, or in any way defined by the bearing upon the compass; and that in many places, the original land-marks placed upon that line, as well as the land in front, described as "broken front," have been entirely removed, by the constant wearing of the bank by the waters of the lake.

NOW KNOW YE, That we the said George Rykert, Samuel Wood, and Jacob Keefer, the Boundary Commissioners aforesaid, do therefore hereby award, order, adjudge, determine and decree—

First.—That the boundary at the south-east angle of lot number seven, in the first concession of the said township of Grantham, shall be and remain where a stone has been planted by us, at the distance of fifty-one chains and twenty-eight links, south, from the top of the bank of Lake Ontario, and at the distance of 156 chains and 94 links north of the original and undisputed monument standing at the south east angle of lot number seven, in the 4th concession of said township—making thereby an equal division, between the first, second, third, and fourth concessions, of the distance (exclusive of the original allowances of road) between the bank of Lake Ontario, in the limit between lots numbers six and seven, and the above-mentioned original monument, at the south-east angle of lot number seven, in the fourth concession; and that the north-east boundary of lot number seven, in the second concession, shall be and remain where a stone has been planted by our order, at the distance of one chain south of the stone

above-mentioned, at the south-east angle of lot number seven, in the first concession.

Secondly.—That the boundary line in rear, or at the south end of lot number seven, in the first concession of said township, shall commence at a stone placed by us at the south-east angle of the said lot, and run from thence south, sixty-five degrees west, (magnetic, or south, sixty-three degrees and thirty-three minutes west, meridianal bearing) twenty-two chains and ninety links, to a stone placed by our order at the south-west angle of the said lot; and that the north-west boundary of lot number seven, in the second concession of said township, shall be and remain where a stone has been placed by our order, at the distance of one chain south of the one planted by our order at the south-west angle of lot number seven, in the said first concession.

Thirdly and lastly.—That Charles Donaldson, the said Claimant, shall pay the one-half—that the said Richard Havens, one of the said Respondents, shall pay three-eights—and George Havens, also one of the Respondents, shall pay one-eighth, of the expenses incurred in adjusting and finally establishing the said lines and boundaries.

WITNESS our hands, this thirty-first day of October, 1839.

GEORGE RYKERT, SAMUEL WOOD, JACOB KEEFER, } *Commiss'rs.*

AWARD.

Niagara District, to wit: } *Boundary Commissioners.*

William G. Church, of Pelham, *Claimant,*
George Burgar, of do. *Respondent.*

To all to whom these presents shall come.

We, George Ryk[illegible], Samuel Wood, and Jacob Keefer, Esquires, the Commissioners for the District of Niagara—

SEND GREETING:

WHEREAS by the authority of an Act of the Legislature of this Province, passed in the first year of her Majesty's Reign, entitled, "An Act to authorise the establishment of Boards of Boundary Line Commissioners within the several Districts of this Province," We, the said George Rykert, Samuel Wood, and Jacob Keefer, the Commissioners of the said District, having summoned and caused George Burgar the said respondent to appear and respond before us as the law directs, to the claim set up by William G. Church, the said claimant, to a certain line and boundaries between lots number three and four in the 7th concession of the township of Pelham; and having personally examined the premises in question; and having also heard and duly considered all the evidence adduced by the parties touching said line and boundaries; it does not appear from the evidence that any original boundary can be found or established between the said lots—the nearest original and undisputed monuments being at the north east angles of lots numbers one and five in the said 7th concession.

NOW KNOW YE, That we the said George Rykert, Samuel Wood, and Jacob Keefer, the Boundary Commissioners aforesaid, do therefore hereby award, order, adjudge, determine and decree—

First.—That the boundary between the said lots numbers three and four at the north ends or front of the said 7th concession, shall be and remain where a stone has been placed by Charles K. Fell, D. P. S. under our direction, at the distance of forty-one chains and nineteen links, westward of a stone planted by us the said Commissioners, between lots numbers one and two in said concession, and at the distance of 21 chains and 9 links eastward, of an original and undisputed stake at the north east angle of lot number five in said concession.

Secondly.—That the line between the said lots numbers three and four in said concession, shall commence at the stone planted by our direction in front of said concession, between the said lots; and run from thence southerly parallel to the township line between Thorold and Pelham, to a stone placed by the said Charles K. Fell, according to our instructions, at the south ends of the said lots, the magnetic bearing of said line being south one degree, and seven minutes west; and the true meridional bearing south, twenty minutes east.

Thirdly, and lastly—That William G. Church, the said claimant, shall pay the one half, and George Burgar, the said respondent, shall pay the other half, of all costs and expenses incurred in adjusting and finally establishing the said line and boundaries.

WITNESS our hands, at Pelham, this eighteenth day of November, 1839.

PUBLIC SALES will take place at the Agents' Offices, in the different Districts within this Province, on the 31st March, 30th June, 30th September, and 31st December, in each year, when such Lots as may have been bid off at Auction above the upset price, and which may have become forfeited for non-compliance with the conditions of such Sale, will be again exposed to public competition;—also such Lands as may be returned to this Department for sale, not heretofore advertised.

The numbers of the first-described Lands may be known, upon application to the Agents of this Department, in their respective Districts; those of the latter will appear in the *Upper Canada Gazette*, and in one of the newspapers published in each District, one month before the time of such quarterly Sale, above mentioned, or of such special Sale as may be hereafter advertised.

A General Advertisement of Crown Lands, not heretofore offered, will appear so soon as Returns of Inspection of Lots advertised under Order in Council of the 4th April, 1838, have been made by the District Agents, and the necessary authority obtained from His Excellency the Lieutenant Governor in Council, to offer for sale such Lands, so advertised, as may have been forfeited by the original Locatees—when Lots returned as vacant since the General Advertisement of Sales of Crown Lands, published last year, will be included.

BOUNDARY COMMISSIONERS, LONDON DISTRICT, } TO WIT:

To all to whom these Presents shall come.

We, Lawrence Lawrason, Daniel Hanvey, and John Harris, Esquires, the Boundary Commissioners of the said District—

SEND GREETING:

WHEREAS certain disputes have heretofore existed between John Stevens, of the township of Westminster, Yeoman, and James Greer, of the same place, Yeoman, touching the Boundary Line between lots number forty-six and forty-seven in the first concession, and in broken concession B, in the said township of Westminster.

Now Know Ye, That we the said Boundary Commissioners, having been duly required to fix and determine the said Boundary Line, and at a Board held at the house of Anthony Fick, in the said township of Westminster, on the fourth day of November, in the year of our Lord one thousand eight hundred and thirty nine—having heard the allegations and proofs of the said parties—viewed the said Boundary in dispute, and employed Peter Carroll, Esquire, a competent Deputy Surveyor, to make a survey and map thereof—do by these presents make, publish and declare our judgment and decree thereof as follows—that is to say:

That the said Boundary Line between the said lots number forty-six and forty-seven, do and shall commence at a stone monument, by us the said Boundary Commissioners planted for that purpose, at the north west angle of the said lot number forty-six, and at the north east angle of the said lot number forty-seven in the first concession of the said township of Westminster, at the distance of seventy-two chains and thirty-five links north, eighty-two degrees fifty-seven minutes east magnetic, or north eighty-two degrees thirty-nine minutes east true, from the western limit of the township of Westminster, at the north west angle of lot number fifty in the said first concession; and that the said Boundary Line between the said lots number forty-six and forty-seven, in the first concession, and in concession B. of the said township of Westminster, shall be produced from the said stone monument parallel to the township line upon the said concessions from whence the lots are numbered, in manner pointed out by the third and fourth sections of the Act passed in the fifty-ninth year of the reign of King George the Third, chapter fourteen.

