A GUIDE TO THE PUBLIC ACCOUNTS

1. SCOPE OF THE PUBLIC ACCOUNTS

The 2021–2022 Public Accounts of the Province of Ontario comprise the **Annual Report and Consolidated Financial Statements** and two volumes:

The **Ministry Statements and Schedules** contains ministry statements and detailed schedules of debt and other items. The ministry statements reflect the financial activities of the government's ministries on the accrual basis of accounting, providing a comparison of appropriations with actual spending. Ministry expenses include all expenses that are subject to appropriation approved by the Legislative Assembly, but exclude adjustments arising from consolidation of government organizations whose expenses are not appropriated.

The **Detailed Schedules of Payments** contains the details of payments made by ministries to vendors (including sales tax) and transfer payment recipients that are not deemed to be prohibited by the *Freedom of Information and Protection of Privacy Act*.

Individual statements of significant provincial corporations, boards and commissions that are part of the government's reporting entity, as well as other miscellaneous financial statements are available via web link to the organization's website through ontario.ca/publicaccounts or upon request.
