Resolved 67.—That hereafter this House will not receive any Petitions for Private Bills after the first fifteen days of each Session.

Resolved 70.—That before any Petition praying leave to bring in a Private Bill for the erection of a Toll Bridge is presented to this House, the person or persons purposing to Petition for such Bill shall, upon giving the notice prescribed by the 66th Rule, also, at the same time, and in the same manner, give a notice stating the rates which they intend to ask—the extent of the privilege—the height of the arches—the interval between the abutments or piers for the passage of rafts and vessels—and mentioning whether they purpose to erect a draw-bridge or not—and the dimensions of such draw-bridge.

LEGISLATIVE ASSEMBLY.

KINGSTON, 19TH JUNE, 1841.

Resolved 66.—That before any Petition is presented to this House, for leave to bring in a Private Bill, whether for the erection of a Bridge or Bridges; for the regulation of a Common—for the making of any Turnpike Road; or for granting to any individual or individuals any exclusive rights or privilege whatsoever; or for the alteration or renewing of any Act of the Provincial Parliament for the like purpose; notice of such application shall be given in one of the Newspapers of the District, published in the English, and one in the French language, if any is published therein, and also by a notice affixed on the Church doors of the Parishes or Townships that such application may affect, or in the most public place where there is no Church, during two months, at least, before such Petition is presented.

Resolved 67.—That hereafter this House will not receive any Petitions for Private Bills after the first fifteen days of each Session.

Resolved 70.—That before any Petition praying leave to bring in a Private Bill for the erection of a Toll Bridge is presented to this House, the person or persons purposing to Petition for such Bill shall, upon giving the notice prescribed by the 66th Rule, also, at the same time, and in the same manner, give a notice stating the rates which they intend to ask—the extent of the privilege—the height of the arches—the interval between the abutments or piers for the passage of rafts and vessels—and mentioning whether they purpose to erect a draw-bridge or not—and the dimensions of such draw-bridge.

Resolved 71.—That all the expenses and costs attending on Private Bills giving any exclusive privilege or advantage, and the relative proceedings in this House thereon, ought not to fall upon the Public, and that it is just and reasonable that part of such expenses and costs should be supported by those who apply for the said Bills: and that after this Session a sum not less than £20 be deposited in the hands of the Clerk of this House, by the Petitioners, before the second reading of any such Bill.

W. B. LINDSAY,
Clerk Assembly.

Mem.—No Printed Petition shall in any case be received; nor shall any Petition be received unless real signatures be subscribed on the same sheet or sheets of Parchment or Paper on which such Petition is transmitted. i-17