In witness whereof we, the said Boundary Commissioners, have hereunto set our hands and seals, this eighth day of November, in the year of our Lord one thousand eight hundred and thirty-nine.

AN ACT

To restrain Horned Cattle from running at large within a certain portion of the City of Toronto.

(Passed 20th May, 1840.)

WHEREAS great inconvenience is experienced in the City from the number of Horned Cattle that are allowed to run at large about the principal streets, and particularly about the Hay-Market, Weigh-House and other portions of the City frequented by farmers and other persons bringing produce to the City for sale, and to the great obstruction of the side walks, and inconvenience of passengers: *Be it therefore enacted* by the Mayor, Aldermen and Commonalty of the City of Toronto, in Common Council assembled, as follows:

Section 1.—That from and after the passing of this Act, it shall not be lawful for any persons between the first day of December and the first day of May, to suffer their Horned Cattle to be running at large in any of that part of the City which lies between Berkley street on the east, and Peter street on the west.

Section 2.—That it shall and may be lawful for the City Inspector, or any other person, to drive any Horned Cattle so found running at large within the limits before described, to the common Pound of the City, and it shall be the duty of the Pound-keeper to detain the Horned Cattle so driven to the Pound, until the owner or owners thereof shall have paid over and above the Pound-keeper's Fees, the sum of two shillings and six pence for each Head of Horned Cattle, half of which shall be paid to the persons so driving the Horned Cattle to the Pound, and the other half to the Chamberlain of the said City, to and for the uses thereof.

Section 3.—That it shall and may be lawful for the Pound-keeper to take and receive the following Fees upon every Head of Horned Cattle so driven to the Pound, the sum of one shilling and three pence; and a further sum of one shilling each, for every day that any Head of Horned Cattle shall remain in his charge, for feeding the same.

Section 4.—That in all cases the Pound-keeper within forty-eight hours after any Horned Cattle shall have been driven to the Pound, shall cause notice thereof in writing to be affixed at the Pound gates, and in front of the two Markets, giving a description of the Horned Cattle impounded, and specifying when and where the said Horned Cattle are intended to be sold, and if the owners of the said Horned Cattle, shall not within fifteen days after such notice shall have been given as aforesaid, redeem the same

by paying the penalty, together with the charges of the Pound-keeper, it shall and may be lawful for the Pound-keeper to sell such Horned Cattle by public Auction, and after deducting the penalty and his own charge, to return the overplus, if any there be, to the owner or owners of such Horned Cattle, if known; and if not known, to the Chamberlain of the said City, to and for the uses thereof.

CHARLES FITZGIBBON, Deputy Registrar, Court of Probate.

To the next of kin of the late Ebenezer Wilson Johnston, of the township of Cayuga, in the District of Niagara, Gentleman, deceased.

WHEREAS Zacariah Bell of the Township of Cayuga in the District of Niagara, Gentleman, lately exhibited a Petition in the said Court setting forth that Ebenezer Wilson Johnston, of Cayuga in the District of Niagara and Province aforesaid, gentleman, departed this life in or about the month of August last past intestate, possessed of Goods and Chattels in two or more several Districts of this Province—that the next of kin is not resident within this Province. PUBLIC SALES will take place at the Agents' Offices, in the different Districts within this Province, on the 31st March, 30th June, 30th September, and 31st December, in each year, when such Lots as may have been bid off at Auction above the upset price, and which may have become forfeited for non-compliance with the conditions of such Sale, will be again exposed to public competition;—also such Lands as may be returned to this Department for sale, not heretofore advertised.

The numbers of the first-described Lands may be known, upon application to the Agents of this Department, in their respective Districts: those of the latter will appear in the *Upper Canada Gazette*, and in one of the newspapers published in each District, one month before the time of such quarterly Sale, above mentioned, or of such special Sale as may be hereafter advertised.

A General Advertisement of Crown Lands, not heretofore offered, will appear so soon as Returns of Inspection of Lots advertised under Order in Council of the 4th April, 1838, have been made by the District Agents, and the necessary authority obtained from His Excellency the Lieutenant Governor in Council, to offer for sale such Lands, so advertised, as may have been forfeited by the original Locatees—when Lots returned as vacant since the General Advertisement of Sales of Crown Lands, published last year, will be included.

NOTICE.—The undersigned hereby notify the public, that they will not be accountable for any loss, damage, or injury whatever, of or to any Produce, Goods, Wares, or Merchandize, entrusted or delivered to them, or any of their Agents or Servants, at any of their Establishments, for the purpose of transportation on board of any Steamer, Schooner, Barge, or other Craft, occasioned by Fire, Storm, Shoals, Fog, or any other dangers of the navigation, or by the Queen's enemies, or by any other accident not already mentioned, unless the same shall be caused by their wilful and gross neglect, or that of their Agents, Masters, Crews, or Servants; neither do they hold themselves responsible for any loss or damage by fire or otherwise, to any goods or produce delivered as above, while the same are in their possession, either in their Warehouses or elsewhere, either after the same shall have been received and before shipment, or after being unladen and before delivery to Consignees or Owners, or at any intermediate period, but that the same while so in their custody, shall be entirely at the risk of the owners, unless such damage or loss shall have been occasioned by any negligence as above stated. With regard to insurance, if the owner wishes to protect himself from loss by fire or otherwise, while property is in store with them, he must cause insurance to be effected upon the same, but being once shipped on board of Boats for Lower Canada, the Subscribers will (unless specially directed to the contrary,) effect insurance or take the risk thereon, against the dangers of the navigation, at the charge of the Owner; but on property from Lower Canada, they will not in any case effect insurance, unless instructed to do so by the Owner or his Agent.

The undersigned take the present opportunity of also notifying all whom it may concern, that in consequence of the unprecedented accumulation of property of all descriptions at Kingston, having exhausted all the available and safe means of Storage in the place, and rendered exposure to the weather, as well as considerable detention to property unavoidable, and having during the present season suffered by almost all *deck* loads of Lake Craft, they will not hold themselves liable for any loss or damage to property arising from any of these causes, but only where it can be clearly shown to have happened while on board of their Boats.

The numbers of the first-described Lands may be known, upon application to the Agents of this Department, in their respective Districts; those of the latter will appear in the *Upper Canada Gazette*, and in one of the newspapers published in each District, one month before the time of such quarterly Sale, above mentioned, or of such special Sale as may be hereafter advertised.

A General Advertisement of Crown Lands, not heretofore offered, will appear so soon as Returns of Inspection of Lots advertised under Order in Council of the 4th April, 1838, have been made by the District Agents, and the necessary authority obtained from His Excellency the Lieutenant Governor in Council, to offer for sale such Lands, so advertised, as may have been forfeited by the original Locatees—when Lots returned as vacant since the General Advertisement of Sales of Crown Lands, published last year, will be included.

FORWARDING.

NOTICE.—The undersigned hereby notify the public, that they will not be accountable for any loss, damage, or injury whatever, of or to any Produce, Goods, Wares, or Merchandize, entrusted or delivered to them, or any of their Agents or Servants, at any of their Establishments, for the purpose of transportation on board of any Steamer, Schooner, Barge, or other Craft, occasioned by Fire, Storm, Shoals, Fog, or any other dangers of the navigation, or by the Queen's enemies, or by any other accident not already mentioned, unless the same shall be caused by their wilful and gross neglect, or that of their Agents, Masters, Crews, or Servants; neither do they hold themselves responsible for any loss or damage by fire or otherwise, to any goods or produce delivered as above, while the same are in their possession, either in their Warehouses or elsewhere, either after the same shall have been received and before shipment, or after being unladen and before delivery to Consignees or Owners, or at any intermediate period, but that the same while so in their custody, shall be entirely at the risk of the owners, unless such damage or loss shall have been occasioned by any negligence as above stated. With regard to insurance, if the owner wishes to protect himself from loss by fire or otherwise, while property is in store with them, he must cause insurance to be effected upon the same, but being once shipped on board of Boats for Lower Canada, the Subscribers will (unless specially directed to the contrary,) effect insurance or take the risk thereon, against the dangers of the navigation, at the charge of the Owner; but on property from Lower Canada, they will not in any case effect insurance, unless instructed to do so by the Owner or his Agent.

The undersigned take the present opportunity of also notifying all whom it may concern, that in consequence of the unprecedented accumulation of property of all descriptions at Kingston, having exhausted all the available and safe means of Storage in the place, and rendered exposure to the weather, as well as considerable detention to property unavoidable, and having during the present season suffered by almost all *deck* loads of Lake Craft, they will not hold themselves liable for any loss or damage to property arising from any of these causes, but only where it can be clearly shown to have happened while on board of their Boats.

SHERIFF'S SALE.

James McQueen—*Plaintiff.*
vs.
Samuel Ellison—*Defendant.*

LONDON DISTRICT, } BY virtue of a
to wit. } writ of *Fieri Facias*, issued out of Her Majesty's Court of Queen's Bench, and to me directed, against the lands and tenements of the Defendant—I have seized and taken in Execution, the following property, viz:

Lot No. 27, South Talbot Road East, in the Township of Southwold, London District, 50 Acres, more or less, with appurtenances thereon; which land I shall offer for sale, at the Court House, in the Town of London, on Saturday, the 22nd day of August next, at 12 o'clock, noon.

JAMES HAMILTON,
Sheriff, L. D.

Sheriff's Office London,
15th May, 1840. 10-i

Crown Lands Office,
Toronto, 5th June, 1840.

PUBLIC SALES will take place at the Agents' Offices, in the different Districts within this Province, on the 31st March, 30th June, 30th September, and 31st December, in each year, when such Lots as may have been bid off at Auction above the upset price, and which may have become forfeited for non-compliance with the conditions of such Sale, will be again exposed to public competition;—also such Lands as may be returned to this Department for sale, not heretofore advertised.

The numbers of the first-described Lands may be known, upon application to the Agents of this Department, in their respective Districts: those of the latter will appear in the *Upper Canada Gazette*, and in one of the newspapers published in each District, one month before the time of such quarterly Sale, above mentioned, or of such special Sale as may be hereafter advertised.

A General Advertisement of Crown Lands, not heretofore offered, will appear so soon as Returns of Inspection of Lots advertised under Order in Council of the 4th April, 1838, have been made by the District Agents, and the necessary authority obtained from His Excellency the Lieutenant Governor in Council, to offer for sale such Lands, so advertised, as may have been forfeited by the original Locatees—when Lots returned as vacant since the General Advertisement of Sales of Crown Lands, published last year, will be included.

FORWARDING.

NOTICE.—The undersigned hereby notify the public, that they will not be accountable for any loss, damage, or injury whatever, of or to any Produce, Goods, Wares, or Merchandize, entrusted or delivered to them, or any of their Agents or Servants, at any of their Establishments, for the purpose of transportation on board of any Steamer, Schooner, Barge, or other Craft, occasioned by Fire, Storm, Shoals, Fog, or any other dangers of the navigation, or by the Queen's enemies, or by any other accident not already mentioned, unless the same shall be caused by their wilful and gross neglect, or that of their Agents, Masters, Crews, or Servants; neither do they hold themselves responsible for any loss or damage by fire or otherwise, to any goods or produce delivered as above, while the same are in their possession, either in their Warehouses or elsewhere, either after the same shall have been received and before shipment, or after being unladen and before delivery to Consignees or Owners, or at any intermediate period, but that the same while so in their custody, shall be entirely at the risk of the owners, unless such damage or loss shall have been occasioned by any negligence as above stated. With regard to insurance, if the owner wishes to protect himself from loss by fire or otherwise, while property is in store with them, he must cause insurance to be effected upon the same, but being once shipped on board of Boats for Lower Canada, the Subscribers will (unless specially directed to the contrary,) effect insurance or take the risk thereon, against the dangers of the navigation, at the charge of the Owner; but on property from Lower Canada, they will not in any case effect insurance, unless instructed to do so by the Owner or his Agent.

The undersigned take the present opportunity of also notifying all whom it may concern, that in consequence of the unprecedented accumulation of property of all descriptions at Kingston, having exhausted all the available and safe means of Storage in the place, and rendered exposure to the weather, as well as considerable detention to property unavoidable, and having during the present season suffered by almost all *deck* loads of Lake Craft, they will not hold themselves liable for any loss or damage to property arising from any of these causes, but only where it can be clearly shown to have happened while on board of their Boats.

MILITIA GENERAL ORDER

AS much anxiety prevails regarding the re-construction of the MONUMENT, built on QUEENSTON HEIGHTS, by the people of this Province, to the revered memory of the late Major-General SIR ISAAC BROCK, and as the second Board of Officers ordered to ascertain the probable length of time the Column might stand in its present state, have reported it as their opinion, that the effects of the late wicked attempt to destroy it are such, that it cannot last more than three or four years, HIS EXCELLENCY THE LIEUTENANT-GOVERNOR, cordially seconding the desire expressed at a Public Meeting of the Inhabitants of the District of Gore, held at Hamilton, on the 4th instant, is pleased to request a Meeting of the Officers of the Militia, and such other Inhabitants of this Province, as may wish to unite in this object—to assemble on QUEENSTON HEIGHTS, on THURSDAY, the 30th of next month, at the hour of One o'clock, P. M. in order to determine, in the most public manner, upon the best mode of re-constructing the MONUMENT, and with the view of taking such other steps as may be necessary for that purpose.

By Command.

RICHARD BULLOCK.
Adjutant General, Militia

AT a Meeting of the MILITIA, and other Inhabitants of Upper Canada, held at QUEENSTON HEIGHTS, on the 30 h July, 1840, to take into consideration the steps necessary for the re-construction of BROCK'S MONUMENT—which has become requisite, in consequence of the late wicked attempt at its destruction: HIS EXCELLENCY THE LIEUTENANT-GOVERNOR, (Major-General SIR GEORGE ARTHUR, K. C. H.) having taken the Chair, and Colonel RICHARD BULLOCK, Adjutant-General of Militia, having been appointed Secretary, HIS EXCELLENCY, in opening the proceedings of the Meeting, read from the Chair the following extract from the District General Order, issued on 14th October, 1812:

FORT GEORGE,
14th *October*, 1812.

DISTRICT GENERAL ORDER.

MAJOR GENERAL SHEAFFE offers his best thanks to the Troops, for the bravery and good conduct so eminently displayed by all ranks and descriptions, in the action of yesterday, which terminated in the complete overthrow of the Enemy—their General, with many Officers, and above 800 Men, having been made prisoners; a considerable number killed and wounded; and a stand of Colours, with a Six-pounder, taken. This brilliant success is, however, clouded by the ever-to-be lamented death of MAJOR-GENERAL BROCK—who gloriously fell, while foremost in the ranks, gallantly cheering his Troops, when opposing far superior numbers. The zeal, ability and valour, with which he served his King and Country, render this a Public loss that must be long deplored; and his memory will live in the hearts and affections of those who had an opportunity of being acquainted with his private worth.

Major-General SHEAFFE has also to regret, that Lieutenant-Colonel MACDONELL, Provincial Aid de-Camp to Major-General BROCK, whose gallantry and merit rendered him worthy of his Chief, received a wound in the action—which, there is reason to believe, will prove mortal.

By order.

(Signed) THO'S. EVANS,
B.M.

After which, the following Resolutions were adopted:

1st *Resolution*—Moved by Colonel SIR ALLAN NAPIER MACNAB, seconded by DAVID THORBURN, Esquire—

Resolved, That the memory of the late SIR ISAAC BROCK, is dear to all classes of the Inhabitants of Upper Canada—and that those who witnessed his exploits, and followed him to battle and to victory, as well as all who have since found a home in the country he so nobly defended, unite in one common and universal feeling of respect and veneration for the name of BROCK: which stands pre-eminent in the short but eventful history of the Province belonging to present and future generations, an inheritance of Military renown, and an example of sterling fidelity shown through life and to death, now valued, unforgotten and unfading.—Carried by acclamation.

2nd *Resolution*—Moved by Colonel the Honourable WILLIAM MORRIS, seconded by Colonel R. D. FRASER—

Resolved, That the Tribute of Public Gratitude, bestowed upon the memory of BROCK, in the erection of a Monument by the People of the Province, over the scene of his last victory, and of his glorious death, has been regarded with pride and pleasure by Upper Canadians, as gratifying to the recollections of the Veteran Loyalist, and stimulating the Patriotism of the rising generation, whenever that Monument of the departed Hero met their view.—Carried by acclamation.

3rd *Resolution*—Moved by Mr. Justice MACAULAY, seconded by Lieutenant-Colonel JOHN CLARKE—

Resolved, That the destruction of the Monument of SIR ISAAC BROCK, by a treacherous and felon hand; is contemplated by the People of Upper Canada with one universal feeling of disgust and abhorrence.—Carried by acclamation.

4th *Resolution*—Moved by WILLIAM HAMILTON MERRITT, Esquire, seconded by Lieutenant-Colonel J. B. ASKIN—

Resolved, That the People of Upper Canada have a right to expect, that the same sentiments of indignation must be entertained by the high-minded and honourable of all Nations, at the craven and wanton outrage on the hallowed tomb of a Hero—who had no enemies when living, but those of his Sovereign—and who, dying on this, his last battle-field, left none surviving, who continued his foes.—Carried by acclamation.

5th *Resolution*—Moved by Lieutenant-Colonel HENRY SHERWOOD, and seconded by Colonel ROBERT STANTON—

Resolved, That we re-call to mind, with admiration and gratitude, the perilous times in which SIR ISAAC BROCK led the small Regular Force, the Loyal and Gallant Militia, and the Brave and Faithful Indian Warriors, to oppose the Invaders—when his fortitude inspired courage, and his sagacious policy gave confidence, in despite of a hostile force apparently overwhelming.—Carried by acclamation.

6th *Resolution*—Moved by the Honourable Chief Justice ROBINSON, seconded by Colonel the Honourable JAMES KERBY—

Resolved, That notwithstanding our surprise and indignation, that the remains of an honoured lamented Soldier should have needed protection, even against the basest of mankind, we are ready cheerfully to seize the opportunity of shewing the steadiness of our attachment to the principles and the memory of BROCK, by the re-construction of a Monument to his fame, worthy

of the Inhabitants of a Country preserved by his valour and sagacity, and commensurate with the increased resources of a people who have prospered under a Rule, which he lived and died to perpetuate.—Carried by acclamation.

7th *Resolution*—Moved by Colonel the Honourable WILLIAM H. DRAPER, seconded by Colonel ANGUS MCDONELL—

Resolved, That in the opinion of this Meeting, the most suitable Monument would be an Obelisk, upon the site of the present structure; and that to procure funds for its erection, it shall be proposed to the Officers, Non-commissioned Officers and Men of every Militia Regiment in this Province, to contribute a sum equal to one day's pay of their respective Ranks when on actual service, and that Donations be received in aid of the funds.—Carried by acclamation.

8th *Resolution*—Moved by the Honourable R. B. SULLIVAN, seconded by Lieut.-Colonel CARTWRIGHT—

Resolved, That we have read with great pride and satisfaction, the proceedings of a Public Meeting of the Inhabitants of Montreal, held in consequence of the destruction of the present Monument, and that we assure ourselves of the cordial co-operation of the people of the neighbouring British Colonies, in the design of perpetuating the fame of an Officer, whose character and services they must ever hold in the most grateful and affectionate remembrance.—Carried by acclamation.

9th *Resolution*.—Moved by Colonel BOSTWICK, seconded by Lieut.-Colonel MCDOUGALL—

Resolved, That the several Colonels, Lieutenant-Colonels, and Officers commanding Regiments of Militia in this Province; the Chief Superintendent of the Indian Department; and the Officers who served with the Indian Warriors during the late war, do compose a Committee for the purpose of carrying into effect the objects of this meeting, with power to appoint a Sub-Committee, or Sub-Committees, for the more convenient execution of any part of the duty introsted to them, and that the General Committee do hold their first meeting at Toronto, on Monday, the 17th day of August next, and meet subsequently at such times and places as they may, by regulation or special call, appoint.—Carried by acclamation.

10th *Resolution*.—Moved by Mr. Justice HAGERMAN, seconded by Col. RUTTAN—

Resolved, That His Excellency the Lieutenant-Governor be respectfully requested to cause these Resolutions to be transmitted to the Legislature, at its next Session, in the hope that, as a high additional mark of public honour to the memory of the late Major-General SIR ISAAC BROCK, and his lamented companion in arms, the late Lt.-Colonel MCDONELL, of the Upper Canada Militia, provision may be made for protecting the Monument against outrage in all times to come.—Carried by acclamation.

11th *Resolution*.—Moved by Lt.-Col. KEARNS, seconded by Lieutenant-Colonel KIRKPATRICK—

Resolved, That the thanks of this meeting are due to their Excellencies the Right Honourable CHARLES POULETT THOMSON, Governor-General of British North America; Lieutenant-General SIR RICHARD JACKSON, Commander of the Forces in British North America; and Major-General SIR JOHN HARVEY, Lieutenant-Governor of the Province of New Brunswick, for the promptitude and liberality with which they have contributed to the fund about to be created for the re-construction of the Monument.—Carried by acclamation.

Signed by Command of His Excellency the Lieutenant-Governor.

RICHARD BULLOCK, COLONEL,
Adjutant General, Militia,
SECRETARY.

HIS EXCELLENCY having left the Chair, it was the wish of the meeting that it should be taken by the Hon'ble. Chief Justice ROBINSON.

The Hon'ble. the Chief Justice having taken the Chair, it was moved by HENRY JOHN BOULTON, Esquire, seconded by Lieutenant-Colonel EDWARD THOMSON, and carried unanimously—

That the thanks of this meeting be given to His Excellency SIR GEORGE ARTHUR, our distinguished Chairman, for the dignity, and amenity, with which he has presided over the proceedings of this great Colonial assemblage, invited by His Excellency's General Order of the 30th ultimo, to take into their consideration, the unhallowed attempt of some nameless ruffian to destroy the Monument erected on these Heights to the memory of the immortal BROCK, and to adopt such measures as they should deem necessary for its re-construction.

It was then moved by Colonel Sir ALLAN NAPIER MACNAB, seconded by Colonel WILLIAM CHISHOLM—

That as the present occasion affords a suitable opportunity for agreeing to an Address to the Queen's Most Excellent Majesty, upon the late traitorous attempt upon Her Majesty's life, the following Address be adopted—that it be signed by the Chairman and Secretary, on the behalf of the meeting—and that His Excellency the Lieutenant-Governor be requested to transmit it, to be laid at the foot of the Throne.—Carried unanimously.

JOHN B. ROBINSON,
Chairman.

RICHARD BULLOCK,

TO THE

QUEEN'S MOST EXCELLENT MAJESTY.

WE, the *Militia* and other *Inhabitants* of Your MAJESTY'S loyal Province of Upper Canada, being assembled on the Heights of Queenston, for the purpose of devising measures to re-construct the Monument of the Heroic and lamented Major General Sir ISAAC BROCK, lately attempted to be destroyed by a midnight Incendiary, and conceiving this to be an appropriate occasion on which to express our feelings upon the late traitorous attempt upon Your MAJESTY'S life, humbly offer to Your MAJESTY this our dutiful Address.

We inhabit a distant and exposed portion of Your MAJESTY'S extended Dominions, and, while we have on all occasions shown that we are cheerfully ready to defend the integrity of Your MAJESTY'S Empire, we gratefully acknowledge the powerful protection afforded to us by Your MAJESTY; which has given us peace and security under the glorious banner of our Country, and enabled us to hold at proud defiance, all who would impugn Your MAJESTY'S high authority, or injure the least of Your MAJESTY'S Subjects.

We are deeply attached to Your MAJESTY'S House and Person—Your MAJESTY'S life is inexpressibly dear to us—We therefore cannot find language in which to give utterance to our horror and detestation, at the late traitorous attempt to deprive Your MAJESTY'S faithful Subjects of a Sovereign universally revered and beloved, by the millions who inhabit the mighty Empire, over which the generous and benign rule of Your MAJESTY extends.

We are unfeignedly grateful to the Almighty disposer of events, for that He has been pleased to preserve Your MAJESTY. We offer our most earnest prayers, that the same heavenly protection, which has on this occasion shielded Your MAJESTY, may continue through length of days; and that Your MAJESTY may long live to reign, in peace and security, over a prosperous and contented people.

JOHN B. ROBINSON,
Chairman.

On the behalf of the Meeting.

RICHARD BULLOCK,
Secretary.

RAYMOND BABY,
Sheriff, W. D.

Sheriff's Office, Sandwich,
17th July, 1840. sn-12
First published in Gazette 30th July, 1840

Crown Lands Office,
Toronto, 5th June, 1840.

PUBLIC SALES will take place at the Agents' Offices, in the different Districts within this Province, on the 31st March, 30th June, 30th September, and 31st December, in each year, when such Lots as may have been bid off at Auction above the upset price, and which may have become forfeited for non-compliance with the conditions of such Sale, will be again exposed to public competition;—also such Lands as may be returned to this Department for sale, not heretofore advertised.

The numbers of the first-described Lands may be known, upon application to the Agents of this Department, in their respective Districts: those of the latter will appear in the *Upper Canada Gazette*, and in one of the newspapers published in each District, one month before the time of such quarterly Sale, above mentioned, or of such special Sale as may be hereafter advertised.

A General Advertisement of Crown Lands, not heretofore offered, will appear so soon as Returns of Inspection of Lots

advertised under Order in Council of the 4th April, 1838, have been made by the District Agents, and the necessary authority obtained from His Excellency the Lieutenant Governor in Council, to offer for sale such Lands, so advertised, as may have been forfeited by the original Locatees—when Lots returned as vacant since the General Advertisement of Sales of Crown Lands, published last year, will be included.

With regard to insurance, if the owner wishes to protect himself from loss by fire or otherwise, while property is in store with them, he must cause insurance to be effected upon the same, but being once shipped on board of Boats for Lower Canada, the Subscribers will (unless specially directed to the contrary,) effect insurance or take the risk thereon, against the dangers of the navigation, at the charge of the Owner; but on property from Lower Canada, they will not in any case effect insurance, unless instructed to do so by the Owner or his Agent.

Crown Lands Office,
Toronto, 5th June, 1840.

PUBLIC SALES will take place at the Agents' Offices, in the different Districts within this Province, on the 31st March, 30th June, 30th September, and 31st December, in each year, when such Lots as may have been bid off at Auction above the upset price, and which may have become forfeited for non-compliance with the conditions of such Sale, will be again exposed to public competition;—also such Lands as may be returned to this Department for sale, not heretofore advertised.

The numbers of the first-described Lands may be known, upon application to the Agents of this Department, in their respective Districts: those of the latter will appear in the *Upper Canada Gazette*, and in one of the newspapers published in each District, one month before the time of such quarterly Sale, above mentioned, or of such special Sale as may be hereafter advertised.

A General Advertisement of Crown Lands, not heretofore offered, will appear so soon as Returns of Inspection of Lots advertised under Order in Council of the 4th April, 1838, have been made by the District Agents, and the necessary authority obtained from His Excellency the Lieutenant Governor in Council, to offer for sale such Lands, so advertised, as may have been forfeited by the original Locatees—when Lots returned as vacant since the General Advertisement of Sales of Crown Lands, published last year, will be included.

With regard to insurance, if the owner wishes to protect himself from loss by fire or otherwise, while property is in store with them, he must cause insurance to be effected upon the same, but being once shipped on board of Boats for Lower Canada, the Subscribers will (unless specially directed to the contrary,) effect insurance or take the risk thereon, against the dangers of the navigation, at the charge of the Owner; but on property from Lower Canada, they will not in any case effect insurance, unless instructed to do so by the Owner or his Agent.

SIR,

I have the honour to transmit herewith, for your information, the copy of a Despatch from Lord John Russell, accompanied by the copy of a letter from the Secretary to the Lords Commissioners of the Treasury, announcing the alterations which their Lordships have authorized in the rates of Postage between Great Britain and the British Possessions in North America; and I have to request that you will give publicity to the same, through the ordinary channel of the Gazette. I am already in correspondence with the Deputy Post-Master General on the subject, and arrangements will be made for bringing the new system into simultaneous operation throughout British North America without delay.

In the mean time, I shall be happy to receive from Your Excellency, any information on the subject of the Post-Office in the Province under your Government, with which, in conformity with Lord John Russell's Instructions, you may think it necessary to furnish me.

I have, &c.

No. 180. DOWNING STREET,
12th July, 1840.

SIR,

With reference to my Despatch, (No. 135) of the 23rd May, I have now the honour to transmit to you the copy of a letter from the Secretary to the Board of Treasury, containing their Lordship's decision on the proposition submitted in your Despatch (No. 85) of the 16th April, for a reduction of the rates of Postage charged on letters passing between the United Kingdom and British North America.

In conformity with the suggestion at the end of Mr. Gordon's letter, I have to instruct you to appoint a Commission, (of which an Officer of the Post-Office Department should be a member) to investigate and report on the state of the British North American Post Office, including its administration—the remuneration of its Officers—the rates of Postage—the improvement of the mail roads, and every other matter comprehended in a full and complete enquiry. For the information of the Commission, I enclose the copy of a Report, which was made last year, by an Officer of the Royal Engineers, on the present state of the Metis Road.

I have directed the several Lieutenant Governors to collect together, forthwith, all the evidence which they may consider essential to the right understanding of the question in all its bearings, and to forward it to you, for the information of the Commission.

In conclusion, I beg to call your attention to the Despatch on this subject, which I addressed to you on the 24th September last, No. 12.

I have, &c.

Treasury Chambers,
July 9th, 1840.

SIR,

I am commanded by the Lords Commissioners of Her Majesty's Treasury to acquaint you, for the information of Lord John Russell, that my Lords having carefully considered the Despatch from the Governor-General of British North America, which was enclosed in your letter of the 27th May last; and feeling convinced that the present high rates of Postage between the British Isles and the North American Colonies, which amount frequently to three or four shillings for a single letter, must be a serious grievance to the poorer settlers in the North American Colonies, and their correspondents in this country, and must tend injuriously to check Emigration, and to discourage the friendly intercourse which it is so important to promote between the Colonies and the Mother Country, have determined to reduce such rates of Postage to an extent nearly equal to that recommended by the Governor-General.

In conformity with this determination, my Lords will adopt the following Regulations:

1st. As regards all letters passing between this Country and our North American Colonies, and conveyed between them direct, either by Packet or Ship, to charge the internal Colonial Postage, if any, not as heretofore, according to the number of enclosures and by distance, but according to weight—adopting the same scale of weight and number of rates as now apply to the Packet and Ship rates on the same letters; and,

2nd. To continue to charge on the above letters the present Packet and Ship letter Postage, but to reduce the internal Colonial Postage on the same to a uniform charge of 2d. the single rate, whatever the distance within the Colonies the same shall be conveyed. Under this arrangement a letter not exceeding half an ounce, if posted in

any part of the United Kingdom for delivery in our North American Colonies, or if posted in our North American Colonies, for delivery in any part of the United Kingdom, will be charged as follows:

If a Packet letter, and either posted or delivered at Halifax for St. John's, Newfoundland, (the Packet Ports,) 1s.; but if either posted or delivered at any other place in our North American Colonies, 1s. 2d.

If a Ship letter, and either posted at the Port of the Ship's departure from our North American Colonies, or delivered at the Port of the Ship's arrival in our North American Colonies, 8d.; but if posted or delivered at any other place in our North American Colonies, 10d.

The Colonies to which these Regulations will apply are—Upper and Lower Canada; Nova Scotia; New Brunswick; Newfoundland; and Prince Edward's Island; and the reduction in the internal Colonial rates is to extend to all letters passing between the said Colonies and the British Isles, whether in transit to or from any other British Colony or Foreign Country, or otherwise: provided that such letters in passing between the said Colonies and the British Isles, are conveyed direct by Packet or Ship, and do not pass through any Foreign Country.

I am further directed to state, that my Lords will immediately authorise the Post Master General to issue instructions to his Officers in the North American Colonies, in conformity with these Regulations, and will instruct His Lordship to fix the earliest convenient day for bringing them into operation.

As regards the internal Colonial rates on the letters to which the preceding Regulations do not apply, as for instance, the letters which are both posted and delivered in the North American Colonies, my Lords propose to leave such rates as a subject of enquiry in the Colonies, and with a view to such enquiry, their Lordships would recommend, that it should be suggested to the Governor-General to appoint three Gentlemen, of whom an Officer of the Post Office Department should be one, to investigate and report on the state of the British North American Post Office, including its administration, the remuneration of its Officers, the rates of Postage, and every other matter comprehended in a full and complete enquiry.

I am, &c.
(Signed) R. GORDON.

James Stephen, Esquire.

(Copy.) GOVERNMENT HOUSE,
Toronto, 24th August, 1840.

SIR,

I have the honour to acknowledge the receipt of Your Excellency's letter of the 18th instant, in which you transmit the copy of a Despatch from Lord John Russell, accompanied by the copy of a letter from the Secretary to the Lords Commissioners of the Treasury, announcing the alterations which their Lordships have authorised in the rates of Postage between Great Britain and the British Possessions in North America.

This reduction in the rate of Postage, coupled with the permission which has also recently been extended to Her Majesty's Subjects on this Continent, to import their Tea through the United States, may be considered two of the most valuable benefits which could at this moment have been conferred on the people of these Provinces.

As these important measures have been effected through Your Excellency's powerful representations, I cannot refrain from offering you my cordial congratulations on having obtained for these Provinces advantages which must conduce very materially to the comfort of all classes of the community; and which, consequently, cannot fail to be most highly appreciated by them.

I have, &c.

TORONTO, FRIDAY, SEPTEMBER 11, 1840.

TORONTO, 10th SEPTEMBER, 1840.

THIS day at two o'clock, His Excellency, THE RIGHT HONOURABLE CHARLES POULETT THOMSON, GOVERNOR-GENERAL, accompanied by His Suite, arrived in this City, from the Western Frontier.

On His Excellency's landing at the Queen's Wharf, a Guard of honour, from 32nd Regt. was in attendance, and a Salute fired from the Garrison. His Excellency was received on landing by His Excellency SIR GEORGE ARTHUR, K.C.H. The Lieut.-Governor of the Province—the principal Officers of the Provincial Government, and a large concourse of the Inhabitants of Toronto, by whom he was escorted to the Chamber of Honourable the Legislative Council, where being arrived, and received by a Guard of Honour, from 34th Regt. His Honour the Mayor presented to His Excellency, the following Address, from the Corporation of the City of Toronto.

To His Excellency the Right Honourable CHARLES POULETT THOMSON, *Member of Her Majesty's most Honourable Privy Council, Governor-General in and over the British Provinces of North America, &c. &c. &c.*

MAY IT PLEASE YOUR EXCELLENCY:

WE, Her Majesty's dutiful and loyal Subjects, the Mayor and Corporation of the City of Toronto, approach Your Excellency with assurances of our continued attachment to the Person and Government of our beloved Sovereign, and with our congratulations and welcome to Your Excellency, on your arrival amongst us.

The brief and vigorous Administration of Your Excellency, has been marked as the era of the most important event that has taken place in the history of these Provinces, since the conquest of British North America.

We are, in consequence, about entering on a new state of political existence, which, we would fervently hope, will be uninfluenced by the anarchy and turmoil of the past—and be signalized by the rapid advancement of the Province to an eminence, to which a country like ours might reasonably aspire, under the fostering care of a just and powerful Sovereign, and blessed with the tried advantages and unceasing influence of British Laws and British Institutions.

No one is more fully aware than Your Excellency, that a change so complete and startling in the situation of any country, could not but be accompanied by the fears and anxiety of many conscientious and intelligent men, deeply interested in its prosperity, and solicitous as to its probable effect on institutions and connexions deservedly dear to every true Subject.

We are now united to the Sister Province, and we hope we need hardly assure Your Excellency, of the unfeigned gratification it will be to us, should the Union be the means of producing peace and prosperity—extensive Emigration—and our permanent connexion with the Mother Country; and as faithful Subjects, we beg to assure Your Excellency, that individually and collectively, we are resolved to support the Government of Your Excellency, to the utmost of our power, in the promotion of these desirable objects.

Your Excellency's well-known talents for business, and practically active mind, cannot but induce us to look forward, with confidence and pleasure, to the benefits likely to be derived by these Provinces, in the development of their resources and their commercial relations, from Your Excellency's continuance in the Government of British North America.

Already has your Administration been productive of two tangible and substantial changes, materially beneficial to the comfort and well-being of our fellow Subjects: the new Post Office Regulations, and recent alteration in the Revenue Laws—we gladly accept as earnest of Your Excellency's future exertions in our behalf.

In conclusion, we beg to renew to Your Excellency, our congratulations on your arrival in Her Majesty's loyal City of Toronto, fervently and sincerely hoping, that in the future history of this country, your Excellency's Administration may be referred to as the period when British Supremacy was established on so firm and lasting a basis, that in the remotest corner of the land every inhabitant may be brought to feel that he lives under the protection of Laws and Institutions for which he might gratefully pray, that as they are beneficent—so may they be perpetual.

JOHN POWELL,
MAYOR.

To which His Excellency was pleased to make the following gracious

REPLY.

GENTLEMEN:

I thank you cordially for your Address. Your declaration of your determination to afford me support in the endeavours which I may make, to render the Union of this with the Sister Province productive of the advantages which alone could justify its adoption, is most gratifying to me. I am well aware, that with respect to a matter of so much moment, difference of opinion must necessarily have prevailed, but I rely on the loyalty and good sense of the people, now to unite in promoting, under its provisions, the great objects—the peace and welfare of the Canadas, which the Imperial Legislature sought to obtain through its enactment.

I thank you for the expression of your confidence in my ability to assist in the development of the resources of the Province; and I assure you sincerely, that no efforts of mine will be wanting to devise measures by which this object may be attained.

An Address was also presented to His Excellency from the Citizens of the City of Toronto, as follows:—

To His Excellency the Right Honourable CHARLES POULETT THOMSON, *Member of Her Majesty's Most Honourable Privy Council, Governor-General in and over the British Provinces of North America, &c. &c. &c.*

MAY IT PLEASE YOUR EXCELLENCY:

WE, the inhabitants of the City of Toronto, beg to congratulate Your Excellency, on your return to Upper Canada, and to renew the expression of our devoted loyalty and attachment to Her Majesty's Person and Government.

We entertain a high sense of Her Majesty's care for the welfare of Her Subjects in British North America, in having selected a Statesman of Your Excellency's superior attainments and abilities, to administer the Government.

We beg further to express our concurrence in the declarations which Your Excellency has made of the principles upon which the Government of the Colonies shall be conducted.

It has been a source of great gratification to us, that Your Excellency has personally visited the Sister Colonies of Her Majesty on this Continent, and that Your Excellency has also made a tour through a great portion of this Province. In this we perceive an anxiety on the part of Your Excellency, to become acquainted with the position, climate, productions and resources, of the several Provinces; and from personal observation, to ascertain, not only their value to the British Crown, but at the same time to learn the wants of the people.

We cannot permit the present opportunity to pass, without expressing our thanks to Your Excellency, for the exertions which your Excellency has used in effecting those important changes in the regulation of the Post Office Department, and in the Tea Trade, as affecting these Colonies, which have recently been concurred in by the Home Government, at Your Excellency's suggestion.

Since Your Excellency's assumption of the Government of British North America, changes in the Constitution of this Province, and of Lower Canada, have been effected, of such vital importance, as will materially influence our destinies. During the progress of these proceedings, various opinions have agitated the public mind, and approbation or opposition has been freely and openly given, as the parties agreed to, or dissented from the great questions under discussion.

The Imperial Parliament having enacted that a Legislative Union between Upper and Lower Canada shall take place, we trust that, whatever may have been the opinions of individuals upon the policy of so vital and important a change in our condition, all classes of people in either Province will, since our destinies have become united by the law of the land, bring into the discussion of all questions arising under this new condition of our affairs, that spirit of loyalty, unanimity, and good feeling, which are so essential to the prosperity of every country.

(Signed) JOHN POWELL,
Mayor.

P. PATERSON, Jr.
Secretary.

To which His Excellency was pleased to make the following gracious

REPLY.

GENTLEMEN:

I beg to thank you for your Address, and I am anxious at the same time to convey to the Inhabitants of your City, my warm acknowledgments for the kind reception they have afforded me on my return to Toronto.

I receive with great satisfaction the expression of your concurrence in the principles upon which my administration of the affairs of these Provinces is conducted. These principles, opposed alike to the opinions entertained by extreme parties, I am determined firmly to maintain, and to exercise the power confided to me by the Queen, in accordance with what I feel to be the real interests of the people, and what I believe to be also the deliberate and well considered desire of the vast majority.

I am gratified to learn that the Fiscal Measures which I have felt it my duty to recommend, for the benefit of these Provinces, have met your approval. You may rely upon my omitting no opportunity of urging upon Her Majesty's Government or the Imperial Parliament, any measures falling under their control, which may conduce to the advantage or improvement of the Canadas.

I have indeed derived the greatest pleasure from my visit to the various Districts of Upper Canada. It has afforded me the means of making myself personally acquainted with different parts of the Province, and will, I trust, enable me to advance their interests; but above all, that visit has been most gratifying to me, as it has amply shewn the feelings of the great majority of the Inhabitants—their desire to conciliate differences—their determination to address themselves to the real interests of the country—and the confidence they are pleased to repose in the humble but honest exertions which I have made, and shall continue to make, for the improvement of this portion of Her Majesty's Dominions. I trust that the Inhabitants of Toronto will emulate the general feeling of the Province, by discarding violent party and personal feeling, and lend their willing assistance in the great work which is before us.

Confident in the support of the people, whom I believe no less sincerely desirous of attention to their practical interests, than they are opposed to renewed agitation upon theoretical points of government, I shall pursue the measures which appear to me calculated to promote the prosperity and advance the interest of the Colony; and my utmost ambition will be gratified, if, through the blessing of Almighty Providence, I can see these fine Provinces take that station in the mighty Empire of Great Britain, to which they are justly entitled.

An address was also presented to His Excellency, from the Toronto Mechanics Institute, as follows:

To His Excellency the Right Honourable CHARLES POULETT THOMSON, *Member of Her Majesty's Most Honourable Privy Council, Governor-General in and over the British Provinces in North America, &c. &c. &c.*

MAY IT PLEASE YOUR EXCELLENCY:

WE, the Members of the Toronto Mechanics Institute, respectfully beg leave to approach Your Excellency, and to tender our warmest congratulations on your safe arrival in this City.

Confined to the advancement of the quiet pursuits of Literature, Science, and the Arts, we refrain from offering any opinion on the high and important duties which it has pleased our Most Gracious Sovereign to entrust to Your Excellency's administration;—but we venture to express the satisfaction with which we have observed the deep interest you take in the moral and intellectual improvement of this community, and in the promotion of every thing that can bring into action the sources of wealth and industry with which this fine country abounds. And it is peculiarly our duty, as Members of this Institute, to return Your Excellency our thanks, for projecting and carrying into operation, various great Provincial Works—furnishing thereby employment to the Emigrant, and opening greater facilities to the Farmer and the Merchant,—and for the new regulations of the Post-Office and Tea Trade, immediately beneficial to every individual in the Province. We hail with gratitude to Your Excellency, these harbingers of the era opening before us.

We seize this occasion to express our firm loyalty to our Sovereign and the British Constitution, and our attachment to Your Excellency, Her Majesty's Representative in these Colonies; and we fervently pray, that your administration may be continued in peace, and be crowned with an unprecedented advancement of knowledge, trade, prosperity and happiness, to these Colonies.

[*Signed by the Members of the Institute.*]

To which His Excellency was pleased to make the following gracious

REPLY.

GENTLEMEN:

I receive your Address with peculiar satisfaction; and I beg you will convey to the Members of the Mechanics Institute my assurance of the interest which I feel in their establishment.

The contentions arising from party politics can find no place in Institutions like yours, but they are of infinite utility to the Country, in a political sense, of a higher and nobler character—by affording instruction to many who could not otherwise obtain it, and by exhibiting the pleasure arising from intellectual pursuits over mere sensual enjoyment, they refine the minds and elevate the character of those who attend them—they make men better Subjects, and better Citizens.

You may rely upon receiving from me whatever assistance towards your institution it may be in my power to afford, and I shall watch its progress with a sincere desire for your success.

On His Excellency leaving the Council Chamber, he was escorted by the Inhabitants to Government House.

I thank you for the expression of your confidence in my ability to assist in the development of the resources of the Province; and I assure you sincerely, that no efforts of mine will be wanting to devise measures by which this object may be attained.

An Address was also presented to His Excellency from the Citizens of the City of Toronto, as follows:—

To His Excellency the Right Honourable CHARLES POULETT THOMSON, *Member of Her Majesty's Most Honourable Privy Council, Governor-General in and over the British Provinces of North America, &c. &c. &c.*

MAY IT PLEASE YOUR EXCELLENCY:

WE, the inhabitants of the City of Toronto, beg to congratulate Your Excellency, on your return to Upper Canada, and to renew the expression of our devoted loyalty and attachment to Her Majesty's Person and Government.

We entertain a high sense of Her Majesty's care for the welfare of Her Subjects in British North America, in having selected a Statesman of Your Excellency's superior attainments and abilities, to administer the Government.

We beg further to express our concurrence in the declarations which Your Excel-

lency has made of the principles upon which the Government of the Colonies shall be conducted.

It has been a source of great gratification to us, that Your Excellency has personally visited the Sister Colonies of Her Majesty on this Continent, and that Your Excellency has also made a tour through a great portion of this Province. In this we perceive an anxiety on the part of Your Excellency, to become acquainted with the position, climate, productions and resources, of the several Provinces; and from personal observation, to ascertain, not only their value to the British Crown, but at the same time to learn the wants of the people.

We cannot permit the present opportunity to pass, without expressing our thanks to Your Excellency, for the exertions which your Excellency has used in effecting those important changes in the regulation of the Post Office Department, and in the Tea Trade, as affecting these Colonies, which have recently been concurred in by the Home Government, at Your Excellency's suggestion.

Since Your Excellency's assumption of the Government of British North America, changes in the Constitution of this Province, and of Lower Canada, have been effected, of such vital importance, as will materially influence our destinies. During the progress of these proceedings, various opinions have agitated the public mind, and approbation or opposition has been freely and openly given, as the parties agreed to, or dissented from the great questions under discussion.

The Imperial Parliament having enacted that a Legislative Union between Upper and Lower Canada shall take place, we trust that, whatever may have been the opinions of individuals upon the policy of so vital and important a change in our condition, all classes of people in either Province will, since our destinies have become united by the law of the land, bring into the discussion of all questions arising under this new condition of our affairs, that spirit of loyalty, unanimity, and good feeling, which are so essential to the prosperity of every country.

(Signed) JOHN POWELL,
Mayor.

P. PATERSON, Jr.
Secretary.

To which His Excellency was pleased to make the following gracious

REPLY.

GENTLEMEN:

I beg to thank you for your Address, and I am anxious at the same time to convey to the Inhabitants of your City, my warm acknowledgments for the kind reception they have afforded me on my return to Toronto.

I receive with great satisfaction the expression of your concurrence in the principles upon which my administration of the affairs of these Provinces is conducted. These principles, opposed alike to the opinions entertained by extreme parties, I am determined firmly to maintain, and to exercise the power confided to me by the Queen, in accordance with what I feel to be the real interests of the people, and what I believe to be also the deliberate and well considered desire of the vast majority.

I am gratified to learn that the Fiscal Measures which I have felt it my duty to recommend, for the benefit of these Provinces, have met your approval. You may rely upon my omitting no opportunity of urging upon Her Majesty's Government or the Imperial Parliament, any measures falling under their control, which may conduce to the advantage or improvement of the Canadas.

I have indeed derived the greatest pleasure from my visit to the various Districts of Upper Canada. It has afforded me the means of making myself personally acquainted with different parts of the Province, and will, I trust, enable me to advance their interests; but above all, that visit has been most gratifying to me, as it has amply shewn the feelings of the great majority of the Inhabitants—their desire to conciliate differences—their determination to address themselves to the real interests of the country—and the confidence they are pleased to repose in the humble but honest exertions which I have made, and shall continue to make, for the improvement of this portion of Her Majesty's Dominions. I trust that the Inhabitants of Toronto will emulate the general feeling of the Province, by discarding violent party and personal feeling, and lend their willing assistance in the great work which is before us.

Confident in the support of the people, whom I believe no less sincerely desirous of attention to their practical interests, than they are opposed to renewed agitation upon theoretical points of government, I shall pursue the measures which appear to me calculated to promote the prosperity and advance the interest of the Colony; and my utmost ambition will be gratified, if, through the blessing of Almighty Providence, I can see these fine Provinces take that station in the mighty Empire of Great Britain, to which they are justly entitled.

An address was also presented to His Excellency, from the Toronto Mechanics Institute, as follows:

To His Excellency the Right Honourable CHARLES POULETT THOMSON, *Member of Her Majesty's Most Honourable Privy Council, Governor-General in and over the British Provinces in North America, &c. &c. &c.*

MAY IT PLEASE YOUR EXCELLENCY:

WE, the Members of the Toronto Mechanics Institute, respectfully beg leave to approach Your Excellency, and to tender our warmest congratulations on your safe arrival in this City.

Confined to the advancement of the quiet pursuits of Literature, Science, and the Arts, we refrain from offering any opinion on the high and important duties which it has pleased our Most Gracious Sovereign to entrust to Your Excellency's administration;—but we venture to express the satisfaction with which we have observed the deep interest you take in the moral and intellectual improvement of this community, and in the promotion of every thing that can bring into action the sources of wealth and industry with which this fine country abounds. And it is peculiarly our duty, as Members of this Institute, to return Your Excellency our thanks, for projecting and carrying into operation, various great Provincial Works—furnishing thereby employment to the Emigrant, and opening greater facilities to the Farmer and the Merchant,—and for the new regulations of the Post-Office and Tea Trade, immediately beneficial to every individual in the Province. We hail with gratitude to Your Excellency, these harbingers of the era opening before us.

We seize this occasion to express our firm loyalty to our Sovereign and the British Constitution, and our attachment to Your Excellency, Her Majesty's Representative in these Colonies; and we fervently pray, that your administration may be continued in peace, and be crowned with an unprecedented advancement of knowledge, trade, prosperity and happiness, to these Colonies.

[*Signed by the Members of the Institute.*]

To which His Excellency was pleased to make the following gracious

REPLY.

GENTLEMEN:

I receive your Address with peculiar satisfaction; and I beg you will convey to the Members of the Mechanics Institute my assurance of the interest which I feel in their establishment.

The contentions arising from party politics can find no place in Institutions like yours, but they are of infinite utility to the Country, in a political sense, of a higher and nobler character—by affording instruction to many who could not otherwise obtain it, and by exhibiting the pleasure arising from intellectual pursuits over mere sensual enjoyment, they refine the minds and elevate the character of those who attend them—they make men better Subjects, and better Citizens.

You may rely upon receiving from me whatever assistance towards your institution it may be in my power to afford, and I shall watch its progress with a sincere desire for your success.

On His Excellency leaving the Council Chamber, he was escorted by the Inhabitants to Government House.
